NOTE - This newsletter brings information from the observed trends in the United States and world that deal with the coming of world government that is prophesied in Revelation. I invite all readers to read the referenced documents (and book) and others on my web site for understanding and background. They develop the concepts from Scripture. They help us understand God's Plan for history, prophecy, why we are here, and what God plans to do with us. They will bring you great blessing. These documents are: (1) *The Greatness of God Must be Central*; (2) *The Pattern View of Prophecy Shows Clearly the Rapture Will Come Post-Tribulation and the 1000 Years During Christ's Second Coming*; (3) *Scenario as to How the Endtimes Will Unfold*; and (4) *The Jewish Situation*; and also my book: *Watchman Warning*. **These reports are described later with links to my website.**

BENEFITS - This newsletter presents the trends that signal the endtimes can come at any time. **They bring us WARNING to prepare both spiritually and provisionally for calamity if we are not already doing it.** They give us encouragement to ensure we are maturing our people, especially our children and youth, in Christ in relationship living. We should do this before the Tribulation comes. We should do this regardless of our prophetic views. God commands us to mature our people and prepare provisionally for any emergency. We must prepare even if we believe in a Pre-Tribulation Rapture. We do not want to leave our people to be caught blind sided and unprepared even if we are right or wrong about the Rapture timing. **This is unthinkable.**

WE MUST FIRST SEE AND UNDERSTAND THE BIG PICTURE IN ORDER TO UNDERSTAND THE SIGNIFICANCE OF THE TRENDS

The big picture consists of (1) God's purpose for placing man on the earth; (2) the spiritual warfare between Christ and Satan and their objectives; (3) God's rules for how the sequence of Revelation's events unfold according to the seven-sealed scroll and being under world government; and (4) It helps to know of Satan's overall strategy that God allows.

1. God's Purpose for Man on the Earth - God placed us on the earth in order that we gain a mature high-skill spiritual ability in Christ-likeness in relationship living so we, in eternity, could know and relate to God in His perfection in His depth and breadth without sin. It was so we could live by sacrificial love and by faith in his holiness and righteousness. It is so we could trust God, not ourselves, to work all things together for our ultimate good. It is so we could live according to His perfect truth in intimate fellowship with Him and each other throughout eternity. Apart from this relationship, there is nothing.

2. The Spiritual Warfare - God commands us to pursue maturity in Christ. God established a spiritual warfare between Christ and Satan to bring the development and testing environment to bring responding people to maturity in Christ. There is the possibility that the maturity we have at death we can have forever without the possibility of improvement. We will gain more understanding and wisdom in eternity. But our ability to receive it, handle it, and live by it appears to be fixed forever by the spiritual ability we have at our death. If this is true, then the ones with greater maturity (as defined by God) may know an enormous more about God as time in eternity progresses (or whatever sequence God uses). We should understand that the more mature in Christ will accomplish the most of God's works. None of us are as

Trends That Signal We Are Being Set up for World Government

mature as we should be, ought to be, want to be, or can be. We all need work. I know that I do. But we can help each other. ***Not to pursue maturity as God has commanded can be spiritual folly and a most terrible eternal mistake. Again, apart from knowing and relating to God in His breadth and depth, there is nothing.***

God knew who would choose Him and the works they would do before people were born. God calls these His chosen elect. Christ's job is to have these elect believe, accomplish God's work, and become mature in Christ. Satan works to prevent these from happening. Neither Christ, nor Satan, know in advance who these elect are or what works they will do.

Before people were created and placed on the earth, God sentenced Satan and His angels to the Lake of Fire for eternity. But God will allow Satan and His angels to be exonerated from this sentence if he can prevent any of the elect from believing and/or from accomplishing any of God's chosen works. Satan works for this prevention and to establish world government over which he and his man would rule. He wants to be worshiped. It is the more mature in Christ who most likely do most of God's work. They cannot become mature without being involved in God's work. So Satan works to prevent evangelism of the true Gospel, the elect from being born, and to prevent the elect from becoming mature in Christ so God's work of evangelism will not be accomplished. He works to change world conditions to sinful situations where God will allow him to bring world government. He can be more effective as God's people fall away, even when they do not realize they are.

