**TRAIN YOUR CHILDREN AND YOUTH (AND OURSELVES) WITH
“URGENCY” TO WALK BY STRONG FAITH
AND TO BECOME MATURE IN CHRIST**

Some believe that if we are to change and better our world that is falling away from God, we must begin with the children and the youth and train them to walk closer with God. This is a good idea. However, this is exactly what Satan is doing in an opposite manner by influencing a dumbing down of the training in our churches and in our public schools. We are teaching good things, but mostly at the first and notion level. We must see this, because our churches, in their falling away, are helping in time to bring about the condition of an immature Church with a loss of biblical intellect and with a low plateau of biblical knowledge. Are we there now?

Few now can do critical analysis to determine what is happening and what will happen as the endtimes unfold. Few now know Bible prophecy and how the endtimes will unfold below the notion level. I ask our young people about eight questions. They cannot answer any of them. We are no longer teaching adequate doctrine. The Bible teaches that in the endtimes, our churches will no longer endure (teach) sound doctrine (2 Timothy 4:3). That is happening now. And Church and family leadership are largely at fault and responsible by not providing adequate training.

We should understand that this current growing biblical illiteracy is key satanic strategy. This situation, when combined with the Bible not being allowed to be taught in the Tribulation, in time as the Tribulation and endtimes progress, few, if any, will know the Bible in any depth-breadth. Thus, we are heading into the darkest spiritual age in all of history. This will bring less evangelization and a major falling away of the Church as the persecution comes. Few will know the Bible as the older people die who know the Bible. The problem lies more in what we are not teaching rather than the minimum or notions of what we are teaching.

Signs all around us now signal Revelation’s Tribulation can come at any time. It could come this year or in the next few years. Only God knows the time. Doctrines clearly teach the church will go through the Tribulation. For details see my website

reports.●1

The falling away of the Church, especially of her leadership, is responsible for the Tribulation coming. Even though doing some good things, our churches are falling away by the thousands now by going to mainly only first-level teaching and using rock music to reach the youth at the expense of not maturing their own people with in depth-breadth doctrines. Even though doing some evangelism, they are not evangelizing their "total" local areas.

When the Tribulation comes, our children and youth will be taken from their parents and satanically indoctrinated by the government. This happens because God's people reject knowledge (such as not teaching or learning it). This is happening now by only teaching first level Bible if that. This happened in Israel's time and will repeat in our times. Parents will not be able to do anything about it. Precursor events are happening now. There is much more.

Hosea 4:6 - My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being My priest. Since you have forgotten the law of your God, I also will forget your children.

Deuteronomy 28:32, 41 - "Your sons and your daughters shall be given to another people, while your eyes shall look on and yearn for them continually; but there shall be nothing you can do. You shall have sons and daughters but they shall not be yours, for they shall go into captivity.

Ezekiel 5:17 'Moreover, I will send on you famine and wild beasts, and they will bereave you of children; plague and bloodshed also will pass through you, and I will bring the sword on you. I, the Lord, have spoken.'

Thus, because we will very soon go under world government when Christians will be warred against, there are now two major issues:

- 1. We must evangelize all the children and youth while we still can with urgency.***
- 2. We must mature our children and youth while we still can with urgency.●2***

Train Your Children and Youth with Urgency or Grieve Later

We must do so while we still have time in freedom. Soon, this freedom will be taken away. If you do not work with the (your) children and youth now while you can, you will greatly grieve later when you no longer can and find them being satanically indoctrinated - and you cannot do anything about it.

A training curriculum is suggested in my report (see website): "God's Plan over History for Man to Become Mature in Christ Needed to Eternally Know and Relate to Our Perfect God in His Greatness." This curriculum can provide the needed training when taught in depth-breadth with both the academic and the practical with some form of on-the-job training. E-mail me through my website for materials, concepts, and questions. One can use Child Evangelism Fellowship materials.

In summary, we must now begin with urgency to especially biblically train, mature, and prepare our children and youth in the depth-breadth to help mature them in Christ. It is also for them to know what will happen to them and why as the Tribulation comes and unfolds. It is to encourage them to stand strong under the coming persecution. Then they can gain more maturity in Christ.

God and His Greatness must be central to our lives. We will do better in our Christian lives when we understand and appreciate God's extreme Greatness, including with His holiness and righteousness, and our extreme spiritual poverty. Then, with diligence, we will search out and do everything He wants us to do and become, with great commitment and excellence. We will train under God to gain a maximum maturity. Knowing His Greatness, we will love Him with our total beings and search out and keep His commandments. We will realize there is nothing else. Thus we will go all out to ensure our children are trained to live by faith and sacrificial love under God's Greatness and leadership.

But clearly understand, if you wait for definitive understanding for the Tribulation's timing before you act to train, which you will never receive, you will be caught blind sided and you will have wasted valuable training time. Your grief can be great. Train now!

does not teach directly either way, but there are many indicators that this can be so. God commands us to pursue maturity (Hebrews 6:1), We must mature our children and youth (and ourselves) under God's leading now while we can. With a stronger walk of faith, our children and youth (and we) can gain more maturity in the Tribulation as persecution comes under world government.
