TARGET AUDIENCE AND KEY MAJOR MESSAGES:●¹

(Please read the entire report to gain the vitally need-to-know many multi-faceted key aspects to understand and grasp the biblical big picture, including what we must live out.)
(The New American Standard Bible (NASB) is used.)

This document presents the **Biblical Big Picture with a Watchman Warning and an alert to all Christians, especially to church and family leaders (those responsible for others), that several things must be “urgently” known and lived out.** Scripture (the Holy Bible) teaches us to: **(1)** train to gain a maximum high-skill spiritual maturity in Christ-likeness, needed for how to walk by strong faith, trusting God to work all things together for good, having a maximum and needed intimate relationship to our perfect and infinite God both now and especially in eternity (We should know that our spiritual maturity will be fixed forever at death); **(2)** know the sequence by which God is now terminating history with the Rapture coming unambiguously after the endtimes Tribulation; **(3)** “urgently” warn, train, and prepare our churches for their going through the soon-coming endtimes Tribulation, being used to terminate history; **(4)** alert our churches that we are living in intense spiritual warfare between Christ and Satan that is causing our churches to fall away from required obedience without their realization (We must avoid (unknowingly) implementing Satan’s warfare strategies to have the needed obedience to God); and **(5)** encourage our churches to take inventory of their status and “most urgently” implement our recommendations in Part Five, making vitally needed changes for now and going into the endtimes, and to have God’s best when entering eternity. **Apart from this walk with God, knowing needed doctrine, there is nothing in the eternal perspective. We must “urgently” prepare and train (knowing how to do so) to become “maximally” spiritually mature.**

1. OUR PURPOSE AND NEED-TO-KNOW ASPECTS: This document is meant to bring great added value to God’s Church that we love and serve. Please send us comments after reading. Apart from knowing and walking with God (and Christ), there is nothing in the eternal view. God, our creator, is the only one qualified, being in control, to lead us and give us a perfect life, working all things together for our good. We unknowingly sin when we try. We need a description of what constitutes a mature person (Outcome) and the steps by which we must live out experientially to get there (Procedure). **Many biblical doctrines are taught directly, indirectly, and or by principle. Everything harmonizes presenting the big picture.** God uses spiritual warfare to develop our maturity and to give Satan an opportunity to show that he, as well as God, can work all things together for his good. God keeps the spiritual warfare “fair” to both Christ (and us) and Satan. For example, we are commanded to pursue spiritual maturity, but we are not told directly (we are indirectly) whether or not our spiritual maturity in Christ-likeness is fixed forever at death. If He did, we would apt to walk more by sight to pursue this maturity. Appreciating God’s infinite Greatness, we should have a built-in spiritual desire to study the Scriptures for all that is needed to know and live out to become maximally mature in Christ-likeness, so we can have a most intimate close walk in fellowship with Him. This document is dedicated to give us this incentive to be prepared for the endtimes, work to become maximally mature in Christ-likeness, and know the spiritual warfare so we can relate maximally to Him both now, but especially in eternity.

**PRELIMINARY BACKGROUND NEEDED TO KNOW THE OVERALL
BIBLICAL BIG PICTURE AND UNDERSTAND OUR LIFE PURPOSE
(AS PRESENTED IN THIS DOCUMENT) ●²●³●⁴**

(The document summary is presented next followed by the Table of Contents)

We must appreciate God’s infinite Greatness, having all the existing perfect attributes, and live by His perfect ways. “He has always existed” and has created all that exists. He is the only God that exists. He created us so we could live the only perfect life that exists by His directing our every thought and action in eternity. Thus, we must know and understand that we are here to become maximally mature in Christ-likeness for God to work all things together for good in our lives to the maximum now, but especially in eternity. This is so that we can live knowing and relating personally to our God in His Greatness, wonderfully fellowshiping with Him, in the most (and only) perfect holy and righteous life that exists (not having any sin of any kind or amount). Apart from Him directing our lives in real time, especially in eternity, for us to have a close fellowship with Him and live holy and righteous lives at His direction, there is nothing. His Greatness goes infinitely beyond what is revealed now in the Bible. There is no perfect life apart from our infinite and perfect God directing our lives. We must now gain a mature life of living by faith and love so we will respond to God maximally. Living godly, we will live to glorify Him (never ourselves) by being obedient to Him, with nothing coming from ourselves as a source. We will do this from our love of Him with His, the only, Great and Infinite Perfection that exists. Because He exists everywhere that exists simultaneously, we can and will never to see Him physically with our eyes. Thus, we must learn to live by a mature faith, trusting Him to bring results, according to His promises, that we cannot know in advance, to bring us the most perfect life that exists. (If we knew things in advance, we would live by sight, resulting in sin. So all the events

2. OUR SITUATION TODAY: Today, we have many people believing that many things are greatly wrong and tough times are coming. They see a need to have a better personal spiritual life with God. Our purpose is to help them seen the big picture and do things under God that will greatly enhance their lives, including mine. We all have some improvements to make. Send us suggestions we can add to our documents and web site.

3. HOW THE BIBLE IS WRITTEN AND MY BACKGROUND: The Bible is written in a manner: (1) to make the spiritual warfare fair to both Satan and to Christ; and (2) that all information is not presented in an a,b,c complete easy-to-understand order in one place to gain the overall big picture and thus, requiring us to make a faith-action search, assembling many Scriptures together. Because the Bible is written this way is one reason we have different views of Bible prophecy and whether or not we can know our spiritual maturities in Christ-likeness are fixed forever at death. When one does a thorough faith action search on different subjects and integrates “many” Scriptures together, the ambiguity goes away. God has gifted me to walk by faith (that needs maturing), using my satellite systems engineering background and years of Bible teaching, taking information from others, to see the big picture, searching for teachings taught indirectly and integrate them together. We may not be totally correct on some topics.

4. HAPPENINGS: When I refer to happenings now in our churches and country, the information comes from the Bible, the internet, many books and reports I have read, and my observations. I do not have statistics for what is happening in all our churches. All is not (can not be) written declaratively in the Bible, such as the details of what is happening now in these endtimes.

Prepare To Go Through the Soon-Coming Endtimes Tribulation**

in the sinless life cannot be known in advance.) We will see the Lord Jesus Christ in heaven and we will take instructions from Him that He receives from God the Father.

To become maximally mature in Christ-likeness and to experientially walk maximally with God, it helps that we must be both outcome and procedure oriented such that we search all the Scriptures for all that we are to become (outcome) and also for all the steps we must live out experientially to get there, and then do nothing else. It helps to record our results in a computer and then update our results when we learn more. ●⁵ He will direct our every thought and action in our divine natures resulting in Him being God all in all. ●⁶ Thus, God and His Greatness must be (will be) central to our lives so we will live holy and righteously (and without sin - not breaking His spiritual laws). We can only do better now (and in eternity) in our Christian lives when we understand and appreciate God’s extreme and infinite Greatness, and our extreme spiritual poverty. Then, we will learn and live only by the Scriptures with all our hearts. We will realize there is nothing else. He, not us, alone is qualified and must work all things together for good in our lives. We need to become maximally mature in Christ-likeness, as He commands, and obey Him to the fullest, so that He can do this to the fullest, allowing us to know and fellowship with Him toward His fullest. We are here now to gain the needed maximum maturity so this can happen. Apart from this walk with Him (and then with each other), there is nothing. (We, from ourselves as a source, must not attempt to work to work all things together for our good, believing that we can. This results in sin.)

All of human history in spiritual warfare, between Christ and Satan that involves us, is used for us to gain (develop experientially) this maximum high-skill spiritual maturity in Christ-likeness. To gain this maturity and to have a close walk with God so we do not sin (attempting ourselves to work all things together for our good), we must walk by faith in God to lead us and bring needed results, not knowing all future things in advance. (If we did, we would direct our own lives, walking by sight, resulting in sin.) Thus, the Bible does not give us all things declaratively

5. OUR TRAINING DOCUMENTS: Ways needed to become mature (to the degree we understand) are found in our web site document: *Keys to Becoming Mature in Christ-likeness In Godly Relationship Living*; and a **description of a mature person is found in our document: Summary Document: Signs, Characteristics, Beliefs, and Practices of Being or Becoming Highly Mature in Christ-likeness.** I also have ppt charts by which you can train your people: *Christian-Life Relationship Principles*. Refer to all of these for a good background. You can send us any additions we can add.

6. AT SALVATION: We were born with sin natures that legally represent us. They cause us to sin. When we were saved by believing the Gospel as God worked in us, our sin natures died with Christ on the Cross, and now they no longer legally represent us, even though we still have them, by which we sin now. When we believed, we received a new divine nature that does not (can not) sin that now legally represents us. It only responds to the leading of God. We are to have our divine natures trained now with maximum maturity, living by having a maximum response to God leading, for a most perfect life in eternity. We go into eternity with only our divine natures. Our sin natures are removed from us. Our divine natures cannot take any independent self action, but only can respond to God’s leading. **This (with the fact that the devil and the environment of the world, flesh, and the devil will not be in heaven) signals loudly that the maturity we have at death we will have forever. We are here to gain this maturity now, as God commands that we do.** Thus, we should with excellence work to gain the maximum, as God now commands, so we can relate to and get to know more of God toward His maximum in eternity. This is all there is. What else can their be? Apart from walking with God, our creator, there is nothing.

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”

written that would allow (cause) us to direct our own lives, apart from a walk of faith. Instead, it requires us to live by faith, not knowing everything in advance. Thus, not directly taught, we can put together many Bible teachings, by a faith-action search, God leading us. The endtimes sequence was discovered by a faith-action search. We should be Christians who believe what is declaratively written, but also very importantly, that which requires a faith-action search. Doing this, we will not miss many Bible’s teachings, such as our maturity we have at death, we will have forever and this sequence that shows how the endtimes will unfold.

Because we go into heaven with only our divine natures (no longer having our sin natures), this situation signals loudly that the skill level of the spiritual maturity we have at death we will have forever. We will not sin, make mistakes, in heaven. God will lead us in every thought and action. We will respond in obedience because we love Him, not as robots. And this will be to the maturity that God develops in our divine natures now in our lifetime. Thus, for us to have a maximum walk with God in a perfect life, we need and should want to have the greatest maturity we can gain in our current lifetimes. Thus, we must (will) train now under God to gain this maturity, to now actually live out. So how do we do this? (I have some documents that can help us to the degree that I understand.) (We as Christians live by faith that God has saved us. But we also must walk by faith that only God can direct our lives and actually trust Him as we walk in faith-obedience to the Scriptures to bring (His)results. We are not to walk by sight to the world, using things in relationship with or from the world that is not in the Bible.)

In my understanding, God does not reveal now the great life and glory in heaven because: (1) it is not now needed to gain our spiritual growth; (2) we do not have the mature faith and background now to understand it; and (3) God does not reveal His deep truths to unbelievers and immature Christians. Thus, to know the most when in eternity, we must now learn to walk by very strong mature faith. Thus, not doing and/or not believing things written indirectly in the Bible, we are not now walking by sufficient faith, and this can limit our maturity growth and Bible knowledge, even though we may have a strong commitment to the Lord.

**DOCUMENT SUMMARY:
MAJOR UNDERSTANDINGS AND NECESSARY ACTIONS WITH
PURPOSES FOR OUR CHRISTIAN LIVES:**

**(These are key Bible teachings we need to know, regarding these endtimes and eternity.)
(The Table of Contents is listed immediately after this summary.)**

(1) God is an infinitely perfect (and the only) God with all the possible perfect attributes that exist. He has always existed. The Infinite Greatness of His person is way-way beyond our comprehension and anything we can know now in this lifetime. He works with billions of people and angels all at the same time. He has infinite power, love, truth, and grace. He is simultaneously everywhere present that exists. He has always known everything that can be known, past, present, and future. From His perfection, He created us and the universe so we could have an intimate relationship with Him throughout all eternity. He will then direct our every thought and action, as we respond in love and by faith in close fellowship, to live the only perfect life that exists. It will be God all in all. Apart

Prepare To Go Through the Soon-Coming Endtimes Tribulation**

from walking with God in His absolute perfection, there is nothing.

(2) The one main reason we are on the earth is to gain the needed maximum high-skill spiritual ability in Christ-likeness, in the developing environment of the world, flesh, and the devil under great spiritual warfare. This is so we can relate maximumly and personally to our infinite perfect God, both now but especially throughout eternity, as He works maximally all things together for good in our lives. We must be on the alert that the skill level of our spiritual maturity in Christ-likeness we have at death we most likely will have forever. We must be sure that we respond to God so that we gain this maturity now. **God commands us now to pursue and train with that needed to gain this maturity. Thus, we must be sure to do so. (Not to do so is a most terrible eternal forfeit.)** Thus, we must know that the Church has only one main job. That is to bring her people to have a maximum spiritual maturity in Christ-likeness. We need to have example churches doing this. It helps our churches to function to gain an outcome of maturity and know the procedures for gaining the outcome. They are presented.

(3) We must realize that we are in great spiritual warfare between Christ and Satan that God is using to bring us to maturity in Christ-likeness. In the warfare, Satan, for his purposes, brings many strategies to help keep the elect from believing the Gospel and/or accomplishing God’s work. He must be successful in order to avoid going to the Lake of Fire and be allowed to rule over people and angels forever. We must learn and avoid implementing his strategies (See Part Two) such as: **(1)** using the Devil’s loud music, including rock beat,; **(2)** not adequately maturing one’s people; and **(3)** not working “greatly” to evangelize the children out in the community. Not knowing sufficient doctrine concerning the spiritual warfare, our churches (us) are now unknowingly implementing many of his strategies resulting in sin and their falling away. The U.S. government is also implementing Satanic strategies commensurate with the degree it is allowed by God, commensurate with the degree our churches are now falling away.

(4) Our churches are doing many good things. But they are not working for excellence before God to do more of His required will and do not appreciate the spiritual warfare in which they are involved. Church leaders especially must realize that many, if not most, churches, particularly in America, are now falling away from God’s required obedient faith, without pursuing this maximum maturity. This, however, is generally happening without their realization or desire. They have lost their excellence before God to search out and do all (and only) his will, including to the maximum degree. They are acting wrongly as if the current good times will continue long term without any endtimes Calamity or Tribulation coming. However, the good times will not continue. Thus, acting this way, they and their people will be caught blind-sided and unprepared when the endtimes come suddenly without warning. **This is a most terrible result.** We must remember that changes very often occur incrementally over time so people do not often recognize the changes in their lives, churches, and in our country. Thus, we may not recognize our and our country’s current conditions or we may say, we have always had changes. Major mistake. We are now in the endtime sequence that is leading to history’s termination.

(5) The Bible, with “many doctrines (Over 10 presented in Part Three),” teaches “unambiguously” that the Church will go through the endtimes Tribulation (and there will be a Tribulation). She will be raptured afterwards at the seventh and last trumpet at Christ’s Second Coming. Churches not prepared, will be caught blind sided, not knowing what is happening when the Calamity and Tribulation come. **THE WORLD WILL NOT BE CHRISTIANIZED BEFORE CHRIST COMES. (A Pre-Tribulation Rapture, being refuted by “over 15 Bible doctrines presented in Appendix**

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

Three,” will not occur. It is not taught in Scripture.)

