## KEY INTRODUCTORY INFORMATION ●2●3

**PURPOSE OF NEWSLETTER:** *This newsletter report presents happenings that occur in the endtimes Tribulation and in the calamity that causes it to happen so believers in Christ (Christians) can know and recognize that they are in the Tribulation when these happenings occur. They can know that the Rapture is Post- not Pre-Tribulation. It is so that believers will train now to become mature in Christ in preparation for eternity and so they can now walk by strong faith in God to care for them without falling away under persecution knowing what will happen. It is so they are warned that the Tribulation can soon come that they will go through and so they can know that at a future time, they will be with Christ at death and/or at the Rapture which occurs after the Tribulation.*

Many churches today are not teaching much prophecy so that believers will not know what will be happening when the Tribulation comes. This newsletter attempts to inform and train such that this ambiguity is removed. It is so believers, as stated, will stand strong in Christ without falling away when the severe persecution comes in the Tribulation. Unfortunately, because of inadequate training and Christian life experience, large numbers of Christians (this includes many who may believe they are Christians and are not) will fall away from the faith resulting from the great persecution in the Tribulation from world government.

**2. MUCH INFORMATION IN THIS NEWSLETTER WAS TAKEN FROM OUR WEBSITE REPORTS:** (1) *The Endtimes Scenario for How Revelation's Events Unfold*; and (2) *Special June 2008 Newsletter Report: Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold*. **These reports emphasize how the endtimes unfold. This report emphasizes what we will experience as the endtimes unfold.**

**3. WE PRESENT DOCTRINES:** It is our intent to describe the happenings and the doctrines involved. We do not mention people, particular churches, or organizations.

**website.**

**BACKGROUND:** Based on examining over 40 doctrines, the Bible, in our view, teaches clearly that the Church will go through the endtimes Tribulation.●4 This occurs because the current falling away of the Church is largely responsible for the coming of the Tribulation that brings divine discipline upon the Church and the world. However, there is ambiguity between Bible interpreters for how the endtimes come (they hold over six different views). However, when one considers God's Overall Plan for history and these many doctrines, in our view, this ambiguity goes away.●5 Revelation's events unfold in a special endtimes sequence similar to that which happened to the Old Testament Jews (Explained below under **The Pattern Sequence**). This sequence needs to be seen and understood to know how Revelation's events unfold. The signs that were in Israel just before Babylon invaded are now throughout the United States signally the endtimes Tribulation can come at any time. The United States is a favored nation to God in these endtimes as Israel was in Old Testament history. Now that we are in the endtimes Pattern Sequence, cyclic history is now over. ***The discussion in this newsletter report is founded on the teachings for what happens in Revelation and to the Old Testament Jews in their associated Pattern Sequences.***●6

**THE PATTERN SEQUENCE:** God uses similar sequences (Pattern Sequences) to terminate Old Testament Israel and to terminate endtimes history. The happenings in the sequences are similar. God brings blessings to the most favored nation (e.g. Israel and the United States) when in obedience. He brings great warnings in disobedience with signs (acts of God such as in bad weather and from earthquakes) and words from His watchmen. Then in continued disobedience, He brings the armies of a world government against the favored nation and places her in captivity under the rule of the world government for divine discipline. Then after the discipline period is over, He delivers His people to Himself and then destroys the world government nation(s). Now in these unfolding endtimes, God has greatly blessed the United States based on her general obedience more greatly than any other nation in history by orders of magnitude. Now in great increasing disobedience, she is being warned by acts of God and His watchmen. Then when the disobedience crosses His threshold for allowable sin, God will bring a world government military and place the country under foreign rule (e.g. rule by the United Nations consisting of (TBD) potentially Russian, Chinese, and German militaries) for divine discipline. This disciplinary period is the endtimes Tribulation. After the Tribulation is over, Christ will rapture the Church delivering His people to Himself and then destroy the remaining unbelievers. Everyone now goes to their eternal states.

