NEWSLETTER REPORT OVERVIEW (SUMMARY):

ORIENTATION TO OUR ENDTIMES SITUATION●2

**(FOUR PAGES; CONTENTS: Bottom Line Summary, Why This Newsletter Report, The
Issues, Results of Our Churches Falling Away, Understanding of Our Overall Situation,
Summary: The Situation Now In Our Churches)**

THE BOTTOM LINE SUMMARY

We are here to first become a Christian and, most importantly afterward, to become mature in Christ-likeness, living as He lives. This is so we can know and relate to our most perfect God, living amongst His Greatness, holy and righteous lives, in close fellowship with Him and each other, amidst His perfect Glory, However now, as often been the past, many, even most of our churches, particularly in the United States, are now falling away from God's best requirements by using worldly methods. In this falling away, our churches are being transformed without their realization or desire to become an immature church with a loss of biblical intellect and with a low plateau of biblical knowledge. We are now teaching mainly first-level, if that, and using the world's music to attract the youth. There is much immorality. This brings both sins of omission and of commission. Based on many doctrines, Scripture, in our view, teaches clearly that the Church will go through the endtimes Tribulation. Being immature, our church people will fall away as the endtimes persecution comes.

Thus, going this route, our churches are implementing key satanic strategy without their realization or desire. Signs now signal the Tribulation can come at any time with only God knowing the timing.

1. **PART TWO:** The main and detailed newsletter report comes afterward. **TWENTY-THREE PAGES.**

2. **DISCLAIMER:** This report presents **our** view of the Bible and what God intends for us. You are invited to study on your own to reach your own conclusions and pray for what God would have you do. We cannot be responsible for what you do or do not do. We have attempted to point the pathway to have God's intended best and, **in our view**, share how the endtimes will unfold. This report is meant to come along side, bring added value, and encourage you to seek God's best, train, and prepare. None of us have complete information. But do not maintain status quo for the sake of your children and youth.

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

Thus, the main messages are to obey God's command, with a sense of urgency in response to His leading, to mature our family and church people, particularly the children and the youth, for now and particularly for the sake of eternity. There is reason to believe that the maturity we have at death we may have forever. So we must pay attention and obey God's command to pursue maturity. **APART FROM THIS RELATIONSHIP WITH GOD IN HIS GREATNESS, THERE IS NOTHING. We will never get precise time as to when the Tribulation will come. Thus, we should act now or we can grieve later.**

**WHY THIS NEWSLETTER REPORT
(Key Messages)**

FROM OUR LOVE: This newsletter report is a love message to our churches that we love and serve under our Lord. Its purposes are to: (1) present a summary of today's major issues with reference to documents that contain the details and Scriptural development; (2) alert churches the endtimes Tribulation can come soon at any time; and (3) encourage churches and families, if not already doing so, to mature their people in Christ-likeness, especially their children and youth, with a sense of urgency.

We are to be alerted that we are to be outcome, and not procedurally, oriented. Thus, we should work to mature our people for the sake of eternity, not just work for spiritual growth for this lifetime. We should work to evangelize our entire local areas, not just do some evangelism. In this evangelism, we should emphasize the children and the youth because about 85% of all who come to Christ do so before they leave the eighth grade and 99% before they leave college.

Thus, we are to be alerted that large numbers of churches are now falling away from God's best (not becoming adequately mature) by going mainly or only to first-level teaching, doing but little true local area-wide evangelism, not teaching adequate endtimes prophecy, and using the world's loud rock and other contemporary music●3 to attract the youth. We should instead bring the youth to God's standards by teaching in depth using the Scriptures, doing much local evangelism emphasizing the children and youth, and using the great hymns and other good music of the faith. It is God working in people from the Scriptures that builds their faith.

We realize fully that others may not agree with our view of the endtimes, how we become mature in Christ, and what music we should use. But we are presenting what, in our view, is what the Bible clearly teaches: (1) as to how the endtimes will unfold; and (2) that we are to pursue maturity as commanded to have God's best. In pursuing maturity, we must learn to walk as Christ walks with everything coming from God the Father as a source. Then when people see us, they will see God the Father, because from ourselves as a source, we will be doing nothing. We present our view of the minimum training topics and curriculum later. And we encourage all believers to pursue God's best for the sake of eternity. Becoming mature in Christ to know and relate to God to His fullest in eternity, and being prepared for the potential soon-coming endtimes are repeating themes throughout this newsletter report.

We should particularly know and be alerted that signs now signal the endtimes are unfolding. We can soon lose our training time. Only God knows the timing, but it appears strongly that the endtimes Tribulation can come at any time now or in the next few to many years. THEY WILL

3. ROCK MUSIC: Music discussion is presented later. Music is not neutral or amoral. It greatly affects people. Reports show that loud dominate syncopated rock type beat music is the Devil's.

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

COME SUDDENLY IN A WHIRLWIND WITH SUDDEN DESTRUCTION WITHOUT WARNING EXCEPT FROM THE MANY SIGNS. FOR MOST, THEY WILL COME UNEXPECTEDLY. IF they come six months or ten years from now, we should be prepared and ready. If we wait for specific information as to when the Tribulation comes, that we will never get, before we train, our people will be caught unprepared, untrained, and blind sided. And a careful study shows that the Church (we) will go through the endtimes Tribulation to be raptured at its end at Christ's Second Coming. There definitely is an endtimes Tribulation. Based on what happened to Old Testament Israel in similar situations, few churches are expected to change what they are doing. They can be caught blind sided. But your church can change.

We need to clearly understand that the falling away of large numbers of our churches, particularly in America and of her leadership, is largely responsible for the endtimes Tribulation coming. Thus, being responsible, they (we) will go through it. We need to be trained to stand strong in Christ before the endtimes persecution comes. If we stand strong, we can gain more maturity in Christ by which to learn and live by more of God's Greatness. If we get the whole world to be part of the Church by working mostly for numbers, may be good, but if we are not adequately maturing them, we are no doubt doing them eternal harm because they, even going to heaven, will know less of God.

We are to gain this maturity in training by (all four main topics are needed): (1) *worshiping, glorifying, pleasing, honoring, and obeying God etc;* (2) *living godly lives in relationship living by faith and sacrificial love patterned after our Lord's walk with the Father;* (3) *helping to accomplish God's work of area-wide evangelism, discipleship to maturity, planting new churches, building godly families, and helping the needy;* and (4) *learning and standing strong on the Christian-Faith Doctrines for which we believe and are willing to die. There is much breadth-width and detail in each one of these.*

THE ISSUES

THIS NEWSLETTER REPORT: *This newsletter then is an overview of our current and soon coming endtimes situation taken from with the many listed references (that provide the details and Scriptural development) that should be read to understand the issues of the day and where we are going and why. THE ONE KEY AND MAJOR ISSUE IS THAT MANY, EVEN MOST, OF OUR CHURCHES, PARTICULARLY IN AMERICA, ARE UNKNOWINGLY BEING TRANSFORMED BY SATAN TO FALL AWAY. THEY: (1) ARE NOT GAINING MATURITY, (2) ARE LOSING THEIR BIBLICAL INTELLECT, AND (3) ARE HAVING, BUT A LOW PLATEAU OF BIBLICAL KNOWLEDGE. HAVING THESE RESULTS (SIN), GOD ALLOWS SATAN TO BRING THE ENDTIMES AND HAVE FALLING AWAY CHURCHES ACCEPT HIS (SATAN'S) WAYS. OF COURSE THERE CAN BE EXCEPTIONS.*

The issue is that, while there are exceptions, our churches are no longer seeking God's best to have the best we can have both now and in eternity. They are going much of their own chosen way instead of acting with excellence under the Lordship of Christ and searching the Bible for all that God alone wants done and then do them with excellence. Our churches, although still teaching good things, are teaching less and less of God's Word especially that allows our people to walk as Christ walked and to become mature in Him. They often teach mainly Bible content and some what to's without also teaching the how to's and giving testimony for how principles were or are to be actually lived out. The result is that our churches are attempting to work all things together for good themselves instead of trusting only God to do so. They are becoming or are

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

immature when considering God's best. ***The problem is that many or most churches may not or do not realize their becoming or are immature. In their hearts, they want to obey God and be mature. We all want this. They must now do critical analysis to determine how well they are actually doing?*** The Main Newsletter (Part Two) presents and fills in the details that every Christian should know.

RESULTS OF OUR CHURCHES FALLING AWAY

The churches in their falling away have sins of especially of omission - what our churches are not adequately doing. They are emphasizing human more than adequate Godly relationships. As time continues and the older people die who know the Bible, fewer people will know and can teach the Bible. Our churches will be immature. Of course there will be exceptions. But will your young people be part of them? They may know Bible content and facts, but do they know how to live the Christian life, living as Christ lives becoming mature, and are they involved in ministry? Or are they just attending church and having good social times?