(6) God has already started the endtimes sequence by which he is “now terminating history” that will bring the soon coming “most terrible” Calamity and Tribulation. These (the coming Calamity and Tribulation) “will forever” take away our United States, freedoms, and current joy of living (we still have a joy and blessed hope of being with Christ in heaven after the Tribulation, beginning with the Rapture). Signs now signal loudly that the endtimes Tribulation, bringing divine discipline, can come suddenly without precise time warning (like a sudden earthquake) any time in the immediate or near future with only God knowing the timing. ●⁷ **This special endtimes sequence shows how the United States is found (discovered) indirectly in the Bible to be in these endtimes.** This sequence is patterned after the one God used with O.T. Israel (it is God’s way of terminating things, using a favored nation). The sequence in O.T. Israel is a pattern for the one God uses now with America, as His endtimes favored nation, and her endtimes Church. So I have called it a pattern sequence. The United States (by her general obedience with God’s great blessing) definitely is an endtimes most favored nation. In summary, the sequence is: **(1)** great blessing to the favored nation with the general obedience of her people (especially the Church) - God has blessed the United States “much-much more” than any nation in all of history. She certainly is God’s endtimes most favored nation. (This great blessing loudly signals a pattern sequence is in effect.); **(2)** warning (bringing signs and watchmen warnings) of divine discipline coming for the disobedience of her churches, followed by that of the country (now happening); **(3)** divine discipline on God’s people in (and followed by) the favored nation for their disobedient sin for a number of years under world government - the world government attacks bringing a terrible calamity that results in our churches and country being placed under world government (e.g. the endtimes Tribulation); **(5)** deliverance of God’s people back to God and Christ (endtimes Rapture) after the discipline period; and **(6)** then the destruction of the world government (with the death of unbelievers) that took God’s people into discipline. Human history is now terminated with everyone in their eternal states: believers of the Gospel in Heaven and unbelievers in the Lake of Fire.

(7) This report brings a Watchman Warning (an alert) to our churches that they (many), not now enduring (knowing) sound doctrine, ●⁸ are now falling away (very often without their realization?) from God’s required obedience. Churches, caused by their falling away, will soon go into the soon-coming endtimes Tribulation that will bring them divine discipline. This disobedience is causing the endtimes (symptom) to come. **Churches (without their realization) are now being transformed to become immature with a loss of biblical intellect and to have a low plateau of biblical knowledge, including of endtimes prophecy.** ●⁹ They are falling away by implementing satanic

7. **SIGNS:** It helps for one to know the endtimes sequence and its associated signs to know when the endtimes might be coming. If one does not know the sequence or denies its validity, then one may not know or recognize the signs or even believe them. This can be true for most churches. Then churches can be caught blind sided.

8. **SOUND DOCTRINE:** *2 Timothy 4:2-3 preach the word; be ready in season and out of season; reprove, rebuke, exhort, with great patience and instruction. For the time will come when they will not endure sound doctrine;*

9. **RETURN TO OBEDIENCE:** The endtimes, with falling away, are prophesied to come. Thus, this return to sufficient obedience in our overall churches will not sufficiently happen (there can be exceptions). Thus, she

strategy by at least using the devil’s loud rock beat music, not adequately maturing their people in Christ-likeness, and not adequately evangelizing the children out in the community. Much of God’s righteousness is now fading away in the lives of our churches. Our youth (and young people) are growing up now with but limited knowledge of the Bible (including that of endtimes prophecy). As a result, many will fall away in the Tribulation caused by the great persecution and will not know what is happening when the endtimes come. Our churches have lost their excellence before God to know and do His best. An encouragement is presented (with a warning) to “urgently” return to much greater obedience to gain a much greater maturity in Christ-likeness. (Do our churches know this greater obedience and how to maximumly mature their people?) This includes getting ready for entering the soon-coming Tribulation, and for entering eternity. This includes, by gaining a “maximum” high skill maturity in Christ-likeness, that, by necessity, walking by very strong activated faith in God to fulfill his promises to us. (We will never see God physically by sight now or in eternity (heaven). We will only see the Lord Jesus Christ and angels.) We must know that the falling away of our churches (that can include you and me), encouraged by Satan so he can rule the world, in this endtimes sequence, is the prime cause of the endtimes Tribulation coming as divine discipline. **Our churches falling away (the source) allows our country to fall away (the symptom).**

(8) Many of our churches are now acting most wrongly as if the current good times will continue indefinitely. They will not. Our churches, not knowing and recognizing the signs of the soon-coming endtimes, lack discernment of their falling away and the need to ready themselves for these endtimes. The Calamity (apart from the signs) will come suddenly without warning (bringing the Tribulation), like a sudden coming earthquake. **When the Calamity comes, there will be no time then or afterward to prepare. We must now prepare our people before the Calamity comes, and not let (allow) our people be caught blind sided without preparation when the Calamity comes. This is unthinkable.**●¹⁰

(9) We must “urgently now” greatly evangelize the children especially out in the community, working with Child Evangelism Fellowship (CEF), and others. This is because: **(1)** 85% of those coming to Christ do so in the age range: 4-14; **(2)** signs now signal loudly that the (limited years with bad conditions) Tribulation is soon coming that will truncate their lives, not allow them to live a normal life span; **(3)** many adults who God has used in great ministries, God saved as children; and **(4)** the coming world government, as satanic strategy, will train the children and youth without the Gospel for world religion without their parent’s permission. **Then, as adults (not being saved), they will live out what they learned as children - now obeying Satan more than God. Not now greatly evangelizing the children out in the community is key satanic strategy.**

(10) *Be careful to remember, the Calamity will come suddenly without warning, like a*

9(...continued)

will go through the endtimes Tribulation. But you and I can return to (or maintain) the needed obedience.

10. **WE “MUST” WARN:** If we do not warn and inform our people about the soon coming endtimes, they can say to us when after being blind sided and then finding themselves in the endtimes under the most terrible conditions: **“Why did you not tell and warn me about the endtimes and my going through them? Why did you not tell me? Then I could have prepared.”** This is another reason why this report brings a Watchman Warning.

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

sudden unexpected earthquake, with a whirlwind great force, when few expect it, believing wrongly good times will indefinitely continue. It will bring at least the sword, famine, and the plague (Revelation 6:8). If we wait for definitive information and exact timing schedules that will never come before we act to train, we will be caught blind sided and unprepared.●¹¹ We will not know the why of what is happening. We must not let this happen to us or to our people. We must act now while we still can, based on the signs and God’s commands. Will your or my Church act? Will we and our family act?

(11) Even though all believers have the faith and hope they will be with Christ and God in eternity after death: **(1)** The majority of the world’s people are unbelievers (with many believing wrong doctrine and are in false religions); **(2)** The majority of Christians today appear to know but little of God’s Word. (They come to Church●¹² and Sunday School to honor and worship God and for fellowship, gaining some of God’s Word. Some are in God’s work. This is particularly true for those churches now implementing the purpose driven life based on the purpose driven church doctrines and practices); **(3)** Only a small number of people, in my observation, really study the Bible in its depth-breadth, including for the Christian life to walk close to God, living by much love and great faith, even though they stand strong in God. (They study selected topics without using a version of God’s Whole Counsel.●¹³ Even so, there are many faithful people most greatly involved in God’s work); and **(4)** However, it appears that only a few number of people are working to go all the way with God, to gain a “maximum” maturity in Christ-likeness, and live to have a maximum relationship with God, walking by very strong faith, love, and hope (hope to be with Christ in heaven in eternity (do they know they should?). There is a remnant working to go all the way with God. I work to be one of these. Some are in combinations. But to have a maximum walk with God in eternity, we should, with help, want to be amongst those in **(4)**. Unfortunately, by observation, some (many?) pastors and church leaders now appear to be (can be) in **(3)**. We can all work to be in **(4)**. **We can all work to be a David: Acts 13:22 ".... 'I have found David the son of Jesse, a man after My heart, who will do all My will.'**

(12) Our leaders must work to teach many very good things, and present a great living-life testimony to the rest of us, for us to gain a maximum maturity in Christ-likeness. They must not mainly teach only good Bible knowledge (content and doctrine), however good. They

11. A FRIEND BEING BLIND SIDED: Years ago I had a friend who had cancer. We gave him nutritional solutions. But he would not do anything until he knew everything in advance and understood the situation as he was doing research for the cure. His desired information never came. As a result of his waiting, the cancer spread, became acute, and killed him. Had he acted when we shared with him, he might be alive today. **Our churches must not make this type of mistake, waiting to gain the precise timing, that will never come, before they act to prepare for the endtimes, or they will be caught blind sided and unprepared. Churches must not let this happen to them. Please implement the recommendations presented in Part Five.**

12. THE TRUE CHURCH: The true Church is the believers in the Gospel and are saved people. Thus, in the Biblical sense, one does not go to church, but instead the Church assembles for worship and Bible study.

13. NOT DOING THIS, TRAINERS AND LEADERS CAN BE IN SIN: Acts 20:26-27 "Therefore I testify to you this day, that I am innocent of the blood of all men. "For I did not shrink from declaring to you the whole purpose (counsel) of God. (Comment: Mine.)

must also train us with a version of God’s Whole Counsel (a complete curriculum) needed to live out experientially God’s required Christian life. (To get there, we need a description of what constitutes a maximally mature person and the steps we must live out experientially to get there. (This is our homework.))

(13) The categories (topics) that are at least needed to be lived out experientially and help us become maximumly mature in Christ-likeness include: (1) living to glorify God by obeying Him; (2) living in head-subordinate relationships (especially in marriage) patterned after the one the Father has with Christ; (3) living as Christ does by only that which comes from the Father as a source (today - only from the Holy Bible (best translation) as a source), nothing from us as a source; (4) living by great love of God obeying His commandments (we must know them) - this includes sacrificially serving and helping others; (5) living by faith in God to fulfill His promises and to work all things together for good in our lives without our having to know all the details in advance (We must know the promises and memorize them); (6) knowing and living by the Beatitudes and the requirements for church leadership; (7) **worshiping, honoring, and glorifying God by singing melody from our hearts unto Him, using hymns and like music when filled with the Holy Spirit; (8) helping to accomplish God’s ministry (work) including: (a) evangelizing the children and adults - especially out in the communities; (b) disciple our people to a maximum maturity - not just work for Christian growth; (c) planting new churches; (d) building godly families; and (e) reaching out to and helping the needy; (9) knowing and standing strong on the basic doctrines of the Christian faith; and (10) having a strong personal devotional life to God where we regularly read our Bibles, and pray about all things and people that God places on our hearts.●¹⁴**

14. BECOMING A TRUE CHRISTIAN (What one must believe and do and not do): To become a Christian or know how to lead others to become one, see our web site document: *God Is Reaching out to You to Become a Christian (We can go to heaven for eternity)*. We are only saved (“founded only” from the Holy Bible) by activated faith (not just by faith): **(1)** believing we are sinners (breaking God’s laws requiring a justice to be satisfied) - Romans 3:23-24; 6:23; **(2)** then believing Christ died on the Cross to satisfy God’s Justice for sin, was buried, and rose bodily from the dead (the Gospel) - John 3:16; Romans 1:16; 1 Corinthians 15:1-4; and **(3)** then believing, we activate our faith by praying to God that we believe what the Bible teaches about the Cross (Gospel) - James 2:17. (The activation could be by being water baptized - Mark 16:16.). (We are not saved by the works (activating actions, including by water baptism by its self), but they activate our faith so we can be saved by living faith.) We do not need to and must not falsely join any organization or church to be saved - we as believers are the Church. (Faith without works is dead - our faith must be activated by some action. *James 2:17 Even so faith, if it has no works, is dead, being by itself.*)

THE BOTTOM LINE FOR ALL OF LIFE: In order to live holy and righteously without sin, the following are necessary founded on our God, having all the only perfection that exists:

- 1. God must give us our every thought and action. We have no inherent righteousness by which to direct our lives.**
- 2. We must trust God by faith to bring all the results of every category in life.**
- 3. As we live our lives, we need to believe that all we are doing is coming from God as a source, nothing from us as a source.**
- 4. Everything we do must be found as one of God’s commandments directly or in application. Only then can we live holy and righteously. We will do this if we love God with all our hearts depending upon His absolute perfection to direct our lives.**
- 5. We are to live as Christ lives with everything coming from God the Father as a source - now from only the Holy Bible - with nothing from ourselves as a source.**

NOTE AND REFERENCED DOCUMENTS: Much of this document is written in summary form without presenting detailed Scriptural development, even though many Scriptures are presented. The development from the Scriptures are presented in the referenced documents. If all the Scriptural development was in this report, it would contain more than 300 pages. It was written in summary form so one can gain rapidly the over-all big picture of today’s situation with God’s plan for history. One can read my free web site reference documents and books listed at the end of and throughout this report for more details and broader understanding with Scriptural development of God’s Plan.

MAIN REPORT

PART ONE:

BACKGROUND INFORMATION THAT HELPS US UNDERSTAND THE OVERALL SITUATION (BIG PICTURE), INCLUDING HOW THE UNITED STATES IS FOUND IN ENDTIMES PROPHECY (Six Sections)

SECTION ONE: BECOMING MATURE IN CHRIST-LIKENESS

God is an “infinitely perfect” (and only) God, who “has always existed,” with all the possible infinite perfect perfection and attributes that exist.●¹⁵ He wants for us, as His created beings, to have (gain) the “most maximum” spiritual maturity in Christ-likeness (not just some spiritual growth) needed for us “to relate maximally to Him” in His Greatness throughout eternity (forever).●¹⁶ Having this happen, God will direct us to live the most and only perfect life that exists, from His infinite perfection.●¹⁷ We, for this to happen, are to pursue a maximum

15. THE ATTRIBUTES OF GOD (HIS GREATNESS); See our web site document: *The Attributes of God* that help us to see and appreciate His infinite Greatness. He has “always” existed. He works with billions of people all at the same time and knows everything (past, present, and future) that can be known. He knows all truth and lives in all parts of the universe that exists simultaneously all the time. He has infinite power to create the universe - it may be infinite in size. He has created all things that exist, including all beings - angels and us humans. He has love, grace, long suffering, and forgiveness. He is and has all the truth that exists. He has all the perfection and greatness that exists. There is much more. We should aim to have a close walk with Him.

16. WE ARE NOW HERE TO BECOME MAXIMALLY MATURE IN CHRIST LIKENESS, WALKING AS CHRIST WALKS: *Hebrews 6:1 Therefore leaving the elementary teaching about the Christ, let us press on to maturity, not laying again a foundation of repentance from dead works and of faith toward God; Colossians 1:28 We proclaim Him, admonishing every man and teaching every man with all wisdom, so that we may present every man complete in Christ.; Ephesians 4:13 until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ.*

This is most important to know and to live by: *1 John 2:6 - the one who says he abides in Him (Christ) ought himself to walk in the same manner as He (Christ) walked.* He only did what came from the Father as a source. (Comments: Mine.). Christ is our only role model. Thus, we must obey and live by only what is in the Bible (from the Father) to do the Father’s will.

John 14:8-11 Philip said to Him, "Lord, show us the Father, and it is enough for us." Jesus said to him, "Have I been so long with you, and yet you have not come to know Me, Philip? He who has seen Me has seen the Father; how can you say, 'Show us the Father'? "Do you not believe that I am in the Father, and the Father is in Me? The words that I say to you I do not speak on My own initiative, but the Father abiding in Me does His works. "Believe Me that I am in the Father and the Father is in Me; otherwise believe because of the works themselves. (We are to live by this method.)

17. WE ARE NOT TO DIRECT OUR OWN LIVES, ACTING LIKE A GOD: This life is not one for us to act as a god, independently, directing our own lives from ourselves and the world. This procedure leads to and is sin. In eternity, God, from His Infinite Perfection, will direct our every thought and action we will ever have (continued...)

