**WE MUST BELIEVE THAT CHRIST DIED  
ON THE CROSS TO SATISFY GOD'S  
JUSTICE FOR OUR SIN IN ORDER FOR US  
TO GO TO HEAVEN FOR ETERNITY**

by

John M. Stephenson  
Biblical Worldview Ministries

Updated December 3, 2009

**OUR SITUATION:** We all have sinned, broken (disobeyed) God's laws. This requires a justice to be satisfied, which we cannot do (for going to heaven eternally after death). (God is in charge.)

**THE BIBLE TEACHES:** The Bible teaches that Christ died on the Cross to satisfy God's Justice for our sin (our breaking God's spiritual laws) on our behalf. This satisfied justice is applied to us when we by faith believe that Christ died on the Cross to satisfy this justice only according to the Bible - not according to any church or any religion, only the Bible. We believe when God works in us.

**NEEDED ACTION:** There are two major aspects. One we must believe that Christ died on the Cross, only according to the Bible (the Scriptures), was buried and was resurrected from the dead on the third day. The second is that we need to activate our faith (by some action) to become living faith such as praying to God that we believe. God only saves on the basis of living faith. Again, this is only according to the Bible, not by any church or by any religion.

*1 Corinthians 15:1-4 - Now I make known to you, brethren, the **gospel** ... which also you received, .... by which also you are saved, .... that Christ died for our sins according to the Scriptures, and that He was buried, and that He was raised on the third day according to the Scriptures,*

*Romans 1:16 - For I am not ashamed of the **gospel**, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek.*

*Romans 10:13 - for "Whoever will call upon the name of the Lord will be saved." (Pray that you believe and are accepting the Gospel.)*

**AVAILABLE HELP:** Read our website report: *Becoming a Christian* located under Training. It presents the procedure and the Scriptures in the Holy Bible for what we need to believe and how we activate our faith to become living faith as God works in us.

**BENEFITS:** Having living faith in the above (the Gospel of Christ), we gain eternal life in Christ. After death in resurrection, we go to live with God and Christ in heaven forever. Now we have the spiritual ability to respond to God to become mature in Christ-likeness to interact with God.

**COST:** The Gospel is free, but we need to set aside our way of living and belief structures and accept only God's as He has written only in the Bible. We must deny all other ways to God and other religions as having truth. We must now live by the principles as taught only in the Bible.

**PENALTIES FOR NOT TAKEN NEEDED ACTION:** If we do not believe that Christ died on the Cross to satisfy God's justice for our sin, God will satisfy His justice in another way. We will be placed eternally into the Lake of Fire (a most terrible place) for eternal punishment. (We must understand that if we do not believe the Gospel, we are without excuse. We all knew of God through creation.)

## IMMEDIATE ACTION NEEDED TO EVANGELIZE THE CHILDREN IN OUR COMMUNITIES

by

John M. Stephenson

Biblical Worldview Ministries

Updated December 3, 2009

[biblicalworldviewministries.com](http://biblicalworldviewministries.com)

**NEEDED ACTION:** We must act “urgently” to evangelize (and disciple) the children in our communities and accomplish the task “before” the soon-coming Calamity that will establish the endtimes Tribulation. We can greatly reach the kids now in after-school Bible clubs. This door can be soon closed. In the Tribulation, the government by law will no longer allow this ministry.

**BENEFITS:** Adults act as they were trained as children. Statistics show that 85% of all those coming to Christ do so in the age group 4-14 years of age (99% before they leave college). Accomplishing this ministry, we will have many more adults in ministry and many more people, especially the children, will be saved. Evangelizing the children brings maximum returns and numbers for those coming to Christ.

*Proverbs 22:6 - Train up a child in the way he should go, Even when he is old he will not depart from it.*

Well-known adult Christian ministers who were saved as children in the age group 4-14 years include: Corrie Ten Boom, Amy Carmichael, James Dobson, Jonathan Edwards, Leighton Ford, Bill Gothard, Billy and Ruth Graham, Matthew Henry, Henrietta Mears, Luis Palau, Polycarp, and Dr. Isaac Watts.

**AVAILABLE HELP:** Child Evangelism Fellowship (CEF) (and other groups), working with the churches, can help train workers, establish the schools for the clubs, and provide the training materials and program. Then, after on-the-job training, the churches will lead the clubs.

**COST (METHOD):** We need to “immediately” establish “tens and tens” of after-school Bible clubs working with Child Evangelism Fellowship and other organizations. We will need 3-5 teachers and workers per club depending upon the size of the clubs (20-80 students per club). Churches will need to provide these workers. Churches can contribute to materials cost.

**PENALTIES FOR NOT TAKEN NEEDED ACTION:** If we do not take sufficient immediate action, we will allow Satan to prepare the children for the Tribulation and bring in Satan’s world (people without salvation). We will have many less future adults in ministry. The children in the Tribulation will be trained for world religion and world government without Christ (salvation) and the Bible. Under world government (and Marshall law), parents (and other Christians) will not be able to prevent this happening.

