**INTRODUCTION, THE PROPHECY SITUATION, CONTENTS,
AND NEWSLETTER PURPOSE●2**

This newsletter report presents a summary discussion of the: (1) understanding of endtimes Bible prophecy; (2) various tenets and aspects involved; (3) many views held by Bible interpreters; (4) author's view founded on new insights for how Revelation's events unfold; and (5) what we will experience and why as the Revelation's endtimes unfold. In His Bible, God gives us endtimes prophecy so we can know how the endtimes will unfold with the termination of history and that one day, as Christians, Christ will come for us, and we will be with Him forever in eternity. He presents how He will terminate history and what can be happening to us during the endtimes as they unfold. This is so that we will now ensure that we become mature in Christ and will stand strong in Him without falling away when the endtimes come.

I write this newsletter report from my great love of God and His Church. We want the Church to have the very best under God that we can have. However, the Church is operating as if the endtimes Tribulation coming is not imminent - that God's judgment is not soon coming. This is a most terrible mistake, especially for our children and youth. Please understand carefully what is presented, whether or not you agree, and urgently carrying out our recommendations. Not to do so can bring more devastating conditions on your church and personal family.

1. SUMMARY DOCUMENT: The teachings in this newsletter report have been taken from other reports on our web site and our books as referenced. **Please read these referenced reports and books. We may not be correct on all the details in this newsletter report, but the big picture and trends should take you to prayer and to the immediate training of your personal and church family. The endtimes, which we will go through, are coming whether or not we are prepared. So get ready.**

2. THIS REPORT SHOWS CLEARLY THAT: (1) the Rapture will come after the endtimes Tribulation at Christ's Second Coming (but before the bowl events); (2) the 1000 years come during Christ's Second Coming, not before or afterward; and (3) Daniel's seventieth week is history when Christ's Cross came - it does not refer to the endtimes Tribulation. **The appendix of this newsletter report presents many tenets that must be true for the Pre-Tribulation Rapture to be correct - but none are correct and none are taught in the Bible. The Pre-Wrath Rapture of the Church, if the meaning is for the Rapture to occur just before the bowl events, can be the same as the Post-Tribulation Rapture view. This report presents new insights for how Revelation's endtimes events unfold in a Pattern Sequence, similar to the ones God used with Old Testament Israel.**

MY BACKGROUND: I have taught the Bible systematically for many years. For the understanding of Bible prophecy, God training me as a communication satellite system engineer helped me to search with an integrated approach for the needed doctrines, take a new approach, and find the Bible's integrated meaning and interpretation. I have read and studied tens and tens of prophecy and related books, as others have done, to help establish my prophecy view. See the list of these books and reports at the end of my prophecy book: *Watchman Warning* (1994) (Book can be ordered from the web site.). **The list of references in my book is on my web site. The list and number of the many-many books on the many and various views of Bible Prophecy by many authors may astound and surprise you.**

Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold

As will be presented, we are to know that Revelation's endtimes unfold in a special terminating sequence with intense spiritual warfare. This sequence allows us to see more clearly for how Revelation's events actually unfold. In the beginning phases of this endtimes sequence, our churches, as they fall away from God's desired obedience, help to cause the events of Revelation to come with the endtimes Tribulation. Thus, the Church will go through the Tribulation.

Because this special endtimes sequence is similar to the one that happened to the Old Testament Jews, I have termed it: a *Pattern Sequence* and my view of prophecy: *the Pattern View of Prophecy*. ●3

From my perspective, unless one understands the endtimes Pattern Sequence with the spiritual warfare that is patterned after what happened to the Old Testament Jews, one cannot really understand the endtimes that are taught in Revelation. Understanding this sequence can bring great unity to the Church and we can know the signs that signal when the Tribulation can be coming. This is our hope. Without knowing and recognizing the signs, Church leaders continue doing what they are doing instead of ensuring they are maturing their people in Christ and briefing and preparing them for the endtimes. But because this is a newly published insight, interpreters need to study it.

Because the sequences are similar, knowing the signs in the Old Testament that signal that a world government is taking over Israel, similar signs now signal us that an endtimes world government is soon coming to take over the United States. These signs are now all around us. Thus, we, as Church and family heads, should take action to brief our people as to how the endtimes will unfold and to ensure they are mature in Christ before their soon coming.

In order to understand endtimes Bible prophecy and how Revelation's events unfold, there are many aspects to grasp and to integrate. Prophecy has many facets as does a diamond. Many have to be seen jointly in order to view the diamond. So there is no quick or easy way to understand prophecy without first seeing and integrating these many facets. This takes time. So please take the time to read this entire newsletter summary discussion report to view and understand a large number of these facets and how the endtimes will come with a discussion of the various views of prophecy. ***Then afterward you might enjoy reading the many referenced documents on my web site that give the details with Scriptural development.*** ●4

Because prophecy is complex with many facets, our situation is that Bible interpreters have held over six different views of Bible prophecy for how the endtimes unfold. These views have existed for tens of years without reconciliation. They are held by godly and highly academic people - committed Christians. Interpreters have sequenced all the possibilities for:

3. THE PATTERN VIEW IN MY BOOKS: The view is developed in detail from the Scriptures in my book: *Watchman Warning* (1994; 470 81/2 by 11 pages) and is summarized in my book: *Watchman, How Far Gone is the Night?* (1995; 246 9 by 6 pages).

4. REFERENCES: For my detailed development of Bible prophecy from the Scriptures, read my book *Watchman Warning* (some chapters are on my web site), see the documents on my web site: (1) *Summary: Issues and Doctrines That Determine Endtimes Bible Prophecy*; (2) *Orientation to Bible Prophecy*; (3) *Summary Report: Interpretation Errors That Wrongly Help Establish the Pre-tribulation Rapture View*; (4) *The Pattern View of Prophecy - The Many Doctrines of Prophecy Show Clearly the Rapture Will Come Post-Tribulation and the 1000 Years During Christ's Second Coming*; (5) *The Endtimes Scenario for How Revelation's Events Unfold*; and (6) *The Jewish Situation* (especially including after the Cross).

Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold

(1) the Rapture timing with respect to the endtimes Tribulation - before, mid, or afterward; (2) when do the 1000 years come, before or after Christ's Second Coming; (3) whether Daniel's seventieth week is history or future; (4) whether or not there is an endtimes specific Tribulation; (5) whether or not the world will be Christianized before Christ comes; (6) the number of Christ's Second Comings and when; and (7) the situation of the covenant nation of Israel after the Cross - is God through with her or does she have a future.●5 Interpreters have given these views specific names for identification, such as a Pre-Tribulation Rapture, a Post-Tribulation Rapture, or a Preterist view (no endtimes Tribulation). They have given formal names also to the views with specifics of the above doctrines. These are found in *Watchman Warning*.

So why does this situation exist? The biggest reason in my view is that interpreters treat prophecy as a stand alone instead of studying God's overall plan for history and placing prophecy in as the end phase of His plan. Thus, in our view, this situation exists because interpreters in their publications: (1) do not include and understand God's purpose for why He put us on the earth and His overall plan for history needed to accomplish His purposes; (2) do not include the details and strategies of the spiritual warfare between Christ and Satan that God uses to develop and test our maturity in Christ; (3) do not include on what basis God terminates history; (4) are not careful of their overall study approach taken and why; (5) are not being careful to use the needed interpretation rules and methods, including the need to check all assertions as to how they agree with the rest of Scripture; (5) are not including an understanding of other related key doctrines; and (6) are especially not considering what the Cross accomplished (in addition to salvation) jointly with the understanding God's purpose for the covenant nation of Israel after the Cross. So what approach can one take to determine the Bible's actual view? Can we do this? **This newsletter report presents our view of this needed approach (Study of God's Plan to bring us to maturity in Christ) and the most accurate understanding we might have. None of us may know all that is needed.**

These different views have caused Christians to stand apart in different Churches without working together as they should in ministry and might otherwise do. Perhaps the doctrines that have caused the greatest separation are: (1) when does the Rapture occur with respect to the endtimes Tribulation (with a study of Daniel's seventieth week) - before, mid, or afterward; (2) is there an endtimes Tribulation; (3) the Jewish situation after the Cross, (4) did the Church replace Israel;●6

5. TRIBULATION AND RAPTURE DEFINITIONS FOR REFERENCE: The "Endtimes Tribulation of Revelation" includes the time of the seals and the first six trumpets. The seventh trumpet and the time of the bowls occur after the Tribulation. **Revelation's events unfold** by seven seals, seven trumpets coming out of the time of the seventh seal, and seven bowls coming out of the time of the seventh trumpet. The bowl events come during the time of the 1000 years and during the time of Christ's Second Coming, but after the Tribulation and after the Rapture.