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

high-skill maturity without mainly going over and over the fundamentals.●¹⁸ To gain the needed maximum maturity, we must learn to live only as Christ lives with everything coming from God the Father (now the Bible) as a source. For this to happen, we must live to glorify God (not ourselves), by doing “only” what comes from Him as a source (now only from the Holy Bible).●¹⁹ (Apart from Him directing our lives from His perfection, there is no perfect life that exists for us, especially with eternal meaning. Without His perfect life directing us, we will sin, breaking God’s perfect spiritual laws.)

This maximum spiritual maturity is a most high skill mature ability needed “to respond” in (toward having) maximum obedience to our God in His most perfect moment by moment leading and direction. We need to summarize what the Scriptures over all require.●²⁰ (As a start (introduced earlier), see our web site document: *Keys to Becoming Mature in Christ-likeness In Godly Relationship Living* for many aspects we need to live out to gain this maturity and a description of us when we are mature. (I continue to update it as I learn more. I use information from others.) You can also train your Church people and families with our ppt web site charts: *Christian-Life Relationship Principles* found under Training. We can use these charts to train us to live by love and by faith.) God will work all things together for our good. *Romans 8:28 And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose. We must show our love for God by keeping His commandments and by faith, trusting Him to fulfill His promises. Apart from relating to Him, in a maximum response according to His ways, living by His Greatness, throughout eternity, there is nothing. (One can live the way one wants now on earth and forfeit God’s most perfect life for us in eternity.)*

17(...continued)

commensurate with our spiritual ability to respond. We should want to have the greatest spiritual ability to maximally respond to Him, so we can relate to Him and to know Him toward His maximum, in more toward His infinite Greatness. Then we will have the most perfect life that is possible (that exists) to have.

18. **NEW PEOPLE:** We can train new people with special training to bring them up to speed. But with a regular dumbing down, people learn but little, unless they study on their own. This is what I do. Over ninety percent of what I know came from a personal study outside the Church, reading tens of books and reports by others.

19. **WE ARE TO LIVE TO GLORIFY GOD:** *John 17:4 "I (the Lord Jesus Christ) glorified Thee (God the Father) on the earth, having accomplished the work which Thou hast given Me to do. (Comments: Mine.) We are to live as He lives (I John 2:6). John 8:54 Jesus answered, "If I glorify Myself, My glory is nothing; it is My Father who glorifies Me, of whom you say, 'He is our God'. God does not accept glory from us - things that come from us as a source: John 5:41."I do not receive glory from men.*

20. **KEY UNDERSTANDING FOR US TO GAIN MAXIMUM MATURITY:** For us to have the incentive to seek and live by all that (and only that) which comes from God as a source, it helps immensely to appreciate His infinite Greatness. Then, appreciating His Greatness, we will search ALL the Scriptures for ALL that we are to become and for ALL that we are to live out experientially to get there, and do nothing else. (We should record our findings in a computer and update our results when we learn more.) We can let our congregations read them so they can know what God has planned for us, and they can respond better. (Observation shows that most likely very few churches are doing this with excellence, and so one can read such a research of their findings.)

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

To Become maximally mature in Christ-likeness, then, we must at least:

(1) Love God (abiding in His love) with out total being, activating our love, by keeping (obeying) His commandments. *John 15:10 "If you keep My commandments, you will abide in My love; just as I have kept My Father's commandments, and abide in His love.* The greatest love there is can only be learned by us appreciating God's Greatness and by sacrificial love that was demonstrated by Christ dying sacrificially on the Cross for our sin (for our breaking God's perfect laws). This needed maximum love is demonstrated and matured (developed in us) by our appreciating His Greatness such that we live life sacrificially keeping His commandments (that by necessity includes sacrificially helping others that includes sharing the Gospel) that come from Him as a source (not doing anything from us as a source). "We must know what they are." Keeping His commandments, living by love,, abiding in God's love (John 15:10), we live holy and righteous lives and get to know more of God of who and what He is. (How many in our churches know many commandments and/or are searching them out? I have a start. See my web site document: *Living By God's Righteousness* that contains about 300 commandments from the Bible.)

(2) Walk by very strong faith in God to direct our lives. The greatest faith is developed by our trusting God to fulfill His promises to us in a life where there are great difficulties and uncertainties, such as the one we live in, in the worldly environment of the world, the flesh, and the Devil.●²¹ God has allowed the Devil to produce this testing environment, for both God's and the Devil's purposes. God brings this testing environment by having a spiritual warfare between Christ and Satan. We must activate our faith by obeying the instructions with God's promises. We should learn and memorize the promises so we can use them as the need arises and as God directs. This faith must include trusting God, not ourselves, to work all things together for our good (Romans 8:28). When walking by faith, because all things are coming from God as a source, we do not sin, and we gain revelation of the Scriptures. When we need things in our lives that God wants us to have by known needs or by what God leads us to do (desired outcome), we can take faith-action steps (procedure) and God will lead us to have then needed result such as finding a job, a wife, a ministry or knowing a subject in the Scriptures. I have experienced these.

(3) We must not to live by anything that comes from us or from the world (us) as a source,●²² and we are not to live directing our own lives, independent of God. As we live, we must believe that God is directing us to make life's decisions by our faith in Him, (not in ourselves) to do so. **Our whole life is to be one totally directed only by God, in fellowship with Him, living by love and by faith.** Otherwise, we will live on our own, living by sight using our worldly understanding, that results in sin. Our perfect God is the only person who can direct us perfectly without sin. He has all and is the only perfection that exists. All that we have as good comes from Him.

21. **PROMISES:** I have a list of many promises on my web site under Training.

22. **LOVE NOT THE WORLD:** *1 John 2:15 Do not love the world, nor the things in the world. If anyone loves the world, the love of the Father is not in him.*

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

All believers, both believing Jews and Gentiles, appreciating God’s infinite Greatness, should want to gain a maximum maturity in Christ-likeness so we can respond toward and know and relate to our infinite and most perfect God toward His maximum. Then, we can have the greatest and only perfect life that exists. (In order to gain - to train to have - maximum maturity, we need to have a complete curriculum (a version of God’s Whole Counsel) and train with the what and how to’s, examples, testimonies, and with some forms of on-the-job training.) Living this way is all there is. In the eternal perspective, there is nothing else. What else can there be? So what are you and I going to do? What will your and my Church going to do?

Having hearts that love God, we should work to go “all the way” with God. This includes pastors and church leaders. I believe we will do this if we with excellence: (1) appreciate His Infinite Greatness, and thus, search the Scriptures for all that He wants us to become and do. This is so we will live out only that which comes from Him (the Holy Bible today) as a source; and (2) realize or believe our spiritual maturity in Christ-likeness is fixed forever at death (we believe we are here now to gain this maturity). (We must not believe - perhaps by default or lack of action - we can do less without eternally spiritually damaging themselves).

I know that I fall short in doing all of what God wants me to do. But I am looking ahead to make improvements. I continue to study His truth, taking inputs from others, for how He wants me to live.

Philippians 3:12-14 Not that I have already obtained it, or have already become perfect, but I press on in order that I may lay hold of that for which also I was laid hold of by Christ Jesus. Brethren, I do not regard myself as having laid hold of it yet; but one thing I do: forgetting what lies behind and reaching forward to what lies ahead, press on toward the goal for the prize of the upward call of God in Christ Jesus.

A summary of characteristics needed to become mature in Christ taken from my report: *Overview Summary Document: Signs, Characteristics, Beliefs, and Practices of Being or Becoming Highly Mature in Christ-likeness* (includes details for how we walk by faith):

Essential minimum parts of God’s Whole Counsel, as presented in the summary, needed to become maximally mature in Christ include (I have taught these in the adult Sunday school, home studies, and in seminars taking information from many sources): (1) glorify, honor, praise, and obey God, seeking His best - doing and obeying what comes from as a source; (2) live godly in head-subordinate relationships (especially in families) as Christ does with the Father with everything for life coming from the Father as a source; (3) live by faith in God to fulfill His promises, activating our faith with the instructions with the promises, and by sacrificial love (keeping God’s commandments), serving God and others, living out the spiritual requirements for church leadership; (4) be in God’s work of evangelism, discipleship to maximum maturity, not just for some Christian growth, building Godly families, planting churches, and helping the needy; (5) Stand strong on the basic Christian-faith doctrines (we will have our own doctrinal statement of beliefs); and (6) have a personal devotional life of regularly reading and studying the Bible with a maximum prayer life praying about everything

and for all people that God puts on our hearts.

**SECTION TWO:
THE SEQUENCE FOR HOW THE ENDTIMES UNFOLD AND
HOW THE UNITED STATES IS FOUND IN ENDTIMES PROPHECY**

In order to understand how Revelation’s events unfold and to know and recognize the signs that signal the endtimes Calamity and Tribulation are soon coming, it helps to know the sequence that God is using now to terminate history. This sequence is not well known because it is taught indirectly in Scripture. It is found (discovered) by a faith action search of comparing Revelation’s wording and events with those that happened to Old Testament Israel. I found or really discovered the sequence by a faith-action search.●²³ Once you understand the sequence, you will also know how and why God uses the United States in endtimes prophecy to bring the termination of history.●²⁴

God is now terminating the endtimes (history) in a sequence similar to the ones that He used with the O.T. Jews. In this sequence, there is a most favored nation, now the United States (was O.T. Israel).●²⁵ ●²⁶ This sequence in simplicity is: **(1)** the God’s chosen most favored nation gets great blessing from God when her churches and people are in general obedience; **(2)** she gets warnings (including signs from the existing conditions) from His watchmen in her disobedience with the falling away of her churches, people, and country (now happening); **(3)** divine discipline comes for her great continued disobedience that is implemented by a severe Calamity that brings the endtimes Tribulation, under a persecuting world government); **(4)** deliverance of the Church (God’s people - Christians) in Rapture to be with Christ for all

23. ENDTIMES SEQUENCE: The sequence as developed from the Scriptures is presented in my book: *Watchman Warning*, Chapter Five, *The Pattern Sequence of Revelation*, pages 225-246. Key Scriptures for the sequence and its order are found in Leviticus 26 and Deuteronomy 28 and 30:1-4, as were used with O.T. Israel. You are greatly encouraged to read Chapter Five and the references about this sequence. We are calling it a Pattern Sequence because God used it with Israel and is now using it again these endtimes with the United States.

24. REVELATION’S SEQUENCE: It helps to learn Revelation’s sequence by also knowing the seven trumpets come out of the seventh seal and the seven bowls come after the seventh trumpet sounds. Christ returns to rapture the Church after the Tribulation and after the seventh trumpet sounds (after the Tribulation).

25. GREAT BLESSING: God has blessed the United States more than any other nation in history by orders and orders of magnitude, much more than O.T. Israel and even recent years, more than England. This blessing shows she is definitely God’s endtimes most favored nation to be used in the endtimes sequence.

26. THE CHARACTERISTICS OF THE UNITED STATES MATCH THOSE OF ISRAEL SHOWING SHE IS GOD’S ENDTIMES FAVORED NATION: These matching characteristics of the United States with Old Testament Israel as a most favored nation include: **(1)** begins in obedience, ends in disobedience; **(2)** Is more sinful than the surrounding nations; **(3)** no one believes that an enemy will ever take her over; **(4)** God makes her a beautiful and most successful nation, much-much more than all the other nations; **(5)** she is the center of nations; **(6)** trusts in her beauty and plays the role of a harlot in reverse - pays her lovers; **(7)** offers food to those who accept her harlotry; **(8)** she sacrifices her children (sex, abortion, drugs, false ideologies, etc.); **(9)** has biblical signs of apostasy in her endtime period; and **(10)** in her beginning, has a mandate to take the Gospel to the nations which she largely does. (See pages 217-220 of my book: *Watchman Warning* for characteristics with Scriptures.)

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

eternity, comes after the disciplinary period (the Tribulation) is completed; and **(5)** this is followed by the destruction of the world government and destruction of all unbelievers. Then we all are now in our “eternal states” in resurrection bodies. Believers in Christ’s Gospel now go to heaven, and all unbelievers now go to the Lake of Fire.●²⁷

At the time of Christ’s Second Coming, the heavenly court determines that Christ is the winner of (has won) the spiritual warfare over Satan by examining the books (including the Books of Life and of Works) that show all the elect did actually believe and did actually accomplish all of God’s work. This determination followed by the declaration that gives Christ the authority to rapture the Church and to bring the final judgments. **“Only then” can the Rapture take place. The Rapture also cannot take place until after all people who are to live have lived and have made formal and binding decisions in life or by death to accept or reject the Gospel.●²⁸ The Rapture cannot occur until after “all” the tares (unbelievers) are bundled for the fire in the Mark-of-the-Beast Period.●²⁹ No one is born or saved after the Rapture.**

The Church will miss God’s wrath and the Day of the Lord to come. These events are not part of the endtimes Tribulation, but come after its termination, and after the Rapture. They occur on unbelievers in the time of the bowls (2 Peter 3;10; Revelation 15:7; 16:1; 19;15). They occur after the seventh trumpet sounds, in the 1000 years period that are actually only a day - short period of time. This will be shown. **(God’s method is to first deliver His people and then destroy the unbelievers, like He did at Sodom and Gomorrah and at the flood in Noah’s time.)**

27. UNBELIEVERS IN IN ETERNITY: Unbelievers go eternally to the Lake of Fire as an additional (alternative to the Cross) way needed and used by God to satisfy His Justice for sin. We should not want any of us to go there, especially members of our family. The environment is “most terrible:” **(1)** people, amongst other things, will be in eternal absolute blackness (“no light of any amount or of any kind”); **(2)** they will not know why they are there; **(3)** there will be weeping and gnashing of teeth; **(4)** they will not remember any of their past life; **(5)** they will be all alone and will never see another person forever; and **(6)** they will be in most terrible pain and agony. (The Bible states re Judas who betrayed Christ - it would have been better if he had not been born.) In heaven, it will be just the opposite. There will be only light with no darkness. There will be great blessing and no sin or pain of any kind or amount. It will be a most wonderful and perfect eternal relationship with the Lord Jesus Christ and God the Father. It will be the best possible life that exists.

28. PEOPLE SAVED IN THE ENDTIMES TRIBULATION: The Bible does not appear to directly tell us whether or not people (unbelievers) will be saved while in the Tribulation. God appears to have left it as a matter of faith. Thus, we must not wait to save our loved ones. We must work that they be saved before the Calamity comes and Tribulation begins. There are, of course, many believers in the Tribulation - they most likely all enter the Tribulation. The Tribulation is a time that God uses to bring divine discipline on the believers when the unbelievers greatly increase their sin. They do this unknowingly resulting, by Satan’s goals, so the elect will not be saved and/or accomplish God’s work.

29. TARES MUST BE BUNDLED FIRST: *Matthew 13:29-30 "But he said, 'No; lest while you are gathering up the tares, you may root up the wheat with them. 'Allow both to grow together until the harvest; and in the time of the harvest I will say to the reapers, "First gather up the tares and bind them in bundles to burn them up; but gather the wheat into my barn." "* " A tare is one who has formally denied the Gospel in life or by death.