**WE SHOULD APPRECIATE AND LIVE BY  
GOD'S ABSOLUTE AND INFINITE GREATNESS**

by

John M. Stephenson

Biblical Worldview Ministries

Updated December 3, 2009

[biblicalworldviewministries.com](http://biblicalworldviewministries.com)

**NEEDED ACTION:** We all need to greatly appreciate God's absolute infinite Greatness. We need to realize that as created beings that all we have, that is good, came from Him. Thus, we should search the Scriptures for **ALL** He wants us to become and **ALL** for how we get there. We can begin by studying and appreciating His attributes. God is in charge of our futures.

**THE GREATNESS OF GOD** - God alone is perfect in every attribute. There is no sin or darkness in Him of any kind or any amount. Even though we may have insight, God's infinite Greatness is beyond our comprehension. He is perfect, most holy, and infinitely complete in all possible perfect attributes and character qualities. He has always existed (has pre-existence) and has eternal self existence. He lives in a different domain than we do. He has always known everything that can be known in the past, present, and future (omniscient) simultaneously. In Him, there is nothing new for Him to learn. He interfaces with billions of humans and angels all at the same time. He is everywhere that exists (omnipresent) and has infinite power (omnipotent). He has created a universe so large, we do not know how large it is. There may be no end to it. He is holy, righteous, and truth. Holy, holy, holy is our Lord God almighty. He has mercy, everlasting kindness, grace, and infinite love and glory. He is love and holy. He works with us on an impartial basis. **A listing summary of (many of) God's Attributes is Faithfulness, Glory, Grace, Holiness, Immensity, Immutability, Light, Long-Suffering, Love, Loving-kindness, Mercy, Omnipotence, Omnipresence, Omniscience, Provider, Righteousness, Self-Existence (Eternal Life), Sovereignty, Spirit, and Truth.**

**BENEFITS:** Appreciating God's infinite and absolute Greatness will cause us to love Him greatly. We will learn and keep His commandments and ways of living to have the only and most perfect lives available (that exist). We will go all the way with God. We will have greater incentive to become mature in Christ-Likeness when we have an appreciation for God's infinite and absolute Greatness. We will trust Him to fulfill His many promises, and we will activate our faith by obeying the instructions with the promises. We will memorize them.

**COST (METHOD):** We will study the Bible in detail for all we are to become and do in obedience to Him from our love of Him. Then, we will do all that He commands in obedience to Him. Because of our love for Him, we will not see this as cost, but as wonderful and the only perfect life without sin (breaking God's laws).

**PENALTIES FOR NOT TAKEN NEEDED ACTION:** If we do not know and live by God's Greatness as He directs our lives, we will waste much of our lives. We will have forfeited having the greatest mature spiritual ability in Christ-likeness needed to know and interact with God in eternity. Apart from living maximumly with God, there is nothing. Thus, we will have paid a most terrible eternal penalty.

## IMMEDIATELY WARN, ALERT, AND PREPARE YOUR PEOPLE FOR THE SOON-COMING ENDTIMES TRIBULATION

by

John M. Stephenson

Biblical Worldview Ministries

Updated December 3, 2009

[biblicalworldviewministries.com](http://biblicalworldviewministries.com)

**NEEDED IMMEDIATE ACTION (Watchman Warning):** Signs now signal loudly that we must “urgently” warn, alert, mature, and prepare our (especially our Christian and Church) families for the soon-coming Calamity and endtimes Tribulation. We must train them to walk by strong faith with endtimes prophecy emphasizing the Rapture definitely comes at Christ’s Second Coming after the Tribulation. Over 30 doctrines, considered together teach this. Only God knows the timing, but the time remaining before the Calamity comes that will bring the endtimes Tribulation appears to be short - in the next few months to few years. How much time to we have to prepare? **“We must not be late.”**

**NEEDED BACKGROUND:** We need to inform our people that Revelation’s endtimes come in a special sequence (similar to what happened to the Old Testament Jews.) We need to train them with what will happen in each part of the endtimes and how to walk by strong faith, standing strong in Christ under terrible persecution without falling away. God has established the United States as His endtimes most favored nation. She has been greatly blessed by orders of magnitude more than any other nation including Israel. As God’s and the nation’s people are now going into disobedience to God, the country is getting warning. Signs of this warning are now all around us. With continued disobedience, God will bring world empire nations against her and place her under divine discipline administered by world government. This is next, beginning with great Calamity. This coming discipline is the endtimes Tribulation that can last over 20 years (not 7). After the Tribulation, God’s people are brought to God via the Rapture at Christ’s Second Coming. Then the rest of the people are killed. Then we all go to our eternal states.

**BENEFITS:** Being alerted and trained, our people will have maximum maturity for eternity and will be prepared for the most terrible soon-coming endtimes. They will be less likely to fall away under the coming most terrible persecution. Standing strong in Christ without falling away, they can gain more maturity in Christ-likeness needed for eternity. The endtimes might be delayed if many-many of our churches have immediate revival with much greater obedience to God.

