2-24-2006

INTRODUCTION

SOURCE MATERIAL - For source material, please read my reports: (1) *The Greatness of God Must Be Central*; (2) *Detailed Presentation of Prophetic Doctrines*; and (3) *Endtimes Scenario* found on my web site: Biblicalworldviewministries.com. Read also my book *Watchman Warning* that develops the prophecy doctrines in detail, obtainable from my web site. They provide foundational teachings and can greatly bless your life.

BENEFITS - *These reports, book, and this paper bring the basic doctrines that every Christian should know. Their teachings effect our present lives, our lives as the endtimes unfold, and our lives in eternity. They teach: (1) we should have God and His Greatness central in our lives to live holy and righteously by love and faith in relationship living founded on how Christ walked with His Father; (2) before we die and before the Tribulation comes, we need to have a mature high-skill maturity in Christ-likeness in relationship living to know and relate to God toward His fullest (apart from knowing and relating to God, there is nothing); (3) the many Bible's doctrines teach the Church's Rapture will come after the Tribulation when the heavenly court awards Christ the legal authority after it determines that He has won the spiritual warfare over Satan and after all people who are to live, have lived, and have made formal binding decisions to accept or deny the Gospel; and (4) what we and our children will experience as the Tribulation comes as they are educated satanically by the state.*

WATCHMAN WARNING: THE ENDTIMES ARE UNFOLDING

BE ON THE ALERT - PAY ATTENTION

Signs and Conditions now signal loudly that Revelation's endtimes Tribulation can come at any time. It will begin with a most terrible calamity. Only God knows the timing. It will come without any warning in a whirlwind. Our country as we now her now will be taken away forever. We will go under Martial law and then under world government. When the calamity comes, we can be without electricity, communications, food, water, and gasoline from the grid for some time. Those not prepared with provisions can die. The times will be much-much worse than those from the times of the Katrina hurricane (2005). We must not let our people, under any condition, be caught unprepared and blind sided. This is unthinkable and irresponsible. Our children and young people will suffer the most.

Detailed doctrinal studies show clearly the Church will go through the Tribulation. It will be raptured at its end at Christ's Second Coming at the Marriage of the Lamb. Because the coming times will be most terrible, we must prepare now both spiritually and provisionally. We must do this regardless of our prophetic views. If you are a Pre-Tribulationist, believe there is no endtimes Tribulation, or have not

The Bottom Line for 2006 and Beyond

taken a stand, one must train and prepare as if there is one and that we will go through it. The consequences of being wrong, untrained, and unprepared are most terrible and devastating. One must not let our people be unprepared. The times will be much-much worse than those from the times of the Katrina hurricane (2005). We must not let our people, under any condition, be caught unprepared and blind sided. This is unthinkable and irresponsible. Our children and young people will suffer the most.

God has established an endtimes sequence by which He is ending history. This sequence contains a most favored nation - the United States. God has greatly blessed her orders of magnitude more than any nation in history including Israel and England. The events of Revelation's sequence are similarly to those that happened to the Old Testament Jews in their sequences. Then Israel was the most favored nation. The events of the sequence are the events of Revelation's seven-sealed scroll.

Many Churches now are doing many good things with many good results. This is without question. But in the big picture of things, the overall churches are falling away. Signs associated with this sequence, particularly in the favored nation, now signal Revelation's Tribulation can be soon coming to bring discipline. The fact that the conditions in America are deteriorating in every category informs without ambiguity that our churches are falling away. This situation signals that judgment can come at any time. The falling away of the most favored nation is what causes God to bring the endtimes Tribulation using Satan and his forces.

We should see that the sequence of the increase in sin in the favored nation begins with the falling away of Church leadership. This is followed by the falling away of the Church people. This is followed by the increased sin of the rest of the people. **We must understand that the current Church's falling away is helping to bring the Tribulation. God will only heal the nation if His people have revival - turn away from their sin. This implies that His people understand they are sinning.**

The churches are falling away by a decrease in obedience to God (the result or symptom). This is happening (the cause) by our churches not preaching the Gospel, doing inadequate local evangelism in the community, not adequately maturing their people in Christ-likeness, not building strong and unity families in God, having immorality and wrong divorce, speaking in false tongues, using the world's rock music. The country is adding abortion and gay marriages.