3. God's Rules and Sequence for the Endtimes - God established an endtimes favored nation in a special sequence that implements the events of Revelation's seals. The United States is this most favored endtimes nation as Israel was before the Cross. When the country obeys God to some large extent, God blesses the nation and brings her great prosperity and freedom. When the nation turns to sin, He brings warning. With the sin increasing, He places the nation and the world's nations under divine discipline of world government without freedom. In Israel's time of the Southern Kingdom, the discipline was for seventy years. In the endtimes, the discipline is the events of Revelation's seven seals of the scroll - Revelation's Tribulation.

As the true Church generally obeys God in the favored nation, God blesses the nation. But when the Church leadership begins to disobey, the rest of the Church begins to disobey. This is followed by the people of the nation disobeying. ***(God will only heal the nation if the Church, beginning with Church leadership, has revival and returns to sufficient obedience.)*** Then God brings warnings and curses, and finally divine discipline of Revelation's Tribulation. God will use Revelation's general sequence in a similar manner as He did with the Old Testament Jews as He brought her discipline. The events of the endtimes Tribulation is God bringing divine discipline upon the Church and people of the United States and on the rest of the nations. The deliverance of God's people in the Rapture occurs after this period at Christ's Second Coming. In Israel's time, it was to the land. In the endtimes it is to Christ. By studying what signs and conditions that existed in Israel's time just before the discipline came, we can know what the signs will occur just before Revelation's Tribulation comes. These signs are now all around us. Because we do not know the Tribulation's timing, these signs and others can be trends leading to the Tribulation's calamity and world government. Only God knows the timing.

4. Satan uses a strategy called the Dialectic Process. He implements conditions or methods (Anti-thesis) that take things or conditions from the way they are (Thesis) to the way he wants them to be (Synthesis). For example, when God allows him, he will bring a calamity (Antithesis) that will take us from ordered independent governments (Thesis) to one world government (Synthesis) over which he and his man will rule. Another example is the 911 crisis. He brought the crisis (Anti-Thesis) for one reason so that where it was required to gain a court order to investigate people (Thesis) to now where a court order is no longer needed (Synthesis). This was determined by observation.

Characteristics from Israel as a favored nation that Show the United States is God's Endtimes Favored Nation

The following matching characteristics of Israel as a favored nation that the United States has that shows she is God's endtimes favored nation include: (1) begins in obedience, ends in disobedience; (2) Is more sinful than the surrounding nations; (3) no one believes that an enemy will take her over; (4) God makes her a beautiful and most successful nation; (5) she is the center of nations; (6) trusts in her beauty and plays the role of a harlot in reverse - pays her lovers; (7) offers food to those who accept her harlotry; (8) she sacrifices her children (sex, abortion, drugs, false ideologies, etc.); (9) has biblical signs of apostasy in her end time period; and (10) in her beginning, has a mandate to take the Gospel to the nations which she does. Her history follows the pattern for Israel to a large degree: Leviticus 26 and Deuteronomy 28 as will her future as Revelation's events unfold.

Signs, According to the Sequence, That Signal Revelation's Endtimes Calamity Can Be Imminent (See my prophecy Report and Book for Details)