**COST (METHOD):** We need to “immediately” take extra time to train, prepare, inform, and greatly maximumly mature our people (including our children and youth) in experiential Christ-likeness. This means we must know how. We need to place all our people into home groups (people living near each other) for mutual support and prayer with needed supplies for food, water, and personal needs.

**PENALTIES FOR NOT TAKEN NEEDED ACTION:** Our people will be caught blind-sided and unprepared as the Calamity comes without any warning (apart from the signs) like a sudden earthquake. They will not have the food and other supplies to get through the calamity, will not know what is happening and why, and most likely will fall away under the coming most terrible persecution. **We must train them now to walk by very strong faith.** Many will be martyred. They will not have maximum experiential maturity in Christ-likeness as God has planned - a most terrible eternal penalty.

**REVELATION'S ENDTIMES SEQUENCE AND HOW THE UNITED STATES IS FOUND INDIRECTLY IN ENDTIMES BIBLE PROPHECY**

by  
**John M. Stephenson**  
**Biblical Worldview Ministries**  
**Updated December 28, 2009**  
[biblicalworldviewministries.com](http://biblicalworldviewministries.com)

**REVELATION'S SEQUENCE:** Revelation's endtimes sequence is found by comparing aspects in Revelation to what happened to Old Testament Israel. These aspects include: vocabulary, wording, sequences, phrases, events, entities, etc. **There is a match.** Because the sequence repeats many times in Israel and again in the endtimes, I call it a Pattern Sequence and my view of prophecy - *The Pattern View of Prophecy*.

**ISRAEL'S SEQUENCE AS A PATTERN FOR REVELATION'S SEQUENCE:** Israel's sequence is: (1) Israel as a most favored nation to God was greatly blessed by God more than all other nations in her general obedience; (2) Watchmen gave Israel warnings in her disobedience that judgment would come without returning to greater obedience; (3) when the disobedience worsened, God brought a world government against her and placed her in divine discipline under the rule of this world government for a number of years (e.g. Southern Kingdom for 70 years under Babylon); (4) then when the discipline period was completed, God brought Israel back to her land in freedom; and (5) then God destroyed the world government nations.

**REVELATION'S ENDTIMES PATTERN SEQUENCE MODELED AFTER ISRAEL'S**

<i>Great Blessing on Favored Nation With General Obedience</i>	<i>Watchman Warning to Favored Nation - to the Church (His people) With Disobedience</i>	<i>Calamity With Increased Disobedience - Attack by World Government</i>	<i>Divine Discipline in the Endtimes Tribulation Under World Government Rule</i>	<i>Deliverance to Christ Via the Rapture After the Endtimes Tribulation</i>	<i>Destruction of the World Government and Unbelievers</i>
--	--	--	--	---	--

**THE UNITED STATES IS GOD'S MOST FAVORED NATION IN THE ENDTIMES AND IS GOING THROUGH A SIMILAR SEQUENCE.** The United States' characteristics that match Israel's for being a most favored nation include: (1) begins in obedience, ends in disobedience; (2) is more sinful than the surrounding nations; (3) no one believes that an enemy will take her over; (4) God makes her a beautiful and most successful nation; (5) she is the center of nations; (6) trusts in her beauty and plays the role of a harlot in reverse - offers food etc. to those who accept her harlotry; (7) she sacrifices her children (sex, abortion, drugs, false ideologies, etc.); and (8) in her beginning, has a mandate to take the Gospel to the nations.

**REVELATION'S ENDTIMES SEQUENCE USING THE UNITED STATES:** The United States is definitely God's endtimes most favored nation. Her sequences match those of Israel. God has greatly blessed the United States by orders of magnitude more than any other nation in history including Israel and England. She surely is God's most favored endtimes nation. Now signs signal (watchman warning) she is disobedient. If she continues, she will go under divine discipline of the endtimes Tribulation under world government rule. (The disobedient church is responsible for the Tribulation coming. We need revival.) As the discipline terminates, God will deliver His Church to Christ via the Rapture, then kill all the remaining unbelievers.

**SIGNALING SIGNS OF THE SOON-COMING CALAMITY AND ENDTIMES TRIBULATION:** These signs include: (1) emphasis on sodomy and abortion (so the elect might not be born); (2) "extreme" weather and fire storms; (3) a famine (dumbing down) of God's Word in our churches (they no longer enduring sound doctrine); (4) a "most severe" financial crisis; (5) the Middle East is setting up for a major war; (6) great increase in sin; (7) the coming of disease and pestilence; (8) the United States government is now working to bring world government and **acting as if Christianity does not exist.**

**WEBSITE REFERENCES:** The Pattern Sequence (How the United States is found in Revelation) is: (1) developed Scripturally: *Watchman Warning* (Chapter 5); (2) *Summary Presentation: How Revelation's Events Unfold and How the United States Is Found in Bible Prophecy*, and (3) summarized in Part Two of my paper: *The Pattern View of Prophecy*.