Many churches and people are working to change America through various methods of reform, including placing people in key positions. But one must clearly understand that the country's falling away is symptomatic of the churches falling away, beginning with Church leadership. The falling away of the Church is the primary cause of America's problems - God allows them to happen. As stated, the only way to change America is to treat the cause. We must have spiritual revival in our churches beginning with Church leadership. This deals with the cause. Treating the symptoms will not change America, even though they may delay God's judgment.

To begin the Tribulation, Satan, as allowed by God as the Church falls away and the sin of the rest of the people greatly increases, particularly in the most favored nation, will bring a most terrible calamity with war, famine, and the plague. This is a method to take us from independent governments to world government over which he and his man will rule. It is his last attempt to keep some of the elect from believing, keep the elect from accomplishing some of God's work, and to establish world government over which he would rule.

There is no Scripture that teaches a Pre-Tribulation Rapture. THERE ARE MANY THAT TEACH A POST-TRIBULATION RAPTURE. There will be no Jewish Golden-Age Millennium. Revelation's 1000 years come during Christ's Second Coming, not before or afterward. I invite you to read my detailed

The Bottom Line for 2006 and Beyond

prophecy papers on the doctrines and the endtimes scenario found on my web site.

WE MUST REALIZE WITH SOBERNESS THAT THE ENDTIMES TRIBULATION CAN COME AT ANY TIME WITHOUT WARNING. OVER FORTY DOCTRINES TEACH WE WILL DEFINITELY GO THROUGH IT. WE MUST BE PREPARED IN ADVANCE. WE MAY ONLY HAVE A FEW MONTHS REMAINING TO PREPARE. ONLY GOD KNOWS THE TIMING. WE SHOULD PREPARE WITH A SENSE OF URGENCY EVEN IF GOD GIVES US 10 MORE YEARS. IT TAKES TIME TO TRAIN PARTICULARLY THE CHILDREN. (IF THE TRIBULATION'S DURATION HAS A WHOLE NUMBER OF YEARS AND CHRIST RETURNS AT THE FEAST OF BOOTHS OR TABERNACLES, THE TRIBULATION CAN BEGIN IN SOME OCTOBER, PERHAPS THIS YEAR. ONLY GOD KNOWS.)

THESE DOCUMENTS ON MY WEB SITE MENTIONED ABOVE CAN BE MUST READING FOR ALL CHRISTIANS EVEN IF ONE HAS SOME DIFFERENCES OF UNDERSTANDING. WE ALL HAVE SOME DIFFERENT BACKGROUNDS. WE MUST PREPARE OUR PEOPLE FOR GOING THROUGH THE COMING TRIBULATION WITH URGENCY EVEN IF WE HAVE DIFFERENT VIEWS OF WHETHER THE CHURCH WILL GO THROUGH THE TRIBULATION. GOD COMMANDS US TO DO THIS TRAINING FOR ALL PERIODS. SO WHY NOT DO IT?

PROPHETIC DOCTRINES TEACH A POST-TRIBULATION RAPTURE

The Church holds to over six prophetic views that have conflicting doctrines. They have stood side by side for many years without resolution. Resolution comes when one sees that:

(1) Daniel's seventieth week is history when our Lord brought the New Covenant. It does not refer to the endtimes Tribulation. The endtimes Tribulation can last much longer than seven years.

(2) The wheat (believers) cannot be separated from the tares (unbelievers) in Rapture until after all the tares are bundled for the fire (they make binding decisions to deny the Gospel) in the Great Tribulation.

(3) Christ sits at the right hand of God the Father without coming in the clouds to rapture the Church until after all His enemies become under His authority or His footstool which happens in the Great Tribulation.