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

Signs and conditions,●³⁰ according to the endtimes sequence, now loudly signal warning that a Calamity, bringing the endtimes Tribulation, will come suddenly at any time, in the next few months to a few years (with only God knowing the precise timing).●³¹ The Church (and world) will soon go through the (Revelation’s) soon-coming Calamity and endtimes Tribulation used as a means to terminate history. The details for what we will most likely experience in the Calamity and Tribulation are presented in **PART FOUR**. “Her (the Church’s) current falling away in the United States in the current endtimes special sequence, is the main cause of the United States as a country falling away and the endtimes coming.” ●³²

30. SOME OF THE ENDTIMES WARNING SIGNS (Now occurring at the “same” time and then with great intensity): (See pages 31-34 of Chapter One of my book: *Watchman Warning* for many. Others are presented as fulfilling principles in Scripture.) Warning Signs that are most loudly signally the soon-coming Calamity, especially in God’s endtimes favored nation (the US) in the endtimes sequence, include: **(1)** “great” inflation with great (severe) economic problems, severe weather (with fire storms and drought), “great tornadoes,” earthquakes; **(2)** promoting to have same sex marriages and abortions; **(3)** increased sin in God’s most favored nation; **(4)** a major falling away of the American churches (God’s people) from obedient faith - now using many of the world’s methods; **(5)** actions to bring world government with things under government control; **(6)** bad spiritual teachings in our schools; **(7)** aliens owning some (much) American property (such as China); **(8)** increase in disease; **(9)** increase in false religion in America’s land today with many beginning in the 1800’s); **(10)** people and churches doing what is right according to their own eyes; **(11)** churches no longer enduring sound doctrine (teaching mainly or only the a,b,c’s and then without sufficient and needed applications, without teacher testimony); **(12)** children and youth are now growing up with the loud Devil’s rock beat structured music (see references presented later) and churches using it, cannot tell the difference between the holy and the profane (such loud and rock beat structured music was used in Voodooism and the cults); and **(13)** many youth having premarital sex;. (See chapter 2 in my book *Watchman Warning* or the individual chapter on my web site under Prophecy for the development of many signs, signally the endtimes sequence.) There are many more.

31. “GUESSTIMATED” (WE DO NOT KNOW THE PRECISE) TIMING FOR WHEN THE TRIBULATION WILL COME (BEGIN); ONLY GOD KNOWS THE PRECISE TIMING: We are not setting dates. This guesstimated timing is meant to provide us information so we can be prepared in advance. It is not meant for accurate timing. **Only God knows the precise timing.** Based on the Jewish system, Christ “may” return at the Jewish Feast of Tabernacles that will occur in some fall (beginning October 15), the seventh month of the Jewish year. The Tribulation, being a non fraction number of years except for the six months in the Mark-of-the-Beast period, may begin six months departure in some spring (about some April 15 and few days following) (expected in the next few years). The number of man is 6 or multiples thereof. There were about 2000 years from Adam to Abraham and about 2000 years from Abraham to Christ. Christ was crucified in AD 30 or AD 33. Thus, the last 2000 years brings the return of Christ to be at about 2030 to 2033. **Thus, because the signs now signal most loudly the endtimes are coming soon, then, as a possible time as of today’s date, it signals the Tribulation could begin in a spring of 2013 or in the next few years. This gives warning we must urgently prepare. Of course we do not know the exact timing. Only God does. It could come at another year or at a different time of the year. We must be prepared and ready just in case. It does not hurt to be prepared early. But late???? And what if the timing is correct or nearly correct and we do not prepare???**

32. THE CAUSE (AND POSSIBLE RESTORATION OF OUR COUNTRY): American Churches, generally, do not realize their falling away, and that they, in the current endtimes sequence, are “the cause” of “the symptom” of the United States country falling away and of the endtimes Calamity and Tribulation coming. **Thus,**
(continued...)

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

We will never get precise timing information as to when the Calamity will come apart from the signs that now strongly signal the endtimes are soon coming. Generally most of God’s people no doubt do not know and recognize the signs that signal the endtimes are coming such that they take appropriate action to prepare. Thus, they very likely will be caught blind sided when the Calamity comes. This is most terrible. “We must warn them (and ourselves).” This is one main purpose of this document.

**SECTION THREE:
THE SPIRITUAL WARFARE**

How did it get started and why? (What is its intensity?)

(Many details of the spiritual warfare are taught indirectly and/or by principle and then are assembled together.)

The details and fact of the spiritual warfare must be known by our churches. They are now falling away by unknowingly implementing many of Satan’s strategies. This section presents how the warfare began, its big picture and its overall purposes. The many strategies of Satan are presented in **Part Two. The warfare purposes over history include: (1) bringing God’s people to a maximum maturity in Christ-likeness; and (2) demonstrating that only God, with His infinite perfection, can work all things together for good.**

Before people came on the earth, Satan, enamored with himself, acted to work all things together for good in his life, using things from himself as a source (Isaiah 14 10-16; Ezekiel 28:14-19). This resulted in sin, breaking God’s laws. God then sentenced him to the Lake of Fire. Satan protested the sentence, saying he should be given the opportunity to show God, that he, like God, can work all things together for good. Being part of His plan, God told Satan I will give you this opportunity.

God told Satan I am going to place humans on the earth for a period of 6000 years (the time determined by Biblical chronology studies). I am placing the names of those who will choose me (I call the elect) in this book. All the people who will ever live, I am placing their names in the Book of Life. If anyone in history does not choose me in life before death, their name will be erased from the book. I am placing the works of the elect in this other book. The works that all people will do, I am placing in the Book of Works. At the end after the 6000 years, I will judge all people according to their works. Neither you nor the Lord Jesus Christ can know any of the names of the elect and/or any of the works they will do in advance. If you (Satan), over

massive revival in most of our churches is the main (only) action that can restore America. (Other actions may be able to slow down the country’s falling away and delay the Tribulation’s coming, but they cannot restore America.) But because many or most of our churches now no longer endure sound doctrine, they do not know they are the cause, and many may not know how to have revival, or even know they should have one. Thus, the needed all-church revival will not happen. (Some revival may come in a few churches that could delay the coming of the Tribulation - one reason for this report.) **But the endtimes Calamity and Tribulation will come without recourse, as biblically prophesied.** This is biblical teaching that the church will fall (has fallen) away from sufficient obedient faith and her falling away is a sign that the Tribulation is coming for divine discipline.

the 6000 years, can prevent any one of the named elect from choosing me and/or if you can prevent any one of the works of the elect from being accomplished, then you will win the warfare. If that should happen, then you will have demonstrated you can work all things together for good. Then, I will exonerate you from going to the Lake of Fire and you can rule over all angels and people forever. If on the other hand, if all the elect choose me and accomplish all of my works, then Christ will have won the warfare. In this, I will lead Christ to do only my will. Then it will be shown, that only I can work all things together for good and without sin, and I can direct others (humans) to live without sin if they will obey me. Then you will be cast into the Lake of Fire forever for your sin. It will have been demonstrated that you are unable to work all things together for good. Only I can. Now the spiritual warfare begins between the Lord Jesus Christ and Satan. Christ will be directed by God and Satan by himself.

Thus, Satan’s many strategies over history are to influence and cause things to happen so the elect will not believe and will not accomplish God’s works. Thus, to help win the warfare, Satan uses many strategies in our lives, churches, country, and world in the attempt to prevent the above from happening. (See **PART TWO** for many of Satan’s strategies. They confirm our understanding is correct.) (Our churches, believing they are doing right, are implementing many of Satan’s strategies without their knowledge or desire.) To win the spiritual warfare (and He will), Christ must respond to God’s leading (using us) such that all of God’s named elect will believe the Gospel and will also accomplish all of God’s chosen works. For the latter to happen, Christ works to have people believe the Gospel and then, to become mature in Christ-likeness for eternity so they can relate maximumly to God, and for us now to do ministry.

God uses the spiritual warfare as a developing environment for us to become maximally mature in Christ-likeness. It has been with us throughout history, beginning with the Garden of Eden. Our greatest sin and the source of other sins is that we, ourselves, try to work all things for good in our lives, believing that we can or that we believe we have no choice, not trusting in God to do so. Such action causes us to take control of our lives, instead of trusting God to do so. This was the great sin of Satan, that he brought for Adam and Eve to commit, so they could wrongly run their own lives. **This is the great sin of the church - all of us.**

Today, large numbers of our churches work using much that comes from them and the world as source (without their realization) without having a basis in the Bible, not knowing sound doctrine. We must live to glorify God for He alone has the only perfection that exists. To glorify God (having His Glory shown), we must use and obey only that which comes only from Him (directly or indirectly or in application) as a source (only that now in the Holy Bible - that which represents Him - John 17:4). He, as presented, does not accept glory from us - things coming from us as a source. (John 5:41). This is another reason He alone must work all things for good on our behalf. This disobedience of large numbers of our American Churches is causing our country to fall away, leading to the coming of the Calamity and endtimes Tribulation. (There are no doubt many churches that have

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

adequate obedience.)

Satan also works, using many people and now many of our churches, to bring (have) a world government over which he will rule as a dictator. As a **Procedure (strategies)** to get the **Outcome**, He works to have same sex marriages and abortion so people will sin and so the elect will not be born. He works to control economies, and bring high inflation so people will not have the funds to support Christian churches and God’s work. He works to have many false religions to help divert people away from the truth of the Gospel so they will not become the elect (Christians). There is much more.

To help accomplish the above, Satan works (has been working) to transform our churches from orthodoxy to be immature with a loss of biblical intellect and to have but a low plateau of biblical knowledge. Churches must discern this situation and work to turn things around. They must bring them to have a much greater obedience to God as defined now by “only” the Bible. Our young people are now growing up with but little knowledge of the Bible, including the Christian walk and Bible prophecy.

The bottom line, presented throughout this report, is that we must become maximumly mature in Christ-likeness so that God will (can) work all things maximumly together for good on our behalf, giving us the most perfect life that exists. He will direct our every thought and action commensurate with our ability to respond, using our divine natures, we gained when saved.

**SECTION FOUR
PROBLEMS IN OUR ENDTIMES CHURCHES.**

The biggest problem our churches have is they (not appreciating God’s infinite Greatness) do not know sufficient doctrine to know (or think about) whether or not that all their actions are from God (divine life) or from them and the world (sin). Being now in the endtimes “under spiritual warfare, implementing satanic strategy,” our churches are now working more for numbers in attendance and for some spiritual growth, than to maximumly mature their own people. **They appear now to no longer know sound doctrine. God generally only reveals the depths of His truth to believers who are greatly walking with Him, from loving faith, and are searching the Scriptures, and/or are called by Him in obedience and to accomplish specific tasks.** They are wrongly using many of the world’s standards such as for music, signs (such as used on our church signs and bulletins), casual clothing purposely, and low-level teaching (only the fundamental basics). They are falling short in maximumly maturing their people and in evangelizing the children out in the community. **We should not be doing these things from and according to the world.** *Romans 12:2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what the will of God is, that which is good and acceptable and perfect.*

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

Our American Churches are falling away, implementing Satan’s strategies, ●³³ by at least: **(1)** not sufficiently maturing their people in Christ-likeness with a complete curriculum (instead mainly training for some Christian growth); **(2)** using the world’s (the Devil’s) profane loud rock structured music in the worship services and Sunday Schools that most seriously and wrongly effects her people so they will not know and be committed to Scripture and the ministry (there are exceptions); and **(3)** not working adequately to evangelize the children out in the community. To help (not realizing they are sinning) do the above, our churches are removing the organ and piano, going to a drum band. They are purposely going to wearing casual clothes to draw the youth into the churches. As a result our Churches are being transformed to become immature with a loss of biblical intellect and with a low plateau of biblical knowledge. Our youth, in my observation, are growing up now with but limited knowledge of the Bible and how to live the Christian life. In time, few will know the Bible in any depth and be in God’s work. Our churches do not understand the purposes and strategies of the spiritual warfare between Christ and Satan. As a result, they, now no longer enduring sound doctrine, are implementing many of Satan’s strategies, without their realization or desire, causing their major falling away, being transformed. **All of this is satanic strategy.**

As presented, Satan implements strategies to help prevent the elect from being born and/or becoming the elect and prevent the elect from accomplishing God’s work. He must do these in order to win the warfare, and to demonstrate that he, like God, can work all things together for his good. He deceives churches to do his will unknowingly (resulting in sin). Without now knowing sound doctrine, our churches are now implementing many of the above satanic strategies to bring in numbers of the youth, at the expense of no longer maturing their own people, including the youth, in Christ-likeness. We now have, in my view, immature, lukewarm, and transformed churches. The bottom line is they must learn to walk by faith, trusting God to lead them, without knowing everything in advance. ●³⁴

33. CHURCH PROBLEM: The great problem we have is that our churches do not realize their falling away (they certainly do not want to fall away) - not enduring (knowing) sound doctrine. The Bible teaches that in the endtimes, there will be a great falling away. (Our churches now do not know or recognize the signs that signal the Calamity is coming soon. Thus, they do not warn and ready their people.) (As stated, many of the current signs have been here for some time, but with much less magnitude. But, I have not seen them so strong, as they are now, such as especially inflation, the extreme weather with tornadoes, and same sex marriages.) *1 Timothy 4:1 But the Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons,*

34. WHAT OUR CHURCHES MUST SEE AND IMPLEMENT: Not seeing the need to mature their people to the maximum in Christ-likeness and/or not knowing how (thus wrongly working mainly now for only some Christian growth) and believing wrongly that the Church will be raptured before the endtimes Tribulation begins is Satanic strategy. This strategy is designed so the Church people: **(1)** will not be in great ministry, thus helping to prevent the elect from believing and accomplishing God’s work; **(2)** will be caught blind sided, not being prepared for when the Calamity comes; and **(3)** will not know what is happening and will not have been previously warned to prepare. As a result, many will die and will fall away from the faith when the most terrible unexpected Calamity and Tribulation conditions and persecution come that they will experience.

(continued...)

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

In our understanding, the coming of the endtimes Tribulation is impending. We do not have statistics, but most churches today appear to be living wrongly as if the present good times will continue indefinitely (and/or that they will be raptured before the Tribulation comes). They will not. Many churches do not now appear to know endtimes prophecy in any depth or know and can recognize the signs that signal a soon coming Calamity and Tribulation. There are many views of endtimes prophecy. (The understanding of prophecy is complex.) Churches generally are not projecting ahead to see what is coming, why what is coming (the cause), and for what and how they now must most urgently prepare (or should already be prepared). Thus, most churches will be caught blind sided and unprepared when the Calamity suddenly comes without warning apart from the signs, including particularly those who believe wrongly a Pre-Tribulation Rapture, who believe they do not need to prepare.●³⁵ This Church action is also happening as satanic strategy so Christians in the Tribulation will not stand strong under persecution and thus, will fall away from the faith giving Satan more power to help fulfill his plans.

Many or most Christians, (even pastors) most likely now, do not understand or know Bible prophecy in its depth, including that they do not realize our church people will go through the endtimes Tribulation and thus, are not preparing for it (or even know there is one). They do not know or realize that we are here to gain a maximum maturity in Christ-likeness (demonstrated by their lack of doing the needed training and not living out the principles in testimony) so we can relate eternally to our most infinite and perfect God toward His maximum. Thus, they most often work to gain much Christian growth, but not to gain maximum maturity.

34(...continued)

Our churches should now “urgently:” **(1)** work to maximally mature their people, including to especially to walk by very strong faith in God to work all things together for good and to fulfill His promises, to be prepared for eternity (and going through the endtimes); **(2)** being filled with the Holy Spirit, use only the Bible’s music with “dominate melody,” sang from the heart, such as using the hymns; **(3)** place their people into home underground churches with needed provisions and needs-of-life for at least a 3-6 months “or more” without the need to go the market place. (In the Tribulation, there will be great food and water shortages with many power blackouts.); and **(4)** go all out to evangelize the children out in the community such as working with CEF to begin tens of after-school Bible clubs and tens of summer 5-Day clubs and also, very importantly, do on-the-way evangelism out in the community to individuals and families (such as in food stores and eating places) with salvation booklets to pass out. I do some of this. I have my own salvation booklets.