**6. PATTERN SEQUENCE:** We call the sequence of what happened to the Jews and then again in Revelation a Pattern Sequence because the sequence repeats and the happenings are similar even though the details are different. **This sequence is developed in detail from the Scriptures in my book: *Watchman Warning* and is described in detail in my document: *the Pattern View of Prophecy* on our web site.**

**August 2008 Newsletter Report:  
How To Know When You Are in the Endtimes Tribulation;  
(What We Should Do Now Before and Later During the Tribulation)**

The Rapture can only occur after the endtimes Tribulation at the seventh trumpet when the heavenly court determines that Christ has won the spiritual warfare over Satan.●7 This judgment is determined by the fact that at that time all the elect will have actually believed and will have actually accomplished all of God's work as He said would happen At this time, the court gives Christ the authority to bring the Rapture and final judgments according to the rules of the warfare. See our document on God's Plan for details.●8

**CHARACTERISTICS OF THE CALAMITY  
AND THE ENDTIMES TRIBULATION ●9●10**

The details now presented of what most likely will happen in the endtimes Tribulation were taken from what happened to the Jews as found in Leviticus 26, Deuteronomy 28, and in the Old Testament prophets, and to the whole world in Revelation, and observation from current events that appear to match the Bible's teachings. The Bible gives the overlay, but current events fill in many details. We may not be correct in our understanding of some details. There have been precursor events led by people who rule behind the scenes for many years. There are many books and web sites that describe their purposes and actions. But this is not our purpose except to present that Satan is using people behind the scenes to manipulate countries and churches to do his will and help bring world government under the rules of the Pattern Sequence (which they may not understand).

We must remember that Satan does not care anything about us. He will bring events and situations when he gains more power that, in his view, will help him to win the spiritual warfare over Christ. Remember the rules when now in the Pattern Sequence:(1) Satan gains more power as God's and the favored nation's people fall away into disobedience; and (2) Satan loses power when God's and the favored nation's people have revival leading to increased obedience. The endtimes Tribulation in the Pattern Sequence can only come when God's and the favored nation's people have increased sin. This is happening now. Our churches on the average are teaching pabulum if that and are using the devil's rock music. They have lost sight of adequate Bible doctrine. ***This action is transforming (has transformed) our churches from orthodoxy to become the immature church with a loss of biblical intellect and with a low plateau of Bible knowledge. This is satanic strategy.*** This brings three major results: (1) it gives Satan more power; (2) the people will

**7. REVELATION'S BOWL EVENTS.** The events of Revelation's seven bowls occur after the Tribulation during the time of Christ's Second Coming.

**8. OUR WEBSITE REPORT:** *God's Plan Over History for Man to Become Mature in Christ Needed to Eternally Know and Relate to Our Perfect God in His Greatness.* (It explains the spiritual warfare and what must happen before Christ can rapture the Church and bring the final judgments.) **This report, or one like it, should be read by every Christian.**

**9. DETAILS:** Many details were developed from the Scriptures and published in *Watchman Warning* (1994).

**10. PRE-TRIBULATION RAPTURE BELIEVERS:** When these things begin to happen and occur, recognize that your view of prophecy (a Pre-Trib Rapture) is wrong and that the Rapture will be Post-Tribulational. Begin to read all the documents on my web site and do at least the recommended items in this newsletter.

**August 2008 Newsletter Report:  
How To Know When You Are in the Endtimes Tribulation;  
(What We Should Do Now Before and Later During the Tribulation)**

not know what is happening when the Tribulation comes and will have a massive falling away; and (3) many churches and individual believers (without knowing adequate doctrine and knowing some false doctrine) will adopt the coming world religion. Church leadership can expect great judgment. Our church leaders have lost sight of or have never appreciated God's absolute infinite Greatness such that they search the Bible for all that God wants done and to the degree by which He wants it done and then do it with excellence and expediency.

## **THE CALAMITY**

In the Pattern Sequence, God uses a calamity composed of at least war, famine (includes drought), and plague to bring the endtimes Tribulation and world government:

*ENDTIMES Revelation 6:8 ..... And authority was given to them over a fourth of the earth, to kill with sword and with famine and with pestilence and by the wild beasts of the earth.*

*ISRAEL'S TIMES Ezekiel 5:12 'One third of you will die by plague or be consumed by famine among you, one third will fall by the sword around you, and one third I will scatter to every wind, and I will unsheathe a sword behind them. 5:17 'Moreover, I will send on you famine and wild beasts, and they will bereave you of children; plague and bloodshed also will pass through you, and I will bring the sword on you. I, the Lord, have spoken.' "* (This Scripture may apply to a second calamity, but the concept is there,)

Thus, because the Pattern Sequence is now in effect, the United States, as a favored nation, will in some way be attacked and taken over by the military of world government (e.g. United Nations or some new name such as the New World Order). The United States, being placed under divine discipline, will lose her sovereignty, constitution, and freedoms. This take over could come in many ways (TBD).