(4) The Rapture cannot occur until after the Tribulation when the heavenly court gives our Lord the legal authority as it awards Him the Kingdom of the World that becomes the Kingdom of God and the Title Deed of the Earth. These awards come after all people who are to live, have lived, and have made formal and binding decisions to accept or deny the Gospel. These awards come after the court has shown that Christ has won the spiritual warfare over Satan. No one is born or saved after the Rapture.

(5) The Church consists of all believers in the Cross. They that have been translated from the Dominion of Satan into the Kingdom of God.

(6) There is only one resurrection of the Just that occurs at the Rapture and Christ's Second Coming.

(7) There is no partiality with God that He would have some believers miss the Tribulation and place other believers in the Tribulation of such a large number no one can count them.

(8) The Cross broke down the barrier of the dividing wall between the Jew and Gentile where now there are no ethnic divisions in Christ - the Jew and Gentile are one in Christ. **There cannot be any future**

The Bottom Line for 2006 and Beyond

Jewish periods.

(9) After God delivers His people, He destroys all the remaining unbelievers. This teaching prevents a Pre-Tribulation Rapture and a Jewish Millennium after the Post-Tribulation Rapture.

These doctrines clearly show and teach a Post-Tribulation Rapture. The Olivet Discourse and 2 Thessalonians 4:13-18 teach that Christ comes the second time both with and for his saints. *Dispensational Theology with a Pre-Tribulation Rapture and a Jewish golden-age Millennium is not taught in Scripture.*

WHAT IF I AM RIGHT, AND WE WILL GO THROUGH THE TRIBULATION AND YOU DO NOT TRAIN YOUR PEOPLE? IF YOU BELIEVE DIFFERENTLY, ARE YOU WILLING TO TAKE THAT RISK WITH YOUR OWN CHILDREN, GRANDCHILDREN, AND CHURCH FAMILIES BY NOT PREPARING? IF OUR PEOPLE ARE ALREADY BEING TRAINED AND PREPARED, IT MIGHT NOT MATTER AS MUCH WHAT WE BELIEVED WHEN THE RAPTURE MIGHT COME WITH RESPECT TO THE ENDTIMES TRIBULATION. BUT ARE OUR PEOPLE BEING TRAINED AND PREPARED? THE TRENDS IN THE MODERN CHURCH GROWTH MOVEMENT ARE NOT DOING THIS. WHEN THE TRIBULATION COMES WITH GREAT PERSECUTION, THOSE NOT GROUNDED STRONGLY IN THE FAITH, MOST LIKELY ARE GOING TO FALL AWAY. THE BIBLE IMPLIES THIS WILL HAPPEN.

BIBLE TEACHINGS WE SHOULD KNOW

GOD'S GREATNESS

God's Greatness is beyond our comprehension. He is perfect, most holy, and complete in all possible attributes and character qualities. There is no sin or darkness in Him of any kind or any amount. He has always existed and has eternal self existence in Himself. He lives in a different domain than we do. He has always known the past, present, and future as in concept that we know them now. In Him, there is nothing new to learn. He has always known everything. He interfaces with billions of humans and angels all at the same time. He is everywhere and has infinite power. He is holy, righteous, and truth. Holy, holy, holy is our Lord God almighty. He has mercy, everlasting kindness, grace, and infinite love. He works with us on an impartial basis. He has infinite Greatness. (See our study on the Attributes of God.)

Realizing God's Greatness, one would think we would be searching the Scriptures with great commitment to know all about Him toward His fullest. We would be learning to live as He requires in all parts of life. To what extent are we doing these?

GOD'S PLAN FOR HUMAN HISTORY

God wants us to know and relate to Him, the perfect God, experientially in eternity to His fullest (His Objective). He wants us to live holy and righteously according to His perfect Truth in intimate fellowship both with Him and each other. Apart from this relationship with God, there is nothing.

We need a mature high-skill spiritual ability in Christ-likeness in relationship living, the highest we can have, to know and relate to God toward His fullest (His Method). It is living as Christ lives. All of the events of biblical history lead to us becoming mature in Christ. God commands us to pursue this maturity.