35. NOTE: However, many churches, for a long time, have believed wrongly in a Pre-Tribulation Rapture, and thus, believe “wrongly” they will not go through the Tribulation. As will be shown in Part Three, the Bible teaches unambiguously the Church will go through the endtimes Tribulation. This wrong Pre-tribulation Rapture view being based wrongly mainly on assertions, not on doctrines, is not taught in the Bible. There are many doctrines, presented in Part Three and Appendix Three, that totally and unambiguously refute this view. The Pre-Tribulation Rapture View first came into being by Margaret Mac Donald in 1825 AD. The view came at the time when the population is exponentially increasing in order to mis-lead our churches, indirectly influencing them to fall short of doing all that God wants. It has caused them to take inactive approaches. Many or most churches today, not now enduring sound doctrine, very likely do not have a prophecy view, for it takes much time to learn and integrate the many aspects and applicable doctrines. So they are not preparing for the endtimes. (There are at least six different prophecy views in prophecy books. They sequence the Tribulation, the Rapture, no Tribulation, the 1000 years, and Christ’s Second Coming in all the possible ways.)

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

Many or most churches now do not appear to appreciate His infinite Greatness. Thus, as previously presented, they do not search the entire Bible for “all” that God wants for us to become and for “all” the steps or principles we are to live out experientially to get there - to become maximally mature in Christ-likeness. (If we were maximally mature, we would know and live out most of the steps.) They do not understand that God wants us to become maximally high skill mature in Christ-likeness so we can relate to and fellowship with Him in a maximum way. By their actions or lack of them, they do not demonstrate the understanding that they must obey only what is in the Bible so that God can work all things maximally together for their good. God must direct our lives for us to have the most perfect life that exists. Thus, we must learn in depth what the Bible teaches.

Churches, instead, are doing largely what is right according to their own eyes, using much from the world, and without “only” doing what is required by God - that which is only in (or from) the Bible (using a good translation, not a paraphrase). ●³⁶ Of course God’s people want to do right, but do they know how with excellence and completeness? Churches are doing some good, but how well are they searching out with excellence to do only and “all” of what God wants?

The situation we have is that the Bible does not teach directly whether or not our maturity will or can increase in heaven. God has left it as a matter of faith. So people, without a direct teaching, most often appear to work to gain some obedience to God that is directly taught with some Christian growth based on what they know, but do not to seek the outcome (or know what constitutes it) of having maximum spiritual maturity. But as being shared, we are commanded to pursue maturity. Signs, such as the current developing environment of the world, flesh, and the devil and our sin natures will not be in heaven, signals, but does not directly teach, that our maturity most likely will not increase in heaven (we will not be able to sin, making development mistakes). However, with no sin natures in heaven, we can not sin - make mistakes. We cannot direct ourselves. **If we pursue maximum maturity that God commands that we do, then we will have the best and correct life either way.** This, we must do. (What are you and your church going to do?)

Thus, churches, mainly having a weekly sermon and Sunday School, very often work mainly

36. IN ETERNITY: Believers most likely will enter eternity with many different skill levels of spiritual maturity; many with much less maturity than God wants and has planned (desires) for His people. This is a most “terrible eternal result” for the believer for we need a maximum maturity to have a maximum relationship to God amidst His Greatness, learning and experiencing more of His Greatness. Then we can know and experience more of His Greatness. As stated, apart from a great relationship with Him when He directs our lives with His Greatness, giving us a perfect life (all the perfection that exists that we can have), there is nothing. Observation shows that large number of church people believe the Gospel and are committed to God and to Christ. This is great. The church has many people involved in God’s work. But the number who have the greater maturities in Christ appear to be lower in number - especially among the younger people. This as resulted in our churches now mainly only teaching the fundamentals and using the loud Devil’s rock beat music, falling away from obedient faith.

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

for some Christian growth with but the most basic teachings, and numbers for attendance (and finances), without working mainly, at first priority, to maximally mature their own people in Christ-likeness. **Doing mainly this, they are not taking care of their own. This is major sin.**●³⁷ They do not work sufficiently to evangelize and disciple the children and youth out in the community. **In these times, churches (with some exceptions) have lost much or most of their excellence before God, so as not to do all He wants and to the degree He wants it done, and do nothing else. Churches have lost their understanding that apart from our relating maximally to God, so we can know and relate maximally to Him in His Greatness, there is nothing. As a result, our children growing up will be implementing much of satanic strategy. This is leading to transformed immature churches.**

SECTION FIVE

CHRIST NOW RULES FROM HEAVEN WITH THE KINGDOM OF GOD

Christ now rules from heaven, sitting on David’s throne (Acts 2:29-31), at the right hand of God the Father over “the relationship” Kingdom of God. This Kingdom rules in the believers’s hearts over the entire earth. All believers in the Gospel (the Church), both Jews and Gentiles, are in this relationship Kingdom of God. This kingdom, being a relationship kingdom ruled from heaven, is not a physical kingdom on and ruled from the earth. Thus, there will not be a Kingdom of God ruled physically on (from) earth during (in) the 1000 years ruled by the Jews. It would have no relationship or purpose to God.●³⁸ (The Scriptures teach in Isaiah 2 that in the endtimes there will be good times. But his endtimes is the end of Israel’s age at the time of the Cross, not the endtimes of the endtimes Tribulation.)

The goal to become maximally mature in Christ-likeness for eternity is the same for all ethnic groups, including for both Jews and Gentiles, all who are believers in the Gospel. So there is no such thing, as previously presented, as Christ having two separate “saved” groups such as Israel and the Church. (After the Cross, such a separation has no purpose.) All believers, both Jews and Gentiles (all ethnic groups), from all of history,

37. NOT TAKING CARE OF YOUR OWN: *1 Timothy 5:8 But if anyone does not provide for his own, and especially for those of his household, he has denied the faith, and is worse than an unbeliever.*

38. PHYSICAL IN THE OT, SPIRITUAL IN THE NT: The Bible presents many things in the O.T. as happening in the physical, but that will actually happen in the spiritual in the NT. For example, the Kingdom of God was presented in the Gospel times as possibly happening physically on the earth (e.g. Luke 22:15-18), but it was implemented in the N.T. Epistles being ruled spiritually from heaven by Christ sitting on David’s throne. David’s throne in the future was also thought to be on the earth, but it is now in heaven. This was done so the Jews would have the Romans crucify the Christ. *1 Corinthians 2:8 the wisdom which none of the rulers of this age has understood; for if they had understood it they would not have crucified the Lord of glory; Luke 1:32 "He will be great and will be called the Son of the Most High; and the Lord God will give Him the throne of His father David; Acts 2:30 "And so, because he was a prophet and knew that God had sworn to him with an oath to seat one of his descendants on his throne, Acts 7:49 'Heaven is My throne, And earth is the footstool of My feet; What kind of house will you build for Me?' says the Lord, 'Or what place is there for My repose?*

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”

including in the endtimes Tribulation, are part of and compose the Church. Believing Christ has two groups violates Scripture.●³⁹ The Cross established all believers, both Jews and Gentiles as one body in Christ, being His single Church. So any prophecy view that separates believers into two groups, such as Israel and the Church or that states there are exclusive Jewish periods coming, “cannot be correct under any circumstances.” It will be shown that the endtimes Tribulation is all nations in characteristic, not at all exclusively Jewish that would be required for a wrong Pre-Tribulation Rapture view of the all-nations (both Jews and Gentiles) Church.

SECTION SIX

WHAT MUST HAPPEN BEFORE SPECIFIC ENDTIMES EVENTS CAN OCCUR THAT ARE REQUIRED TO BRING THE ENDTIMES AND TERMINATE HISTORY

- 1. The ENDTIMES TRIBULATION can only begin after the endtimes American Church (now in the endtimes sequence) has sufficiently fallen away from God’s required faith and obedience. The precise timing by people can only be guesstimated by the signs, which are here now. Only God knows the timing.**
- 2. The RAPTURE AND THE TERMINATION OF HISTORY can only occur after the heavenly court after the Tribulation has determined that Christ has won the spiritual warfare over Satan, and has given Him (Christ) the authority.**
- 3. The RAPTURE of the Church (consisting of all both Jewish and Gentile believers) can only take place after all the people who are to live, have lived, and have made formal and binding decisions to accept or deny the Gospel in life or by death. People make these final decisions in the Tribulation. No one is born or saved after the Rapture. The Rapture can only happen in deliverance of God’s people, according to the endtimes sequence, after the termination of the divine discipline period of the endtimes Tribulation.**
- 4. CHRIST’S SECOND COMING can only occur after the Tribulation period after all people who are to live and have made formal decisions in life or by death to accept or deny the Gospel and after the endtimes discipline period has been completed.**
- 5. There is no KINGDOM OF GOD coming “on the earth” (e.g. in the 1000 years) after the Rapture during Christ’s Second Coming. The Kingdom of God, being a relationship kingdom, is always ruled from heaven. It is here and ruling that way now.**

39. JEWS AND GENTILES ARE ONE IN CHRIST WITHOUT ETHNIC DIVISION: *Ephesians 2:13-16 But now in Christ Jesus you (Gentiles) who formerly were far off have been brought near by the blood of Christ. For He Himself is our peace, who made both groups (Jews and Gentiles) into one, and broke down the barrier of the dividing wall, by abolishing in His flesh the enmity, which is the Law of commandments contained in ordinances, that in Himself He might make the two (Jews and Gentiles) into one new man, thus establishing peace, and might reconcile them both (Jews and Gentiles) in one body to God through the cross, by it having put to death the enmity. (Comments: Mine.) Galatians 3:28 There is neither Jew nor Greek, there is neither slave nor free man, there is neither male nor female; for you are all one in Christ Jesus. (See also: Romans 10:12; Colossians 3:11)*

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

6. The 1000 years of Revelation are but a day of time when the Church, ruling with Christ from heaven after the Rapture, determines that none left on earth is saved or can be saved. Then, and only then, the final judgements come for unbelievers.

7. The Church is resurrected (at the Rapture) and rewarded at the beginning of the 1000 years (after the Tribulation) as a day at Christ’s Second Coming. Believers go to heaven with a New Jerusalem and a New Earth. Unbelievers are resurrected at the end of the last day, judged, and cast into the Lake of Fire. The Old Earth and heavens are destroyed, being burned with fire.

NOTE: The world is not Christianized before Christ or the Tribulation come, as some believe. The situation is just the opposite. The people in the endtimes Tribulation are in great apostasy - see the Mark-of-the-Beast Period. There are unbelievers in every earth period. Unbelievers rule the earth as the endtimes unfold, using world government under the dragon (Satan), beast, and false prophet.

PART TWO

SATAN’S STRATEGIES IN THE SPIRITUAL WARFARE TO HELP HIM WIN THE SPIRITUAL WARFARE AND TO RULE ON THE EARTH●⁴⁰

(That contained in Section Three of Part One is an introduction to this section.)

(Churches must understand that they and the world are in spiritual warfare. We must be careful to do God’s will, never Satan’s. But many churches today, by their adoption, are implementing Satan’s strategies without their knowing or desire because they do not adequately know sufficient doctrine.)

KEY ASPECTS OF THE SPIRITUAL WARFARE

- 1. God established the spiritual warfare as a development environment (the world, flesh, and the devil) to bring the responding elect to maximum maturity in Christ-likeness so they could have a maximum relationship with God both now and especially in eternity. The warfare was also to prove to Satan (and all people) that only God can successfully work all things together for good (and without sin) and that he, Satan, could not.**
- 2. Satan works to have all things work together for his good so that he can rule over all people and angels forever (as a god) and avoid going to the Lake of Fire. He wanted to show God that he (Satan) also can work all things together for his (Satan’s) good.**

However, Satan is failing (he cannot win) and will continue to fail, because only our perfect God using Christ can win. Satan is without ability and know how.

SUMMARY OF WARFARE OBJECTIVES AS SATAN’S STRATEGIES

1. KNOWN BIBLICAL SATANIC STRATEGIES

(Demonstrating Also That God Works to Maintain the Warfare Fair.)

- * As part of God’s Plan, Satan (Using himself as a serpent in disguise) deceived Adam and Eve to sin by their eating of the tree of the Knowledge of Good and Evil (that God said that they were not to do). Being deceived by Satan, they did this so that they themselves in their lives, from their viewpoint, could have the knowledge needed to work all things together for their good on their behalf. They did not know that God would perfectly work all things together for their good. They, in their immaturity, did not believe God that they would die. Then, in their disobedience (not being spiritually mature needed to obey God), they received a sin nature by which they will sin and not obey God. **Now all people will be (are) born with a sin nature that wants to sin instead of obeying God. (They are now born condemned to go to the Lake of Fire to satisfy God’s Justice for sin, unless some action occurs on their behalf changes the situation - the future Cross of Christ.) People (not being able) act now to work all things together for their good by themselves.** People remaining in this state will not become the elect and/or not accomplish God’s work. Satan would win the warfare. (Genesis 2:16-17; 3:1-8)

Genesis 3:2-7 And the woman said to the serpent, "From the fruit of the trees of the garden we may eat; but from the fruit of the tree which is in the middle of the garden, God has said, 'You shall not eat from it or touch it, lest you die.' " And the serpent said to the woman, "You surely shall not die! "For God knows that in the day you eat from it your eyes will be opened, and you will be like God, knowing good and evil." When the woman saw that the tree was good for food, and that it was a delight to the eyes, and that the tree was desirable to make one wise, she took from its fruit and ate; and she gave also to her husband with her, and he ate. Then the eyes of both of them were opened, and they knew that they were naked; and they sewed fig leaves together and made themselves loin coverings.

- * In Noah’s time, Satan had the angels have sex relations with human women to produce a hybrid race. This was to keep Christ from being born a pure human. So God, to keep the warfare fair (to prevent all people eventually from becoming hybrids), brought the flood to kill the people after having Noah escape with his family using the ark. (*Genesis 6:2 that the sons of God (angels ●⁴¹) saw that the daughters of men were beautiful; and they took wives for*

41. **SONS OF GOD:** The Bible, in my view combining Scriptures (certainly not directly taught), teaches that before the flood, the sons of God (angels) had relations with human women to produce a high-bred race. This is when the angels left their first estate (domain) - Jude 1:6. God acted to stop the progression of this procedure with the universal flood so pure human elect might not be born and the Savior could not come being born in the likeness of man. (Genesis 6:1-4; Gen 6: 5 to 7:24; Job 1:6-7; 2:1-2; Jude 1:6) Noah had to use great faith-obedience in God and what He said so that he, over many years, would continue to build the ark as God

themselves, whomever they chose. (Comment: Mine.) Genesis 6:4 The Nephilim were on the earth in those days, and also afterward, when the sons of God came in to the daughters of men, and they bore children to them. Those were the mighty men who were of old, men of renown. The term “sons of God” is also used for people.)