What is expected (we can be wrong) as one scenario (per Revelation 6:8 ) is that several of our American cities will be hit with atomic weapons and many cities will be plagued by the United Nations' military (world government) composed of such as Russian, Chinese, German, and other troops. Their militaries have been training in the United States for many years. Russian submarines have been sighted off our American coasts periodically for many years. There many earthquakes can come. Many bridges can be destroyed, tying up traffic. There are many well-known earthquake fault locations. ***Those not warned, briefed, and trained will be caught blind sided when the calamity comes without warning. This newsletter brings warning.***

At the same time, there will be major war in the middle east very likely based on no longer using Islamic oil and the Islamic desire to destroy Israel. There will be war to put down the power and influence of Islam. Russian and other source oil may now be used.

The thing to observe is that the above wars can happen at the same time. When they do happen, the stock market most likely (by plan) will crash (go to zero?). People will lose their savings. The infrastructure will break down preventing goods and supplies delivered to the market place. There will be power blackouts in many places. Communications will be down including TV. There may be some communications over the internet? One may not be able to communicate with loved ones.

**August 2008 Newsletter Report:  
How To Know When You Are in the Endtimes Tribulation;  
(What We Should Do Now Before and Later During the Tribulation)**

***Unless one has previous information, because of the planned blackouts, people will not know what is happening until the take over is well under way.***

Up to this time and following, there may be many droughts and with the infrastructure breakdown, people will have famine in many areas. They will be without food and many will die.

During the calamity and in the first part of the Tribulation (most likely during the black outs), military will come in black helicopters and arrest key Christian leaders and pastors and key patriot leaders and take them to places of execution. Then the people will be without their trusted leaders. Thus, when the blackouts come, Christian leaders and pastors should go immediately to places of refuge or their ministries will be over. (This happens because Satan is making war and wants to destroy the effectiveness of the churches in ministry. Thus, churches should be training people to lead at many levels in the churches and can take over for others.)

They undoubtedly will protect the cities and areas where missiles, satellites, war equipments, and their parts are being manufactured. The country will be maintained, but without free enterprise that made America great. We will be under some form of socialism.

When all this happens, being in an emergency status, the then president will declare Marshall law and place us under international government. This action is now legal under presidential executive order. He will rule using FEMA, the military, etc. Our present government with its constitution and freedoms will go away. The president will be a dictator. Our beloved America, as we know her, will be gone forever. Of course she has been in decline for many years since I was a boy.

## **IN THE TRIBULATION**

There will come a world government of socialism ruled most likely (TBD) by at least China, Russia, Germany, and other nations. Freedoms will be gone. There will be new currencies that will have unfair exchange rates. Groups of nations will be combined. Gold coins will be confiscated. (Silver coins?)

All real estate property will be confiscated in some manner by the government. (Some forms of confiscation by not being able to loans, is happening now. Most will have to rent. With the loss of funds in the stock market and with the confiscation of property, the middle class will have lost its savings and thus, will become the very poor, needing jobs. On the average, the people will then consist of the very rich who will rule and the very poor who are the ruled. Thus, people will have but little funds to support Christian missions and other similar work. (All missionaries will need jobs (get them now) because most likely their funding support from other Christians will stop.) Most likely, all those who do not or cannot work (e.g. retirees, invalids) will be eliminated. All nations that do not play a role with world government will not be supported and most likely plagued. The latter is happening now.

There will come a one world religion very likely based on a mother and child worship system without the Gospel (without the Cross of Christ) and without the Bible. It will be one way Satan will use to bring the world's peoples together under his reign and control. Those who oppose this religion or act against it will be warred against. The government will make war with Christians. It will come after

**August 2008 Newsletter Report:  
How To Know When You Are in the Endtimes Tribulation;  
(What We Should Do Now Before and Later During the Tribulation)**

us and take us to incarceration and martyrdom. Many will never see their loved ones again. Many of God's people will be taken into prison in exile and will never see their loved ones ever again.

The government will satanically indoctrinate our children and youth in world government and world religion without parents being able to do anything about it.

*Deuteronomy 28:32 "Your sons and your daughters shall be given to another people, while your eyes shall look on and yearn for them continually; but there shall be nothing you can do.*

The way one changes the world is to begin with the children and youth and then eliminate the older people who know doctrine. This is what Satan is and will be doing. Over time, the nation is completely changed. **(Thus, likewise from a Christian perspective, we should be evangelizing and discipling our children with great urgency. But what are we doing?)**

There will come great world trade; perhaps the greatest ever (Revelation 18). The world's nations or groups of nations will be in some way interlocked.