The Bottom Line for 2006 and Beyond

We are to gain this maturity in Christ-likeness in this life time (our objective). The maturity we have at death we can have forever. **We must understand and appreciate this.** We need the maximum maturity we can have so we can know more of God and have a close fellowship with Him than we otherwise might. We can send more spiritual wealth on ahead. We can receive many more spiritual rewards that God wants to give. **We should pursue this maturity with great commitment and excellence before God. This is His will and desire for us.**

LEARNING TO LIVE AS CHRIST LIVES

The Bible teaches we are to live as Christ lives. He lives in a manner that all of life's direction comes from God the Father as a source. He took no independent action or initiative. Thus, He could say that who has seen Me as seen the Father. He could say this because He from Himself as a source was doing nothing. We are to live this way. Only then can we live without sin and live by God's Greatness.

We can only live as Christ lives if God the Father works all things together for our good. This will happen if we only take direction from the Father (the Holy Bible) and trust Him to work all things together for good. We activate our faith from love keeping His commandments and from purpose accomplishing His work. Then we will become, have, and do what He wants for us. The result will be God all in all. Living this way, He is God over our lives.

All sin comes from the derivation of when we ourselves direct our own lives to work all things together for good such that we become, have, and do what we want. This was the great sin of Satan and of Adam and Eve. When we live this way, we sin. When we live this way, we live as a god over our lives - living like the Most High God. All of life's testings are whether or not we will do what comes from God or from ourselves. Will we live the servant role or the god role.

OUR STATUS AS UNBELIEVERS

We are born in the Dominion of Satan with him as our god. We are born with depraved natures that sin, do not seek after God, and cannot gain maturity in Christ-likeness. Because we sin, we fall under God's condemnation. If nothing happens, God will send us to the Lake of Fire for eternity as a method to satisfy His Justice for sin. It is hard to imagine any one being there forever. To me, it is unthinkable. We must get the Gospel out, so people can go to heaven.

WHAT THE CROSS ACCOMPLISHED

Christ died on the Cross satisfying God's Justice for sin on our behalf. When we believe He did this according to only the Holy Bible as God works in us, this satisfied Justice is applied to us. Then, God's condemnation is removed from us. We receive a new divine nature that allows us to pursue maturity in Christ. It does not sin. These result in our now having eternal security in Christ. This is a guarantee that we will be with Christ in eternity after death.

As we believe in Christ's Cross, we are translated from the Dominion of Satan into the Kingdom of God. When this happens we become the Church of Christ. This is the definition of the Church. All believers from all of history are part of this Church - no exceptions.

THE CHURCH'S JOB (GREAT COMMISSION FROM OUR LORD)

The Church's job is to evangelize entire local and foreign areas, not just work to do some evangelism. The Church's job is to mature people to the highest skill levels in Christ-likeness she understands, not

The Bottom Line for 2006 and Beyond

just work for some spiritual growth. Are we doing these to the scope and intent that God requires. There is a big question here in our average churches.

The Church's job requires training her people in depth and in breadth to become mature in Christ with a version of God's Whole Counsel (an established curriculum), highly applications oriented. This training should include: (1) worshiping, glorifying, obeying, pleasing, and honoring God; (2) living godly lives in relationship living patterned after the Son's walk with the Father using faith and sacrificial love; (3) helping to accomplish God's work of world-wide (and local-wide) evangelism, discipling converts to maximum maturity in Christ, planting new churches, building godly families, and reaching out to the needy; and (4) learning and standing strong on Christian-Faith Doctrines. If we have inadequate training, we can become the immature Church with a loss of biblical intellect.

In order to accomplish this training, the entire Church, including the children and young people, now should be trained in depth and in breadth. They should be trained with: (1) Christian-Faith Doctrines with the attributes of God; (2) Christian-Life Relationship Principles with ministry training patterned after the Lord's walk with the Father; (3) and God's Plan for History with the Spiritual Warfare and Endtimes Prophecy with the highest priority and urgency. This includes walking by faith and by love in relationship living.