- * Satan at the Tower of Babel worked to control the lives of all people (when, at that time, all people lived together in the same area and used the same language). To make the warfare fair, God gave the people different languages and moved them to different geographical locations on the earth by language. Then Satan could no longer have direct control over all people. (At this time, the total population was small - not anywhere near as large as it is today, or at the time of the Cross.) (Genesis 11:1-9)
- * Satan had the people of Sodom and Gomorrah to have same sex relationships so the elect would not be born. God kept the warfare fair by taking Lot and his family out of the area to live elsewhere. Then God, afterward, destroyed the people and the area in Sodom and Gomorrah. (Genesis 19:1-29; 2 Peter 2:6-7)
- * **Satan worked to have Christ killed on the Cross so, from his viewpoint, Christ might not accomplish God’s will. But not knowing Scripture and thus, most likely not sufficiently knowing and understanding He was the Messiah and the need to satisfy God’s justice for sin using Him, Satan worked to have Christ die by crucifixion. By doing so, Satan caused his own defeat. (This is God’s way.) Becoming believers via the Cross with Christ’s death and resurrection (the Gospel), people in the world now can be evangelized, allowing the elect to be saved (from both the Old and New Testaments), and they with the elect, being trained, can accomplish God’s work.●⁴² This is because now people can be saved (become the elect) and go to heaven. When they believe, they receive a new divine nature that legally represents them and cannot sin (their sin nature still does) that allows one to gain maturity in Christ-likeness as God directs in the divine nature (but it no longer legally represents them). Thus, they now have eternal life and cannot lose their salvation. They can now do the work of God. (When we go into heaven, our sin natures are removed from us. We will not be able to sin. God will direct every thought and action we will have,**

commanded.

42. INCREASED EVANGELISM AND BIBLE TRAINING: With the discovery of radio and electricity, we now have invention capability through the printing press, radio (including short wave and over satellites) and television including by satellite, cell phones, telephones, microphones, and the internet with face book to take the Gospel and Bible teaching to the world. There is now much travel by airplane, large ships, railroad, and auto. **These inventions and creations have come since the 1800's when the world's population is now most greatly increasing exponentially - most greatly. There had to be a means to reach the people with the Gospel and then mature them in Christ-likeness. Satan also started many false religions and false doctrines since the 1800's to deceive the people to believe wrongly.** He brought in the Pre-Tribulation Rapture view as one of them.

commensurate with our trained spiritual ability to respond in our divine natures.)

* There are many others in the Bible.

NOTE: In difficult times, as previously presented, God first delivers His own people, and then destroys the rest of the people (unbelievers). This was demonstrated at Noah’s Flood and in Sodom and Gomorrah. This is actually a model for the time of the Rapture. God delivers His Church in Rapture at Christ’s Second Coming after the Tribulation, and then afterward, destroys all the remaining living unbelievers in His wrath at the “last” Day of the Lord. Believers will not experience these.

Before the Cross, although being justified, all believers were held in the Dominion of Satan under Satan’s eternal control in the earth. After the Cross, satisfying God’s justice for sin, with salvation at His Ascension, Christ took all those believers from the Dominion of Satan under Satan’s control into heaven to be in the Kingdom of God under His control. Now salvation was actually applied to them. Now all believers in death go to heaven under Christ’s control.

Colossians 1:13-14 For He rescued us (both Jews and Gentiles as believers) from the domain of darkness (controlled by Satan), and transferred us to the kingdom of His beloved Son, in whom we have redemption, the forgiveness of sins. (Comments: Mine.)

2. ENDTIMES SATANIC STRATEGIES OBSERVED ACCORDING TO BIBLICAL PRINCIPLES (Not Necessarily Presented Directly in the Bible and We Do Not Have Statistics; Much by Observations.)

As previously introduced, Churches are implementing many of Satan’s strategies without their realization or desire, because in these endtimes they now no longer endure sound doctrine and cannot tell the difference between the holy from the profane.●⁴³ Where there are exceptions, they now are no longer attempting to discover and do all of God’s will and to the extent, He wants it done. So, not now knowing sufficient doctrine and not having sufficient commitment to work with God for excellence, we have churches today working in compromise and becoming transformed to become immature churches. (This action is happening generally without their knowledge or desire - not knowing sufficient doctrine.) They are using worldly and non-biblical principles and doctrines which are sin. They work mainly for Christian growth without working to maximally mature their people in Christ-likeness (do they have a written description of a maximally mature Christian?). They even use the world’s symbols on their signs, literature, and bulletins. Doing so is a sign that Satan has taken some charge and/or they are not enduring (not knowing) sufficient sound doctrine. This is satanic strategy. (*Romans 12:2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove*

43. **CONCEPT:** The concept of not being able to tell the difference between the holy (being of God) and profane (not being of God) was introduced in the Old Testament: *Ezekiel 22:26 "Her priests have done violence to My law and have profaned My holy things; they have made no distinction between the holy and the profane, and they have not taught the difference between the unclean and the clean; and they hide their eyes from My sabbaths, and I am profaned among them.*

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

what the will of God is, that which is good and acceptable and perfect.)

The following are “observed” strategies that Satan uses to influence many or most of our churches today to do much of his will and/or that which comes from the churches no longer enduring (knowing) sound doctrine. This is so they will no longer do all that God wants done and do things He does not want, resulting in sin. (There are no doubt exceptions in churches, and we may not be totally correct in all of the listed strategies.)

- * Churches do not realize that many adults now in key ministries were saved as children.●⁴⁴ So they are not going “all out” to save (evangelize) and disciple the children out in the community. (This is a satanic strategy to reduce the adult ministry.) They mainly do only some evangelization of the children and the youth, out in the community. **In the Tribulation, the government will act to control and satanically educate the children.**

- * **Most churches do not appear to appreciate God’s infinite Greatness so they do all and only that which is in the Bible to become and do maximally what God wants (for us to become maximally mature in Christ-likeness for eternity).** Being Christians and loving God, believers want to go to Church to honor and worship God, attend Sunday School, and be in fellowship groups. However, from Satan’s perspective, have the church people (believers) believe that all they have to do to please God is to attend church, Sunday school, and fellowship groups: **(1)** without being in ministry; **(2)** without being mature in Christ-likeness; and **(3)** without needing to live out key aspects of the Christian life. Many churches want to go all the way with God without knowing sufficiently with what to train. This can result from having pastors, seminaries, and Bible schools teach Bible content and doctrines, but not adequately how to live the Christian life to become maximally mature in Christ-likeness (not having a written description of what constitutes a maximally mature Christian). Have them not do expository preaching, going verse by verse, but use only a few key teachings. Thus, they work mainly for some Christian growth, falling way short of the needed maturity. They, in my observation, no longer have or use a complete curriculum (a version of God’s Whole Counsel), particularly for how to live the Christian life, including by love and by faith, to become maximally mature. Churches are not: **(1)** doing sufficient evangelism out in the community; and **(2)** maturing their own people adequately. This results in people not knowing how to live the Christian life, evangelize, and disciple in any greatness, such as led of God. This is satanic strategy to lesson the work of God and to have managers in the churches, and no longer leaders who will determine all that God wants done and then do it with excellence. They are not looking ahead to see what is coming for the endtimes, so they will alert and train their people. So they do some very good ministry, but “fall way short” of all that “God” wants done. (Sadly, I also need to know more myself about what describes a maximally mature Christian, so I can become one - even though I have written a paper on

44. **WELL- KNOWN CHRISTIANS WHO WERE SAVED IN THE AGE GROUP 4-14 YEARS:** Corrie Ten Boom, Amy Carmichael, James Dobson, Jonathan Edwards, Leighton Ford, Bill Gothard, Billy and Ruth Graham, Matthew Henry, Henrietta Mears, Luis Palau, Polycarp, and Dr. Isaac Watts. (And all my four kids.)

many characteristics.) (Of course there can be many exceptions. Some churches can be doing a great job. But are they today in the minority?) ●⁴⁵

- * Satan has the youth now growing up on the world’s (Satan’s) loud rock beat “structured type” music. So now they do not want to come to Church unless it and generally only low level teaching are used now in the church services and in the Sunday Schools. This is so churches will use it to gain numbers and doing some good things, but not have the need to gain maximum spirit maturity, so they will do little evangelism for the elect to believe. Churches do not appear to do the research to know that such structured loud music was used in Voodooism and the cults to call up evil spirits and demons. **Thus, its structure and loudness is demonic.** ●⁴⁶ Such music brings worship to Satan, not to God. Does God listen to it? ●⁴⁷ The music, on the average, tends to desensitize one to the leading of the Holy Spirit, and thus, deters maximum learning, commitment to become maximally mature, and doing ministry or the desire to do so. It tends to have one pay more attention to the music, instead of to the lyrics. Such music use is satanic strategy. ●⁴⁸ ●⁴⁹ **Churches should not use such**

45. **CAUSE OF SIN:** Sin is caused by ourselves working all things together for good in our lives independent of God by default or by choice (including especially being enamored with ourselves, believing that we can - this was the great sin of Satan). Having only sin natures we do by default. **One can only live without sin when their lives are directed by God.**

It presents the Church Growth Movement and the wrong things it is doing to our churches.

47. **DOES GOD NOW LISTEN OUR ROCK MUSIC IN OUR CHURCHES?:** In times of falling away, God does not listen to our music. See: *Amos 5:23 "Take away from Me the noise of your songs; I will not even listen to the sound of your harps.*

48. **QUOTE FROM DAVID CLOUD, BAPTIST MINISTER:** Music is not neutral. There is music which encourages demonic action activity, and there is music which encourages Holy Spirit activity. There is music which ministers to the carnal side of man, and there is music which ministers to the spiritual side of man. Rock music has always been associated with the carnal and demonic. It has no legitimate place in Christian life and ministry. (My comment: Dominate melody encourages Holy Spirit activity. *Ephesians 5:18-19but be filled with the Spirit, speaking to one another in psalms and hymns and spiritual songs, singing and making melody with your heart to the Lord;*)

49. **CHURCH REQUIREMENTS (Satan’s in my view) FROM THE PURPOSE DRIVEN SADDLE BACK CHURCH (from seminars - a paper by Dennis Costella: *The Church Growth Movement - An Analysis of the “Purpose Driven” Church Growth Strategy*):** The items for church growth (with mainly gaining numbers of attendance? - my comment) must include: (1) all traditional values and traditional church services must go; (2) the message must be positive and non-threatening, and meet the people’s needs as they see them; (3) the organ and piano must be replaced by a a band with drums; (4) the dress must be informal and casual; (5) use easy-to-read (paraphrased)Bibles, not the King James or other accurate Bibles; (6) evangelism only in the church (do they have the correct message?); and (7) do not teach doctrine in the church services (then when? My comment). **(This procedure represents a major falling away from God’s excellence and, in my view,**

music because it is not in the Bible. Its use is the result of our churches working things together by themselves independent of God. This makes it sin.

If we are filled with the Holy Spirit, we will sing the Hymns with melody from our hearts unto the Lord. *Ephesians 5:18-19but be filled with the Spirit, speaking to one another in psalms and hymns and spiritual songs, singing and making melody with your heart to the Lord;* See also Psalm 98:5 and Isaiah 51:3 for God’s way to use melody and Matthew 26:30 for singing a hymn. One can use trumpet toots and loud drum beats in our music to bring fun and life to the music. But as rhythm, they cannot be dominate and continuous, The melody must be dominate, so the music can be biblical (honoring God) and sung from the heart unto the Lord.

Some are ministering in the Church, with doing less in the community. Many observant Christians have warned of the dangers of using loud rock beat structured music.●⁵⁰ ●⁵¹

is major sin and most likely satanic strategy.)

Many analysts state their greatest problem is not so much what they teach, but instead what they leave out of their teaching. The above combined together shows a maximum departure from God’s excellence. Yet many churches have implemented it. Why? Do they any longer endure sound doctrine? If they were truly led of the Holy Spirit would they not attempt to mature their own people at high priority?

50. MANY SPEAK AGAINST USING ROCK TYPE MUSIC IN OUR CHURCHES: Experts, the professional musicians, tell us that good music has the melody dominant, the harmony is next, and the rhythm under control. One can have trumpet toots, cymbal crashes, and drum beats and roles that bring fun and life to the music, but not “repetitive” loud and/or dominant beat. ***Would not God use the best music and that of the heart in reverence to God? According to the Bible, God’s music has the melody dominate.***

When we stand (and bow) before Christ in eternity, are we going to sing *How Great Thou Art* praising Him or dance and move our arms before Him with rock music? You know my answer. If we will not do it then, then why use such music now? To me, using it is a major falling away from God, certainly from His best. **It can only be an affront to God. We should work to have excellence before our God, doing what He commands.**

(However, being before the Lord in heaven, we will all bow our knees and probably fall on our faces. *Philippians 2:9-11 Therefore also God highly exalted Him, and bestowed on Him the name which is above every name, that at the name of Jesus every knee should bow, of those who are in heaven, and on earth, and under the earth, and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.*)

These comments about the evils of rock music in our churches may appear to be strong. But we must clearly understand the spiritual warfare environment in which we are living and where it is going and why. The comments are shared from love and as an encouragement to have greater obedience to the Lord, bringing more honor to Him.

Many observing youth today think that the church, by its lack of ministry and testimony has no value, is not now going anywhere, so why attend. They do not realize their eternal destination and the need to gain maturity in Christ-likeness. So now we have many of our youth no longer attending church when they go to college.●⁵²

Much of our biblical training now in our churches is mostly good low level principles of what to do without also training how to live them out with examples from the Bible and life. Teachers most often do not share testimony for how they lived them out (assuming the teachers do), and do not place their students in methods of on-the-job training. **People do not become mature until they “experientially actually live out” the principles. (For example, one cannot fly an airplane with only ground school training. I used to fly small airplanes.)** This is satanic strategy for in time, the ministry will greatly reduce - the elect will not become the elect or accomplish God’s work. This music and low level Bible content teaching (resulting in much less ministry - there are exceptions) is one of the most devastating of Satan’s strategies because it effects the ministry, brings worship to him, and

and Sunday School ever again. They would go to good hymns.

Quote from *Crisis in Christian Music* page 166 by Dr. Wheaton: *Music is a bridge between heaven and earth. It is also a bridge between earth and hell. Just be careful which bridge you take, or lead others on.*

"Reaching teenagers" with "Christian rock" music is like giving out liquor with Bible verses on the bottles. To justify vulgar music on the basis that it is being used to communicate the Gospel is the same as justifying profanity in the pulpit or pornography in Gospel literature. Introducing the "rock beat" into Christian music is like establishing a pluralistic society~ It is simply a transition from one controlling religion to another..

Refer to our reports: (1) *Serious Symptomatic Problems in Today's Churches Based on Four Major Causes with their Impacts and Indicated Solutions*, and (2) *Our Churches Are Falling Away, Being Transformed by the Dialectic Process to Bring World Government* for a greater discussion on rock music. These reports show that rock music is not of God.

51. HOW CAN WE RECOGNIZE DANGEROUS RHYTHMS? *“A simple test allows us to recognize dangerous rhythms. First if it is too loud, too repetitive, and highly syncopated, it is potentially dangerous. If one feels more like moving, swaying, and clapping than listening to the lyrics, it is dangerous. If one finds the music turns one on, hypes one up, and causes one to be very emotional, but not spiritual, it is dangerous. If one feels more like dancing than singing, it can be wrong. If it makes you more conscious of the opposite sex look out.* Quote taken from page 66 of *Crisis in Christian Music* by Dr. Wheaton.

52. WHY MANY OF OUR YOUTH ARE NO LONGER ATTENDING CHURCH: Much is presented in the book: ***ALREADY GONE***; *Why your kids will quite church and what you can do about it* written by Ken Ham and Britt Beemer with Todd Hillard. **You may want to read this book.** You can also request my free report: *Special Report” to Church Elders; Reasons Why Our Churches Are Falling Away and Especially Why We Are Losing Our Youth from Active Christianity.*

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”

this type program is now going to thousands of churches world-wide. The sadness is that churches believe what they are doing (gaining mostly numbers without maturing their own people as first priority or at all) is of God. (But how can it be when it is not in the Bible? **Limited teaching will transform churches to have but limited knowledge of the Scriptures. This is satanic strategy for the endtimes.** They do not see that God’s music in the Scriptures has “the melody dominate” using such as hymns “sang from the heart” “unto the Lord.” ●⁵³ ●⁵⁴ And they do not see that they are only learning the a,b,c’s of Scripture if that. Our younger people today, by my observation, do not know the Scriptures, even Bible prophecy. Our churches have lost their excellence before the Lord.