There are warning signs now that signal the endtimes Tribulation can come at any time. These warning signs were in OT Israel in her sequences before judgment came. Some of these warning signs and conditions, especially in the favored nation of the United States, are (but not limited to): (1) the acts of God in areas of severe weather, flooding rains, fire storms, mud slides, hurricanes, tornados, earthquakes, tidal waves, *especially droughts that effect the food supply and amount of drinking water*, etc; (2) the coming of the endtimes International government (seventh head of Revelation's endtimes Beast); (3) the existence of the favored nation (the characteristics of the United States match those of Israel) and the action of Internationalists as Babylon the Great that rule over International government needed for the Pattern Sequence; (4) great increase in immorality, *particularly sodomy - same sex marriages like in the days of Sodom and Gomorrah*; (5) people calling evil good and cannot discern the difference between the holy from the profane (churches using false tongues and the world's loud rock-type repetitive beat music?) and churches and people doing what is right according to their own eyes by teaching mostly pablum to reach the youth, instead of teaching in breadth with depth; (6) the falling away of our churches from carrying out the scope and intent of the Great Commission and the increased sin of the people especially in the favored nation; (7) the famine of God's Word in our churches; churches are now teaching but little of God's Word; They no longer know sound doctrine; (8) the build up of "the northern army" for the invasion of the favored nation (limited numbers of foreign troops are now deployed throughout the United States, Mexico, and Canada, acting under the United Nations for training - watch for sudden larger build up of military forces); (9) unholy reforms are being planned and implemented in our public schools transforming our children to be ready for world government. They are also teaching sodomy in the grammar schools; (10) the peace-peace policy without war in the Russian Glasnost, Pre-Tribulation Rapture Theory; and a general peace condition without war that churches, by their actions, wrongly expect to continue; (11) great debt in the favored nation and in the world; (12) many gods in the land of the favored nation; people hold the favored nation more important than God; (13) people are worshipping the work of their hands, such as products from the chip industry; (14) there are many terrorists groups now (the foreign military that have been here for over 20 years) in the United States that could bring the plague and incurable disease; and (15) people have forgotten the true God and no longer fear God, so they increase their disobedience. (The gods of America include the gods of freedom, prosperity, wealth, and free enterprise.) (See *Watchman Warning*, pages 30-34, for more details and the many Scripture references.)

The Trends Toward World Government Restricting our Ministry, Critical Analysis, and World Religion

There are several aspects and laws that are or will restrict how well we can do ministry of sharing the

Trends That Signal We Are Being Set up for World Government

Gospel and teaching God's Word in breadth and in depth. Many of these aspect and laws follow. They lead to preparing us for world government. The Churches are losing their first love for God and His eternal Greatness. They have less love for God by doing less than He requires. They do some evangelism, without attempting to evangelize complete local areas in the US. They teach for Christian growth, but not for maturing their people to have maximum maturity in Christ. **These inadequate ministries are symptoms of the cause that they do not see that our spiritual ability can be fixed at death and by not doing adequate evangelism and by not teaching in breadth with depth as God commands disobedience to Him and is implementing satanic strategy.**

New Tolerance Laws and World Religion - The new tolerance laws are being established to help bring world religion. The concept is that all religions are equal. Thus, Christianity cannot be taught as the only way to salvation and to God. Laws are coming that makes it illegal for any one to say another's religion is wrong or that one's religion is the only correct one. We may be able to circumvent the law by stating this is what the Bible says and let God work in the person. Do not speak against anyone else's religion or say that Christianity is the only way. We might say that in the judgment we do not get to vote. Things will occur as God states. So one should investigate Christianity in case it is correct.

New Gay Laws - Laws are coming that makes it a requirement for groups and churches to hire gays. They would have to meet group requirements. Churches would have to use adds that gays cannot fill. This may have to be apart from spiritual requirements. They would have to have a certain knowledge base or experience to handle church jobs. This might work. Laws are coming that allow gay marriages with full marriage rights.

Population Control - As God allows him, Satan works to control population, particularly in the United States, so that the elect might not be born, might not believe, and/or might not accomplish God's work. He does this by the HIV virus, AIDS, the plague, having abortions, and by the gay marriage movement. (No children). He uses the gay movement so God will allow him more power to execute his will. In the coming Tribulation, as God allows him, He will martyr many believers. As last result, In Revelation's second and devastating calamity at the time of the trumpets, he kills about 90% of the world's population by a major war. This is followed by the last and great Tribulation. In this Tribulation, he will bring the Mark-of the Beast system forcing people to accept the mark in order to buy or sell, formally denying the Gospel, or be martyred. Satan will leave a few Christians alive or God will destroy his forces. These are most likely the ones that are alive and remain at the Coming of the Lord. When Christ comes to rapture the Church, there will be but very few believers alive.