The word "Rapture" per se is not found in the Bible. The term has been adopted by interpreters to mean the time when the Church is suddenly caught up to meet Christ in the clouds at His (Second) Coming when He comes with the dead saints - for and with His saints. **The "Wrath" the Church is to miss does not occur in the Tribulation, but instead, during the time of the bowls or vials that occur after the Tribulation and after the Rapture.**

6. THE CHURCH DID NOT REPLACE ISRAEL: The Church did not replace Israel as some state. Old Testament believers, both Jews and Gentiles, were held under Satan's eternal control in Abraham's bosom under the law of sin and death until the Cross came. We must remember that there were two thousand years

and (5) when do the 1000 years occur - before or after Christ's Second Coming. There are more.

This newsletter report presents what we believe the Bible to teach and why and what it does not teach and why. **The purpose is to have the Bible's single view (the best we can determine) so that:** (1) we can know how the endtimes unfold and what we will experience when they do, (2) we can have more unity among our Churches and Bible interpreters; (3) we can know clearly that we as the Church will go through the endtimes Tribulation; and (4) we can ensure we are better prepared and more greatly matured in Christ before the endtimes come. We want to have the best we can have for our Church people that we all love. We do not want our own people to be caught blind-sided and unprepared by the sudden calamity that brings in the endtimes Tribulation. We need to recognize the signs that signal the Tribulation can be coming soon (only God knowing the timing). It comes suddenly in a whirlwind without any warning apart from the signs and warnings from God's today's Watchmen. These signs are now all around us and increasing in intensity.

Thus, for the sake of our Church people and personal families, we want to be right and give them the best guidance we can. If we do not believe we will go through the Tribulation or there is not one, we must hedge about being wrong and urgently mature and brief our people anyway. God commands us to mature our people (Hebrews 6:1).

So what does it hurt if we mature and brief our people. But not to do so is to disobey God and to allow our people to be caught blind sided is being irresponsible. This is now happening in a large number of our churches. This newsletter report presents how most terrible the Tribulation events will be.

In my view, this newsletter report will thoroughly convince you that we will go through the Tribulation. Thus, we must mature our people, including our children and youth, with urgency. A problem comes, that because of the dumbing down, few Christian leaders now may know how to adequately train and mature their people, or even know what is desired. They train for spiritual growth as a procedure, but do they train to become mature as an outcome. Some may train well with the Christian-Faith Doctrines and Bible content with knowledge, but do poorly in training to live the Christian life by faith and sacrificial love, living as Christ walks with the Father to become mature in Christ. Leaders most often teach what to do without also teaching how to do things, give examples for how to live out the teachings, and give testimony for how they lived them out.

before Abraham (before the time of Israel) consisting of only Gentiles when many were saved by believing in some manner in the coming Messiah. Old Testament Israel consisted of both believers and unbelievers - mostly unbelievers. The Church consists of only believers. At the time of the Day of Pentecost, Christ took those Old Testament believers, both Gentiles and Jews, held captive under the law captive, and took them to be with Him in heaven and they became part of the Church. They were translated from the Dominion of Satan into the Kingdom of God that Christ now rules from heaven. After the Cross, all believers in Israel are part of the Church. After the Cross, God offered Israel everything He offered the Gentiles - salvation and maturity in Christ so that they could know and relate to God. All believers, both Jews and Gentiles, are now one in Christ without any division. All believers are now in the relationship Kingdom of God that is ruled from heaven, not from the earth. The Kingdom of God is not equal to the physical Kingdom of Israel, ruled from the earth. Christ is now marrying the Church composed of both Jews and Gentiles. He can no longer be married to national Israel, composed of believers and unbelievers. As such, there are no earthly future kingdoms of Israel coming.

MINIMUM REQUIRED TRAINING NEEDED TO GAIN MATURITY IN CHRIST

The overview topics, in our view, for the minimum required training to gain maturity in Christ consists of the following four topics where each has much depth and breadth (all four main topics are needed): (1) worshiping, glorifying, pleasing, honoring, and obeying God etc; (2) living godly lives in relationship living by faith and sacrificial love patterned after our Lord's walk with the Father - with all life's direction coming from the Father; (3) helping to accomplish God's work of area-wide local evangelism, discipleship to maturity, planting new Churches, building godly families, and reaching out to and helping the needy; and (4) learning and standing strong on the basic Christian-Faith Doctrines for which we believe and are willing to die. ***A training curriculum for how to train with most of the above is Christian-Life Relationship Principles. We should also add a study of God's Plan for History with the spiritual warfare (with its strategies and objectives) and endtimes prophecy.***

The curriculum in Christian-Life Relationship Principles for living as Christ lives in order to gain maturity in Christ, in my view and experience, should include at least the following topics and taught by those who have raised families and have lived out many of them (I have raised a family and have taught these over the years●7) (See also our February 2008 Newsletter report for more details on training and on endtimes prophecy):●8

(1) The Attributes and Character Qualities of God in His Greatness; (2) God's Goal for People: Mature High-Skill Spiritual Ability in Christ-Likeness; (3) Learning to Live Life Patterned After the Father and Son Relationship; (4) Head-Subordinate Relationships; (5) Building Strong Families, Patterned After Christ's Walk With the Father; (6) Living by Faith; Claiming and Using the Promises; (7) Living Testings and Sufferings that Develop our Faith; (8) Living by the Love that Keeps God's Commandments and serves each other sacrificially; (9) Living by Hope that Keeps One Sexually Pure; (10) Living Necessary Attitudes, Leadership Character Qualities, Beatitudes, and Doctrines; (11) Having a Strong Prayer Life; (12) Living God's Way Under Spiritual Warfare; (13) Learning to Teach, Lead, Witness, and Evangelize; (14) Establishing and Operating Small Home Groups; (15) Recognizing and Correcting Spiritual Problems, Counseling (base on head-subordinate relationships and spiritual laws); and (16) Methods and Devotions that Develop Our Personal Walk with God.

OUR APPROACH TAKEN TO UNDERSTAND BIBLE PROPHECY; NEW INSIGHTS TO ENDTIMES BIBLE PROPHECY (The Pattern View of Prophecy and of Revelation)

Many if not most Bible interpreters in their books and publications, as stated, begin with Bible prophecy. I believe this approach has led to the many existing different prophetic views.

7. TRAINING CHARTS: See my ppt training charts on our web site under **TRAINING** entitled *Christian-Life Relationship Principles*. **We plan to add facing explanation text. We can give seminars using these with updated charts. We can do this also on endtimes Bible prophecy.**

8. TRAINING INGREDIENTS: *Each topic has a depth-breadth and the training should include the what to's, the how to's, examples for living out, testimony for how one lived them out, and some form of on-the-job training. One must gain or have "experience" in living them out for one to become mature (perfect and complete) in Christ - not just have knowledge of the Scriptures and doctrines.*

Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold

Being trained as a systems engineer, I took the approach to search the entire Bible for God's Plan (God's "system") from Genesis to Revelation for the why of the events of Bible (human) history and how He carries out His Plan - how does all of history go together and for what purpose. How does history begin and how and on what basis, does it end or terminate. We looked at Bible prophecy as to how it fits into God's Plan for terminating history - not as a stand alone. This approach discovers more of the doctrines involved and why and how they inter-relate. It avoids most errors. As such, in addition to our book: *Watchman Warning*, we wrote a document on God's overall plan.●9 ***This document (or one like it) should be read by every Christian and Bible interpreter.***

The key to understanding the Bible is to understand the main reason we are on the earth is to gain a mature high-skill spiritual ability in Christ-likeness in relationship living patterned after Christ's walk with the Father (1 John 2:6; John 5:19-20; 14:9-11). This is needed so that we can know and relate to God in His Greatness in eternity, and He can lead us in thought and action to greater things amidst His Great Glory in eternity. We must thoroughly grasp this. (It is not to have separate plans for the Church and Israel.) All of life in thought and action is to come from God the Father. Then when people see us, they do not see us for we, from ourselves as a source, are doing nothing. They only see God the Father (and Christ) through us. This is necessary for He (and Christ) is the only one who has value and absolute perfection. All of history is for this purpose - to gain maturity in Christ so that we can respond to God the Father and live as Christ lives. Such a maturity is necessary for us to relate to and know God the Father in His Greatness and to live by that Greatness in eternity. Apart from this life for us, there is nothing. We must understand that God commands us to pursue maturity (e.g. Hebrews 6:1) and there is no teaching that indicates our maturity can increase in heaven. There are several indicators, not proofs,●10 that signal our maturity is most likely fixed forever at death. We thus must pursue maturity as God commands or we can be making a most serious ETERNAL mistake. There apparently is no recovery in heaven - none that we know about.