I ask many questions of our high school young people today from many churches, and they do not or seem not to adequately answer any of them.●4 ***Many or most of our people, including our children and youth, not being adequately trained and informed about the endtimes, will not know what is happening when they come? They are not being taught much prophecy below the surface level. Our churches (by their actions) are living wrongly as if the current times will continue long term so they act as having no need to be concerned now about the endtimes coming in the near term. Many wrongly believe they will miss the endtimes Tribulation by the Rapture or that there is no endtimes Tribulation.***

UNDERSTANDING OUR OVERALL SITUATION

The endtimes with their understanding of why they will come and what will happen when they do come is multifaceted and most serious. It takes time to see all these facets. You are referenced in this newsletter to detailed documents on our web site and by others that develop the teachings from the Bible. **These should be read after reading this newsletter report.** You will be blessed and very

4. QUESTIONS ASKED OF MANY YOUTH THAT THEY DO NOT ADEQUATELY ANSWER (If they were being adequately trained, our young people could answer all of these questions. I have taught all of these in my classes - but today?):

1. How do we walk as Christ walked?
2. How do we walk by faith?
3. How do we become mature in Christ?
4. Explain what is meant by the baptism and the filling of the Holy Spirit (nothing to do with tongues)
5. Explain the meaning of redemption.
6. Why and how do we have eternal security in Christ as Christians?
7. Explain the meaning of atonement for iniquity.
8. Explain something about Daniel's seventy weeks and how the endtimes unfold.

You can ask these questions of your own youth and see what answers you obtain. Do our adults know the answers to these questions? Do you?

likely make needed changes. I am making some of my own. Refer to the reports in footnote●5 for good overview and big picture background. ***Every Christian should know the information in these reports, particularly the one on God's Plan for History. It presents a wake-up call.***

Please take the time to learn and understand the big picture for your sake, the sake of your Church, and the sake of your family and loved ones. ***There is, in our view, no shortcut such as reading a single paragraph to understand our current times and how the endtimes will unfold.*** Thus, please read this newsletter report and then the referenced documents (many on my web site). They provide the understanding, the Scriptural development, and piece things together.●6 ***Share this understanding with others. Send us your comments.***

**PART TWO:
DETAILED OVERVIEW OF TODAY'S
NEED-TO-KNOW KEY ISSUES
(The Main Newsletter Report)**

CONTENTS: Requirement and Benefits, The Problems, The Solution, The Consequences of Failure in Our Churches (How the Endtimes Will Come), What We Now Must Do, Finale

REQUIREMENT AND BENEFITS

OUR GOAL AND MARCHING ORDERS

WE ARE TO WALK IN GOD'S GREATNESS: *We must appreciate God's infinite Greatness.*●7 *This should be demonstrated by our searching the Scriptures for everything He wants done and to the degree to which He wants things done. We should teach and live*

5. KEY REPORTS TO READ ON WEB SITE: (1) *God's Plan Over History for Man to Become Mature in Christ Needed to Eternally Know and Relate to Our Perfect God in His Greatness;* and (2) *The Pattern View of Prophecy - The Many Doctrines of Prophecy Show Clearly the Rapture Will Come Post-Tribulational and the 1000 Years During Christ's Second Coming.*

6. BACKGROUND: God has allowed me to see the big picture for He has trained me as a satellite systems engineer. We design systems where everything must be there and everything must work. From this background, I discovered that all of biblical history is planned for and fulfills God's purpose for us to become mature in Christ so that we can know and relate to our perfect God in His Greatness throughout eternity. There is nothing else. We are to be outcome, thus, eternally oriented, not just this life oriented.

7. ATTRIBUTES OF GOD: Read the Attributes of God on my web site that show the Greatness of God.

(For example, God works with billions of people all at the same time. He has created a universe so big we do not know how big it is. He has always known everything that can be known. He has perfect character and the truth for how one lives holy and righteously. He is inherently most holy and righteous - no sin or darkness of any kind. There is much-much more.)

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

them out in our churches and do so with excellence.●8 We should ask others for what we may have missed. (This is what I am doing. I can use your inputs.)

For this to happen, we must in priority learn and train to walk as our Lord walks doing only what comes from the Father as a source. When people saw Him, they saw the Father because He, from Himself as a source, was doing nothing. The Christian life now and especially in eternity is to be lived with every thought and action coming from God (today instructions throughout the Bible). He will lead us based on our mature ability. This is the only way we can live holy and without sin and accomplish the life and work He has planned for us. We have no inherent ability to do these.

Key elements needed to live the Christian life include:

1. Live in head subordinate relationships as the Father had with the Son in order to live with purpose.
2. Walk by faith trusting God to fulfill His promises and obeying the instructions with the promises to activate our faith. Then with everything coming from God as a source, and not from us as a source, we live without sin.
3. Love God with our total beings such that we keep and obey His commandments. When we do we live holy and righteous lives. We are to serve others sacrificially from love.

Thus, we are to do nothing for direction that comes from ourselves as a source. Then when others see us, they will see only the Father, because we, from ourselves, will be doing nothing. And all means must be in or based on the Bible. We must obey the Bible's instructions - all that we know and can discover. ***We must not use the world's methods and music. We must not use our own ideas for direction.*** We are to take faith action steps for how He wants to lead us in the carrying out of His instructions and trust Him to bring the results. Thus, in this life method, It is God, not us, that works all things together for good. In summary, God works all things together for good as we from our love of Him, obey His commandments (instructions), and at the same time, from His purpose for us, we help accomplish His work.

See these Scriptures:

1 John 2:6 - the one who says he abides in Him ought himself to walk in the same manner as He walked.

John 5:19 - Jesus therefore answered and was saying to them, "Truly, truly, I say to you, the Son can do nothing of Himself, unless it is something He sees the Father doing; for whatever the Father does,

8. ALL OF WHAT GOD WANTS DONE: A method that can be used, such as I used as a satellite systems engineer, is to place on a 11 by 17 sheet of paper everything we can find that God wants done and how He wants it done. We can ask others what they would add. We can pray for more understanding. Then we can decide how we will carry out these in sermons, special training, seminars, the Sunday School, on-the-job training etc. We can add schedules and workers who will do the training. In this training, as presented elsewhere in this newsletter, should include Christian-Faith Doctrines, the Plan of God over History to Bring Us to Maturity in Christ (with the spiritual warfare and endtimes prophecy), and Christian-Life Relationship Principles to live as Christ Lives. There must be training for how to live out the principles and some on-the-job training. We need to be carefully briefed on how the endtimes will unfold and what will happen to us when they come.

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

these things the Son also does in like manner.

John 14:7-11 - "If you had known Me, you would have known My Father also; from now on you know Him, and have seen Him." Philip said to Him, "Lord, show us the Father, and it is enough for us." Jesus said to him, "Have I been so long with you, and yet you have not come to know Me, Philip? He who has seen Me has seen the Father; how do you say, 'Show us the Father'? "Do you not believe that I am in the Father, and the Father is in Me? The words that I say to you I do not speak on My own initiative, but the Father abiding in Me does His works. "Believe Me that I am in the Father, and the Father in Me; otherwise believe on account of the works themselves.

Romans 8:28 - And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose.

John 17:4 - "I glorified Thee on the earth, having accomplished the work which Thou hast given Me to do.

John 5:41 - "I do not receive glory from men;

APART FROM RELATING TO GOD IN HIS PERFECTION, LIVING ACCORDING TO HIS PERFECTION AS CHRIST LIVES HIS LIFE IN US, NOW AND ESPECIALLY IN ETERNITY, THERE IS NOTHING. Pursuing maturity in Christ as God commands is most essential to prepare us for the best we can have in eternity. We must by necessity be on this course. See these references:●9 **What course are you actually on? What course am I on?**

Galatians 2:20 - "I have been crucified with Christ; and it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith in the Son of God, who loved me, and delivered Himself up for me.

Discussion Summary: (1) God's purpose and plan for history (why we are on the earth) is that we become mature in Christ-likeness so that we can know and to relate to Him in His depth-breadth in eternity (Hebrews 6:1; Ephesians 4:11-13; Colossians 1:28).●10 (2) Our churches should do **entire** local area-wide evangelism so that many will become Christians. (3) Our churches should mature their people in Christ as their first priority to the highest skill levels they understand and pray for more understanding. Evangelism and reaching the youth are most important, but at a lower priority than maturing their own people, especially the gung ho and the most faithful. We must do both. (Not doing these is like a father evangelizing in the community without first and foremost maturing his own family. This is sin. But this is what thousands of churches are doing.●11) If we do not mature and

9. **BECOME MATURE IN CHRIST:** Read these references on web site: (1) *Keys to Becoming Mature in Christ-likeness in Relationship Living*; and (2) *Seek God's Best and Greatness: Pursue Spiritual Maturity in Christ-Likeness as God Commands With Excellence and Great Commitment.*

10. **GOD'S PLAN FOR HISTORY:** See our web site report: *God's Plan Over History for Man to Become Mature in Christ Needed to Eternally Know and Relate to Our Perfect God in His Greatness.*

11. **PRIORITY:** Our church people consist of the gung ho, the very faithful, the watchers, and new people. We must train and mature the gung ho and the very faithful with most of our time and with priority. We are to encourage the watchers to become part of them. We should provide boot camp or elementary training (continued...)

