THE SEQUENCE AS TO HOW THE ENDTIMES UNFOLD; AND HOW THE UNITED STATES IS FOUND IN ENDTIMES BIBLE PROPHECY (This Sequence Happened to OT Israel.)

The sequence as to how Revelation’s events unfold is easily understood (seen) when one sees the special sequence that occurs in Revelation’s endtimes is similar to the sequence that God used with Israel. It is discovered by comparing many aspects of Revelation with those to what happened to Old Testament Israel. There is a match. The summary sequence used for Israel is found in Leviticus 26 and Deuteronomy 28. Because the sequence repeats, I call it a pattern Sequence.●¹
The sequence shows how the United States is found indirectly in Bible Prophecy.

In the sequence, there is a favored nation (Israel in the OT and the United States in the endtimes). The favored nation is greatly blessed by God in her general obedience. As she goes into some disobedience, she is warned. Then, with greater disobedience, she is placed under divine discipline under the rule of a world government. Then, when the discipline period is over, she is delivered back to God and the world government destroyed. In the endtimes, the discipline period is the endtimes Tribulation. After the Tribulation is over, the Church is delivered to God and Christ via the Rapture. Then the world government is destroyed (all remaining unbelievers are killed). Understanding this sequence shows definitely the Rapture is Post-Tribunational.

See the summary chart below and read the referenced report next for many more details.

THE SEQUENCE OF THE PATTERN SEQUENCE

Great Blessing on Favored Nation With General Obedience	Watchman Warning to Favored Nation - Particularly to the Church (His people) With Disobedience	Calamity With Increased Disobedience - Attack by World Government	Period of Divine Discipline in the Endtimes Tribulation Under the Rule of World Government	Deliverance to Christ Via the Rapture in the Endtimes	Destruction of the World Government and Unbelievers

1. **PATTERN SEQUENCE:** The sequence is developed in detail from the Scriptures in my book: *Watchman Warning* (Chapter 5) and is discussed in some detail in my website report: *Summary Presentation: How Revelation’s Events Unfold and How the United States Is Found in Bible Prophecy* (20 pages). This report can be read (**must be read**) next. Summary: The Sequence as to How the Endtimes Unfold; and How the United States Is Found in Endtimes Bible Prophecy (This Sequence Happened to OT Israel.)

The signs that were in Israel just before Babylon invaded are now in the United States and world. They are presented in detail in the first referenced report, page nine. To increase the disobedience in the United States, our churches are being transformed from orthodoxy to become an immature church with a loss of biblical intellect and with a low plateau of Bible knowledge. This is happening by going to mainly low level teaching (not maturing one's people), using questionable music, and not sufficiently evangelizing the children in the community such as in tens of after-school Bible clubs. There is also much immorality and giving God only token time. Now and in Ezekiel's time:

Now, but especially in the Tribulation: *Ezekiel 12:2 - "Son of man, you live in the midst of the rebellious house, who have eyes to see but do not see, ears to hear but do not hear; for they are a rebellious house.*

Because the Calamity that will bring the endtimes Tribulation will be most severe, it can be wise to put in 2-3 months or more supplies. We can expect long term blackouts, and food and supplies not getting to the stores. In the Tribulation, the government will act to educate all our children for world government and world religion. There will be a change in currency. We will be under socialism with a world religion without Christ and the Bible. The government will control everything. Our freedoms will be gone, and there will be great martyrdom.

Thus, we must now "urgently" evangelize and mature our people, especially our children and youth, while we still can in freedom. Churches should work with Child Evangelism Fellowship (CEF) to establish tens and tens of after-school Bible clubs. The time remaining is only known by God, but the time can be very short. We must act with urgency.

There are many aspects (procedure) needed for gaining maturity in Christ-likeness. A summary of the most essential consists of at least the following (7 Items):

1. An accurate Bible (no paraphrases) is the only source of our faith. (No Church and no religion.)
2. Learn to glorify, please, honor, and obey God as we live our lives.
3. Learn to live godly as Christ does in relationship with the Father with everything coming from the Father as a source. Live by sacrificial love to serve (and to obey) God and each other. Live by activated faith trusting God to fulfill His promises. Have the character qualities for church leadership and those of the beatitudes.
4. Help accomplish Christ's ministry of evangelizing complete local areas, discipling believers to maturity in Christ, planting churches, building godly families, and helping the needy.
5. Know, believe, and stand strong on the basic doctrines of the Christian faith such as contained in a good church doctrinal statement.
6. Fellowship and share with other believers in homes and church services (can be in homes.)
7. Have daily devotions with God with Bible reading and study, and much prayer.
