We should live by God's righteousness and holiness. When we do, we will:

APPRECIATE GOD'S ABSOLUTE AND INFINITE GREATNESS. This we do when we know His attributes. Then we will search ALL the Scriptures for ALL we are to become (Outcome) and ALL that we are to do to reach the outcome (Procedure).

PRAISE AND EXALT GOD: We praise God using the Psalms that turns our hearts toward God, and by singing melody to the Lord from our hearts.

HAVE PURPOSE THAT BECOMES MATURE IN CHRIST-LIKENESS: We will learn to live as Christ lives in head-subordinate relationships with all direction and thoughts coming from God.

LIVE BY THE FAITH THAT TRUSTS GOD: We will trust God to fulfill His promises and obey the instructions with the promise to activate our faith. Then we live without sin and receive revelation from God. We need to memorize the promises.

LIVE BY THE LOVE THAT KEEPS GOD'S COMMANDMENTS: We implement love by keeping God's commandments and serving each other sacrificially. We live holy and righteously, and we get to know God. We must know the commandments.

HAVE THE HOPE THAT PURIFIES FOR CHRIST'S COMING: We live keeping a pure heart without adultery, fornication, and pornography to maintain a faithful fellowship with God and keep from major sin.

HAVE ELDER AND DEACON CHARACTER QUALITIES: We will have the character qualities that qualifies us to be elders and deacons as defined by the Scriptures. This gives us a higher level of maturity in Christ-likeness.

HAVE THE OBEDIENCE THAT GLORIFIES GOD BY ACCOMPLISHING HIS WORK: We learn all He wants us to do and then do it. Then we have a heart that is after God's heart - one that is completely His.

HAVE UNITY IN ALL THINGS THAT FELLOWSHIPS WITH GOD: We will work to have unity with God in everything as defined in the Scriptures, Then we have unity with each other.

HAVE REGULAR PRAYER WITH DEVOTIONS AND BIBLE READING THAT COMMUNES WITH GOD: We regularly pray with a faithful heart that communes with God and read the Bible to know and commune with Him.