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

train our people as we should, we build the immature church that will not understand what is happening when the endtimes come and thus, there will be a major falling away. This is happening now to a very large extent in our seeker friendly and emerging churches such as those following the Purpose Driven Life and Church Concepts - the seeker friendly and emerging churches.●12

One must clearly understand that working mainly to bring in numbers by teaching mainly first-level training, building people instead of mature godly relationships, and using loud rock music is not getting the job done that God has put before us. But this is what many-many of our churches appear to be doing. Such action results in a major falling away and is sin (my view).

**OUR MATURITY IN CHRIST MAY BE FIXED FOREVER AT DEATH
(We are here purposefully to gain this maturity for the sake of eternity.)**

There are many indicators (even though there is no direct teaching in Scriptural as proofs) that signal that the maturity we have at death, we may have forever without further opportunity for future maturity growth, even though we will gain much more knowledge and wisdom.●13

11(...continued)

for the new people to bring them up to speed. We should know that if we do not take care of our own people (such as the gung ho and faithful) such that we dumb down to mainly reach new people, we can be worse than infidels, having denied the faith. In time no one gains in the Christian life.

12. **GREEK CLASS:** I took a Greek course many years ago where the teacher worked mostly at the lowest common denominator of the class. As a result, about half way through, half of the class left, because they were learning but little. There was little or no reason to remain. This same type situation is now happening in our churches.

13. **INDICATORS, NOT PROOFS, OUR MATURITY CAN BE FIXED FOREVER A DEATH:** Some indicators that signal our spiritual maturity can be fixed forever at death include: (1) all of biblical history is designed to mature us in Christ; (2) the sinful environment of the world, the flesh, and the devil used to develop and test our maturity (spiritual ability) is not allowed in heaven; (3) we make mistakes which are sins as we develop maturity, and there is no sin in heaven (Our sin natures are removed from us as we enter heaven. We will be unable to sin with our divine natures - they can only respond to God - not able to take independent thought or action); (4) God commands us now to become mature and live as Christ lives; (5) we were created immature beginning with Adam and Eve; (6) there are many stations in heaven - for example, some will reign over 10 cities and some over 5; (7) we are given rewards in heaven based on our works in this life; and (8) there are Scriptures that this current life has benefit for both now and for the life to come - we can have a better resurrection. (We wonder whether if our maturity could increase in heaven by some manner, then why this earth period. If it could, God could have just created us with a minimum maturity and not send anyone to the Lake of Fire. He has given us a choice of the degree by which we will follow Him. And of course, God may mature us in different ways than we can know now. But we should pursue maturity as God commands to have the best of God we can have. There is nothing else.) Without this lifetime and only living in some perfect environment, we might not be able to know and greatly appreciate of God's great love, mercy, grace, and longsuffering. We might not know how to live by faith and sacrificial love.

(continued...)

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

God has left the situation as a matter of faith. We are to trust Him and obey Him as He directs. Out our spiritual ability to receive and utilize much new knowledge and wisdom from God can be based on our mature spiritual ability to receive and obey (handle) that knowledge from our perfect God and live by it. God may use our spiritual ability and build upon it in ways we cannot know now. He uses it so we can do His work now on the earth. **THUS, we must by necessity pay attention to God and obey Him in these important matters. We must not teach mostly or only the fundamentals without working also to teach and train with more of God's Whole Counsel to mature our people, including our children and youth, in Christ. ●14**

*Hebrews 6:1 - Therefore leaving the elementary teaching about the Christ, **let us press on to maturity**, not laying again a foundation of repentance from dead works and of faith toward God,*

However, **the trends** today are that our churches are moving away (even without realization or desire) from these commandments to mainly and only to a first level training with rock music in an attempt to reach the youth and to gain numbers. Our youth are growing up in a new and different environment. As a result of the only first-level training, after a year or so goes by, few learn anything new. ***There is no longer a challenge and incentive before them to gain a closer and more mature walk with God. When we are challenged with provided training, we work to become greater than we are. We need now to present such challenges to our youth. I generally always responded when I was challenged to become more than I am.***

We must provide the needed training and incentive that places a challenge before the people, including our children and youth. With a challenge, as stated, people will work to become and do much more than they are. We have good sermons, but they often do not take the people much of anywhere. (They take us on a scale of 0-10 about 1-4, where God wants us trained about 8-10).●15●16 Fewer are becoming involved in real ministry. The people are not adequately challenged to grow greatly in Christ and be in ministry. (Of course good, but inadequate, things are being taught and done.) We have few exceptions who study and train on their own. This is what I did. They, with only limited training, have but little to look forward and to work for spiritual growth.

13(...continued)

Of course being more mature in Christ allows more opportunity for the elect to believe and accomplish God's work now under the current spiritual warfare.

14. THOSE WANTING TO LEARN; There may be now only a minority of our youth who will want to go all the way with Christ and God. We should provide that training for them, even if we train to a lessor extent to the majority of our youth group. Otherwise no one gains much in the greater Christian life.

15. LEARNING: This happened to me when I first became a Christian. I studied very much and wrote many papers. But after about the first year, I learned but little from the pulpit.

16. TALKING WITH ELDERS: When talking with Church elders, I said that we should work with other churches to evangelize our complete local areas and, with a complete, curriculum, bring our people to the maximum maturity in Christ that we understand. The response that I got was they were working to do some evangelism and were working for spiritual growth. I was being outcome oriented and they were procedurally oriented. On a scale of 0-10, they were working from 1-4 and I was working from 8-10. There was little communication.

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

This action results in sins of omission and is a major falling away that is helping to bring the endtimes Tribulation for divine discipline (not God's wrath). Our churches are doing some good things. We all see this. But this is not the issue. The main problem is in what they are not doing. They are no longer working for God's best and living more under His Greatness. They are not adequately maturing their people or doing sufficient local area-wide evangelism, particularly of the children.●17 Thus, as being stated, it leads to the immature Church. People are not being matured so they can relate to God in a great way in eternity. ***Thus, it brings great eternal harm to their people.*** As being stated many times, apart from knowing and relating to God in His depth-breadth, there is nothing. Beaconing a Christian is most important so we can go to heaven, but this is not the major goal, even those most vital. Becoming mature so we can know and relate to God in His Greatness is the major goal.

Of course, many of our youth are involved in immorality. With being involved in sports, playing computer games, doing homework, and playing Ipod music, fewer have the time or the will to attend Sunday School, be involved in God's work, and/or take advanced Bible courses.

THE MAIN AND VERY IMPORTANT JOB OF THE CHURCH

The main and very important job of the Church, then, is to bring her people, including her children and youth, to the maximum mature high-skill spiritual ability, living as Christ lives in relationship to God the Father as she understands and pray for more understanding. She should train her people as to how the endtimes will unfold and what they will experience as they do. They should ready her people to stand strong and not fall away under the coming most terrible persecution in the endtimes Tribulation.

The minimum curriculum for this, in our view, is to train with: (1) The Christian-Faith Doctrines (such as in a good doctrinal statement); (2) God's Plan for History to Bring Us to Maturity in Christ for Purposes in Eternity (including the spiritual warfare with its strategies and goals and how the endtimes unfold (so we will know what is happening and how we should respond); and (3) Christian-Life Relationship Principles learning to live as Christ lives using faith, love, and hope. (As taught by me many times, in my view, the ***minimum*** and ***necessary*** topics are in footnote.●18)

17. EVANGELISM: Where I live in Silicon Valley (northern California), God uses me to witness to several people each week with the Gospel. But more than half of the people to whom I share, do not know there even is a Gospel. Of all who come to Christ for salvation, as stated earlier, about 85% do so before they leave junior high school and about 99% do so before they leave college. Only about 1% come to Christ after college.

18. NEEDED MINIMUM AND ESSENTIAL CURRICULUM: The curriculum in Christian-Life Relationship Principles for living as Christ lives should include at least the following topics and be taught by those who have raised families and have lived out many of them (I have taught and can teach all of these) (See also our February 2008 Newsletter for more details):

- * The Attributes and Character Qualities of God in His Greatness
- * God's Goal: Mature High-Skill Spiritual Ability in Christ-Likeness
- * Learning to Live Patterned After the Father and Son Relationship
- * Head-Subordinate Relationships; Building Strong Families; Patterned After Christ's Walk With the Father
- * Living by Faith; Claiming and Using the Promises

CURRENT AND ENDTIMES' WORLD CONDITIONS:

HOW THE ENDTIMES WILL UNFOLD:

OUR CHURCHES ARE FALLING AWAY FROM THE FAITH AND GOD'S BEST

We need to realize and understand that Revelation's endtimes sequence has begun particularly in its precursor form. The falling away of our churches is ever greatly increasing. We should realize that signs and conditions (presented later in a footnote) now signal loudly that the endtimes calamity, bringing the endtimes Tribulation with world government, can soon come in a whirlwind without warning when our churches and country have sufficiently fallen away.●19 Our churches, nation, and world nations are being transformed to do Satan's will so he can bring Revelation's endtimes with world government over which his man will rule. ***Nations will lose their sovereignty and the most terrible times will come - "much, much worse" than most understand or realize.***

The coming government will make war with the Church (especially including with our children and youth), bringing incarceration, persecution, and martyrdom, especially for Church leaders and teachers. ***As will be stated, God will use this Tribulation period to bring the termination of history with the Second Coming of our Lord and the Rapture of the Church.*** As the Tribulation ends, terminating the Mark-of-the-Beast Period, all people who are to live will have lived and will have made formal and binding decisions in life or by death to accept or deny the Gospel. The tares will have been bundled for the fire and all of Christ's enemies will have become His footstool. All of the elect will have believed. At this time, after the Tribulation, brings Christ's Second Coming and the Church's Rapture.