9. GOD'S PLAN FOR HISTORY- Document on our web site: *God's Plan Over History for Man to Become Mature in Christ Needed to Eternally Know and Relate to Our Perfect God in His Greatness.*

10. INDICATORS, NOT PROOFS, OUR MATURITY CAN BE FIXED FOREVER A DEATH: Some indicators that signal our spiritual maturity can be fixed forever at death include: (1) all of biblical history is designed to mature us in Christ; (2) the sinful environment of the world, the flesh, and the devil used to develop and test our maturity (spiritual ability) is not allowed in heaven; (3) we make mistakes which are sins as we develop maturity, and there is no sin in heaven (Our sin natures are removed from us as we enter heaven. We will be unable to sin with our divine natures - they can only respond to God - not able to take independent thought or action); (4) God commands us now to become mature and live as Christ lives; (5) we were created immature beginning with Adam and Eve; (6) there are many stations in heaven - for example, some will reign over 10 cities and some over 5; (7) we are given rewards in heaven based on our works in this life; and (8) there are Scriptures that indicate this current life has benefit for both now and for the life to come - we can have a better resurrection. (We wonder whether if it could increase in heaven by some manner, then why this earth period. If it could, God could have just created us with a minimum maturity and not send anyone to the Lake of Fire. He has given us a choice of the degree by which we will follow Him. And of course, God may mature us in different ways than we can know now. But we should pursue maturity as God commands to have the best of God we can have. There is nothing else.) ***Without this lifetime and only living in some perfect environment, we might not be able to know and greatly appreciate God's great love, mercy, grace, and longsuffering as demonstrated on the Cross and gives to us in our Christian lifetime. We might not know how to live by strong faith and by great caring sacrificial love.***

Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold

As we studied Revelation, we began to investigate its terms of entities, sequences, wording, vocabulary, persons, and happenings. We discovered that similar ones were found in the Old Testament. These showed that God used a general sequence●11 with a favored nation of prosperity with obedience, warnings with disobedience, being placed under a world empire with increased disobedience for divine discipline, a return of the favored nation to God after the termination of the discipline period with repentance, and that followed by the destruction of the world empire. This same or similar sequence (details can be different) is used in Revelation. Israel was the most favored nation in the Old Testament and the United States is the most favored nation in Revelation for the endtimes. The United States is presented only indirectly in the Bible by what is happening in her and that her general characteristics match●12 those of Israel in her Pattern Sequences.

The thousand years of Revelation occur during the time of Christ's Second Coming after the Rapture when He, with the Church reigning with Him, judges and destroys the world empire nations. There is no thousand years Jewish kingdom coming. It has no purpose in God's plan.●13 (Only becoming mature in Christ does for the sake of eternity.)

By observing her characteristics, the United States is without question a most favored nation to God. She has been blessed by God more than any other nation in history, including more than Israel in her best days, by orders and orders and orders of magnitude. But now she is turning very sinful in disobedience with much of the Church falling away, and the country's people are turning to sin.●14 Now, in her Pattern Sequence, she is being warned. The next step is to place her under

11. GOD'S SEQUENCE: See especially Leviticus 26 and Deuteronomy 28.

12. THESE MATCHING CHARACTERISTICS of the United States with Israel include (See *Watchman Warning* pages 217-220): (1) begins in obedience, ends in disobedience; (2) Is more sinful than the surrounding nations; (3) no one believes that an enemy will ever take her over; (4) God makes her a beautiful and most successful nation; (5) she is the center of nations; (6) trusts in her beauty and plays the role of a harlot in reverse - pays her lovers; (7) offers food to those who accept her harlotry; (8) she sacrifices her children (sex, abortion, drugs, false ideologies, etc.); (9) has biblical signs of apostasy in her end time period; and (10) in her beginning, has a mandate to take the Gospel to the nations which she does. Her history follows the pattern for Israel to a large degree: Leviticus 26 and Deuteronomy 28 as will her future as Revelation's events unfold.(2 Peter 5:8 shows the 1000 years can be much less in time.)

13. THE THOUSAND YEARS: The Scriptures teach that those will look upon Him (Christ) whom they have pierced when He comes in the clouds. This could only happen after their resurrection at the time of the Great White Throne Judgement. Thus, it appears that Christ's Second Coming lasts over the thousand years from the seventh trumpet to the time of the Great White Throne Judgement. See our reference: *The Jewish Situation*.

14. DISOBEDIENCE: The disobedience includes a dumbing down of teaching in our churches so as not to mature their people in Christ, including their children and youth, not attempting to evangelize their complete local areas, and using the Devil's rock music, bringing the world's music into the Church. The Bible speaks strongly against bringing the world into the Church (e.g. Romans 12:2). Many are speaking in false tongues. This is following a spirit that is not of God. As being stated, no one has spoken in biblical tongues since the first century AD. **Biblical tongues (always foreign languages that are known, never ecstatic utterances) were to inform the Jews on the Day of Pentecost after the Cross (and falling in the sequence of Acts 1:8) according to the Joel prophecy that the exclusive Jewish period is now over.**

divine discipline in the coming endtimes Tribulation under a world empire (e.g. The New World Order or the United Nations). After the endtimes disciplinary Tribulation is over, Christ will rapture the Church (bringing the Church to Himself in deliverance) and bring the destruction of the world empire, consisting of only the remaining living unbelievers. In the discipline period of the endtimes Tribulation as there was in Israel, there are two stages of divine discipline with the latter being most severe - the Mark-of-the-beast Period in the endtimes, even though both periods are bad. The first period lasted 20 years for both the Northern and Southern Kingdoms of Israel. We can expect this duration in the endtimes for the first endtimes period. The second endtimes period we know is 3 ½ years (42 months).

The development and summary of this Pattern Sequence is found in several of my documents. ●15

Understanding this sequence, we can know more of the details of what will or can happen in the endtimes. ***Having the Pattern Sequence with its discipline period teaches that, without ambiguity, there definitely is an endtimes specific Tribulation that is the discipline on the favored nation (and her churches) and the world's nations. This endtimes Pattern Sequence began AFTER the endtimes favored nation was established.***

There are some particular or most important facets to be seen in order to have accuracy in prophecy interpretation. There is an engineering idiom that helps us to stay on course by doing more work and being more thorough than we otherwise might be:

"Do not think what you want to think until you know what you should know."

As being presented, one must carefully see three important things in order to understand Bible Prophecy: (1) one must see that the only or main reason we are here is to gain spiritual maturity in Christ so that we can know and relate to God toward His fullest throughout eternity; (2) after the Cross all believers are the Church - there are not two sets of believers (Christ has but one body) - such as Israel and the Church; and (3) there is only one resurrection of the Just (at the single Rapture) that occurs at Christ's single Coming, not two that would be required if there were a Pre-Tribulation Rapture.

The following sections give more characteristics and the why of the Pattern Sequence. The Pattern Sequence, in my view as stated, must be understood in order to understand how the events of Revelation unfold and why.

14(...continued)

God's Word is now going to all nations. Tongues have nothing to do with spiritual power or being filled with the Spirit today (although on the Day of Pentecost the apostles spoke in tongues AFTER they were filled with the Holy Spirit). They have nothing to do with the main Church Period. Those who speak in tongues today such as ecstatic utterances can be following a spirit that is not of God. Does God really use them today? Why? They have nothing to do with the baptism and the filling of the Holy Spirit, spiritual power, or maturity in Christ.

15. PATTERN SEQUENCE DOCUMENTS: The Pattern Sequence is developed in detail in my book: *Watchman Warning* (its chapter on Revelation is on our web site) and summarized in my book: *Watchman How Far Gone is the Night?* It is summarized in my web site reports: (1) The Pattern View of Prophecy (Part Two of the total and more lengthy report): Revelation's Sequence: The Many Doctrines of Prophecy Show Clearly the Rapture Will Come Post-tribulation and the 1000 Years During Christ's Second Coming, and in (2) *November 2007 Newsletter: Revelation's Sequence and the United States in Endtimes Prophecy.*

Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold

THE SPIRITUAL WARFARE BETWEEN CHRIST AND SATAN; THE BASIS FOR HOW WORLD HISTORY IS TERMINATED ●16

God established a spiritual warfare between Christ and Satan to bring the testing and developing environment to bring believers to high levels of maturity in Christ for the sake of eternity. The objectives of the spiritual warfare are for Christ to ensure God's elect will actually believe and will actually achieve or accomplish God's chosen work. Satan, on the other hand, works to prevent any part of this happening. If he can (and he will not be able to), he will not have to go to the Lake of Fire to which God sentenced him before man was created.

Before people come on the earth, God placed the names of His elect in one book, the names of all the people who will ever live in the Book of Life, the works the elect He says they will do in another book, and the actual works they accomplish in the Book of Works. The unbelievers's works are also recorded in the Book of Works. If one formally denies the Christ formally in life or by death, their name is erased from the Book of Life. After the Tribulation at the seventh trumpet, the books are opened. If the names remaining in the Book of Life match the names of the elect in the other book and, if also, the works of the elect actually do match the works that God said they would do, then Christ wins the warfare. And He will. The Rapture and final judgments take place only after this determination by the heavenly court occurs. **Thus, a Pre-Tribulation Rapture is not possible and will not happen. Those persons whose names were not found in the Book of Life will be cast into the Lake of Fire forever for another way (other than the Cross) to satisfy God's Justice for sin. It is a most terrible place.●17**

In the endtime judgments, all people are judged according to their works. Christians are judged for rewards in heaven and unbelievers are judged for degrees of punishment in the Lake of Fire.