(It should be observed that the current government, or the one in the Tribulation's beginning, may require us to have a computer chip on our being. If it is not associated with a denial of the Gospel or adopting some false worship system, it is not taking the Mark of the Beast. Thus, if Christians go to the death wrongly believing it is the Mark of the Beast, they do so needlessly. Satan may attempt this ploy before the Mark-of-the-Beast Period as a ploy to martyr Christians. Taking the true mark, one must deny the Cross for salvation.

God said place my commandments on your right hand and forehead. This means the Mark of the Beast may not be physical. It could be a spiritual mark of a denial of the Gospel and the acceptance of Satan's religion at the time.)

Inadequate Training - Warnings are coming now that there is a large percentage of drop outs from our public high schools without graduating. Those graduating have a poor education. They cannot do critical analysis or read and write well. When things happen, they will not know what is happening. Thus, we are heading to a America where foreign students will be the leaders and research people in our corporations and institutions. We will be ruled by foreigners.

Our churches are training mostly now with first level training. Very few now know the breadth and depths

Trends That Signal We Are Being Set up for World Government

of God's Word. Missionaries are telling us that American churches have lost their thirst to know God and His Word in depth and breadth. Thus, fewer and fewer will be involved in ministry at time progresses. We are headed toward an immature Church with a lose of biblical intellect. The Church's biblical knowledge is plateauing. Are we there now? (I would not want to be a pastor or elder in one of these churches, because with this direction, they can expect severe judgment.)

Both of these trends are preparing us to accept world government. We will not know that Revelation's Tribulation's events are happening. When the calamity comes, most Christian leaders and older people who know God's Word will be incarcerated and martyred.

Spiritually speaking, we are heading into the darkest period in all of history. And the churches are helping to fuel this now. When the persecution comes under world government, those with a poor spiritual education and commitment to Christ most likely fall away from the faith.

With these trends, people will not be able to do critical analysis to know what is happening under world government and will not know we are in Revelation's Tribulation. There will be but little Gospel teaching and preaching.

Missionaries tell us that, in their opinion as previously mentioned, the American churches have lost their thirst to know the true God in His depth and breadth. They no longer seek out to know all about Him and the depth and breadth of His doctrines. We are becoming more self than God centered.

Course of America - People have written that America is operating as if the Christian Church does not exist. The Church has but little influence on the current direction of America. This is true even though many are working for reform. ***America can only be changed if the Church has revival beginning with Church leadership.***

Churches Do Not Have a Clue - The Churches are operating as if the current times in America will exist forever or a long time. They will not. The churches do not recognize the signs that signal the Tribulation can come at any time. Churches do not realize that their sin is the main cause of the Tribulation coming. They do not see that their going mostly to first-level teaching and using the world's music is eternally hurting their people. ***Thus, those churches not preparing their people spiritually and provisionally will be caught blind sided and unprepared. Many will die. Israel did not respond to the watchman and her people were caught blind sided. Our churches, not responding, will be caught the same way. Will you and your Church be caught?***

Deception - Satan uses many means of deception to deter people from finding the true Gospel of the Holy Bible to be saved and to become mature and accomplish God's chosen works. These lead to the church falling away and to the endtimes. **Many of these follow (some previously mentioned):**

1. The Cults and Religious Systems - Satan has established many religious systems, some that look like churches, to keep people from finding the true Gospel. These systems deny Christ as being God, add water baptism to be saved, must join the organization to be saved, or do not refer to Christ. They have no true justification for sin. Thus, people in these cult and religious systems will go to the Lake of Fire after death, resurrection, and judgment.

2. Watered Down Systems - Satan has, certainly not God, in our perception, encouraged the churches to use only or mainly elementary training so that people will not be saved and/or will not be involved in ministry. He encourages the churches to use paraphrased inaccurate Bibles, some even with gender neutral. More details on this subject was presented earlier.