The first priority of the Church is to her own people and specifically to her gung ho (the highly motivated) and the faithful. The watchers and new people are to have second priority. If we do not take care of our own at the highest priority, we can be worse than infidels. If we do not train our own people to become mature in Christ at the highest levels, no one goes anywhere. Our knowledge base and experience with God will plateau.

If we are to grow and expand the ministry, we must train at a level that matures the middle of the upper half of Christian commitment. We then should encourage the watchers and the new people to take the more advanced training to become more mature in Christ. But if they will not respond, we must continue to train the more motivated and the faithful at our higher priority and most of our time. (As stated, the modern Church Growth Movement that is going nation and world wide is wrongly doing the opposite. This is a form of falling away.)

We should design our Church services to bring maximum worship of God, not mainly to reach new people and to evangelize. New people should be brought up to speed. If this does not happen, the worship of God will never be best. The new people should be reached by evangelism in the community with God's Word. We can use contemporary music in our church services, but we should avoid the dominate rock music such as the loud repetitive dominate beat. Such music is derived from voodooism, immorality, and paganism. This invites immorality.

THE SPIRITUAL WARFARE

We need to understand the spiritual warfare between Christ and Satan.

Christ works to have the elect believe, accomplish God's chosen works, and to become mature in Christ-likeness in relationship living patterned after His walk with the Father.

Satan works to prevent some of the elect from believing and to prevent the elect from accomplishing some of God's chosen works. One way he does this is to deceive the Church to do mostly first-level teaching (without also training in breadth with depth), not evangelize in the community especially the children, and to use the world's rock music. The more mature people will do more of God's work. So to

The Bottom Line for 2006 and Beyond

keep the people immature and out of God's work is to help keep the elect from believing and doing God's work. Thus, to do mostly first-level training without also teaching in depth and in breadth is to implement key satanic strategy.

Satan works to deceive us so we will take action for direction from ourselves as a source. This causes us to act like the Most High God. We greatly sin. This can cause God to take us out of service.

THE TRENDS

Not doing the above training, the trends show we are becoming the immature Church with a loss of biblical intellect. Our young people are not being prepared to stand strong against the severe persecution that will come in the coming Tribulation. Few now know and can teach God's Word in depth and in breadth. God's Word will be illegal to be taught in the Tribulation. We are heading into the darkest spiritual period of all history. Almost no one will know God's Word comprehensively. Our churches are fueling this now. Satan can only be pleased.

America is falling away from God in sin now in every category. We should expect God's judgment at any time.

Some have said that America is now operating as if the Christian Church did not exist. It now has no or little impact on the current direction of the country.

WHAT ELSE THE CROSS ACCOMPLISHED

The Cross broke down the barrier of the dividing wall between the Jew and the Gentile. There are now no ethnic divisions in Christ. There is now no Jew or Gentile in Christ. As believers, we are one in Christ. Only Christ alone can now have first place and preeminence. The Church, no longer Israel, is a holy nation unto God. The covenant nation of Israel has been replaced by the holy nation of the Church. There cannot be and will not be any future Jewish periods. There will not be a Jewish Tribulation or a Jewish Millennium.

THE RETURN OF ISRAEL

What is important is that all people become Christians and become mature in Christ. It is that believers are translated from the Dominion of Satan into the Kingdom of God. All believers are one in Christ with only Christ having preeminence. We should recognize where Israel as a nation had a very important role up to the Cross, she now has no role in God's Plan. She may have one in Satan's. Those who want to return Israel as a special nation under God are making a most terrible mistake. The Cross set aside physical temples and animal sacrifices forever. Bringing them back denies Christianity and the efficaciousness of the Cross. It is an affront to God. Israel as covenant nation before God has gone forever. God (Christ) has divorced Israel as a covenant nation and is now marrying the Church.