OTHER KEY ISSUES NEEDED TO PROPERLY UNDERSTAND ENDTIMES BIBLE PROPHECY

One approach needed to understand prophecy is that one must check with other parts of Scripture for agreement and to see if their assertions are correct. In order to understand Bible prophecy, the following must be understood (there is much more than presented):●18

1. Since the Garden of Eden, all people are born sinners in the Dominion of Satan with a sin and depraved nature under God's condemnation (God's satisfied justice is needed for sin). The Title Deed of the Earth was usurped by Satan from Christ. Satan is now god of this world over

unbelievers. All people are born under Satan's eternal control.

2. After the Cross when Christ received all power in heaven and in earth, all believers in the Cross were transferred into the Kingdom of God under Christ's eternal control out from the Dominion of Satan under Satan's control. God's condemnation was removed from them. As such, they become the Church. There are no divisions in Christ after the Cross - no Jew or Gentile, no male or female, no bond or free. Only Christ can have first place and pre-eminence. All are one in Christ. The Cross set aside animal sacrifices and physical temples in God's Plan forever. They will never return. ●19 As presented later, Christ divorced Israel and is now marrying the Church. He can never remarry Israel. ●20

3. All believers in Christ, without exception, after the Cross, are the Church. There is no such thing as two major groups of believers, especially in the New Testament - such as Israel and the Church. ●21

4. Understanding items 1 through 3, one can know there are no future periods for Israel after the Cross. Thus, there will not be a Rapture before the wrongly assumed Jewish Tribulation and the Jews are not returned to have a special kingdom in the 1000 years after Christ's Second Coming. ●22

5. God is not one of partiality. He will not allow some believers to miss the Tribulation and then have a very large number of believers die in the Tribulation. The Church is one, not divided between a Pre-Rapture group and those who die in the Tribulation. ●23

19. TEMPLES AND SACRIFICES: The Church is now to be a living sacrifice and is the temple or sanctuary of God. To return animal sacrifices and physical temples would deny the efficaciousness of the Cross and would be an affront to God. They will not and cannot come back in God's plan. They can in Satan's. Hebrews 8-10 teaches they are gone in God's plan forever.

40. FUTURE OF ISRAEL: There are many Old Testament promises to Israel that appear to teach that she will have a wonderful future. Many place this future in Revelation's 1000 years. However, for this future to occur, Israel had to remain obedient. Her disobedience caused her to break the covenant of this future. This led to her divorce. We must observe the rules in Leviticus 26 and Deuteronomy 28 as discussed elsewhere.

21. THE PATTERN VIEW IN MY BOOKS: As stated, the Pattern Sequence view is developed in detail from the Scriptures in my book: *Watchman Warning* and is summarized in my book: *Watchman, How Far Gone is the Night?* See also our document: *Part Two of The Pattern View of Prophecy* for a summary.

22. ENDTIMES TRIBULATION AND 1000 YEARS: The Bible teaches the endtimes Tribulation in Revelation is all nations in characteristic (consisting of believers from all nations), not at all exclusively Jewish, even though there are 144,000 Jews in the Tribulation (Revelation 7). There is no Bible teaching that places a Jewish kingdom in the 1000 years. The Church, after the Rapture, reigns with Christ during the 1000 years (the bowl happenings) to determine conclusively that no one remaining will believe the Gospel to be saved. See our document: *The Jewish Situation* for details.

23. DISTINCTION: Those who wrongly believe a Pre-Tribulation Rapture must also wrongly believe in a Jewish Tribulation (wrong view) so that believers before the Tribulation are the Church, and those in the Tribulation are Israel. **The Bible does not teach this distinction. All are the Church - the single body of Christ.**

WHAT ARE THE IMPACTS OF HAVING THE CORRECT OR WRONG VIEW OF BIBLE PROPHECY

The happenings in the endtimes Tribulation will be most severe and many-many-many times worse than most realize. The happenings in the Tribulation are presented later. One must realize that God allows Satan to bring the endtimes Tribulation to bring discipline on His Church, especially in the favored nation, that is now falling away.●24 Thus, the Church, being the cause, will go through the endtimes Tribulation because she is largely responsible for its coming. But in this falling away, the Church as a whole is not being matured. It is becoming or is the immature Church with a loss of biblical intellect and with a low plateau of Bible knowledge.●25 Thus, being immature and not knowing Bible prophecy, believers will not know what is happening when world government comes with the persecution. This can cause a major falling away in the Tribulation.

If our Churches were maturing their people, especially their children and youth (and teaching what happens in the Tribulation) as they should as God commands, it might not matter as much what we believed about endtimes prophecy. This is because we would stand strong under God when the persecution of the Tribulation comes. When in the Tribulation, they would know better what is happening. Doing so, we would gain more maturity in Christ. However, not being mature and not knowing much about endtimes prophecy, believers will fall away from the faith by the thousands. Of course many others will stand strong.

We must know Bible prophecy so we can warn and brief our people of what is coming, what they will experience, and what will happen to them. They should be told that their maturity can greatly increase in the Tribulation if they stand strong without falling away. They can stand stronger if they know (have been taught) that their maturity can be fixed at death and that their maturity can increase if they stand strong now without falling away. ***Church leaders need to know that if they do not train to mature their people and help to do area-wide evangelism, they may receive judgment from God in the Tribulation. At least they should expect it.***

24. FALLING AWAY; SYMPTOMS AND CAUSES (Overall, the Church is not now enduring sound doctrine as the Bible teaches will happen in the end days): In our view, there are several aspects (there are exceptional churches) about the falling away. One is they do not appreciate God's absolute Greatness so that they search the Bible for all of what God's wants done and to the degree by which He wants it done and then doing so with excellence. They are going much of their own way (doing this, they live the god, not the servant, role). They do not understand that the maturity at death we have in Christ, we can have forever, so they can dumb down their training and work mostly for numbers in new people with evangelism without hurting their people. Not being able to determine the difference between the holy and the profane, they add the Devil's rock music and speak in non-biblical tongues. They do not realize that what they are doing is implementing key satanic strategy. Satan wants to use these methods to transform the churches to become the immature church so they will do less of God's Work and will not know what is happening when the endtimes come. Few young people today know Bible prophecy. This situation is most terrible and is greatly increasing.

25. MATURITY SIGNS AND GROWTH. The following report: *June 2008 Newsletter Report: Signs That Show We, As Christians, Are Maturing in Christ So That We Can More Greatly Know and Relate To God, and Live Amidst His Greatness:* (1) shows how our youth are being inadequately trained to produce the immature church; (2) conditions or characteristics we will have if we are mature in Christ, and (3) how we should train to become mature in Christ.

Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold

SUMMARY: WHAT ARE THE FOREMOST KEY ISSUES TO BE UNDERSTOOD

(The only prophecy views that can be correct are those that show how Bible prophecy brings God's people, the Church, to maturity in Christ, believes that all believers are the Church, and does not have a future plan after the Cross for a covenant nation of Israel.)

1. God placed us on the earth to become highly mature in high-skill spiritual ability in Christ-likeness in relationship living patterned after Christ walk with the Father so that we can relate to and know God more greatly in the breadth and depth of His Greatness in eternity. This is the primary (only) reason we are here.●26 There is nothing else Thus, God's plan for all of biblical history leads to this result. One must be a believer in Christ for this to happen. As being stated, for this to happen, one must first be a believer in the Cross, and when this happens, one becomes part of the Church which is Christ's single body and a holy nation to the Lord.
2. The nation of Israel was used to help bring this result (in #1) until after the Cross. She had a key role to bring: (1) the Savior via the Jewish genealogy; (2) the New Covenant; (3) the Word (Oracles) of God; and (4) the law leading to the Cross. **Now, after the Cross, Israel as a covenant nation has no purpose in God's plan (but Satan can have one in the endtimes plan).** (But individual Jewish believers do as they become part of the Church, but not as a nation) **Thus, as being also stated in a future section, there are no and cannot be any exclusive future Jewish periods. Having future Jewish periods has brought much error in the interpretation of Bible prophecy.**
3. The endtimes Tribulation comes because the world is becoming increasingly apostate and disobedient to God. There is no possibility that the world will become Christianized before Christ comes, even though parts of the world may have great revival.