## ELEMENTS NEEDED FOR SUCCESSFUL TRAINING TO WALK BY FAITH AND BY LOVE

by

**John M. Stephenson**  
**Biblical Worldview Ministries**  
**Updated December 3, 2009**

[biblicalworldviewministries.com](http://biblicalworldviewministries.com)

**BIBLICAL COMMANDS:** The Bible teaches we are to train our people to become highly mature in Christ-likeness and especially walk by mature faith and by love. We are to train to walk with God and do His work.

**NEEDED ACTION:** In order to train people to walk with God (only from the Bible), we must teach them what to do, how to do it, examples for how to do it, testimonies for how we did it, and place our people into methods of on-the-job training. Only when people live out the training, do they become trained. Giving them mainly what to do, does not get the job done, unless people study on their own and implement the Scriptures.

**ANALOGY:** When you are trained to fly airplanes, you must have, in some way, actually flown the airplane. My describing what to do, does not make you a pilot. The flight instructor takes you flying in the airplane, tells you what to do and how to do it, and then demonstrates how to do things (testimony), Afterward, he lets you take the controls to actually fly the airplane. Then He provides needed corrections. Then you take your flight test to gain your pilot's license.

**BIBLICAL MODEL:** The Biblical Model is a triunity patterned after God, being a triunity. Man is a triunity, as all things are that live. Man lives out trinities. The source is embodied or embraced by the source embodiment (some associated action taken). Note the chart.

Overview	Source	Source Embodiment	Result-Interaction
<b>God is Triunity</b>	<b>Father</b>	<b>Son</b>	<b>Holy Spirit</b>
<b>Man is Triunity</b>	<b>Soul</b>	<b>Body</b>	<b>Spirit</b>
<b>Walk by Faith</b>	<b>Trust in God to Fulfill Promise</b>	<b>Obey Instructions with the Promise</b>	<b>God Fulfills His Promises; We Receive Revelation From God and Live Without Sin</b>
<b>Walk by Love</b>	<b>Love God and Others</b>	<b>Obey God's Commandments</b>	<b>Love is Lived Out; We Live Holy and Righteously, and We Get to Know God</b>

The source to be embodied in man's case is purpose or motivation for living. God acts in the same way in His actions toward us. In the case of living by faith, the source embodiment activates the faith to have living faith. In living by love, keeping or obeying God's commandments activates the love to produce living love. God acts through the living love and living faith to bring the results. We must live by activated faith and love to live the Christian life as God has planned.

**TRAINING:** The instructor teaches that we should live by faith and how to live by faith. He presents examples for how one lives by faith such as in the Old Testament battle of Jericho. Then He presents testimony for how he has lived by faith and love. He gives suggestions for how they can live out the training in living life purposes.

**WE SHOULD TRAIN OUR PEOPLE TO GAIN A  
MAXIMUM MATURITY IN CHRIST-LIKENESS  
(OUTCOME), BY DISCIPLING THEM FOR  
MAXIMUM CHRISTIAN GROWTH (PROCEDURE)**

by

John M. Stephenson

Biblical Worldview Ministries

December 3, 2009

[biblicalworldviewministries.com](http://biblicalworldviewministries.com)

**THE MAIN JOB OF THE CHURCH (OUTCOME ORIENTED):** The Church is to train her people to reach a maximum mature high-skill spiritual-capability walk in Christ-likeness, living as He does with everything for thought and action in all of life coming from God the Father. Then we can know and relate to God toward His maximum in eternity. Gaining this mature walk is the main reason we are on the earth. Apart from this walk of knowing Him in His depth-breadth, there is nothing. **When we train in the church and in our families, we are to work to have this OUTCOME accomplished in all those that will respond.**

**REQUIREMENT TO GAIN MAXIMUM MATURITY (PROCEDURE ORIENTED):** We must train our people with a version of God's Whole Counsel. If we do not, we can be guilty of the people's blood. An analogy of God's Whole Counsel to gain maximum maturity is like going to college to gain a degree. We must take a series of courses to have the needed training to gain the degree. Thus, to train people to become mature in Christ is to train them with sufficient topics. So what are they? The training must include: what to do, how to do it, examples for how to do it, testimony from the trainer for how he or she did it, and to place our trainees into some form of on-the-job training.

**WHAT IS INVOLVED:** Generally we may not train to gain maximum maturity unless we have this outcome in mind. We will train with only a few topics for Christian growth. The concept is not just to train with some Bible content, but instead, to use the Bible to train people to have a maximum walk with God. This is so God will work all things for good in our lives. He will direct all our thoughts and actions. It will be God all in all. Thus, we will walk by love keeping God's commandments to live righteously and holy and getting to know God. We will walk by faith in God to fulfill His promises, and we will activate our faith by obeying the instructions with the promise. Then, we will live without sin and gain revelation of the Scriptures. This means we must know the commandments and have memorized many promises.