3. Rock Music and Community Life in Our Churches - Churches are now bringing the world's rock and other music into the churches. Such music desensitizes one's mental and spiritual facilities. Without

Trends That Signal We Are Being Set up for World Government

being previously trained, under rock music, one cannot learn the Bible as fast or have a strong commitment to Christ. It has led some to be in immorality. The Churches are going to community living, with only first level training. They are not maturing their people and the rock music deters their spiritual understanding and commitment. In our perception, the rock and similar music brings more worship to Satan than to God. It keeps people out of God's ministry with mature work. Does such music bring worship to God? Many music leaders, after having seen its effects, have left using this music. **Universities that require classical music to be studied all four years have the highest scholastic averages.** Check out the following references: (1) Dan Lucarini : ***Why I Left the Contemporary Christian Music Movement***; (2) Dr Jack Wheaton: ***Crisis in Christian Music***; (3) Youth Who Have Found Freedom: ***How to Conquer the Addiction of Rock Music***; (4) Garlock and Woetzel: ***Music in the Balance***; (5) Audio Tapes by Michael Ballam: ***Music and the Mind***; and (6) ***The Language of Music*** Video tapes by Garlock

4. Davinci Codes; Movie and Books - The Davinci Codes bring a most terrible distortion of the true Christ and what He accomplished on the Cross. This leads people away from seeking salvation. They may believe the Bible is inaccurate. It treats Christ as not being God and married to Mary Magdalene. None of which is true. He is the eternal God and His wife is the eternal Church.

5. Economic Picture - The spiritual laws are such that when a nation obeys Him, God brings the nation great prosperity. This happened to Israel in her time and now to the United States. But with the falling away from needed obedience to the faith, this prosperity is being taken away from America by many methods. She is no longer the prosperous independent nation she was once was. She is placing much of her business overseas. This is being done for world government so that all nations must depend upon each other. She is losing her capability in the steel industry to be self sufficient. Nations like China and India that have many obedient Christians now have increasing and great prosperity. God will not change the America until we have great revival in our churches beginning with Church leadership. The economy in the United States is being destroyed so that when the calamity comes, there will be economic collapse, and world government will result.

6. The United Nations - The UN is working to take the nations to world government.

7. Babylon the Great - There is a group of internationalists called the Illuminati that are working behind the scenes to bring us world government. This group influences world leadership in secrecy and sorcery. There are many books and reports that describe their efforts and what they have been doing. Search the internet.

What We Can Expect to Happen; Country Takeover

When God allows him as the sin increases, particularly in the endtimes favored nation of the United States, Satan will bring a most serious calamity with war, famine, and the plague that will take us from independent government to world government. Read the Endtimes Scenario on the Web Site for more details.

The UN military, that has been training in the US for many years, will most likely nuclear bomb many American cities, blow up water aqueducts, and plague many of our cities. This is according to the pattern of the endtimes sequence and endtimes rule by world government. This will crash the infrastructure and goods and food will not get to the market place. We will be without electricity and communications for some time. We will not know what is happening. The economy will crash. The then president will declare Martial Law and then place us under world government. They will bring in more foreign military to restore order and help rule. This will bring in the endtimes Tribulation where the government will make war with Christians and Patriots. Our Church leaders can expect severe judgment. The times will be most terrible with our children and young people satanically being educated by the state, without ever seeing a Bible again. See the scenario on our website.

What We Should and Can Do Now

While we still can, we should train our people, especially our children and youth, to become mature in Christ and be involved in ministry. We should do this with a sense of urgency, even if we get 10 more years of freedom. We should place all our people into small home groups for training and for the day our church buildings will be taken over. We should put in some provisions to get through the weeks of calamity. We must learn how not to get the plague and cure it. Otherwise we can die.

We should train with at least: Christian-Faith Doctrine, Christian-Life Relationship Principles including ministry training, the Plan of God for History with the Spiritual Warfare and Endtimes Prophecy, the Harmony of the Gospels. Selected NT Bible books, and the Voice of the Martyr's materials for what the underground church should and should not do in and out of prison.

Some Scriptures to Which to Pay Attention Concerning Precursors to and Going Under World Government

The following two are beginning to happen now.