During this Tribulation time period, the government will bring great persecution against Christians. Because the churches prior to the calamity have been teaching mainly first-level if that and not much if any prophecy, most Christians will not know what is happening. They will fall away from what faith they have. There will be a massive falling away. This will give Satan more power to bring another and most devastating calamity where over 90% of the world's population will die. This calamity will reduce world trade and establish the mark-of-the-beast period and bring even greater persecution. People will have to take the mark to buy and sell (purchase food and needs of life) or they will be killed. Taking the mark, one worships the beast and Satan. Christians generally will refuse the mark and will be martyred. Anyone taking the mark can no longer be saved. Thus, this is the bundling of the tares. The wheat (believers) cannot be separated in Rapture until this bundling is complete. At the end of this period there will be very few Christians alive. The Rapture now occurs, and we go into our eternal states.

**WHAT TO DO NOW,  
FINDING YOURSELF IN THE ENDTIMES TRIBULATION●11 ●12**

- \* Know that most Christians will die (be martyred) in the Tribulation before Christ's Second Coming with the Rapture. Only a few Christians will be alive at the time of the Rapture.
- \* Get Christians together in small groups for mutual support and to share supplies.
- \* Have or try to get a job.

How To Know When You Are in the Endtimes Tribulation;  
(What We Should Do Now Before and Later During the Tribulation)**

- \* Brief your families what likely has happened and what likely will happen. Let people know what to expect.
- \* Train your family how to walk by strong faith even under persecution and to trust God for things as the future comes.
- \* Immediately purchase supplies and water that you can and as soon as you can. (They may not always be readily available.)
- \* One can fast on water for many days without food if needed.
- \* Memorize God's promises and other key Scriptures and selected hymns.
- \* Stand strong under the coming persecution to gain more maturity in Christ for use in eternity.
- \* Do not attempt to hang on to earthly possessions, but gain maturity for eternity.
- \* Evangelize as led and build up treasures in heaven. Have tracts for this.
- \* Church leaders and pastors should go into hiding as the black out comes or their ministry will be over. Train leaders to lead all the small groups with urgency.
- \* **Check my web site for training materials as long as it remains.**

**WHAT WE SHOULD URGENTLY DO NOW AND WHY,  
"BEFORE" THE CALAMITY COMES●13**

We are all in some state of Christian growth (not having arrived) and should immediately train our people, especially including our children and youth, with urgency with some in depth-breadth with each of the following: (1) Christian-Faith Doctrines including God's Greatness; (2) Christian-Life Relationship Principles (See Appendix) with much application (the how to's with many examples); (3) God's Plan for History including the spiritual warfare and the details for how the endtimes unfold; and (4) ***Emphasized training for how one walks by faith and stands strong under persecution, trusting God using the promises.*** We should have like a Discipleship Training Center. Use the documents and charts on my web site. I can help by giving seminars.●14

We should work now ardently and pray for revival that can delay the Tribulation and give us more time to train and prepare. Everyone should have a job of the kind that will be maintained when the world government comes. Otherwise, you may lose your job and thus, lose family support.

---

**13. This input was taken from my special June 2008 newsletter report: *Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold.***

**14. TIMING:** The calamity and Tribulation will come some time (with God alone knowing the timing) and that time could most likely be now or very soon and then without exact warning in a whirlwind. Train your children and youth with urgency - now! When the Tribulation comes, they stand little chance to stand strong in Christ.

**August 2008 Newsletter Report:  
How To Know When You Are in the Endtimes Tribulation;  
(What We Should Do Now Before and Later During the Tribulation)**