**MINIMUM TOPICS NEEDED ONLY FROM THE BIBLE (PROCEDURE) TO A GAIN MAXIMUM MATURITY IN CHRIST-LIKENESS (OUTCOME):** **1. Exalt, Worship, and Glorify God.** This includes praising, honoring, worshiping, glorifying, obeying, pleasing, and loving God in an intimate fellowship. **2. Live a Godly and Holy Life.** This life includes living by faith, love, and hope in biblical head-subordinate authoritative relationships patterned after Christ's walk with the Father, serving God and each other from sacrificial love, fellowshiping with God and with each other, etc. **3. Help Accomplish God's Work.** God's work includes witnessing and evangelizing **total** local areas particularly the children, discipling to maturity in Christ-Likeness (not just working for Christian growth), building godly families, training faithful people, planting new churches, and reaching out to and helping the needy. **4. Believe and Stand Strong on Basic Christian-Faith Doctrines Including on God's Attributes.** Know Bible Content and Christian-Faith Doctrines with the Doctrines of the Spiritual Warfare and Endtimes Prophecy. **5. Devotional Life:** Have a strong personal devotional life before the Lord where we regularly read (meditate on) our Bibles (His Word) and pray about all things and people He puts into our minds.

**NEEDED ACTION:** We all need to greatly appreciate God's absolute infinite Greatness. We need to realize that as created beings that all we have, that is good, came from Him. Thus, we should search the Scriptures for **ALL** He wants us to become and **ALL** for how we get there. We can begin by studying and appreciating His attributes. We should write down (in a computer) what we are learning.)

**PENALTIES FOR NOT TAKEN NEEDED ACTION:** We may not come to know God as greatly toward His maximum and may not be used of Him as greatly toward a maximum way. Thus, we will have paid a most terrible eternal penalty. Our maturities in Christ-likeness may be fixed forever at death.

## OUR CHURCHES ARE BECOMING IMMATURE WITH LIMITED TRAINING AND THE USE OF ROCK MUSIC, NOT BEING READED FOR REVELATION'S ENDTIMES AND ETERNITY

by

John M. Stephenson

Biblical Worldview Ministries

Updated December 3, 2009

[biblicalworldviewministries.com](http://biblicalworldviewministries.com)

**BIBLICAL TEACHINGS:** The Bible teaches we are to train our people to become maximumly mature in Christ-likeness and especially learn to walk by faith and love. **This is so that we can know and relate to God toward His maximum in eternity. To gain this maturity is the main reason we are here.** We are to train now to walk with God and do His work. A major part of His work is to evangelize the children (85% come to Christ as children) in our communities so that our ministry will continue and to gain the maximum number of new Christians. When we are filled with the Holy Spirit, we will sing melody from our hearts in great worship to the Lord. (Good music has the melody dominate, the harmony next, and the rhythm under control (E.g. use great hymns, but not dominate, repetitive loud beat - rock type music.)

**WHAT IS HAPPENING TO OUR CHURCHES:** Many (most) of our churches are now falling away from God's best by using "limited" Bible teaching (very often without endtimes prophecy and what we will experience as the endtimes come) and rock-type music to draw the youth and to gain numbers. They are doing insufficient evangelism of the children in the communities. Thus, our churches are becoming immature with (by being transformed to have) a loss of biblical intellect and with a low plateau of biblical knowledge. They know little if any endtimes Bible prophecy. **This is satanic strategy for the endtimes so that our church people will not know what is happening when the endtimes come and will fall away under the great endtimes persecution.** They may not know that they will go through the endtimes Tribulation. This is with the purposes that the elect might not believe the Gospel and accomplish God's work. It allows Satan more power to rule. **Such church life is clearly Satanic endtimes strategy.**

**EFFECTS OF ROCK-TYPE MUSIC: I realize we have different views.** However, rock music, because of its structure (loud dominate syncopated repetitive beat), hinders our spiritual growth and does not bring needed worship to God. We must thoroughly understand that the structure of loud drum beat rock music came from Voodooism and the cults and was used to call up evil spirits and demons. It is the kind of music that Satan likes. When the churches use it, they can inadvertently bring much worship to Satan. This music, over the long term, impedes one from becoming maximumly mature in Christ-likeness and maximumly following the leading of the Holy Spirit. This in turn impedes great ministry from happening and brings less glory to God. **(E.g. Churches are not adequately maturing their people, evangelizing the children in their communities, and warning their people of the soon-coming endtimes.)**

Loud repetitive drum or percussion beat rock-type music irritates the spirit and soul. This causes some bad health effects. It can reduce our sensitivity to listen to the Lord, study the Bible, and obey Him in a more fuller manner. Our minds being low on Bible doctrine, we can tolerate more of the modern rock-type music in our churches and go to elementary training, no longer doing expository preaching. We make compromises such as no longer having the committed action to evangelize the children in our entire local areas and to maximumly mature our people in Christ-likeness using God's "Whole Counsel." In contrast, our hearts no longer sing melody to the Lord using the great hymns to worship the Lord we love and serve.