The endtimes Tribulation is imminent that which our churches (you and I) will experience. Our churches do not realize they are being transformed to be less than what God wants them to be by becoming greatly immature and to be what Satan wants so God will allow Him to bring

19. **WORLD GOVERNMENT:** There are many-many periodicals, books, and web site reports on organizations and people that have been working for world government for many years. Many things are happening today as precursors and needed things to bring world government. This is satanic strategy and is allowed by God commensurate with the Church falling away. See the internet and these books: (1)*Our Global Neighborhood* by the: Report of the Commission on Global Governance; and (2) *One World* by Tal Brooke.

the endtimes. The symptoms or signs signal that our churches are going along, not realizing what is happening to them. They are doing only or mostly first level teaching if that, are using the Devil's and the world's contemporary music, having great immorality, and doing inadequate especially local area evangelism. When one brings the world into the Church, one makes one an enemy of God.

But this world wide falling away is helping to bring the endtimes which God uses to terminate history. Our churches are not observing the signs and conditions that signal their falling away is happening and that the endtimes Tribulation is imminent. (Our churches, as described later, do not realize that their falling away from adequate obedient faith is a primary cause of the Tribulation coming.)

QUOTE: "An example of contemporary anti-intellectualism is that ministers are often encouraged to dumb down their sermons, rather than present more intellectual challenging material. Such sermons often aim at everyone in general and hence speak to no one in particular. For the most part, religious intellectual rigor has declined to the point that much of contemporary Christianity can even be categorized as anti-intellectual."●20 (My comment: As a result, as time passes, few will know Bible content and experience the God Planned mature Christian life.)

If we do what is right under God by at least maturing our people and doing adequate evangelism, we can be ready for the endtimes regardless of what we may believe about how the endtimes will come. But if we are wrong about not going through the Tribulation and do not train and prepare our people, we can be doing them eternal harm. Do you want this to happen to your people? If we are wrong about timing and we get more years, even 10 more years, what does it hurt to mature our people and ready them now for the endtimes? But if we do not do so and the time remaining is short?

SUMMARY: WHY THE FALLING AWAY ●21: The main causes of our church situation include they, ***particularly church leaders:*** (1) do not appreciate God's absolute Greatness such that such that they seek out ALL of what God wants done and to the degree He wants them done and then do it with excellence - they do not obey and do only what is the Bible for direction;●22 (2) do not understand we are to mature our people, not just work for spiritual growth, and we are to do total area-wide local evangelism, not just do some evangelism - thus, we are to be outcome oriented, not mainly procedurally oriented; (3) do not understand that the main reason we are here is to become mature, living as Christ lives, so we can know and relate to our most perfect God in His depth-breadth, not just become Christians - they are not adequately eternally oriented; (4) are not observing the trends and recognizing the endtimes signs that signal the Tribulation is soon coming that can truncate their ministry in freedom such that they increase their training with a sense of urgency; (5) are believing (by their actions or lack of them) that the current times will continue indefinitely and thus as a result, if not adequately training, will be caught blind sided; and (6) are not doing critical analysis to determine the actual world situation and how well in reality they are actually maturing their people

22. **A FRIEND:** I have a friend who does not go to church because he believes the churches are not doing what they believe. So why join something that is failing or that refuses to become successful with God.

and are actually evangelizing complete local areas, particularly of the children. **They must by necessity train, brief, and mature their children and youth. Do the churches any longer know how to train and teach to mature their people?**

(Otherwise, as being presented, we have the immature church and one that is not being readied for the endtimes. We may not have a direct Bible command to ready people for the endtimes, but we are told to teach God's Whole Counsel and this would cover this aspect indirectly even though not directly commanded. And it is most wise to do so.)

Our churches are becoming more concerned about gaining members and having great success in numbers than they are obeying the Bible, adorning God in real worship, maturing their people, and doing area-wide evangelism, especially of our children and youth. In order to accomplish this as they see it, they are using world methods and are becoming somewhat worldly.

Thus, our churches are attempting to work all things together for good as to how they see things, instead of trusting God to work all things together for good as He sees and knows things.

Quote: *Where Christian faith is offered as a means of finding personal wholeness rather than holiness, the Church has become worldly. When it substitutes intuition and feelings for biblical truth, it is being worldly. When it cares more about success than about faithfulness, more about size than spiritual health, it is being worldly.●23*

Quote: *For the modern evangelical, worship is defined exclusively in terms of the worshiper's experience. Worship then is not about adorning God, but about being nourished with religious feelings, so much so, that the worshiper has become the object of worship.●24*

THUS, OUR CHURCHES ARE BEING TRANSFORMED BY MEANS OF THEIR FALLING AWAY●25 ●26 : Our churches are now being transformed by Satan, using the dialectic method (diaprax), from the orthodox and more mature church to one that is immature, has lost its biblical intellect, and now has a low plateau of biblical knowledge. They are being transformed by going to mainly pablum first level only teaching and using the Devil's rock music to help draw the youth. Loud

rock beat music (see later quotes and references) has strong bad effects on our church people. It came from voodooism and paganism. It was used to call up demons and evil spirits. It, in our view, should never be used. The churches are often going to facilitated small community groups using discussion without adequate didactic direct teaching. It sometimes can be a pooling of ignorance resulting from discussion without proper study beforehand.

Fewer and fewer now know God's Word in any depth and how the endtimes will unfold. Fewer understand what is the true Christian life and are becoming truly mature in Christ, living as He lives. As the endtimes come suddenly with calamity bringing in world government, few will know what is happening and will go with the flow with a major falling away from walking with God. *We are leaving or have left the last generation of the mature Christian Church.*●27

The problem is that churches are going the route of the Purpose Driven Church and Life concepts without researching their impact, both short and long term. They use these concepts for they draws numbers, particularly of the youth, when their current congregations are fewer in number - losing attendance. But what they do not realize is that the reduction in attendance is very likely from inadequately teaching the Word, especially for how we walk as Christ walked and training (with on the job) their people to do evangelism and other ministries. Many churches do not use these driven church and life methods (they realize it is wrong) and have good attendance. They use good Bible teaching and good music.

TRANSFORMATION, DRUMS, AND ROCK MUSIC:●28 *I greatly realize that churches now have different views on what music to use in our churches. If you will read and understand the books and reports listed in the footnote below entitled: EFFECTS OF ROCK MUSIC, you very likely will never use rock music, or its like, in the church ever again.*

Many church leaders believe wrongly that music is neutral or amoral. But it is not. It has great effects on our life, our worship, and our response to the Holy Spirit.

God's people fall away as Satan brings wrong ways to live (sin) that transform God's people from orthodox obedience to become a disobedient immature Church with a loss of Biblical intellect and with a low plateau of Biblical knowledge. This transformation is causing a falling away from the great truths of the Bible and the destruction of strong faith.●29 This situation will result in our Church

If you will do this, in our view, you will never use rock music again. The problem in our churches that her leadership goes with the crowd working for numbers without realizing the consequences of their actions. They work for numerical instead of spiritual growth success. How many leaders and teachers, if any, in your church have researched the situation?

people not knowing what will be happening when the Tribulation comes and thus, will result in a massive falling away under the coming most terrible persecution and false religious teachings.

(If one does not know and understand the importance of gaining maturity in Christ and that it can be fixed forever at death, then why not fall away and avoid much persecution in the endtimes Tribulation? Of course one should stand strong and not fall away anyway to give honor to Christ.) Churches today have essentially no impact on where the United States is going today. The country acts as if the Christian Church does not exist. (However, we can work to place strong Christians into public office.)

Our churches are unknowingly going along in this falling away for reasons that seem correct or right, but that which violates God's Word. This falling away, as stated, is going world wide in thousands of churches by training with mostly first level if that and by using the Devil's rock music (loud dominate repetitive syncopated beat). Using rock music, in our understanding from research, brings more worship of Satan, than of God, causes young people to rebel and be involved in immorality, and brings an attenuated, desensitized, response to the leading of the Holy Spirit.●30 (One comment listed in: *How to Conquer the Addition of Rock Music* is that quote: "The Rock Beat Is a Greater Addiction than Crack or Cocain.")●31 (Are we going to church for the rock music body motion experience or for a true heart worship of God using the best hymns?)