DOCTRINES THAT TEACH THERE DEFINITELY IS AN ENDTIMES TRIBULATION (The Bible Does Not Teach a Preterist View - No Endtimes Tribulation)

We know there is an endtimes Tribulation for at least three reasons:

1. When Christ comes (Revelation 19), He casts the **PERSONS** of the beast and false prophet into the Lake of Fire, signally that the Mark-of-the-Beast period, the last part of the Tribulation (Revelation 13) of three and one half years occurs just before Christ comes.
2. Revelation teaches in Revelation 7 there is coming "the" Tribulation, "the" Great One, that is a most specific, unique, and special tribulation. The Greek article for "the" is used twice. Thus, this Tribulation does not occur over the entire Church Period. Note Kenneth West's translation from the Greek in his: *The New Testament: Revelation 7:14 - These are the ones that come out of the great tribulation, the great one.*
3. There is the Pattern Sequence of the seven-sealed scroll used in Revelation that shows how

Revelation unfolds and for how Christ wins back the Title Deed of the Earth from Satan, lost in the Garden of Eden. The Pattern Sequence begins **after** the endtimes favored nation of the United States is established (the favored nation must exist to have the sequence).

Thus, the Bible definitely does not teach that the events of Revelation occur over all of Church history. **Thus, the Bible does not teach any of the preterist views.●27**

THE REASONS OR PURPOSES FOR HAVING THE ENDTIMES TRIBULATION

The purposes or reasons for the endtimes Tribulation include:

1. The events of Revelation's Seven Sealed Scroll is how Christ gains back the Earth's Title Deed lost to Satan in the Garden of Eden. He must regain the title in order to bring the resurrections and final judgments according to the spiritual warfare rules.
2. One last desperate attempt for Satan to prevent some of the elect from believing and from accomplishing some of God's chosen work.
3. As a method for God in the Mark-of-the-Beast period to formally polarize the beliefs of all people who are to live as to whether or not they will accept or deny the Gospel. This is the final binding of the tares. The Rapture (the separation of the wheat from the tares) cannot occur until after this binding occurs.
4. As God's method to discipline the Church and world in their falling away and to end human history according to the Pattern Sequence.

DANIEL'S SEVENTIETH WEEK●28

Many hold wrongly that the all exclusive Jewish seventieth week in Daniel 9:27 is equal to the endtimes Tribulation, and thus, it requires the Rapture of the all-nations Church to occur before the exclusively Jewish Tribulation begins. The Purpose of Daniel's seventy weeks was to tell the Jews when their Messiah would come. They have nothing to do with the antichrist or with the endtimes Tribulation. The purposes of the seventy weeks (such as the atonement for iniquity and the bringing in of everlasting righteousness) for the seventy weeks are fulfilled in the Cross, and thus, the Cross must be in the period of the seventy weeks. The Daniel 9:24-27 prophecy states the Messiah was cut off (crucified) **after** the 69th week (not at the exact end of it). This requires the Cross to be in the middle of the seventieth week. Placing or identifying the seventieth week as the endtimes Tribulation places the Cross and the purposes for the seventy weeks outside of the seventy weeks period. This is flawed interpretation and is incorrect. The seventieth week is history and contains

27. DISTRIBUTED OR PARTIAL RAPTURE: Some believe in a partial rapture theory where Christ comes for the believer in the clouds when they die. This would be like a continuous Rapture and continuous coming of Christ throughout the Church period. This view is not taught in Scripture. The Scriptures with the article teach it is "the" Coming of Christ - a single one time coming after the Tribulation.

28. DETAILED WRITE UP ON DANIEL'S SEVENTY WEEKS: Please read the detailed development from the Scriptures on Daniel's seventy weeks in an appendix in my book: *Watchman Warning*. This appendix is also on my web site.

the Cross of Christ. The Cross was in the middle of the seventieth week and the Gospel, as the Church period began, did not leave the Jews until the last three and one-half years were completed in the very first part of the Church period - the last half of the seventieth week. It was Christ who made the covenant with the many, not the antichrist. ***The Tribulation of Revelation is all nations in characteristic and is not exclusively Jewish that would be required by the erroneous seventieth week interpretation. The Tribulation does not qualify to be the seventieth week.*** Thus, the Rapture cannot occur before the all-nations Tribulation begins. (correct doctrine.) There are many other reasons that the seventieth week is history. See the large appendix in *Watchman Warning* or on the web site.

And further, there is no preposition in the Hebrew that would exactly specify at what point in the seventieth week of Daniel 9:27 the covenant was made or establish its duration . Many translations have assumed the preposition is “for” such that the Prince (Christ) makes a covenant “for” one week. But other prepositions can be chosen. Some Bibles have the Prince making the covenant “in” the week or “during” the week. (*Daniel 9:27 (Septuagint) - And one week shall establish the covenant with many. Daniel 9:27 (Berkeley Bible) - In a week, He shall make the covenant to prevail for the many .*)

THE BIBLE DOES NOT TEACH A PRE-TRIBULATION RAPTURE AND/OR A JEWISH GOLDEN-AGE MILLENNIUM

There are no Scriptures that teach a Pre-Tribulation Rapture.●29 There are Scriptures that preclude a Pre-Tribulation Rapture.●30 As presented, Daniel’s seventieth week is history and not future that would require a Pre-Tribulation Rapture.●31

29. REVELATION 3:10: Some wrongly believe that Revelation 3:10 teaches (requires) the Church will be removed before the hour of testing or trial comes, and they make the hour of testing equal to the Tribulation (wrong interpretation - wrong doctrine). The Greek text allows that the Church to be preserved through the hour of testing, not requiring her removal (correct doctrine). There is no teaching that clearly teaches the hour of testing is equal to the Tribulation. (God apparently uses the Tribulation to mature His people and thus, it could be called a time of testing or trial.)

WORD “CHURCH”: Some believe that because the word: **Church** is not found in the Tribulation in Revelation, that the Church is not in the Tribulation. But one must see that the word: **saint** is used throughout the New Testament and throughout Revelation to mean the Church. Thus, the Church is found in Revelation.

30. SCRIPTURES THAT PRECLUDE A PRE-TRIBULATION RAPTURE: The wheat (Church) cannot be separated from the tares (unbelievers) until after the tares are bundled for the fire that occurs in the Great Tribulation. Christ sits at the right hand of God until all His enemies become His footstool or under His authority. The happens in the Great Tribulation just before Christ’s Second Coming. The Rapture occurs at Christ’s Second Coming. As stated elsewhere, all references to the Coming, Appearing, and Revelation of Christ have the article, meaning only one of these. Revelation 20 and the Olivet Discourse teach clearly Christ comes after the endtimes Tribulation. The Rapture occurs then at the marriage of the Lamb at the end of the Tribulation. **Thus a coming of Christ for a Rapture before the Tribulation is not possible.**

Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold

One Resurrection -The Bible teaches only “one” resurrection of the Just (believers). This occurs at the Rapture at Christ’s Second Coming. For a Pre-Tribulation Rapture, there wrongly would require two resurrections of the Just - one before the Tribulation, and another at Christ’s Second Coming. If there were to be a Jewish Golden-Age Millennium, there would yet have to be another resurrection.

Many believe that when Christ comes many Jews will believe and these will enter the Millennium. But this is not so. Both Jews and Gentile believers are raptured together when Christ comes.●32

Divorce of Israel - Christ was married to Israel in the Old Testament times. He divorced the northern kingdom in a direct teaching (Jeremiah 3:8).He divorced the southern kingdom at the Cross when the Jewish leaders said let Christ’s blood be on us and on our children. They were denying Christ as their Messiah forever. Christ is now marrying the Church and by His own laws, He cannot have two wives at the same time. Thus, Israel as a covenant nation in God’s plan is gone forever. However, Jewish believers can have all that God offers - salvation and maturity in Christ. But this teachings shows there will not be any future Jewish periods of any kind. **Both Jewish and Gentile believers are now one in Christ without division and compose the Church.**

Imminent Rapture - The coming of Christ and our being gathered to be with Him at the Rapture appears to be imminent as described in Scripture (e.g. 1 Thessalonians 1:10). Some believe this requires a Pre-Tribulation Rapture.

1 Thessalonians 1:10 - and to wait for His Son from heaven, whom He raised from the dead, that is Jesus, who delivers us from the wrath to come.

However, since the Rapture has not occurred for 2000 years after the Day of Pentecost, there is no way to force the imminence to occur just before or at the time the Tribulation begins. It can be imminent as the Tribulation is ending. ***The Rapture could not be imminent in any time period after the day of Pentecost because there are several prophesied events that had to occur first.*** These include the prophesied deaths of Peter and Paul, the destruction of Jerusalem and temple in AD 70, the completion of the Canon of Scripture in AD 96, the preaching of the Gospel to the entire world, the tares being bundled for the fire, and all the elect believing and doing all of God’s chosen works. Thus, it is very likely that the imminence can only occur at the end of the

(3)*The Jewish Situation.*

32. SAVING OF THE JEWS: Many believe that when the fulness of the Gentiles is complete, there will be a large number of Jews saved at the same time that will enter the Millennium. (wrong interpretation - wrong doctrine). This will not happen. The Greek is this passage (Romans 11:25-27 and others in Romans) allows for the teaching as the Gentiles are being saved one at a time, so are the Jews being saved one at a time like the Gentiles. Thus, when the fullness of the Gentiles occurs, so does the fulness of the Jews. ***And also when the Gentiles are raptured so are the Jews. Christ raptures the Church suddenly when He comes. When He comes, there is no time to believe. And after the Rapture, there is no one left to preach the Gospel - there is no one seeking after God.*** Thus, there is no one to enter a Millennium as saved people. ***And no one is born or saved after the Rapture. (correct doctrine) See my web site reports: The Jewish Situation and The Pattern View of Prophecy for details and the Scriptures.***

Tribulation.