**WHAT CHURCH LEADERS SHOULD NOW DO:** Church leaders should now do "personal research" and determine the dangerous effects of rock music and brief their own people on these effects, so that they will no longer sit under it. The concept here is to not "think" what you want to "think" about loud beat rock music until "after leaders personally do research" and "know" where rock drum beat music came from, how it is used, and what effects it has on people. **Once "one" does "personal" research on rock music and knows and/or discovers its evil effects, worship of Satan, and being used to call up demons and evil spirits, one will most likely never use it in any amount in the church. One will go to in-depth teaching and training and use the great hymns and similar music in the churches.**

## APPROACH CHURCHES MUST TAKE NOW THAT THE ENDTIMES ARE SOON COMING

by

John M. Stephenson

Biblical Worldview Ministries

Updated December 3, 2009

**GOD'S GOAL FOR OUR CHURCHES:** God wants His people matured to the maximum in Christ-likeness so that they can relate to Him in eternity toward the maximum. Maturing His people is the main or really only "OUTCOME" job of the Church. Training in the Church to become mature is "PROCEDURE".

**OBSERVATION:** Not caring for one's own people at high priority (to bring them mature in Christ-likeness) makes one worse than an infidel. One must have a higher priority to work with one's own people over reaching or working with new people (even though both must be done). The same is true for fathers in homes.

**TODAY'S SITUATION:** Signs now signal loudly that Revelation's endtimes Calamity and Tribulation can be very soon on our doorstep. Their coming is caused by our churches falling away. Many churches have degrees of falling away by not sufficiently maturing their people and adequately evangelizing the children in the community. They are using mainly or only fundamental training and rock-type music to draw the today's youth. (The structure of rock music came from voodooism and was used to call up evil spirits and demons. So is it of God?) Doing these things are signs the churches are falling away from God's best. The situation can be enhanced by being involved in some adultery and fornication. Some churches are using the hymns and similar music. Some churches are teaching good Bible content without teaching how to live the Christian life and to become mature in Christ. The older people use the great hymns to worship God. Some churches still have these. Some churches have both a traditional service with the hymns and also a contemporary service with the rock music.

**RESULTS OF SUCH ACTION:** This falling away is transforming our churches to become immature churches with a loss of biblical intellect and with a low plateau of biblical knowledge. This is satanic strategy for the endtimes. Churches generally do not realize their situation of falling away. They believe they are doing good by drawing the youth. This falling away in the United States, being God's endtimes favored nation, is helping to cause the endtimes Calamity and Tribulation to come. As time continues, when the older people die or are fewer in number who like the hymns, the hymn services will very likely discontinue. Many of our young people now when they leave high school are no longer attending church and still listen to rock music. When the Tribulation comes, people, being immature and not having been taught prophecy, will not know what is happening and very likely will fall away much further under the coming persecution.

**CAUSES:** Our church leaders do not appreciate God's absolute Greatness and Perfection such that they only work to become and do what He wants done, learned from the entire Bible. They know longer are enduring (knowing) sound doctrine. This is in turn caused by their not walking by sufficient faith to gain needed revelation of the Scriptures from God. They are trusting themselves more than God to work all things together for good.

**RECOMMENDED ACTION:** Keep the hymn services and "in-depth training" in the church services. Brief all the people, particularly in the rock music services, of the dangers and bad effects of using rock music and provide a hymn service for those who will change to the hymns. Keep the rock music service for those who will not change. Remove all rock music from all the Sunday Schools through college and career. Provide Sunday evening discipleship training (e.g. 3 hours) to mature their people including young people in Christ-likeness and also to train new people with the fundamentals of the faith. Use CEF training materials in the lower Sunday School grades. Train the junior and senior high schools with Christian-life principles. Go all out, working with CEF, to establish tens and tens of after school Bible clubs to help evangelize and disciple the children in the communities.

**PENALTIES FOR NOT TAKEN NEEDED ACTION:** If we do not know and live by God's Greatness as He directs our lives, we will waste much of our lives. We will have forfeited having the greatest mature spiritual ability in Christ-likeness needed to know and interact with God in eternity. Apart from living maximumly with God, there is nothing. Leadership will be judged for their actions. Our people will be caught blind-sided and not being adequately trained to know what is happening when the endtimes come. They will not gain more needed maturity by standing strong under the coming persecution. They will have paid a most terrible eternal penalty.