QUOTE: "Most cults that use repetitive music reinforces and intensifies the experiences with accompanying drum patterns. Whether these can be conga drums of Cuba, the tabla drums of India, or the drums of the rock drummer, all syncopated, repetitious rhythms in Church music are suspect, particularly when accompanied by drums. No one knows exactly why demons can be summoned by certain rhythmic patterns, but there is a mountain of field research, including film and video that proves that this is the case. Once again, that is why we in Christ's Church must be alert to the types of rhythms used in worship services."●32

When we see the Greatness of Christ and the Glory that surrounds Him when we are in heaven, in my view, we will fall on our faces before Him. **We must not ever use rock music.**

influences? Satan was in charge of music and worship (Isaiah 14 and Ezekiel 28). Is he up to his old tricks to pervert, distort, and confuse worshipers and lead them away from the one true Christ of the Bible to a more modern Christ, one more suitable for today's emotionally - driven relativistic "dumbed-down" society?"●33

QUOTE: *"Could it be that the powerful spiritual message of the great hymns and choruses bring the non-believer under conviction? That's the purpose of the Gospel and Gospel music, not to entertain, but to uplift the believer and to bring the non-believer under the conviction. Pleasing God, being obedient to His will, and worshipping Him in appropriate manner is our job,"●34*

We should not use rock music and over simplistic pastoral messages (my comment). We should use the music **that brings great worship to God** and in-depth-breadth message that allows us to walk closer to God in great maturity. The current church movements are going in an opposite direction. At least it is not God's best.●35 So why use it?

We should choose the better hymns that have good biblical lyric content and use only contemporary music that has the melody dominate and is without rock-type beat music.●36 We should not use much repetition in the lyrics. We want good Bible content, not repetition. **The professional musicians state that the best music has the melody dominate, the harmony next, and the rhythm under control. One can have trumpet toots, cymbal crashes, drum roles, and drum beats, but not ever loud dominate rock beat. The rhythm brings fun and life to the music. It is great to have a full orchestra. This issue about percussion instruments is not that we have them, but how they are played. There are many percussion type instruments in the Bible. We must play them with music that brings great honor to God.**

There are ten Scriptural reasons why rock music should not be used in any form.●37

33. **QUOTE:** Page 43 of *Crisis in Christian Music* by Dr. Jack Wheaton.

34. **QUOTE:** Page 162 of *Crisis in Christian Music* by Dr. Jack Wheaton.

35. **HYMN SINGS:** I often attend hymn sings at our local Christian Conference Center (Mount Hermon) and at yearly Child Evangelism Fellowship conferences in North Carolina. When one listens to the singing, one can hear the people's hearts singing unto the Lord from their great love for Him. It is awesome. This is particularly true in North Carolina because all the people attending have a great commitment to Christ and are in a most serious ministry.

36. **MUSIC COMPOSITION.** Melody reaches the spirit, harmony the mind, and rhythm the body. (Page 57 of *Music in the Balance* by Frank Garlock and Kurt Woetzel.) Thus if you want your spirit and soul to worship God, you must not use (never use) dominate loud rock-beat music.

37. **TEN REASONS TO NEVER USE ROCK MUSIC:** (1) The rock music deceives youth into violating the fifth commandment; (2) The "rock beat" violates God's command to "give no place to the Devil;" (3) The "rock beat" mocks God's command to Love Not the World;" (4) The "rock beat" disregards God's command not to offend other Christians (and to be in unity in all areas (my comment)); (5) The "rock beat" defies God's

THE CONSEQUENCES OF FAILURE IN OUR CHURCHES AND HOW THE ENDTIMES WILL UNFOLD (All must have understanding here.)

THE ENDTIMES PATTERN SEQUENCE:●38

We are now in a special endtimes sequence with its precursor events. Cyclic history that has similar things and events is over. We are to know that the endtimes unfold in a similar manner, pattern, and sequence (not the same in details) as to what happened to the Old Testament Jews.●39 There is

command to judge all things as good or evil; (6)The “rock beat” disobeys God’s command to avoid all appearance of evil; (7) The “rock beat” contradicts God’s command not to be brought under its power; (8) The “rock beat” opposes God’s command not to mix light with darkness; (9) The “rock beat” violates God’s command for all ministers to be qualified; and (10) The “rock beat” violates God’s command to protect our bodies as God’s temple. Please read the details in the source document: *Ten Scriptural Reasons Why the “Rock Beat” is Evil in any Form.*”

38. **ENDTIMES SEQUENCE:** Read *The Pattern Sequence of Revelation* as a chapter on the web site under **PROPHECY** or in my book: *Watchman Warning*. Read also *The Pattern View of Prophecy* under **PROPHECY**.

39. **ENDTIMES SEQUENCE DISCUSSION:** We realize that Christians have several different views for how the endtimes unfold. But beginning with God’s Plan for history and placing the endtimes as the end phase of His plan, and considering over 40 doctrines simultaneously (and after having read over 50 books on prophecy), we believe the Bible **clearly** teaches there will be an endtimes Tribulation and that the Church will be raptured after the Tribulation at Christ’s Second Coming. As is being discussed, the Tribulation is a period of discipline, not a period of God’s wrath. God’s wrath comes after the Tribulation and after the Rapture during the time of Revelation’s bowls that occur during the time of Christ’s Second Coming. The time of the bowls is when all unbelievers are killed and readied for eternal judgment.

One can best understand what is happening in these endtimes after one sees that the endtimes unfold in a sequence similarly as to what happened to the Old Testament Jews. This was discovered by comparing the sequences, the entities, the vocabularies, the wording, the general happenings, etc. in Revelation with those of Old Testament Israel in her sequences. There is a match. The general overview characteristics of the United States match those of Israel. **The details of this match developed from Scripture are in my book: *Watchman Warning* with it chapters on my website such as *The Pattern Sequence of Revelation*.**

In each time period there was a favored nation; was Israel and now is the United States. The rules of engagement are when the favored nation people have general obedience to God, especially His Church, God brings great blessing and prosperity. But when Church leadership falls away, the Church people fall away, then the country’s people fall away and then bad conditions come. This sequence is a continual growth process. When the condition worsens to cross God’s allowable threshold for sin, then God allows Satan to bring a world government military against the favored nation in calamity and to take her under divine discipline under the authority of the world government for a period of time. After the discipline period is over, He brings His people to Himself and destroys the world government. In these endtimes, the
(continued...)

a favored nation (was Israel, now the United States). When the favored nation obeys God, she has great blessing. When she disobeys God, He brings warning and then divine discipline by placing her under the rule of world government. After the discipline period is over (such as over 70 years for Israel's southern kingdom under the rule of Babylon), God brings His people to Himself (now to Christ via the Rapture and then the destruction of all unbelievers) and destroys the world government. In Israel, it was a return to the land and the destruction of the world government. Today, the United States as a favored nation is falling away from God. (The United States in her previous general obedience to Him, God has blessed the United States much-much greater than any other nation in history including Israel by orders and orders of magnitude. She is without question a special favored nation.)

Thus in summary, the Rules of Engagement (when in the pattern sequence) in the favored nation are: when God's people (today the Church) obey God, she and the country get great blessing. When the church disobeys beginning with her leadership, the rest of the people disobey, and then things throughout the nation go bad. The latter is happening now. The nation is going bad. This is a growth process, and thus, the trend is not always observed. Churches today are not looking at the big picture and what is happening around them. They wrongly see cyclic history continuing. When the disobedience magnitude crosses God's allowable threshold, He allows Satan to bring calamity that brings the endtimes Tribulation. Then, Satan will place the United States and the world's nations under world government. As stated, the signs and conditions now signal that the endtimes Tribulation and world government can come any time with only God knowing the timing. But we should become mature and be ready for whenever they come. But observe that the signs bring warning and an alert for us to ensure we are doing these. We should do in-depth training, use the great hymns, and avoid using loud rock beat music. (There may be some good contemporary music with the melody dominate.)

Signs Now Signal the Endtimes Are Impending: There are many signs today that signal the endtimes are or can be coming very soon. Signs now signal loudly that the divine discipline of the Tribulation bringing calamity and world government can come in the very near term. Many have been with us for some time as precursors. Now most are happening at the same time and are increasing in intensity.●40

39(...continued)

deliverance is the Rapture of the Church to Christ as He comes in the clouds at His Second Coming after the end of the disciplinary endtimes Tribulation. He then destroys all the remaining people - they are unbelievers having make formal decisions in life or by death to deny the Gospel.