As being presented, our churches must know or realize that their main ministry is to maximally mature their own people in Christ-likeness with training to include actually living out the training. Our churches must come to appreciate God’s infinite Greatness so they will do all of what He wants done and to the degree of how He wants it done, and then do nothing else. They must see that they must gain maximum maturity to know and walk more with God. They must act as knowing greatly of Him is important. We must realize they must not implement that which comes from the purpose driven church. Doing so, can they be greatly mature people? In my view, mature Christians would not do it. Churches must appreciate that true worship of God (from His perspective) brings music that has the melody dominate and sang from the heart unto the Lord. Churches using loud rock beat music are, in essence, the endtimes lukewarm church that cannot tell the difference between the holy and the profane, as the Bible teaches will occur in the endtimes. They are among the churches that today have fallen away from God’s best. (We must obey God, not the world.)

Because of this procedure, as satanic strategy, our children, youth, and young married are growing up now with but limited knowledge of the Bible, including knowing but little of Biblical endtimes prophecy. So when the endtimes come, they will not know what is happening and will fall away from the faith under the great calamity and persecution that are coming (difficult times). This will limit evangelization in this time period. The falling away will allow Satan more power to bring a major war in the Tribulation that will kill one-third of the people and allow him to bring the Mark-of-the-Beast Period. This period will allow him the power to kill people who will not worship him by not taking the Mark-of-the-Beast. As a result, as presented, there will be very

53. **THE BIBLE’S MUSIC:** *Ephesians 5:18-19 but be filled with the Spirit, speaking to one another in psalms and hymns and spiritual songs, singing and making melody with your heart to the Lord; Psalms 98:5 Sing praises to the Lord with the lyre; With the lyre and the sound of melody.*

54. **THE GREATEST WORSHIP I HAVE EXPERIENCED; AWESOME AND GREAT SPIRITUAL SINGING:** I attended a Child Evangelism Fellowship (CEF) international conference where there were 1100 people from 87 different nations attending. “**ALL**” the people were in the ministry, “**ALL**” the people were Christians and “highly committed” to Christ, and “**ALL**” the people had led tens of kids to Christ. When they sang the great hymn: *To God be the Glory*, it was absolutely awesome. They were singing from their hearts, souls, and spirits unto the God they love and serve. The tears ran down my face. Such great worship is not possible under rock music. They had this great and wonderful worship because God had used them greatly in the ministry. They saw His greatness at work when He brought salvation to people, especially to the children.

few Christians alive at this time when Christ comes to rapture the Church.●⁵⁵

Many churches now have both a (traditional) hymn service and a (contemporary) loud rock beat type music service. The hymn services are attended mostly by the older people who know Bible doctrine and who want to truly worship God in spirit and in truth. They know and believe that loud rock music is not of God, not being found in the Bible, and do not like the music for several reasons. **One main one is that one cannot sing this music from the heart with melody unto the Lord. The people who attend the loud music services are mostly the younger people. This in time (when the older people die or can no longer attend church) will transform our churches such that they will carry out more and more of satanic strategies. Thus, the choice of music has brought disunity to our churches and major sin.**

- * Many churches (including some reformed) today, in my observation, believe all the elect will be saved even if they do but little evangelism. So many do little. This is satanic strategy so many of the elect will not be saved, especially the children. (God “commands” us to actually evangelize the entire world. *Matthew 24:14 "And this gospel of the kingdom shall be preached in the whole world for a witness to all the nations, and then the end shall come. Mark 16:15 And He said to them, "Go into all the world and preach the gospel to all creation.)*
- * Satan has also established many-many false religions with false (not biblical) doctrines (that look right to unbelievers) to be presumably saved and false prophecy doctrines, beginning such as in the 1800's when the population was beginning to exponentially expand.●⁵⁶ This is to keep people away from true Christianity so people will not become truly saved to be the elect and will not do the work of God. At the same time, such organizations give him more allowance to do his work.

3. EFFORT BY THE GOVERNMENT (Probably much-much more than we know):

The United States government (and other governments) has been doing things over the years to bring an emergency (the Calamity) that will allow world government to come (the endtimes Tribulation) over which Satan will rule. He brings things as he is allowed commensurate with the degree of the American church's falling away according to the endtimes sequence. The government appears to be doing many more wrong things now signally the churches have a greater falling away. Examples working to bring world government (there are “many” others):

55. A REMNANT: Toward the end of the Mark-of-the-Period there will be very few Christians alive to be raptured from the earth. Most will have been martyred by the end of the period. (*Luke 18:8 "..... However, when the Son of Man comes, will He find faith on the earth?"* The meaning of the Greek text is that He will find very little.)

56. NON BIBLICAL FALSE RELIGIONS (More gods in the land): I am not listing the false religions because we are not acting against any of these or people in them, but only bringing an alert: (1) to be sure one believes correct biblical doctrines to ensure one is truly saved and not being misled; and (2) to have us realize we are in real spiritual warfare. **(By the way, Christianity is not a religion. It is a relationship. It is lived out by the direction of God. It is not based only on doctrines.)**

- * Creating great Inflation and promoting same sex marriages and abortion.
- * Taking steps to control things in the country such as the health plan and passing executive orders that allow government (the president) “total control” in emergencies. When full control actually happens, our personal freedoms and free enterprise will be gone forever.●⁵⁷
- * The government, as well as our major enemies, know how to turn off the nation’s electricity by computer, causing a nation black out. A most serious way is by using an electro-magnetic pulse (EMP).●⁵⁸ This can cause permanent black outs. This method is most serious. It can destroy the nation. Large EMP can come from our sun. God may use this in the endtimes. (Check the internet for details.)

The following doctrines, individually and collectively, “unambiguously” teach the Rapture

57. GAINING AND MAINTAINING GOOD PHYSICAL HEALTH (My View): There are several good (similar) health plans to have and maintain good health and to cure one of many health problems, and to prevent having severe problems. The main concept is to get the body to function normally (abnormal body function is the cause) and it will get rid of the symptom such as cancer. I follow an excellent health plan that includes several ways to do necessary body detoxification. We must eat the right and needed foods and avoid the wrong ones. The following are necessary for good health: **(1)** regularly detoxify the body; **(2)** keep the body ph alkaline; **(3)** eat about 85% of your food raw organically grown fruits and vegetables to gain the needed nutrients; **(4)** drink liquids daily in fluid ounces equal to about half your normal weight in pounds (unless one is greatly overweight); **(5)** avoid or limit bad foods such as coffee and alcohol and especially including white sugar and white flower products; and **(6)** trust God to care for you and avoid worry. There is much-much more for good health, including drinking freshly made carrot juice and nutrient powders to be mixed with water. (I can recommend a good health plan to follow that includes using key supplements.)

58. INTERNET (electromagnetic pulse bomb): There are several reports that describe the most terrible danger of the EMP bomb. An EMP bomb, National Geographic explains, is "a bomb that's designed to go off above the atmosphere and release huge amounts of energy," some of which in the form of gamma rays. Such a weapon would cripple electronics, but not kill people. "In less than a billionth of a second, the electrical intensity on Earth's surface would become so hot that microchips would fry, power lines would overload and the electric grid would collapse," says National Geographic, describing . "Everything with microelectronics in it would stop: your car (can be best now to have a car without microelectronics), your computer (you might want to keep a good metal grounded shield around it when not using it), the subway. There would be no electricity." **Without electricity, one cannot pump gasoline for their cars.** Check the internet for EMP bomb information.

of the Church comes “after” the endtimes Tribulation and there are “no” future all-Jewish periods coming (The doctrines totally refute a Pre-Tribulation Rapture View):●⁶⁰

- * *Mark 13:24-27 - "But in those days, **after that tribulation**, the sun will be darkened, and the moon will not give its light, and the stars will be falling from heaven, and the powers that are in the heavens will be shaken. "And then they will see the Son of Man coming in clouds with great power and glory. "And then He will send forth the angels, and will gather together His elect from the four winds, from the farthest end of the earth, to the farthest end of heaven.* (Comments: This is the time of the Rapture after the Tribulation. Christ comes **for** and **with** His Saints at the same event or time.)
- * After the Cross, all believers (both Jews and Gentiles - all ethnic groups) in the Gospel of Christ, from both the Old and New Testament time periods, are in (part of) the Church and single body of Christ, without any exceptions. Christ does not have two bodies of believers such as Israel and the Church. **(One cannot be a believer in the Gospel without being in the Church - Christ’s single body.)**The Cross broke down the barrier of the dividing wall between the Jew and Gentile, so now as believers, they are all one in Christ, being the Church and His single body, without any ethnic division. All Old Testament believers were called out of the Dominion of Satan and translated into the Kingdom of God ruled by Christ from heaven at His ascension. At this time, they become part of the Church. Thus, all believers will be raptured only after the endtimes Tribulation. The Church, particularly after the Cross, is never divided into two groups of Jews and Gentiles.

*Ephesians 2:13-16 But now in Christ Jesus you who formerly were far off have been brought near by the blood of Christ. For He Himself is our peace, who made both groups **(Jews and Gentiles)** into one and broke down the barrier of the dividing wall, by abolishing in His flesh the enmity, which is the Law of commandments contained in ordinances, so that in Himself He might make the two (Jews and Gentiles) into one new man, thus establishing peace, and might reconcile them **both in one body** to God through the cross, by it having put to death the enmity.* (Comments: Mine.)

Colossians 1:13-14 For He rescued us (both Jews and Gentiles as believers) from the domain of darkness (controlled by Satan), and transferred us to the kingdom of His beloved Son, in whom we have redemption, the forgiveness of sins. (Comments: Mine.)

- * The Church did not replace the nation of Israel. Israel was used to bring the Cross. Israel as a nation contained both believers and unbelievers. The Church (of the Bible) contains only believers, but believers from all nations.

60. **“NO” DOCTRINE TEACHES A PRE-TRIBULATION RAPTURE:** There are no Bible doctrines that teach a Pre-Tribulation Rapture and a return of the Jews as a covenant nation under God after the Cross such as in the Tribulation and/or in the 1000 years. The view is “wrongly” based largely on interpreter “assertions,” not on doctrines. One who believes the Pre-Tribulation Rapture “must handle all” the doctrines presented in this section in order to have a view. See **APPENDIX THREE** for details and many doctrines that show unambiguously, in our view, that and why the Pre-Tribulation Rapture View is not taught in Scripture.

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

- * Christ will rapture both the believing Jews and Gentiles at the same time at His single Coming. The Rapture will be both for all the dead and alive in Christ at one event at the end of the Tribulation. **There is only one Rapture. It comes after the Tribulation, not at the Tribulation’s beginning.**

1 Thessalonians 4:13-18 - But we do not want you to be uninformed, brethren, about those who are asleep, that you may not grieve, as do the rest who have no hope. For if we believe that Jesus died and rose again, even so God will bring with Him those who have fallen asleep in Jesus (with His saints). For this we say to you by the word of the Lord, that we who are alive, and remain until the coming of the Lord, shall not precede those who have fallen asleep. For the Lord Himself will descend from heaven with a shout, with the voice of the archangel, and with the trumpet of God; and the dead in Christ shall rise first (with His saints). Then we who are alive and remain (for His saints) shall be caught up together with them (with His saints) in the clouds to meet the Lord in the air, and thus we shall always be with the Lord. Therefore comfort one another with these words. (Comments: Mine.)

- * The Church is now the sanctuary of God and is to be a living sacrifice. Thus, there cannot be any future periods that use animal sacrifices and physical temples. To bring them back would deny the efficaciousness of the Cross and be a major affront to God - major error. This doctrine alone teaches there cannot be any future Jewish periods nor can there come a future Jewish system of worship. **They have no purpose after the Cross.**

Romans 12:1 I urge you therefore, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, which is your spiritual service of worship.

2 Corinthians 6:16For we are the temple of the living God; just as God said, "I will dwell in them and walk among them; And I will be their God, and they shall be My people.

Ephesians 2:19-22 - So then you are no longer strangers and aliens, but you are fellow citizens with the saints, and are of God's household, having been built upon the foundation of the apostles and prophets, Christ Jesus Himself being the corner stone, in whom the whole building, being fitted together is growing into a holy temple in the Lord; in whom you also are being built together into a dwelling of God in the Spirit.

- * After the Cross, Christ is married to the Church in the Oriental Marriage Concept. She is now the legal bride of Christ, but does not now legally live in with Him. She will at the marriage supper of the Lamb that occurs at the seventh trumpet “after” the endtimes Tribulation at the time of Christ’s Second Coming. Christ, by His own laws, cannot have two wives at the same time. Thus, He, now being married to the Church, is no longer (and cannot be now or in the future) married to Israel as a nation. Israel now as a covenant nation is gone forever before God (But Christ does become married to Jewish believers as individuals, as they become the Church). **Israel never returns again after the Cross, as a God favored nation, “under God” such as in the Tribulation or in the 1000 years. But her believers in the Gospel**●⁶¹

can have all of God’s best. This is by: (1) becoming both Christians and then mature in Christ-likeness; and (2) going to heaven to be with Christ forever - where God will direct our every thought and action to live perfect lives). God divorced the northern Kingdom of Israel in a declarative statement (*Jeremiah 3:8 "And I saw that for all the adulteries of faithless Israel, I had sent her away and **given her a writ of divorce**, yet her treacherous sister Judah did not fear; but she went and was a harlot also.*) when she would not return to the marriage, remaining in her disobedience. The marriage to the Southern Kingdom of Judah was terminated when Christ died on the Cross, when the Jews, in their apostasy, had Him crucified.●⁶² His death (terminating the marriage to Judah) allows Him now to marry the Church. Being married to the Church, He can no longer ever marry Israel again. **So there are no future Jewish periods of God of any kind coming (after the Cross) that would be required for a Pre-Tribulation Rapture.**●⁶³ ●⁶⁴

Revelation 19:7 "Let us rejoice and be glad and give the glory to Him, for the marriage of the Lamb has come and His bride has made herself ready." (This is after the Tribulation.)

1 Timothy 3:2, 12: (2) An overseer (elder or pastor), then, must be above reproach, the husband of one wife, temperate, prudent, respectable, hospitable, able to teach, (12) (Likewise) Deacons must be husbands of only one wife, and good managers of their children and their own households. (Comments: Mine.)

which also you received, in which also you stand, by which also you are saved, if you hold fast the word which I preached to you, unless you believed in vain. For I delivered to you as of first importance what I also received, that Christ died for our sins according to the Scriptures, and that He was buried, and that He was raised on the third day according to the Scriptures,

62. THE JEWS HAD THE ROMANS CRUCIFY CHRIST: *Acts 2:36 "Therefore let all the house of Israel know for certain that God has made Him both Lord and Christ -- this Jesus whom you crucified." Acts 4:10 let it be known to all of you and to all the people of Israel, that by the name of Jesus Christ the Nazarene, whom you crucified, whom God raised from the dead -- by this name this man stands here before you in good health.*

1 Corinthians 2:8 the wisdom which none of the rulers of this age has understood; for if they had understood it they would not have crucified the Lord of glory;

63. ISRAEL HAD GREAT PURPOSES BEFORE THE CROSS: God used Israel: (1) to be the genealogy for the Christ; (2) to bring the Word of God; (3) to bring the temple and sacrifice in the Old Testament system showing the need of salvation and forgiveness of sin; (3) to bring the law showing people sinned (no one can perfectly keep -obey - the law) and needed salvation with the forgiveness of God; and (4) to show the sequence as to how the endtimes will unfold - is now unfolding (presented both earlier and later).