2 Thessalonians 2:7 - Pre-Tribulation Rapture interpreters teach that 2 Thessalonians 2:7 teaches the Church will miss the Tribulation because she is taken out with the Holy Spirit before the man of lawlessness can be revealed. However, 2 Thessalonians 2:7 in the Greek can mean that the man of lawlessness is restrained from coming out of the midst of mankind until God releases the constraint. This is the context of the passage. The passage, and its context, does not teach that the man of lawless cannot be revealed until the Holy Spirit in the Church is removed from the scene. The taking away of the Holy Spirit is not in the context of the passage. Nor is the Church being taken out with the Holy Spirit. These are assertions by interpreters that the Bible does not teach. ***(We know that the Holy Spirit is not removed, as stated, because there are many believers in the Tribulation born by the Holy Spirit.)***

Christ said that His Kingdom was not of this world. His kingdom is a relationship kingdom - the Kingdom of God ruled from heaven over believers all over the earth, not a physical one on the earth at a single location. (Acts 2:31-32 teaches that Christ rules now from heaven on David's Throne as part of the Kingdom of God.) New believers were (are) translated into it from Satan's Dominion. *The Kingdom of God has been in existence for all of History, but with more aspects during the entire Church Age. It is not a physical earthly kingdom that is coming for a 1000 years.* This teaching alone precludes a Jewish Golden-Age Millennium and a Jewish Tribulation. There is no Pre-Tribulation Rapture and/or a future Jewish 1000 years. Thus, the Dispensational Theology or View is not taught in Scripture.

KEY SUMMARY ASPECTS

The Rapture can only come after Christ is awarded full and legal authority by the heavenly court after it has determined that He has won the spiritual warfare over Satan. This determination is made after all people who are to live, have lived, and have made formal and binding decisions in life or by death to accept or deny the Gospel. This award is based on the fact, that at that time, all the elect did actually believe and the elect did actually accomplish all of God's work. The court decision is made at Revelation's seventh trumpet that occurs after the Great Tribulation and after the bundling of the tares. ●33

The Tribulation can only begin after the endtimes Pattern Sequence has been started or initiated by God and the sin of the Church and the rest of the people has increased to the point that it crosses God's allowable threshold for sin. Signs and conditions in the world, according the Pattern Sequence, signal and warn us when this might occur, even though only God knows the timing. These signs are now all around us. Only God knows how mature the signs must become before He brings the Tribulation. **But current signs, according to the Pattern Sequence, now signal**

loudly the Tribulation can come at any time now or in the next few to many years.●34

Satan is leading the churches to fall away now in the Pattern Sequence favored nation so that God will allow him to bring the calamity and endtimes Tribulation. He is transforming them from the mature orthodox church to become the immature church with a loss of biblical intellect and with a low plateau of Bible knowledge. See my reports that describe how this is happening.●35

Then in the Tribulation, Satan brings persecution and hard times so the Church will increasingly fall away. Then God, with this increasing falling away and disobedience, allows him the power to bring the final Great Tribulation, using the Mark of the Beast system. This situation is discussed later. (Church leaders and pastors take notice because you, by your lack of adequate training and using rock music, are helping this to happen. Is this what you want? It may be hard, but please make needed changes now.)

34. WARNING SIGNS THAT SIGNAL THE TRIBULATION CAN BE COMING VERY SOON (See *Watchman Warning* pages 31-34 for Scriptures and more details) - what is key is they are now all happening at the same time (Some have been happening for some time): Some of these warning signs and conditions are (but not limited to): (1) the acts of God in areas of severe weather, flooding rains, fire storms, mud slides, hurricanes, tornados, earthquakes, tidal waves, and *especially droughts that effect the food supply and amount of drinking water*, etc; (2) the coming of the endtimes International government (seventh head of Revelation's endtimes Beast); (3) the existence of the favored nation (the characteristics of the United States match those of Israel) and the action of Internationalists as Babylon the Great that rule over International government needed for the Pattern Sequence; (4) great increase in immorality, *particularly sodomy - same sex marriages like in the days of Sodom and Gomorrah*; (5) people calling evil good and cannot discern the difference between the holy from the profane (churches using false tongues and the world's loud rock-type repetitive beat music) and churches and people doing what is right according to their own eyes and teaching mostly pabulum to reach the youth, instead of teaching in breadth with depth to develop maturity in Christ; (6) the falling away of our churches from carrying out the scope and intent of the Great Commission and the increased sin of the people especially in the favored nation; (7) the famine of God's Word in our churches; churches are now teaching but little of God's Word; They no longer know sound doctrine; (8) limited numbers of foreign troops are now deployed throughout the United States, Mexico, and Canada, acting under the United Nations for training - watch for sudden larger build up of military forces (China has bases in southern Mexico and in Long Beach, CA), Russian submarines are often near the US coast line; (9) unholy reforms are being planned and implemented in our public schools transforming our children to be ready for world government. They are also teaching sodomy in the grammar schools; (10) the peace-peace policy without war in the Russian Glasnost, Pre-Tribulation Rapture Theory; and a general peace condition without war; (11) great debt in the favored nation and in the world; (12) many gods in the land of the favored nation; people hold the favored nation more important than God; (13) people are worshiping the work of their hands, such as products from the chip industry; (14) the many foreign military in the United States could bring the plague and incurable disease; and (15) people have forgotten the true God and no longer fear God, so they increase their disobedience. (The gods of America include the gods of freedom, prosperity, wealth, and free enterprise.)

What We Will Experience as the Endtimes Unfold

**HOW REVELATION'S ENDTIMES MOST LIKELY WILL UNFOLD;
AND WHAT WE VERY LIKELY WILL EXPERIENCE ●36**

INTRODUCTION: The Bible gives us the overview in the Pattern Sequence as to how Revelation's events unfold. Read in my book *Watchman Warning*, the detailed Scriptural development and details in the chapter: *The Pattern Sequence of Revelation* - pages 193-224, and read *Appendix A: Detailed Description of the Unfolding Endtimes* - pages 339-366 for how the events of Revelation unfold in the Pattern Sequence. Both of these documents (chapters) are on my we site. The endtimes happenings occur, as introduced, in the Pattern Sequence as stated in Leviticus 26, Deuteronomy 28, the Old Testament prophets, and Revelation. ***We are told in Revelation 6:8 that the calamity comes with the sword, famine, plague, and wild beasts. We know from our understanding of the Pattern Sequence that the military of the world government attacks and takes over the favored nation, such as Babylon taking over Israel. The favored nation (with the other nations) is placed under the rule of the world government.*** Thus, we can expect the current world government military to take over the United States in some manner as the calamity comes that will bring the endtimes Tribulation.

Babylon, for example, took many Jews into exile into the country of Babylon. The Bible does not give us the details for how these events happens in the endtimes. But we present what we are finding from the literature, tapes, what happened to Old Testament Israel, and what agrees with the Pattern Sequence concept. We are most likely correct in the concept, but we might not be totally correct in the details that we present as to how the endtimes unfold. One is now encouraged to read several chapters and appendix A in *Watchman Warning* (see above) about what Scripture presents for how the endtimes unfold in the calamity and in the Tribulation. They certainly come with persecution, drought, water and food shortages, and disease. There are also detailed documents, as well as chapters from *Watchman Warning*, under **PROPHECY** on our web site for information. These can be read. Much is presented in this newsletter report.

When we study the endtimes, we must remember that (1) Satan in precursor events and organizations has been planning the bringing of the endtimes for many years to be ready when God allows him, and (2) God gives Satan increasingly more power as the church continues to and increasingly falls away. Satan does not care anything about us. He does things to escape the Lake of Fire by doing things that he hopes will prevent the elect from believing and/or accomplishing God chosen work. Thus, when the endtimes come, there is no thought of what is best for us as people. He does not care about us. He will remove all our freedoms. We will be mainly under government control. THUS, HE WILL BRING THE VERY WORST OF TIMES WHERE HE WILL

36. THE JEWISH SITUATION: One must remember that the Jews are no longer God's chosen people as a covenant nation - but they are individually as believers in Christ and His Cross. Jerusalem is no longer a holy city. Satan, not God, brought current Israel back into the land as a nation to use for his endtimes purposes. God only brings Israel back into her land in repentance. Israel is now in the land since May 1948 in almost complete apostasy with no interest in Christ as her Messiah. Satan may want his man to rule the world from Jerusalem during the calamity and the endtimes Tribulation.