40. SIGNS SIGNAL THE ENDTIMES TRIBULATION IS COMING: Many signs have been with us for some time. But now they are occurring at the same time and with more intensity. They signal the endtimes can begin very soon. Some of these warning signs and conditions (from our report: *The Pattern View of Prophecy*), especially in the favored nation of the United States, are (but not limited to): (1) the acts of God in areas of severe weather, flooding rains, fire storms, mud slides, hurricanes, tornados, earthquakes, tidal waves, *especially droughts that effect the food supply and amount of drinking water*, etc; (2) the coming of the endtimes International government (seventh head of Revelation's endtimes Beast); (3) the existence of the favored nation (the characteristics of the United States match those of Israel) and the action of Internationalists as Babylon the Great that rule over International government needed for the Pattern Sequence; (4) great increase in immorality, *particularly sodomy - same sex marriages like in the days of Sodom and Gomorrah*; (5) people calling evil good and cannot discern the

**BACKGROUND INFORMATION FOR HISTORY
AND THE SPIRITUAL WARFARE**

Adam and Eve were created perfect, but without spiritual maturity. They were in the Kingdom of God and under Christ's eternal control. Satan was allowed to deceive Adam and Eve to sin. When they did, they were transferred into the Dominion of Satan and under Satan's eternal control. They received depraved natures that cannot seek after God and cannot become mature in Christ. They will now die. Satan usurped the Earth's Title Deed from Christ. Adam and Eve became under the condemnation of God requiring eternal punishment for sin. Now all people are born in the Dominion of Satan and under God's condemnation. They have no ability to seek after God and become mature in Christ. When one believes in Christ's Cross and the Gospel **as God works in them and draws them to Himself**, one becomes a Christian. When this happens, one is translated into the Kingdom

difference between the holy from the profane (churches using false tongues such as ecstatic utterances - Biblical tongues were always foreign languages that someone understood (some believe there are biblical tongues - foreign languages today) and the world's loud rock-type repetitive beat music?) and churches and people are doing what is right according to their own eyes and teaching mostly pabulum to reach the youth, instead of teaching in breadth with depth; (6) the falling away of our churches from carrying out the scope and intent of the Great Commission and the increased sin of the people especially in the favored nation; (7) the famine of God's Word in our churches; churches are now teaching but little of God's Word; They no longer know sound doctrine; (8) the build up of "the northern army" for the invasion of the favored nation (limited numbers of foreign troops are now deployed throughout the United States, Mexico, and Canada, acting under the United Nations for training - watch for sudden larger build up of military forces; (9) unholy reforms are being planned and implemented in our public schools transforming our children to be ready for world government. They are also teaching sodomy in the grammar schools; (10) the peace-peace policy without war in the Russian Glasnost, Pre-Tribulation Rapture Theory; and a general peace condition without war; (11) great debt in the favored nation and in the world; (12) many gods in the land of the favored nation; people hold the favored nation more important than God; (13) people are worshiping the work of their hands, such as products from the chip industry; (14) there are many terrorists groups now (the foreign military that have been here for over 20 years) in the United States that could bring the plague and incurable disease; and (15) people have forgotten the true God and no longer fear God, so they increase their disobedience. (The gods of America include the gods of freedom, prosperity, wealth, and free enterprise.) (See *Watchman Warning*, pages 30-34, for more details and the many Scripture references.)

(There are now reports of secular activity to combine the United States, Canada, and Mexico into one nation.)

41. WHEN CAN THE TRIBULATION COME?: The number of man is 6 or multiples of 6 such as 6000 years. Dr. Martin Anstey in his most scholarly book: *The Chronology of the Old Testament* shows from the Bible there were 2000 years from Adam to Abraham and 2000 years from Abraham to Christ. This leaves 2000 years for the Church Period and to Christ's Second Coming. Our Lord was crucified in AD 30. Adding 2000 years, He could come in 2030 at His Second Coming. The first part of the Tribulation for the Jews for both the northern and southern kingdoms was 20 years. Adding 3 ½ years for the Mark-of-the-Beast period and leaving room for error in our chronologies, this means the endtimes Tribulation can begin about 2010 plus or minus a few years. It appears that it could come in the near term. We should plan accordingly.

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

of God under Christ's eternal control and becomes the Church and Body of Christ. God's condemnation is removed.

With the rent of the temple's veil from top to bottom by God at Christ's Crucifixion, the Jewish worship system and the Jewish covenant nation were put aside forever. All believers, both Jews and Gentiles, are now one in Christ without division and are the Church.●42 There is no such thing as Christ having two bodies after the Cross such as Israel and the Church. All believers, both Jews and Gentiles, are now in and are the Church and Christ alone can have preeminence.

Satan and Christ are in spiritual warfare. Christ is to bring the elect to believe and accomplish God's chosen work. Satan attempts to prevent these. If all the elect believe and accomplish all of God's work, Christ wins the warfare (and He will) and after the Tribulation, He legally can bring the eternal times, according to the rules of the warfare. If Satan should win the warfare (he cannot and will not), then he would be exonerated from going to the Lake of Fire and would be allowed to rule over all angels and humans forever. But since he loses the warfare, he and his angels will be cast into the Lake of Fire at the time of Christ's Second Coming after Christ, after the Tribulation, has been declared by the heavenly court to be the winner of the spiritual warfare.

The Kingdom of God has existed before the Garden of Eden (has existed forever) and continues throughout human history.●43 It is God's rule from heaven over people in relationships to Him. The Kingdom of God is taught throughout the New Testament as being here now. It is God's and Christ's rule from heaven over believers throughout all the world. Christ stated that His Kingdom was not of this world to Pilate. There is no Kingdom of God that will be ruled from the earth. The Bible does not teach this. It hints that Christians will rule with Christ over (which also can mean on) the earth. Thus, a Jewish Millennial Kingdom is not coming and cannot come.

This is verified by the teachings in Hebrews 5-6 where Jews that tasted of the Cross and then returned to Judaism, were no longer allowed repentance to believe the Cross. ***Anyone who wants to bring back any form of the Jewish worship system (such as physical temples and/or animal sacrifices) with the believing Jews not part of the Church have denied the efficaciousness of the Cross. This is sin. There are no future Jewish periods coming. There cannot be.***

Thus, there are no and there cannot be any future Jewish periods coming that are of God (they can be of Satan). ***Thus, there is no and cannot be a pre-tribulation Rapture or a Jewish Golden Age***

42. **PROBATION:** After the Cross, the Jews were given 40 years probation to believe the Gospel to become saved and part of the Church before Jerusalem was destroyed by the Romans in AD 70. The speaking in foreign languages on the Day of Pentecost signaled the Jews that the Jewish period was now over. God and Christ were now going to all nations and all believers are one in Christ - the Church, having been translated from the Dominion of Satan into the Kingdom of God..

43. **KINGDOM OF GOD.** The Kingdom of God rules over all things and all persons. Satan was given rule over the earth after the fall, and he is god over all unbelievers, over this present world. But this rule is under the greater rule of the Kingdom of God ruled by God the Father. Satan's rule had specific restrictions. As part of the spiritual warfare, after the Cross, Christ was granted specific rule over the Kingdom of God. He could now transfer all believers into the Kingdom of God. At the seventh trumpet, after Christ is declared the winner of the spiritual warfare. He is granted Kingdom authority to bring the resurrections and final judgments.

Millennium coming. They are not possible. Dispensational or similar Theologies are not taught in the Bible. Other prophetic views may not be exactly correct, but they have all believers in the Cross and in Christ as the Church and single body of Christ (containing all believers, both Jews and Gentiles, from all of history). They are now in the Kingdom of God. (One must thoroughly understand that the Kingdom of Israel and the Kingdom of God are not equate able. One is physical kingdom ruled from the earth, and the other is a relationship kingdom ruled from heaven.●44

DISCUSSION OF OTHER VIEWPOINTS

There are some who believe that the world will be Christianized before Christ comes. This will not happen, and there is no Scripture that teaches it. We of course should work for this and place key strong Christians in places of government and other key leadership positions. Even though there can be revival in pockets in the United States, the overall condition is a major falling away. We can all work for reform as we work for revival. But reform by itself will not change things. God only changes things in the favored nation when His people have revival (2 Chronicles 7:14). Thus, when working for reform, we must also work for revival, beginning with ourselves.

2 Chronicles 7:14 - and My people who are called by My name humble themselves and pray, and seek My face and turn from their wicked ways, then I will hear from heaven, will forgive their sin, and will heal their land.

People who believe wrongly that the world will become Christianized often also wrongly believe that there is no endtimes Tribulation. They believe all Revelation's events that occur before Christ comes, occurred in history or are occurring in history. But Revelation 19 teaches that when Christ comes, He casts **the persons** of the Beast and False Prophet into the Lake of Fire. Thus, there is a beast period just before our Lord comes. When one understands Revelation's pattern sequence, this gives proof there is an endtimes Tribulation.

There cannot be a Rapture before the Tribulation because many believers from all nations including from Israel of such a large number that no one can count them die in the Tribulation, the great one. And Christ sits at the right hand of God until all His enemies become His footstool or under His authority. This happens as unbelievers take the Mark of the Beast in the Tribulation. And Christians go to be with Christ at the marriage of the Lamb (time of the Rapture) which occurs at our Lord's

44. THE ISRAEL SITUATION: God indeed gave Israel an everlasting covenant to the land of Israel. But Israel has to obey God to maintain the covenant effective. According to the Pattern Sequence, Israel could break the covenant in her disobedience and thus, make it non effective. God placed the Israelites under divine discipline for a period of time such as 70 years. But then in repentance after the discipline period, God would restore the covenant to Israel. The northern kingdom of Israel would not repent, and God gave her a writ of divorce as a direct teaching. At the Cross, the Jews would not repent and stated let His (Christ's) blood be on us and on our children. They as a covenant nation (not as individuals) broke the covenant without any future potential repentance. Then God divorced the southern kingdom of Judah at the Cross. Christ is now marrying the Church and by His own laws, He cannot have two wives at the same time. Thus, Israel as a covenant nation under God is gone forever.

