Signs all around us signal that the endtimes Tribulation can come at any time. Only God knows the timing. When world government comes in the Tribulation, the children and youth will be satanically educated by the state and parents will not be able to do anything about it. Generally as a nation is being taken over, such as the time of Hitler in Germany, they indoctrinate the children so that when they grow up they will support the state. This will happen again under world government. This is what happened to Old Testament Israel as Israel was falling away from obedience.

Note the Scriptures:

Hosea 4:6 - My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being My priest. Since you have forgotten the law of your God, I also will forget your children.

Deuteronomy 28:32, 41 - "Your sons and your daughters shall be given to another people, while your eyes shall look on and yearn for them continually; but there shall be nothing you can do. . You shall have sons and daughters but they shall not be yours, for they shall go into captivity.

*Ezekiel 5:17 'Moreover, I will send on you famine and wild beasts, **and they will bereave you of children**; plague and bloodshed also will pass through you, and I will bring the sword on you. I, the Lord, have spoken.'*

(Emphasis is mine.)

You must understand that this will happen to your children and your grandchildren. We must train them now while we still can to stand strong under the coming persecution and indoctrination. We want them to stand strong in the Lord without falling away.

But also please understand, the Tribulation is coming because the churches are falling away from God's requirements for obedience. See the above Hosea passage for one example. And when it comes without warning, when we believe current times will continue, our training time in freedom will be taken from us. And remember it takes time to train children. They will learn faster if they do some of the work such as they look into the Scriptures themselves for much of the training.

Observation shows that, in America, our public schools and churches are dumbing down their education. We are now bringing in an immature Church with a loss of biblical intellect and with a low plateau of biblical knowledge. We have fewer and fewer young people who know and can teach

the Bible in depth-breadth below the notion level. These are precursor operations leading to socialism that will help them be satanically indoctrinated when the Tribulation comes in the program of world government.

Please train your children and youth with at least the Christian-Faith Doctrines, the Attributes and Greatness of God, how to walk by faith and love trusting God to care for them, and brief them what will happen when the endtimes come. And they will come. Let them know that Christ will never leave them or forsake them. He will help and come for them in the Rapture.

Please also work and train in the Vacation Bible Schools and in Child Evangelism Fellowship to evangelize and disciple the children in the after school Bible clubs and in home Bible clubs. ***Do it now for the time can be short.*** Contact us for help.