ATTEMPT TO CONTROL EVERYTHING AND CAUSE US TO FALL AWAY FROM THE FAITH SO HE WILL HAVE MORE POWER AND PREVENT THE CHURCH FROM ACCOMPLISHING MORE OF GOD'S CHOSEN WORK. He will martyr many Christians so they will not accomplish God's work, and he will encourage Christians to become involved in worldly things so they will not accomplish God's work.●37 Through the years, he has established false religions to keep people from finding and believing the Cross. There will be such an endtimes religion that all will be forced to accept. We will go under some form of socialism over which he and his man reigns. He will bring maximum persecution, incarceration, and martyrdom of Christians and Patriots. This increases as the Church falls away and the sins of the people increase in the Tribulation. He will take maximum steps to educate and control the children and youth so they grow up doing and believing what he wants. This immensely over time contributes to the falling away. We must remember in times of great sin, God brings drought, shortages of food, sickness, and world take over for discipline. We can expect these as God's people continue to fall away in the endtimes Tribulation under the persecution and hard times.

As you read the rest of our presentation of what happens in the endtimes, keep these understandings in mind. THE ENDTIMES WILL BE MUCH-MUCH-MUCH-MUCH WORSE THAN WE MIGHT POSSIBLY THINK. THEY RESULT AS SATAN GAINS MORE POWER FROM GOD AS THE CHURCH IS FALLING AWAY UNDER POOR LEADERSHIP. (IF YOU ARE A PASTOR AND/OR CHURCH LEADER URGENTLY TAKE NOTICE AND DO CRITICAL ANALYSIS AND MAKE NEEDED CHANGES. PUT SOME CHALLENGES BEFORE YOUR PEOPLE TO BECOME MORE IN CHRIST THAN THEY ARE AND TO BECOME INVOLVED IN GOD'S WORK. YOU CAN BE FACING SEVERE JUDGMENT.)

Without knowing the Pattern Sequence Concept, one might not accurately be able to determine the signs that signal that Revelation's events are impending. As being stated, these signs are now all around us (See the list previously presented). With the falling away of the Church, many signs, according to the Pattern Sequence, now signal the calamity can come at any time - again, only God knowing the timing. The problem is that

37. YOUNG PEOPLE: Many of our young people now as they leave home for college or graduate from college no longer attend church and are not involved in ministry. This is because they have been dumbed down in their churches and have had poor examples in their parents. The young people in high school have their time taken by sports, computer games, music IPOD's, and homework. They have little time for the Bible and God's work. They mainly only attend Church. Because they have had no Christian challenge before them as they are growing up and they have not been involved in ministry where they could see God using them, they see little importance or purpose of attending Church and Church young people's groups. **We are very thankful that there are exceptions.**

our churches do not know and are not recognizing the signs so they continue wrongly as if the present times will continue indefinitely. This is a most major mistake if they are not adequately maturing their people, which most or many churches do not appear to be. Their people most likely will be caught blind sided and unprepared (without adequate maturity, knowing how to walk by faith, and having preparations of food, water, gasoline, lighting, etc.) when the calamity that brings the Tribulation comes most suddenly in a whirlwind without warning. They are not being trained to stand strong when the Tribulation persecution comes.●38

We must now warn, prepare, and ready our people for the endtimes while we still can in freedom. If we are not already doing it, we should urgently train and mature our people, especially our children and youth, to reach a high skill level of maturity in Christ-likeness in relationship living as He walked with the Father. We need to have them put in some supplies for the infrastructure will break down when the calamity comes. Goods will not get to the market place. There will be major electric power blackouts.

The events in the calamity and under world government are now described by what we learn from the Bible and current events that concern the endtimes Pattern Sequence using information from the Old Testament Pattern Sequences.

REVELATION'S CALAMITY THAT BEGINS THE TRIBULATION:●39 Revelation 6, as stated, teaches (fourth seal) that calamity comes with the sword, famine, disease, and the attack of wild beasts. The calamity, when it comes, will place the favored nation (the United States) and other nations under world government. Many citizens may be taken into exile in many other nations. There will be war over one-fourth of the earth.

The following can (most likely will) happen as the sin of the Church and nation's people crosses God's allowable threshold for sin as the endtimes Pattern Sequence continues: (1) there will be major war in the Middle East with most likely the United States and Israel attacking Iran and other nations; (2) there may be an attack on North Korea; (3) a major war will erupt in the Middle East involving many nations; and (4) the foreign military (under the United Nations - World Government) consisting of Russians, Chinese, and Germans (perhaps others) that has been training in the

38. GOOD THINGS ARE HAPPENING: Even though there is a major falling away of our churches from God's required obedient faith, there are many very good things still happening. Luis Paulau is holding many crusades in various parts of the world with hundreds of thousands attending with thousands being saved. Child Evangelism Fellowship is leading hundreds of thousands of children to Christ world wide. The Awana program in many churches is helping children and youth to memorize Scripture. There are many Vacation Bible Schools (VBS) in many churches that are evangelizing and training children. There are many missionary programs that are evangelizing world wide. **There are indeed many good things happening.**

39. HAPPENINGS: We are not sure of the details, but they fit the concept of the Pattern Sequence and the events of the fourth seal. These activities will come even possibly though in a different way than we present.

WHEN DOES THE TRIBULATION BEGIN: Only God knows the timing when the Tribulation will begin. From the Jewish feast perspective, we believe that Christ will return in some October. If the endtimes Tribulation is a non-fractional number of years, it may also start in some October. **But again, only God knows the timing? But what if it happened this year 2008 or even 2009 to 2012?**

United States under the United Nations for many years●40 will very likely blow up several American cities with atomic weapons.●41 Some American and other cities and world countries will be plagued. Those areas and cities in the United States that develop key satellites and weapons most likely will be spared. There will be major earthquakes in many parts of the United States and world (e.g. California). Many nations that do not play a major part in the endtimes world government very likely will be plagued. Very likely the Russians and Chinese will attack in the Middle East to take out the Muslim power and their greater rule. Islam plays no role as a major power in the endtimes under Satan except to help set up the calamity war. Their power will be taken out under world government. Satan wants to rule the world (and especially the favored nation) in the Pattern Sequence by a world government (e.g. United Nations) consisting very likely of at least Russia, China, Germany, and selected other UN nations. When these things happen to America, we can know we are in the endtimes Tribulation (Pre-Tribulation Rapture and no Tribulation believers take notice.)

These events most likely **by design** will cause the stock markets to “severely” crash (go to zero?) and the infrastructure with communications (telephones, TV, and radio) to break down. As a result, food, goods, and gasoline may not adequately get to the market place. There will be many power black outs. People generally will not know what is happening and will not be able to communicate with loved ones. However, the rich and those in the planning, who know what can and will happen, will place their assets in safe places very likely known only to them. They in advance will put in needed supplies. This food not getting to the market place and lack of rain (drought) will cause famine in many parts of the world. The then president most likely will declare Marshall Law (implementing an existing executive order) and then, as dictator, he will place the United States under the authority of the United Nations. The US government and Constitution go away forever. Then world government comes world wide under Satan’s man very likely ruled from Jerusalem. At this time, the then president most likely will bring in more foreign military to restore order and to rule. The military in black helicopters, as the country has electric power black outs, will very likely arrest over three million Church and Patriot leaders and execute them. Then Churches and other conservative groups will be without leaders.

REVELATION’S TRIBULATION WITH WORLD GOVERNMENT: The new world government in time will install in the United States and world a new currency (or currencies) (electronic currency?)and a new religion (without Bibles - it will be against the law to teach the Bible). All property (including Churches) will be confiscated by the government and the government will satanically educate all children and youth. They will be prepared for world government and religion. Parents will not be able to do anything about it. Observe what happened in Israel’s Pattern Sequence. It will repeat in the endtimes:

Deuteronomy 28:32 - "Your sons and your daughters shall be given to another people, while your

40. FUTURE OF ISRAEL: There are many Old Testament promises to Israel that appear to teach that she will have a wonderful future. Many place this future in Revelation’s 1000 years. However, for this future to occur, Israel had to remain obedient. Her disobedience caused her to break the covenant of this future. This led to her divorce. We must observe the rules in Leviticus 26 and Deuteronomy 28 as discussed elsewhere.

41. ATTACKING AMERICAN CITIES: Russian and other submarines can send missiles to nuclear bomb some cities when the time comes. There are many ways **this can be done. We often have Russian submarines near our coast at different times.**

eyes shall look on and yearn for them continually; but there shall be nothing you can do.