Israel came back into the land of Israel as a nation in May 1948. God only brings Israel into the land after repentance. Israel is now in the land with almost complete apostasy when referring to her Messiah. Thus, it is Satan, not God, who brought Israel back for the sake of establishing the endtimes calamity and world government. It is for his purposes.

Second Coming. See the many documents on my web site that give detail doctrines from the Scriptures.

People ask questions what about the Christians in the other nations that are standing strong, being persecuted. and growing in Christ? Why would they be placed under world government? We must realize that God is using world government in the endtimes Tribulation to bring the termination of history. Those Christians who are in the other nations (other than the United States) can undergo great persecution under world government. When we realize that we are here to gain maturity so we can know God in His depth-breadth in eternity, and persecution brings more maturity when we stand strong, we can realize that this is great benefit, even though we do not like or want the conditions we are under. I know that I would not like them. In such conditions, these Christians in other nations who know less of God's Word than we do in America, but who obey God greater under persecution, can have more maturity than Americans who do less with what they know and thus, will know more of God in His Greatness in eternity. This brings great eternal blessing.●45 (And of course there be other aspects that we do not know. Of course such understanding we may not appreciate or should want to happen.)

WE MUST CLEARLY UNDERSTAND, KEY RESPONSIBILITY FOR THE ENDTIMES COMING LIES WITH THE CHURCH

The falling away of the Church in the favored nation is the primary responsibility for the endtimes coming. We should now work for revival personally, in our churches, in our families, and in our nations. We should work to mature our people in Christ-likeness, especially our children and youth, with a sense of urgency. ***But few are expected to do this.*** Church leaders are no longer enduring sound doctrine. Few are watching the trends and observing the signs that signal the endtimes Tribulation can come at any time. We must not set dates (only God knows the timing), but we can observe candidate times.●46 Most in the United States believe wrongly that the current times will continue indefinitely (as demonstrated by their actions) and thus, will be caught blind sided when the endtimes come, beginning with a most serious and devastating calamity. They are not doing critical analysis to see how well they are in reality doing and obeying God. ***They may not know how to mature their people or that they should. They may not know what constitutes maturity. So they do not teach it.***

PEOPLE HAVE BEEN WORKING FOR SOME TIME TO BRING THE ENDTIMES WITH WORLD GOVERNMENT

The United States and many organizations influencing the United States have been and are working to have world government - global government for a long time in precursor

45. **BE CAREFUL:** If we are criticizing others in America for doing wrong and falling away, and we are not as obedient as we should be, they can say to us that they like better what they are doing wrong better than what we are not doing at all. This makes us more guilty than they because we are not being obedient to what we know is right under God.

46. **TIMES:** We believe that Christ will come in some October at the Feast of Booths. This being correct, and if the endtimes Tribulation is a non-fractional number of years, it could come in some October, even this year or in the next few to many years. We should be ready whenever it comes. Even 10 years from now. As being stated, only God knows the time.

actions.●47 Satan is attempting to bring world government over which his man will reign. We gain Biblical understanding by understanding the trends (with signs and conditions) that occur according to the endtimes pattern sequence of Revelation.

OUR WEB SITE REPORTS

Our web site reports present, from considering over 40 doctrines, that the Bible teaches **CLEARLY** the Church will go through the Tribulation.●48 Although great persecution will come, those, as previously stated, who stand strong from their maturity, will gain more maturity that is essential for eternity. Those who do not believe there is an endtimes Tribulation and/or that the Church will not go through it, must do some very serious praying and study. They must hedge about being wrong and brief and train their people. What if you are wrong, and we go through the Tribulation, and you have not adequately trained and briefed your people? What about your children and youth? ***This is great irresponsibility and most likely can bring eternal harm to your people, especially to your children and youth. Leadership can be judged.***

WHAT WE MUST NOW DO

WE MUST DO CRITICAL ANALYSIS OF OUR ACTUAL CHURCH CONDITION

We are to be alerted and understand clearly that current signs and conditions now signal loudly that the endtimes Tribulation can come at any time. We must do critical analysis (discussed later) for how well we are actually maturing our people and are actually doing area-wide local evangelism and make needed changes.

What is the criteria that would make us think that we are adequately and actually doing area-wide local evangelism and maturing our people to the higher skill levels? How many water baptisms have we had from new converts from the community in the past few years? How many are walking as Christ walked and are in some ministry? How many are singing the hymns and not using loud rock beat music?●49

49. WORSHIP SERVICES: Churches that refuse to abandon the Devil's rock music should have also separate traditional church services with the hymns for those who truly want to properly worship God. We should have separate Sunday School classes for the youth without drums and guitars. We should give proper opportunity for those who want to give proper honor to God.

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

As being stated, we must train with urgency to mature our people and ready them for the endtimes. Those churches that do not adequately train and/or wait to gain accurate information for when the endtimes will begin before they train, which they will never receive, leave their people to be caught blind sided and unprepared when the calamity that brings the Tribulation comes suddenly in a whirlwind without warning.

Our churches now have different views for how the endtimes unfold. Many have wrong views that will bring disaster on their people because they are not being adequately trained and briefed.●50

As this falling away increases and crosses God's allowable threshold, God brings through Satan a most terrible calamity with the sword, famine, and pestilence (plague) that brings in world government over which He (Satan) will rule. This is for divine discipline for sin, including for the Church as she falls away. The Church will go through the endtimes Tribulation.

Thousands of churches are being transformed, beginning with the children and the youth, so that Satan, allowed by God, can bring world government in the endtimes Tribulation that can come any time. Being transformed, our people will fall away from the faith under the coming Tribulation's persecution. We must have revival in our churches now in order for God to change our churches and country and be prepared for the Tribulation and eternity.

CAN OUR CHURCHES NOW UNDERSTAND THEIR ENDTIMES SITUATION ?

THE FALLING AWAY FROM SOUND DOCTRINE: However, the condition now in many or most of our churches at this time is that they no longer endure sound doctrine (2 Timothy 4:3) and have eyes that cannot see and ears that cannot hear. So even if they hear the truth, few are expected to change their course. ***To these and all churches, we bring A WATCHMAN WARNING that the endtimes Tribulation is coming soon to bring divine discipline. So please take this newsletter report as a WATCHMAN WARNING that God's discipline for sin is coming soon (only God knowing the timing) to be implemented by calamity and the endtimes Tribulation with world government.*** Only after the completion of this disciplinary period will the Rapture come at our Lord's

49(...continued)

ADDITIONAL TRAINING: We should have additional training apart from the first-level training in our worship services such as in the evening where the Bible is taught in depth. The training should at least include the training topics recommended in this report. The problem we have is that many who sit under rock music, being less sensitive to the Holy Spirit's leading may not attend. I have observed this. But we need to offer the training even if few come for their benefit.

50. PROBLEMS: We have problems for our churches have different views of Bible prophecy. Many believe (wrongly in our view) there is no endtimes Tribulation or that the Rapture comes before the Tribulation. Reading our web site report: *The Pattern Sequence of Revelation* will convince you the Rapture can only come after the Tribulation. If we were in **reality** maturing our people and preparing them for whatever comes, it might not matter as much what we believed about endtimes prophecy. But this is general is not happening. Most churches are not being taught prophecy in any detail and are not maturing their people. They are leaving their people without adequate maturity and adequate background for what they will experience and what will happen when the endtimes Tribulation comes. **This is a most terrible mistake.**

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

Second Coming.

God used watchmen in Old Testament Israel in their disobedience to warn of coming invasion of a world government to take them under world government. But Israel generally did not heed the warning and continued in their disobedience. They were caught blind sided and unprepared when the world government came against them. They had eyes that could not see and ears that could not hear. They were not enduring sound doctrine so as to obey God as He required. ***This condition can be in most of our American churches today.***

ENCOURAGEMENT TO OUR CHURCHES●51

We encourage the churches, who are truly doing (or want to do) God's will, to continue and greatly mature their people. We encourage those who are falling away that will listen to bring their ship about and obey God in a much greater way so they will stand strong in the Tribulation under great persecution and have a greater maturity when they enter heaven. Thus, we should now work for revival placing a challenge with training before our people to become mature in Christ for now and especially for eternity. (We should come out of the seeker friendly and emerging type churches that are dumbing down.)

We encourage all churches to place ALL their people into small home groups for part of the training and to be in place when the calamity, Tribulation, and world government come. They can still worship when the government closes the church doors, still be under good church leadership, and can support each other with supplies and prayer. They can share in placing in the supplies that will be needed.

The problems come when many believe they are maturing their people when in reality, they are not. It takes a mature comprehensive curriculum taught with application and on-the-job training for this to happen. They are instead using mainly or only first level training with rock beat music to reach the youth. They emphasize human relationships and meeting felt needs, instead of training to walk as our Lord walks with the Father. (This is our observation from what we see happening and from the many reports and books read.) This is a major falling away in thousands of our churches. What about your church? What about mine?

