**WE MUST BELIEVE THAT CHRIST DIED  
ON THE CROSS TO SATISFY GOD'S  
JUSTICE FOR OUR SIN IN ORDER FOR US  
TO GO TO HEAVEN FOR ETERNITY**

**OUR SITUATION:** We all have sinned, broken (disobeyed) God's laws. This requires a justice to be satisfied, which we cannot do (for going to heaven eternally after death). (God is in charge.)

**THE BIBLE TEACHES:** The Bible teaches that Christ died on the Cross to satisfy God's Justice for our sin (our breaking God's spiritual laws) on our behalf. This satisfied justice is applied to us when we by faith believe that Christ died on the Cross to satisfy this justice only according to the Bible - not according to any church or any religion, only the Bible. We believe when God works in us.

**NEEDED ACTION:** There are two major aspects. One we must believe that Christ died on the Cross, only according to the Bible (the Scriptures), was buried and was resurrected from the dead on the third day. The second is that we need to activate our faith (by some action) to become living faith such as praying to God that we believe. God only saves on the basis of living faith. Again, this is only according to the Bible, not by any church or by any religion.

*1 Corinthians 15:1-4 - Now I make known to you, brethren, the **gospel** ... which also you received, .... by which also you are saved, .... that Christ died for our sins according to the Scriptures, and that He was buried, and that He was raised on the third day according to the Scriptures,*

*Romans 1:16 - For I am not ashamed of the **gospel**, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek.*

*Romans 10:13 - for "Whoever will call upon the name of the Lord will be saved." (Pray that you believe and are accepting the Gospel.)*

**AVAILABLE HELP:** Read our website report: *Becoming a Christian* located under Training. It presents the procedure and the Scriptures in the Holy Bible for what we need to believe and how we activate our faith to become living faith as God works in us.

**BENEFITS:** Having living faith in the above (the Gospel of Christ), we gain eternal life in Christ. After death in resurrection, we go to live with God and Christ in heaven forever. Now we have the spiritual ability to respond to God to become mature in Christ-likeness to interact with God.

**COST:** The Gospel is free, but we need to set aside our way of living and belief structures and accept only God's as He has written only in the Bible. We must deny all other ways to God and other religions as having truth. We must now live by the principles as taught only in the Bible.

**PENALTIES FOR NOT TAKEN NEEDED ACTION:** If we do not believe that Christ died on the Cross to satisfy God's justice for our sin, God will satisfy His justice in another way. We will be placed eternally into the Lake of Fire (a most terrible place) for eternal punishment. (We must understand that if we do not believe the Gospel, we are without excuse. We all knew of God through creation.)