## ISRAEL'S PURPOSE AND WHAT THE CROSS ACCOMPLISHED REGARDING ISRAEL'S FUTURE IN GOD'S ENDTIMES PLAN

**ISRAEL'S PURPOSE:** God had many purposes for national Israel in Old Testament and Gospel periods. They included: (1) being a genealogy to bring their Messiah; (2) bringing the law that no one could keep to show the need of a Savior; (3) bringing a worship system (temples and animal sacrifices) that illustrate the needed sacrifice of a Savior; (4) having a sequence of blessing to judgment as a pattern sequence to illustrate how the endtimes will unfold; (5) being used by Christ to train the disciples to take His Gospel to the world; and (6) rejecting Christ as their Messiah and have Him crucified by the Romans. After the Cross, Israel as a nation has no major purpose shown by what the Cross accomplished in addition to salvation.

**WHAT THE CROSS ACCOMPLISHED IN ADDITION TO SALVATION REGARDING THE NATION OF ISRAEL AND GOD'S PLAN FOR BELIEVERS:** (1)The Cross broke down the barrier of the dividing wall between Jews and Gentiles so that both, as believers in the Cross, are one in Christ without any ethnic division. Only Christ now can have pre-eminence, and all believers, both Jews and Gentiles, are together His single body and Church. (2) The Cross set aside animal sacrifices and physical temples forever. Christ was the single needed sacrifice (believers are now the temple or sanctuary of God and are to be living sacrifices). Bringing back animal sacrifices and physical temples after the Cross would deny the efficaciousness of the Cross and be most major sin. Christ **now** rules the Kingdom of God on David's throne, but from heaven.

**THE MARRIAGE OF CHRIST:** Christ is now marrying the Church in the oriental marriage concept. The Church is now legally the bride of Christ, but does not yet live with Him. This legal arrangement would take a divorce to break. The Church goes to live with Christ at the Rapture occurring at the Marriage Supper of the Lamb at His Second Coming after the endtimes Tribulation. By His own laws, Christ cannot have two wives at the same time. Thus, He must have divorced Israel. He was married to Israel in the Old Testament times. The Bible teaches that Christ divorced the Northern Kingdom of Israel because of her adultery (she would not return to the marriage) in a direct teaching (Jeremiah 3:7-8). He divorced the Southern Kingdom of Judah at the Cross when they denied Him as their Messiah forever as they said let His blood be on us and on our children. They had Him killed by the Romans. His death ended the marriage. (The Jews said we have no king but Caesar.) God's future plans for Israel is that her people become believers and part of the Church.

**IMPLICATIONS OF THE SITUATION:** Because all believers, both Jews and Gentiles, are the single body and Church, there is no possibility of a Pre-Tribulation Rapture. The Church goes through the Tribulation for divine discipline because her falling away in the endtimes favored nation is responsible for the Tribulation coming. (The Tribulation, according to Revelation, is all nations in characteristic, not exclusively Jewish that would be required by Daniel's exclusive Jewish period to be the endtimes Tribulation. As a result the Tribulation will last more than 20 years, not only 7.)

**PURPOSE OF GOD FOR BELIEVERS;** God's purpose for believers now on the earth for both Jews and Gentiles is that they become highly mature in Christ-likeness so they can know and relate to God toward His Greatness now, but especially in all eternity. All believers are now in the relationship Kingdom of God ruled from heaven. This Kingdom rules over all believers regardless of where they live on earth. To bring Israel back as a special nation under God such as in the coming 1000 years would deny this purpose. There is no Rapture before the Tribulation.

**THE ENDTIMES ISRAEL:** God only delivers Israel back into her land in her repentance. The present Israel since 1948 contains people in complete apostasy with no interest in their Messiah - only in the land that they believe God has given them. So it is Satan who established the endtimes Israel to help start wars that will bring the endtimes world government over which he will rule. God did not bring Israel back.

## WHAT WILL SOON HAPPEN AND WHY FROM BOTH SECULAR AND BIBLICAL PERSPECTIVES

**ENDTIMES PROPHECY:** The Bible teaches that a Calamity will come that will place the world into the endtimes Tribulation with world government and socialism. The government will control all things. This action will bring the termination of history. **The Tribulation's coming is caused by the Church's falling away in God's endtimes favored nation, the United States.** The falling away is happening by Satan transforming the Church to become immature using the his loud dominate beat rock music, teaching mostly pablum, not maturing her people, not adequately evangelizing the children, and having much immorality. Thus, the Church will go through the Tribulation for discipline. Many believers in the Tribulation will become more mature in Christ-likeness needed for eternity. However, most may more greatly fall away. As the Church increasingly falls away, Satan is allowed more power to rule in the Tribulation and bring the mark-of-the-beast period.

**HOW AND WHY ARE THINGS HAPPENING:** Things are happening as the result of a spiritual warfare between Christ and Satan. Christ acts to have God's elect believe the Gospel and to accomplish God's chosen work. He acts to mature believers in Christ to a maximum skill level of walking with God for the sake of eternity. Satan acts to prevent some of the elect from believing and from accomplishing some of God's chosen work. He must do this in order for him to win the warfare and escape the Lake of Fire. This spiritual warfare (using the world, flesh, and the devil) is also used to greatly mature (develop and test) God's obedient people in Christ-likeness needed for eternity. After all people who are to live, have lived, and have made binding decisions to accept or deny the Gospel, the holy angels, by opening the books, will determine whether or not all the elect did actually believe and did actually accomplished all of God's work. Having this happen in the positive, Christ wins the warfare and is given the authority to rapture the Church and bring destruction on all unbelievers and to cast Satan and his fallen angels into the Lake of Fire. This determination and Rapture occurs after the endtimes Tribulation and brings the termination of history.