The problem is also that our churches, by their actions, believe wrongly that the present times will continue indefinitely. They do not know and/or recognize the signs of the impending endtimes. Not preparing, our churches will be caught blind sided when the calamity comes. **They will be caught without food, water, lighting, gasoline, and supplies.** This can happen to the majority of our churches unless revival and more complete training comes. **But because the endtimes are prophesied, wide-scale revival is most unlikely. But your church and family can have revival. Will you work for this now while you can?**

51. PROVISIONS: We should now put in some provisions (food, water, supplements, clothing, gasoline, personal items, lighting, etc.) to get through the first few months of the endtimes calamity and world government when there most likely will be a breakdown of the infrastructure and many power blackouts. We should put in a supply of Bibles, Christian books, and teaching materials because these will no longer be available in the stores. The government will shut them down. We should begin to memorize promises and major Scriptures that we love and will need. When in prison, we will be without Bibles.

Know the Big Picture and Make Needed Changes, Our Churches Are Unknowingly Being Transformed By Satan So He Can Bring and Rule Over The Endtimes World Government.

CRITICAL ANALYSIS: Because our churches now are going mostly to first level training and are no longer adequately maturing their people, churches must realize this with critical analysis and immediately turn around. If churches do not train and mature their children and youth now while they can, parents will grieve later when their children and youth are satanically deceived and trained under world government when, at that time, they as parents will not be able to do anything about it. Our youth may be encouraged to pursue immorality. This would please Satan. Christians will not be able to know as much about God per unit of time (or how things happen) in eternity. **RELATING TO GOD IS THE MOST- MOST IMPORTANT AND GREATEST (THE ONLY) THING THERE IS.** As said many times, there is nothing else. We will have great fellowship with God and this will result in having great fellowship with each other. (You must be sure you are Christians because even if you think you are but actually are not, you will go to the Lake of Fire. Just because you go to Church does not ensure you are Christian. We have many apostate churches that teach but little of the Truth in this subject. See our web site report: *Becoming a Christian.*)

**HOW THE ENDTIMES MIGHT UNFOLD
AND WHAT WE MAY EXPERIENCE INCLUDING WHAT OTHERS SAY●52
(Great and extreme persecution is coming, get ready, learn to walk by very strong faith.)**

The endtimes Tribulation has several purposes:

- * Allow Satan one last desperate chance to prevent some of the elect from believing and/or accomplishing some of God's work, particularly in the Mark-of-the-Beast Period.
- * Use the Mark-of-the-Beast system to formally polarize the beliefs of all people who are to live as to whether or not they will accept or deny the Gospel. This is a bundling of the tares.
- * Bring divine discipline (not wrath) upon the Church (particularly in the favored nation) for her major falling away in these endtimes, according to the endtimes pattern sequence.
- * Allow the last things that are to be accomplished to complete the process for how Christ wins back the Earth's Title Deed lost to Satan in the Garden of Eden. (Revelation's seven-sealed scroll is how one wins back lost property. The Tribulation is definitely an endtimes period.)

The endtimes Tribulation will begin with a major calamity over one fourth of the earth bringing the sword, famine, plague, and the attack of wild beasts.

Pastors and key Church leaders should identify a place of refuge for which to go when the blackouts and calamity comes. Otherwise they can expect soon arrest and their ministry will be over.

The following will most likely occur when the endtimes come and when we are under world

government (See also ●53): (1) we will be under a form of world-wide socialism; (2) all property will be owned by the government, (3) our children will be satanically deceived and trained to believe a wrong religion, become immoral, and to be under world government; the government will control their work future (4) there will be a new financial system;●54 (5) world trade will flourish in the first part of the Tribulation; (6) the United States will be transformed into a terrible nation without her constitution; (7) there will be a massive falling away from Christianity (from the faith); (8) the government will make war against and persecute and martyr Christians and all those who will not believe or accept the world religion or do not fit into the plans of world government (such as patriots and those who hold strongly to independent religions); (9) most likely all people who are seniors and/or those who do not or cannot work, will be eliminated. (Keep your job and do not retire. Get a job or other means for support if you are a missionary being financially supported by others.) and (10) we will lose all our freedoms.

People generally will accept wrong government rulings that allow them to escape other things that they believe are much worse (even though not true). People will be willing to give up freedoms, including religious freedoms, in order for the government to keep us free from terrorism and major war (even global warming). All major and well - known pastors, teachers, and church and patriot leaders will most likely be arrested and martyred at the very beginning of the Tribulation as the power black outs come. As time goes along, there will be the very poor and the ruling very rich. There will be but little middle class. Our current standard of living will be something of the past. It will be against the law to teach the Bible. Bibles found, will be confiscated.

The first part of the Tribulation can last about 20 years.●55 After this period ends there will be a major world war that can kill about 90% of the world's population and bring in the prophesied 3 ½ year Mark-of-the-Beast program. Then, afterwards, the Rapture will occur at Christ's Second

53. HOW THE CALAMITY AND WORLD GOVERNMENT WILL COME: We cannot be sure of the details, but the following is a very likely scenario as to how the calamity will come that is based on the Pattern Sequence of Revelation, current events, and the underground media. When the sin in the United States crosses God's allowable threshold, Satan will be allowed to use United Nations (world government) troops to blow up several United States' cities with atomic weapons. (Foreign troops such as Russian, Chinese, and German have been training in the United States for many years. There are pockets such as 40,000 troops in various parts of the United States. They will operate under the United Nations (the world government in the endtimes pattern sequence) and they are trained to do such action.) As a result the stock market will crash and the infrastructure will break down. Food etc. will not get to the market place. The then president will declare Marshall law and place the United States under the rule of the United Nations or what ever then it will be called. Now the Tribulation begins.

54. FINANCIAL: There will be many bad financial situations both now and when the endtimes come. Here is one book that describes what can come soon as of the date of this newsletter report: *The Coming Economic Collapse* by Stephen Leeb with Glen Strath.

55. TRIBULATION DURATION: Please understand that Daniel's seventieth week is history and does not represent the endtimes Tribulation. Thus, the Tribulation's duration can be much longer than 7 years. Being based in principle for what happened to Old Testament Israel, it can last as long as 20 years or more. Daniel's seventy weeks are an **exclusive** Jewish period. **Revelation's Tribulation is all nations in characteristic** and does not qualify to be an exclusive Jewish period. According to the prophecy, our Lord was cut off after the sixty ninth week, and thus, was crucified in the middle of the seventh. All seventy weeks are history. See Appendix B on *Daniel's Seventy Weeks* in **Watchman Warning** or on our web site.

Coming after the Tribulation's end. At this time, the heavenly court will determine and declare that Christ has won the spiritual warfare over Satan.●56 As a result, it awards our Lord the legal authority, according to the rules of the spiritual warfare, to bring the resurrections with the Rapture and eternal judgments and to end human history as we now know it. When Christ comes, there will be very few Christians alive. Most will have been killed in war or martyred. ***(At the time when Christ comes, or at any other time, the world will definitely not be Christianized (it never will happen), as some believe. Such a belief structure will bring devastation on Church people if they are waiting for this to happen and are not now maturing and readying their people.)***

Be sure to understand the Pattern View and Sequence of Revelation and what will happen as the endtimes come. See the teachings on my web site and in my books.●57 Prepare your people now to be mature in Christ, especially your children and youth, while you still can in freedom. Teach them to stay clear of immorality. ***Later, as stated, when the Tribulation comes, you will greatly grieve if you have not.***

ENDTIMES FINALE

Place your people now into small home groups and put in some supplies to get through the calamity that can be soon coming. The night is coming soon in the endtimes Tribulation when no man can work the works of God. Missionaries need to have jobs or other sources of income. They need to train leaders to replace them and bring them into their living and support. Evangelize and mature your people, especially your children and youth, now while you still can while day is here. No longer mainly teach and train with only first level teaching, if that, and no longer use loud dominate rock beat music - use the best hymns. Teach the meat of the word and at least the curriculum shared in this newsletter. Prepare and brief your family and yourselves for the endtimes. Do all these things now with a since of urgency. Do not wait to get specific information (that you will never get) for when the Tribulation will come. If you do, you will be caught blind sided and unprepared. Many will die.

Sing the hymns and praise God from your hearts, learn to walk by strong faith using God's promises, obey the commandments from love of God. share the

56. **SPIRITUAL WARFARE ISSUES:** (1) God uses the spiritual warfare to bring responding people to maturity in Christ; (2) if the elect so believe and accomplish God's work (Satan not preventing), then Christ wins the warfare over Satan; (3) The veil of the temple being ripped or torn by God from top to bottom at Christ's crucifixion, signaled that the Jewish period and her worship system was over forever. There will never again be physical temples and animal sacrifices from God (there may be from Satan). Bringing them back would be a denial of the efficaciousness of the Cross. **All** Jewish and Gentile believers, are now one in Christ without ethnic division. They compose the Church and body of Christ and are in the Kingdom of God ruled from heaven. They have been called out from the Dominion of Satan into the Kingdom of God to be under Christ's eternal control. God's condemnation has been removed from them.