The following should be accomplished **URGENTLY** now by Church and family leaders and heads before the calamity and Tribulation come: (1) **mature their people in Christ, especially including the children and youth, at the highest skill levels they understand - pray for more understanding;** (2) brief their people about what is happening and how the endtimes will unfold and what they will experience; (3) put in supplies for food, water, supplements, gasoline, lighting and cooking methods, supplements to defeat the plagues (e.g. colloidal silver; tetracycline), heating support, teaching literature, Bibles and books, back up power such as using solar arrays or power generators, and personal items to last about 2-3 months or longer as one can without needing to go the stores; (4) place all Church people in home mutual support groups (people should live nearby) for mutual support and prayer, and train leaders to lead these groups and train the people - they can share supplies etc; (5) Church and patriots leaders should find places of refuge (hiding) to escape arrest and execution and be able to continue their ministries; (6) get out of debt; (7) avoid immorality of all types; (8) **everyone, as stated, should have a needed-type job;** and (9) **stop using and avoid using the devil's rock music and speaking in false tongues. One should re-evaluate their investments. One should train how to stay in good health with limited supplies. (I can help here). One should memorize Scripture (including God's promises) and hymns for one will be without Bibles when the endtimes come while in incarceration. Then we can trust God better and sing unto Him in great praise. See our publication: Living by God's Righteousness for helps.**

***Those not doing the above, most likely will be caught blind sided and unprepared when the calamity comes. People will be caught not knowing how to walk by faith and to stand strong under the coming persecution. They will not know what is happening as the endtimes unfold! The children and youth will suffer the most. How will your Church be caught? How will mine?***

***We all must have great prayer now for what God now wants us to do, become, and (how) to prepare. What ministries would be best for now. Do this with urgency regardless of your prophetic views. We must at least brief and train our children and youth.***

**APPENDIX  
MINIMUM REQUIRED TRAINING NEEDED  
TO GAIN MATURITY IN CHRIST**

The overview topics, in our view, for the minimum required and needed training (a detailed curriculum) to gain maturity in Christ should consist of at least the following four topics where each has much depth and breadth (all four main topics are needed - of course more can be added): (1) worshiping, glorifying, pleasing, honoring, and obeying God etc; (2) living godly lives in relationship living by faith and sacrificial love patterned after our Lord's walk with the Father - with all life's direction coming from the Father (e.g. the Bible); (3) helping to accomplish God's work of total area-wide local evangelism, discipling to maturity, planting new Churches, building godly families, and reaching out to and helping the needy; and (4) learning and standing strong on the basic Christian-

(What We Should Do Now Before and Later During the Tribulation)**

Faith Doctrines for which we believe and are willing to die. ***A training curriculum for how to train with most of the above is Christian-Life Relationship Principles. We should also add a study of God's Plan for History with the spiritual warfare (with its strategies and objectives) and endtimes prophecy with the Pattern Sequence.*** (See our report: *God's Plan Over History for Man to Become Mature in Christ Needed to Eternally Know and Relate to Our Perfect God in His Greatness.*)

The curriculum in Christian-Life Relationship Principles for living as Christ lives in order to gain maturity in Christ, in my view and experience, should include at least the following topics and taught by those who have raised families and have lived out many of them:●15

(1) The Attributes and Character Qualities of God in His Greatness; (2) God's Goal for People: Mature High-Skill Spiritual Ability in Christ-Likeness; (3) Learning to Live Life Patterned After the Father and Son Relationship; (4) Head-Subordinate Relationships in all of life; (5) Building Strong Families, Patterned After Christ's Walk With the Father; (6) Living by Faith; Claiming and Using the Promises; (7) Living Testings and Sufferings that Develop our Faith; (8) Living by the Love that Keeps God's Commandments and serves each other sacrificially; (9) Living by Hope that Keeps One Sexually Pure; (10) Learning and Living Necessary Attitudes, Leadership Character Qualities, Beatitudes, and Doctrines; (11) Having a Strong Prayer Life; (12) Living God's Way Under Spiritual Warfare; (13) Learning to Teach, Lead, Witness, and Evangelize; (14) Establishing and Operating Small Home Groups; (15) Recognizing and Correcting Spiritual Problems, Counseling (based on spiritual laws in biblical head-subordinate relationships); and (16) Methods and Devotions that Develop Our Personal Walk with God. (All of these should include following the leading of the Holy Spirit.)

**TRAINING CHARTS:** See my ppt training charts on our web site under **TRAINING** entitled *Christian-Life Relationship Principles*. **We can give seminars using these with updated charts. We can do this also on endtimes Bible prophecy.**

**TRAINING INGREDIENTS OF THE ABOVE TOPICS:** Each topic has a depth-breadth and the training should include the what to's, the how to's, examples for how we live out the principles, testimony for how one lived them out, and some form of on-the-job training. One can use case studies for which to apply Scripture. ***One must gain or have "EXPERIENCE" in living them out for one to become mature (perfect and complete) in Christ - not just have knowledge of the Scriptures and doctrines.***