**SATAN'S STRATEGIES:** Satan acts to prevent the elect from being born and to transform the church to become an immature church. This is so she will not adequately accomplish God's work especially evangelizing the children and maturing God's people. More of God's work is accomplished by mature people. More people come to Christ to become the elect as children. Thus, Satan acts to have same sex marriages and abortion so the elect might not be born. People sin doing these. This sin gives Satan more power. He gets the churches to teach pablum and use dominate loud rock beat music so that few will be in ministry, know endtimes prophecy, and young people will no longer go to church after leaving high school. He uses rock music in the church services to bring him worship and to desensitize people to the Holy spirit's leading. He works to bring havoc in marriages to produce divorce so the elect might not be born. Having the church people dumbed down, they will fall away under the severe persecution in the endtimes Tribulation. In the ribulation, Satan will educate the children for world government and world religion. This will give him more power to bring another most terrible world-wide calamity and the mark-of-the-beast period. In this Beast period, he forces people to deny the Gospel and Christ in order to buy and sell - to have the needs of life. With this denial, the people worship Satan, and, taking the mark, they can no longer be saved to become the elect and accomplish God's chosen work. The elect refuse the mark and are martyred. Only a few of the elect are alive when Christ returns.

**CHRIST'S STRATEGIES:** We do not (can not) know all of them. But they include evangelizing the world, especially the children so they will do great ministry as adults (accomplish God's work). ( 85% of those who come to Christ do so as children). They include maximumly maturing His people to know God in eternity and to accomplish ministry now. It is to have His people worship Him in spirit and in truth from their hearts using hymns with melody. He will single out and work with responding individuals.

**WHAT IS HAPPENING AND WILL HAPPEN:** Being allowed by the Church falling away in the United States, the government is implementing a financial bail out (trillions of dollars) and working to bring government control over all things. The bail outs very likely will lead to massive inflation that will crash the economy and stock market. The infrastructure will break down without goods and food getting to the market place. At this time, world government nations will blow up and plague some cities. There will be famine and great disease and major power black outs. This will bring Marshall law, The massive inflation will throw thousands out of work bringing chaos in our country. People will not be able to buy things. The United States and the world's nations will be placed under Revelation's world government with a new currency and a world religion. Christians and Patriots will be greatly persecuted. Church doors will be closed. We are now in the Tribulation.

**We should live by God's righteousness and holiness. When we do, we will:**

**APPRECIATE GOD'S ABSOLUTE AND INFINITE GREATNESS.** This we do when we know His attributes. Then, we will search ALL the Scriptures for ALL we are to become (Outcome) and ALL that we are to do to reach the outcome (Procedure). We will do all that God requires.

**PRAISE AND EXALT GOD:** We praise God using the Psalms that turns our hearts toward God, and by singing melody to the Lord from our hearts.

**HAVE PURPOSE THAT BECOMES MATURE IN CHRIST-LIKENESS:** We will learn to live as Christ lives in head-subordinate relationships with all direction and thoughts coming from God.

**LIVE BY THE FAITH THAT TRUSTS GOD:** We will trust God to fulfill His promises and obey the instructions with the promise to activate our faith. Then we live without sin and receive revelation from God. We need to memorize the promises.

**LIVE BY THE LOVE THAT KEEPS GOD'S COMMANDMENTS:** We implement love by keeping God's commandments and serving each other sacrificially. We live holy and righteously, and we get to know God. We must know the commandments.

**HAVE THE HOPE THAT PURIFIES FOR CHRIST'S COMING:** We live keeping a pure heart without adultery, fornication, and pornography to maintain a faithful fellowship with God and keep from major sin.

**HAVE ELDER AND DEACON CHARACTER QUALITIES:** We will have the character qualities that qualifies us to be elders and deacons as defined by the Scriptures. This gives us a higher level of maturity in Christ-likeness.

**HAVE THE OBEDIENCE THAT GLORIFIES GOD BY ACCOMPLISHING HIS WORK:** We learn all He wants us to do and then do it. Then we have a heart that is after God's heart - one that is completely His.

**HAVE UNITY IN ALL THINGS THAT FELLOWSHIPS WITH GOD:** We will work to have unity with God in everything as defined in the Scriptures, Then we have unity with each other.

**HAVE REGULAR PRAYER WITH DEVOTIONS AND BIBLE READING THAT COMMUNES WITH GOD:** We regularly pray with a faithful heart that communes with God and read the Bible to know and commune with Him.