TRAIN BEFORE THE TRIBULATION COMES; WHAT HAPPENS WHEN IT COMES

As stated, we must train our children and youth now to walk with God with urgency while we still can. We should work for revival beginning with Church leadership and with you and me. When the Tribulation comes, our training time in freedom will be taken away.

When the calamity comes, and the infrastructure breaks down, we can be without electrically, food, water, gasoline, communications, radio, and television for many weeks. With the power black out and

The Bottom Line for 2006 and Beyond

no communications, we may not know what is happening. We have no input. We need a hand cranked battery charger radio providing long and short wave radio to learn what may be happening.

When the calamity comes, many Church pastors and leaders most likely will be arrested and martyred if they do not have places of refuge. The coming government will make war with the Church. Christians will be martyred. God will bring a famine of His Word.

As stated, we must be prepared with a few weeks of the needs of life provisions including not getting sick from the plague. Millions not doing this are going to die.

In addition to attending Church, we should place the entire church into small home groups for this training, for mutual support, and to be ready for the coming Tribulation. Our Church doors will be closed by the government.

Please understand and pay attention, when the Tribulation comes, the children and youth will be satanically educated by the state and prepared for world government. We must train our children and youth in advance so they will not go with these satanic teachings and indoctrinations. In these times, because we did not obey previously in freedom, when the Tribulation comes, God forgets the children. He may not answer our prayers.

WHAT ALLOWS AND CAUSES GOD TO BRING THE RAPTURE AND END HISTORY

The purpose of the Tribulation is to polarize the world's population in its formal and binding acceptance or denial of the Gospel. This happens in the Mark-of-the-Beast Period when people are forced to take the mark or die. The purpose with Revelation's seven-sealed events is how our Lord gains back the Earth's Title Deed and the Kingdom of the World that becomes the Kingdom of God from Satan. These were both lost in the Garden of Eden with spiritual fall of Adam and Eve.

The Rapture comes after the Tribulation when the heavenly court gives our Lord the legal authority. This happens after all the people who are to live, have lived, and have made formal binding decisions to accept or deny the Gospel. The concept, as stated, is the wheat (believers) cannot be separated from the tares (unbelievers) in Rapture until after all the tares are bundled for the fire (formal decisions to deny the Gospel). The court determines that Christ has won the warfare over Satan. All the elect did believe and did accomplish all of God's works. Thus, then the court awards Christ the Kingdom of God and the Title Deed of the Earth that gives Him the legal authority to bring the Rapture and the consummation of history. After the Rapture, the Lord and the holy angels kill all the remaining unbelievers in the wine press and rod of iron processes. He casts the Beast and the False Prophet into the Lake of Fire. He casts Satan and His angels into the Lake of Fire.

THE ETERNAL STATES

Believers will be in the New Jerusalem with Christ in a perfect environment without sin. They will live as Christ lives only doing what comes from God the Father as a source. When people see each other they will only see the Father because they, from themselves, will be doing nothing. It will be God all in all. They will gain much more knowledge of God and how to live holy and righteously. They will fellowship with God and enjoy Him forever. They will glorify Him.

Unbelievers will be in the Lake of Fire in complete physical and spiritual darkness and pain. They will not know anything of God and His Word. They will never see another living person ever again. Unbelievers will be without excuse for going there because they knew of God through creation and could

The Bottom Line for 2006 and Beyond

have sought Him out. They rejected the Cross for Justification.

LEADERS, PASTORS, AND TEACHERS (Repeated for Emphasis)

For the sake of the Church, teachers and preachers should now give warning of the soon coming Tribulation. They should encourage all to train, especially their children and youth. Those who believe other than the above (or take no stand) about prophecy should now stand up and tell the Church they were wrong. They should tell the people the Rapture will be Post-Tribulational, what will happen to us and our youth in the Tribulation, and encourage everyone to train toward maturity with urgency. We should do the training anyway because God commands it for all periods. But are we doing it? They should inform the Church that the Tribulation's coming can be any time. The Church will go through it. They should help bring the training and do so with a sense of urgency.