Amos 8:11 - "Behold, days are coming," declares the Lord God, "When I will send a famine on the land, Not a famine for bread or a thirst for water, But rather for hearing the words of the Lord. (Going to pablum teaching, God's Word is now being taken away.)

Amos 5:23 "Take away from Me the noise of your songs; I will not even listen to the sound of your harps. (This shows that bad music will be prevalent in the endtimes, but God will not listen to it. He will not listen to it because the people are in sin. Our hymns are now being taken away.)

2 Timothy 4:3 - For the time will come when they will not endure sound doctrine; but wanting to have their ears tickled, they will accumulate for themselves teachers in accordance to their own desires;

Because the churches are not teaching sufficient of His Word, God forgets the children. This is beginning to happen now and will be in spades when the Tribulation comes.

Hosea 4:6 - My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being My priest. **Since you have forgotten the law of your God, I also will forget your children.**

Deuteronomy 28:32, 41 - "**Your sons and your daughters shall be given to another people, while your eyes shall look on and yearn for them continually; but there shall be nothing you can do. ... "You shall have sons and daughters but they shall not be yours, for they shall go into captivity.**

Ezekiel 5:17 - 'Moreover, I will send on you famine and wild beasts, and **they will bereave you of children**; plague and bloodshed also will pass through you, and I will bring the sword on you. I, the Lord, have spoken.' "

God and His Greatness Must Be Central

<http://www.biblicalworldviewministries.com/plan/greatnessofgod.pdf>

This document shows we must learn to walk as Christ walked in relationship living. It shows how God's Greatness must be central to our lives if we are to know and relate to God toward His fulness in eternity. It shows that God must work all things together for our good and that all our thoughts and actions to live godly must come from Him. We respond to His leading with our intellects, spiritual maturities, gifting, and callings, activating our faith and love. By becoming more mature in Christ, being involved in His work, we can send more spiritual wealth on ahead and receive more spiritual rewards in eternity, **It shows that the spiritual maturity we have at death we can have forever without further opportunity for improvement. It may limit the depth and breadth we can know and relate to God. Thus, we must pay attention.**

The Pattern View of Prophecy.

<http://www.biblicalworldviewministries.com/prophecy/patternview.pdf>

This document presents many doctrines that show clearly the Rapture can only come Post-Tribulational (but before the bowls). It presents that the events of Revelation unfold in a sequence similar as to what happened to the Old Testament Jews. Thus, I call Revelation's sequence a Pattern Sequence and my view of prophecy, the Pattern View. It presents what happens as the endtimes unfold according to the sequence ordered by Revelation's seals. The signs, according to the sequence, now signal that the Tribulation can come at any time. **If you have not done a recent study, some of these doctrines may surprise you. They have not been much in the published literature. But they are in the Bible.** A summary is that the Rapture comes after the Tribulation during and part of Christ's Second Coming. Daniel's seventieth week is history, taking place when our Lord brought the New Covenant via His Cross. It does not refer to the endtimes Tribulation. The Tribulation's duration is not limited to seven years.

Endtimes Scenario as To How the Endtimes Will Unfold.

<http://www.biblicalworldviewministries.com/prophecy/endtimesunfolding.pdf>

This document shows what happens as Revelation's events unfold according to the Pattern Sequence and what we will experience . (This is must reading,) It will give you motivation to train and mature your people, especially your children and youth, with some urgency. Our children and young people will be taken and satanically educated by the state without their ever seeing a Bible again. Our property will be confiscated. Christians, especially pastors and leaders, will be incarcerated and martyred. Our church and patriot leadership will be taken away.

The Jewish Situation.

<http://www.biblicalworldviewministries.com/prophecy/jewishsituation.pdf>

This document shows that God's Plan for the Jews beginning with the Day of Pentecost is that they become Christians and mature in Christ. **The Jews being in the land of Israel was vital before**

Trends That Signal We Are Being Set up for World Government

the Cross, but now, being in Christ and being mature in Christ only is vital.