Everyone will be forced to rent. There will be shortages of food and water and there will be much disease. There will be inflation, high taxes, and earthquakes. Many bridges may collapse, causing traffic tie ups. People may have money, but it will buy little. With the loss of stock and the confiscation of property, the middle class, with its wealth, will essentially disappear. **As planned, we will have the rulers under Satan who are the very rich and all the rest being the very poor, who are the ruled.** This gives Satan more power to rule. One will have to work to maintain life and a living. All, who do not work, such as retirees and disabled in general, most likely will be eliminated. All nations that do not come under the plans will not be supported and most likely will be plagued. They will combine groups of nations under one government such as combining the United States, Mexico, and Canada; Europe and Africa; and the far eastern nations. We will have to wait and see for this.●42

The world government will make major war with the Church and non participating religious groups. Many Christians will be persecuted, incarcerated, and martyred. The government will come after Christians and Patriots. As stated, many will be taken into exile and away from loved ones. Many Christians will stand strong and will not deny Christ. Revelation teaches (chapter 7) that a very large number of believers from all nations die in the Tribulation. However, even so, there also will be a **massive falling away** from the obedient faith.●43 This will allow Satan the additional power to bring a most devastating (second) calamity with most likely over 90 percent of the earth's population killed. There can be nuclear war. This calamity is allowed by God because of the massive falling away. This action brings in the final part of the Tribulation with the Mark-of-the-Beast system. Satan and his man will rule over all surviving nations. Then people will have to take the mark to stay alive. But doing do, they can no longer be saved because, at the same time, they formally deny the Gospel.

Then Christ comes and raptures the Church and brings the judgments, resurrections, and final states. When He comes, there will be very few Christians alive. This happens after the heavenly court determines He has won the spiritual warfare over Satan and awards Him the legal authority. There is no 1000 year Jewish kingdom coming.

FINDING YOURSELF IN THE TRIBULATION

* Know that most Christians will die (be martyred) before Christ's Second Coming with the Rapture.

42. PRECURSOR EVENTS: Public schools are now dumbing down and teaching same sex marriages. Governments are attempting to shut down home schooling and allowing same sex marriages. With the high rise in oil prices etc, people are losing their homes, are traveling less, and are no longer being able to pay their mortgages. Air travel is being reduced with the higher prices of oil- the cost to fly is getting very high and increasing. The world's finances are hanging on threads. Young people are involved in pre-marital sex.

43. MASSIVE FALLING AWAY: *This falling away has been caused by church leaders who for many years before the Tribulation have only taught pablum and have desensitized their people, especially their youth, to God's Word by using the world's and devil's rock loud beat music. They can be severely judged.*

- * Get Christians together in small groups for mutual support and to share supplies.
- * Brief your families what likely has happened and what likely will happen. Let people know what to expect.
- * Train your family how to walk by strong faith even under persecution and to trust God for things as the future comes.
- * Immediately purchase supplies and water that you can as soon as you can. (They may not be available.)
- * One can fast on water for many days as needed.
- * Memorize God's promises and other key Scriptures and selected hymns.
- * Stand strong under the coming persecution to gain more maturity in Christ for use in eternity.
- * Do not attempt to hang on to earthly possessions but gain maturity for eternity.
- * Evangelize as led and build up treasures in heaven. Have tracts for this.
- * Church leaders go into hiding as the black out comes or your ministry will be over. Train leaders to lead all the small groups with urgency.
- * **Check my web site for training materials as long as it remains.**

WHAT WE SHOULD URGENTLY DO NOW AND WHY "BEFORE" THE CALAMITY COMES

We should immediately train our people, including our children and youth, with urgency with some in depth-breadth with each of the following: (1) Christian-Faith Doctrines including God's Greatness; (2) Christian-Life Relationship Principles (See curriculum presented earlier) with much application (the how to's with many examples); (3) God's Plan for History including the spiritual warfare and the details for how the endtimes unfold; and (4) ***Emphasized training for how one walks by faith and stands strong under persecution, trusting God using the promises.*** We should have like a Discipleship Training Center. Use the documents and charts on my web site. I can help by giving seminars.●44

We should work now ardently and pray for revival that can delay the Tribulation and give us more time to train and prepare. Everyone should have a job. The following should be accomplished ***URGENTLY*** now by Church and family leaders and heads before the calamity and Tribulation come: (1) ***mature their people in Christ, especially including the children and youth, at the highest skill levels they understand - pray for more understanding;*** (2) brief their people about

44. TIMING: The calamity and Tribulation will come some time and that time could most likely be now or very soon. Train your children and youth with urgency - now! When the Tribulation comes, they do not stand a chance.

Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold

what is happening and how the endtimes will unfold and what they will experience; (3) put in supplies for food, water, supplements, gasoline, lighting methods, supplements to defeat the plagues (e.g. colloidal silver), heating support, teaching literature, Bibles and books, and personal items to last about 2-3 months or longer as one can without needing to go the stores; (4) place all Church people in home mutual support groups (people should live nearby) for mutual support and prayer, and train leaders to lead these groups and train the people - they can share supplies etc; (5) Church and patriots leaders should find places of refuge (hiding) to escape arrest and execution and be able to continue their ministries; (6) get out of debt; (7) avoid immorality of all types; (8) everyone should have a job; and (9) ***stop using and avoid using the devil's rock music and speaking in false tongues. One should re-evaluate their investments.●45 One should train how to stay in good health with limited supplies. (I can help here). One should memorize Scripture (including God's promises) and hymns for one will be without Bibles when the endtimes come while in incarceration. Then we can trust God better and sing unto Him in great praise. See our publication: Living by God's Righteousness for helps.***

Those not doing the above, most likely will be caught blind sided and unprepared when the calamity comes. People will be caught not knowing how to walk by faith and to stand strong under the coming persecution. The children and youth will suffer the most. How will your Church be caught? How will mine?

We all must have great prayer now for what God now wants us to do and how to prepare. What ministries would be best for now. Do this with urgency regardless of your prophetic views. We must at least train our children and youth.

APPENDIX WRONGLY ASSUMED TEACHINGS THAT DO NOT TEACH A PRE-TRIBULATION RAPTURE

In order to have a Pre-Tribulation Rapture **all** of the following must be true (The Bible does not teach any of them):

- The Rapture can be imminent at any time and will occur just before the Tribulation begins.
- Daniel's seventieth is equal to the endtimes Tribulation, making the Tribulation last seven years (the Tribulation will last more than 20 years.).
- God will return physical temples and animal sacrifices in His Plan after the Cross.

45. INVESTMENTS: I am not an expert on investments, particularly, in light of what is coming. We could use your inputs. But it appears to me that the following makes some sense: (1) Investments in Switzerland in Swiss francs; (2) purchasing of silver coins (gold will most likely be confiscated); (3) purchase food, supplements, and clothing (to reduce expenses in the Tribulation); and (3) materials and Bible to keep a ministry going as long as possible. One most likely will have to work and rent.

Summary Critical Analysis of the Endtimes Prophecy Doctrines and What We Will Experience as the Endtimes Unfold

- The Church is composed of only those believers in the Church Period assuming the Church is not in the Tribulation.
- The Church, composed of only believers, goes to heaven, and Israel, composed of both believers and unbelievers, goes into the Land - for a 1000 years kingdom.
- God shows partiality allowing some believers to be raptured before the Tribulation and having other believers (of a very large number) to be in the Tribulation.
- The wrath of God (assumed wrongly to be in the Tribulation with the bowls, and not considering the bowls occur after the Tribulation) the Church is to miss, is in the Tribulation.
- Christ does not come for and with His saints at the same time. He comes for His saints before the Tribulation and with His saints after the Tribulation.
- At the Rapture, the Church is not resurrected because there is only one resurrection of the Just, or there are multiple resurrections of the Just.
- The last Great Day of the Lord the Church is to miss is equal to the endtimes Tribulation instead during the time of the bowls after the Tribulation and Rapture.
- Jewish and Gentiles believers are not now one new man in Christ without distinction. There are two groups of the elect - Israel and the Church.
- Maturity in Christ is not essential to be pursued.
- God is married to both Israel and to the Church at the same time in the Church Period.
- The tares are bundled for the fire before the Tribulation begins so the wheat can be separated from the tares in Rapture before the Tribulation.
- The enemies of Christ become His footstool before the Tribulation begins.
- The Bible does not use the oriental marriage concept so the Church can be raptured before Christ's Second Coming (not recognizing the marriage of the Lamb occurs after the Tribulation).
- The three Greek words with the article for "the" coming, "the" appearance, and "the" revelation of Christ can refer to more than one event such as one before the Tribulation and one after the Tribulation.
- The Kingdom of God is ruled from the earth (not only from heaven) and is equal to a future Kingdom of Israel on earth after Christ's Second Coming.
- One has to return to worship God in physical temples in Jerusalem instead of in spirit and in truth everywhere. (For people from world wide to worship God in a Jerusalem temple is not even practical. The Bible teaches worship will be world wide.)
- God is a God of partiality. He will have some believers go through the Tribulation and have others