64. ISRAEL NOW IN HER LAND: Satan brought Israel back to her land in 1948. God only returns Israel to her land in repentance; e.g. see Leviticus 26:40-46; Jeremiah 3:11-15). The Jews, being returned, were (are) in apostasy (not in repentance), with no interest in the Savior whatever. **Thus, God did not bring her back.** Satan plans to use Israel in wars (part of the Calamity) that will help bring the endtimes Tribulation with world government over which he will rule. Jerusalem is no longer a holy city before God. Missionaries tell us that 80% of the Jews now in the land of Israel are apostates, no interest in Christ or His Cross whatever. About 18% are orthodox Jews, and about 2% are Christians.

*had sent her away and **given her a writ of divorce**, yet her treacherous sister Judah did not fear; but she went and was a harlot also. (Comment: Mine.)*

Romans 7:1-3 Or do you not know, brethren (for I am speaking to those who know the law), that the law has jurisdiction over a person as long as he lives? For the married woman is bound by law to her husband while he is living; but if her husband dies, she is released from the law concerning the husband.but if her husband dies, she is free from the law, so that she is not an adulteress though she is joined to another man. (After the Cross that brought His death, Christ, no longer married to Israel, is now free to marry the Church.)

- * God promised Israel that she could live in her land forever (e.g. Genesis 3:15; Exodus 32:13). But this promise remained active only as long as Israel remained in general obedience (e.g. *1 Chronicles 28:8 "So now, in the sight of all Israel, the assembly of the Lord, and in the hearing of our God, observe and seek after all the commandments of the Lord your God in order that you may possess the good land and bequeath it to your sons after you forever.*). When she disobeyed God, the promise to the land was broken and world government took over Israel and took many Israelites into the land of the world government, out of the land of Israel. ●⁶⁵ After the discipline period was terminated, the Israelites, in repentance, were brought back into the land, and the world government destroyed. This sequence was repeated several times, until the northern and southern kingdoms would not remain in or return to obedience with repentance. This caused God to divorce the northern kingdom and have the marriage to the southern kingdom dissolved when Christ died. **Now the promise for Israel to (always) live in the land has been permanently taken away.** (Refer to Leviticus 26 and Deuteronomy 28 for an overview of the sequence, as previously presented.)
- * The Bible teaches the Rapture (Our being caught up to be with Christ in the clouds) occurs at the last trumpet. This means it occurs at the 7th trumpet of Revelation or one after that. The 7th trumpet sounds after the endtimes Tribulation; **At the Second Coming of Christ, the beast and the false prophet as persons are cast into the Lake of Fire showing there is an endtimes Tribulation.**

1 Corinthians 15:51-52 Behold, I tell you a mystery; we will not all sleep, but we will all be changed, in a moment, in the twinkling of an eye, at the last trumpet; for the trumpet will sound, and the dead will be raised imperishable, and we will be changed.

Revelation 11:15-18 Then the seventh angel sounded (7th trumpet); and there were loud voices in heaven, saying, "The kingdom of the world has become the kingdom of our Lord and of His Christ; and He will reign forever and ever."and the time came for the dead to be judged, and the time to reward Your bond-servants the prophets and the saints and

65. EXAMPLES: ISRAEL OUT OF HER LAND: *Leviticus 26:33-34 You, however, I will scatter among the nations and will draw out a sword after you, as your land becomes desolate and your cities become waste. Then the land will enjoy its sabbaths all the days of the desolation, while you are in your enemies' land; then the land will rest and enjoy its sabbaths. Deuteronomy 28:64 "Moreover, the Lord will scatter you among all peoples, from one end of the earth to the other end of the earth; and there you shall serve other gods, wood and stone, which you or your fathers have not known.*

those who fear Your name, the small and the great," (Comment: Mine.)

Revelation 19:20 And the beast was seized, and with him the false prophet who performed the signs in his presence, by which he deceived those who had received the mark of the beast and those who worshiped his image; these two were thrown alive into the lake of fire which burns with brimstone. (See also Revelation 7:9-15 for showing there definitely is an endtimes Tribulation. The Scripture reference is presented in the next paragraph.)

- * The Messiah (Christ), the Prince, was crucified in the middle of Daniel’s 70th week of the all exclusive 70 Jewish weeks (each week being 7 years). (Daniel 9:23-27) The Gospel did not go to the Gentiles until after the last half of the all Jewish 70th week was completed in the beginning of the Church Period. The 70th week does not refer to the endtimes Tribulation, making the Tribulation last about 7 years, and requiring or allowing a Rapture of the “all-nations” (that would include Jews) church before it begins. **A study of Revelation 7:9-15 shows the endtimes Tribulation is all nations, not exclusively Jewish, in characteristic. Thus, there is no match for Daniel’s “all exclusive Jewish 70th week” with the endtimes all-nations Tribulation, allowing or requiring a Rapture of the all-nations Church to occur, before the Tribulation. Thus, the 70th week does not and can not refer to the endtimes Tribulation. Thus, the all-nations Church (us) will not (can not) be raptured before the all nation’s Tribulation begins. And the duration of the Tribulation is not constrained to only seven years. It is longer.**

Revelation 7:9: After these things I looked, and behold, a great multitude which no one could count, from every nation (including Israel) and all tribes and peoples and tongues (including Jews), standing before the throne and before the Lamb, clothed in white robes, and palm branches were in their hands; (Comments: Mine.) Revelation 7:14: I said to him, "My lord, you know." And he said to me, "These are the ones who come out of the great tribulation (the Tribulation, the great one in the Greek), and they have washed their robes and made them white in the blood of the Lamb. (Comments: Mine.) (There is also 144,000 remnant Jews in the Tribulation.)

- * The Church (the wheat) will not be raptured until after all the unbelievers (tares) make formal and binding decisions to be tares (formally denying Christ’s Gospel) in life or by death in the Mark-of-the-Beast Period. (Thus, the Rapture occurs after (at the end of) the Mark-of-the-Beast Period, and thus, after the Tribulation.) **No one is born or saved after the Rapture.**

Matthew 13:27-30 "How then does it have tares?' "And he said to them, 'An enemy (Satan) has done this!' And the slaves said to him, 'Do you want us, then, to go and gather them up?' "But he said, 'No; lest while you are gathering up the tares, you may root up the wheat with them. 'Allow both to grow together until the harvest; and in the time of the harvest I will say to the reapers, "First gather up the tares and bind them in bundles to burn them up; but gather the wheat into my barn." "' (Comment: Mine.)

- * Christ, in heaven, sits at the right hand of God the Father, before coming to rapture the Church, until all unbelievers formally become unbelievers (His enemies) as His footstool, in

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”

life or by death in the endtimes Tribulation (including in the Mark-of-the-Beast Period). Acts 2:34-35 *"For it was not David who ascended into heaven, but he himself says: 'The Lord (God the Father) said to my Lord (the Lord Jesus Christ), "Sit at My right hand, Until I make Thine enemies a footstool for Thy feet (Under Christ's authority).'"* (Comments: Mine.)

- * The N.T. epistles use the word: “saints” many times in the plural for the Church. In the latter part of Revelation, the word “saints” is also used in the plural showing the Church is in the endtimes Tribulation, even in the Mark-of-the-Beast Period. Examples:

*1 Corinthians 1:2 To the church of God which is at Corinth, to those who have been sanctified in Christ Jesus, **saints** by calling, with all who in every place call on the name of our Lord Jesus Christ, their Lord and ours:*

*2 Corinthians 1:1 Paul, an apostle of Christ Jesus by the will of God, and Timothy our brother, To the church of God which is at Corinth with all the **saints** who are throughout Achaia:*

*Revelation 13:7 It was also given to him to make war with the **saints** (in the Mark-of-the-Beast Period) and to overcome them, and authority over every tribe and people and tongue and nation was given to him. (Comment: Mine.) See all of Revelation 13.*

- * The Greek N.T. words used for the Second (next) Coming of Christ after the Cross are always used “in the singular” showing only one Second Coming. This is true for the words: Coming, Revelation, and Appearance of Christ. These words (always in the singular) in the Greek text are always (generally) used with the Greek article (the) showing only one coming, not two that would be required for a Pre-Tribulation Rapture (one before and one after the Tribulation). The Bible clearly teaches the (only one) Second Coming is “only” after the endtimes Tribulation.

Examples (the article {the} is used or implied in the Greek text; the singular of the noun is used):

*1 Thessalonians 4:15 For this we say to you by the word of the Lord, that we who are alive and remain until **the coming** of the Lord, will not precede those who have fallen asleep.*

*1 Peter 1:13 Therefore, prepare your minds for action, keep sober in spirit, fix your hope completely on the grace to be brought to you at **the revelation** of Jesus Christ.*

*Revelation 1:1 **The Revelation** of Jesus Christ, which God gave Him to show to His bond-servants, the things which must soon take place; and He sent and communicated it by His angel to His bond-servant John,*

*2 Thessalonians 2:8 Then that lawless one will be revealed whom the Lord will slay with the breath of His mouth and bring to an end by **the appearance** of His coming;*

- * The Bible infers that the 1000 years in Revelation 20, after the termination of the endtimes Tribulation, can be but a day of time as taught in 2 Peter 3:8-10 (This day will be the last day.). This is the time period at (during) the Second Coming of Christ after the Rapture (and after the Tribulation) when the Church reigns with Christ to determine whether or not anyone

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

left on earth after the Rapture is saved or can be saved (None are). The Church is resurrected at the beginning of the last day and the unbelievers at the end, at the time of the battle of Armageddon. This “day” is the time during the bowls when the wrath of God and the Day of the Lord will come only on unbelievers left behind after the Rapture. The Church will miss this time being with Christ in heaven. The bowls come after the Tribulation under the seventh trumpet after the Rapture. Thus, there is no 1000 year kingdom on earth coming. As stated, the Kingdom of God is ruled from heaven (not physically from the earth) and has existed there throughout the Church Period.

2 Peter 3:8,10: (8) But do not let this one fact escape your notice, beloved, that with the Lord one day is like a thousand years, and a thousand years like one day. (10) But the day of the Lord will come like a thief, in which the heavens will pass away with a roar and the elements will be destroyed with intense heat, and the earth and its works will be burned up.

*John 6:39-40 "This is the will of Him who sent Me, that of all that He has given Me I lose nothing, but raise it up **on the last day**. "For this is the will of My Father, that everyone who beholds the Son and believes in Him will have eternal life, and I Myself will raise him up **on the last day**."*

*John 11:24 Martha said to Him, "I know that he will rise again in the resurrection on the **last day**."*

Revelation 15:7 And one of the four living creatures gave to the seven angels seven golden bowls full of the wrath of God, who lives forever and ever. Revelation 16:1 And I heard a loud voice from the temple, saying to the seven angels, "Go and pour out the seven bowls of the wrath of God into the earth. Revelation 21:9 And one of the seven angels who had the seven bowls full of the seven last plagues,

- * The events of Revelation unfold according to a seven-sealed scroll. God uses scrolls for how people win back their lost property (Jeremiah 32:6-15). Because Christ receives the power to bring his judgments after the Tribulation at the seventh trumpet under the seventh and last seal, it appears that the Tribulation completed the time for how Christ wins back the Earth's Title Deed from Satan. Christ apparently lost the title in the Garden of Eden with the fall of man. He gains it back when it is determined, after the Tribulation and after the seventh (last) trumpet sounds, that He has won the spiritual warfare over Satan. Having authority over the earth and its beings, Christ now has the authority (for authority, see also the next section) to bring the Rapture and the final judgements.
- * Christ has the authority to rapture the Church only after the angelic heavenly court determines that He has won the spiritual warfare over Satan and then has assigned Him the authority, according to the rules of the spiritual warfare. This decree is determined after all the books kept for the warfare are consulted by the court and are opened after the Tribulation at the time of the seventh trumpet. It is determined by the fact that, as of that time as the books show, all the elect did actually believe and the elect did actually accomplish all of God's work. Thus, the heavenly court determines that Christ wins (has won) the warfare. Satan could not prevent these from happening, even though he needed to do so in order to win the

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

warfare. After this determination, Christ is given (awarded) the authority, according to the spiritual warfare rules, to rapture the Church and bring the resurrections and final judgements. Thus, the heavenly court awards Christ the full legal authority to terminate history by bringing the resurrections and final judgments under the ultimate Kingdom of God according to God’s Plan for the spiritual warfare. The court returns the Earth’s Title Deed to Christ. This Title Deed authority brings the kingdom of the world or dominion of Satan under the authority of the Kingdom of God (and under Christ as ruler). The eternal future of all unbelievers now come under Christ’s authority and His eternal control. This gives Christ the authority, after the Tribulation, to rapture the Church in resurrection, and to bring the final judgments on all people. It gives Him the authority to cast Satan with the Beast and False Prophet eternally into the Lake of Fire.●⁶⁶

- * God does not show partiality (does not favor a particular person or a group of people) and acts according to His perfect spiritual laws. Therefore, He would not keep some believers out of the Tribulation by such as the Rapture, and allow or cause others to go through it. All believers, both Jews and Gentiles, alive at the time, enter the Tribulation.

Acts 10:34 - . "I most certainly understand now that God is not one to show partiality; Romans 2:11 - For there is no partiality with God; Galatians 2:6 - .God shows no partiality; Ephesians 6:9 - ... and there is no partiality with Him.

- * The Bible implies that the Rapture, our gathering together to be with Christ, can be imminent (e.g. 1 Thessalonians 1:9-10). In order to be imminent, interpreters have stated wrongly that the Rapture “must occur” before the Tribulation begins. **However, the Rapture can only be imminent “after” all the elect have been born and after all have believed the Gospel to be saved (and after all the tares have formally denied the Gospel in life and/or by death, being bundled for the fire).** These happen, or are completed, in the endtimes Tribulation. However, because the Rapture has not yet happened for over 2000 years, since the declaration was stated, the Rapture can be and most likely will be imminent at the end of the endtimes Tribulation. Imminency does not force a Pre-Tribulation Rapture and very definitely allows for a Post-Tribulation Rapture.
- * The Bible teaches indirectly that the endtimes unfold in a similar sequence that happened many times to O.T. Israel. The sequence was discovered (as described earlier) and the result is shown developed in detail in my book: *Watchman Warning* ●⁶⁷ (One needs to know and understand this sequence to have an overview for how the endtimes unfold and for what will happen when the endtimes come.) To implement the sequence as previously presented, God chooses a favored nation such as was O.T. Israel, and now is the US. When the favored

67. **IN MY BOOK: WATCHMAN WARNING:** (See Chapter 2 for introduction and discussion and Chapter 5 for a detailed presentation in my book or the chapters individually from the book on my web site under Prophecy. The development is much too detailed to present here).

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”

nation generally obeys God, she gets great blessing. **The U.S. has been blessed by God by orders of magnitude more than any nation in history, even more than Israel or even England, indicating she is a most favored endtimes nation to God.** (The characteristics of the United States match those of O.T. Israel when she was a favored nation to God. These were presented in a previous footnote.) As God’s people begin to fall away in disobedience (the cause), the nation (because of the cause, now being allowed) begins to fall away (the symptom). This is happening now. Then, in the sequence, the favored nation gets warnings to return to obedience. With much greater falling away, there are many signs or conditions that “now” loudly signal that this is happening. ●⁶⁸ The warnings continue as watchman warnings. Then “without” returning to obedience, God brings (allows by the actions of Satan) a world government or empire against her using a sudden calamity implemented by military. This puts the favored nation under divine discipline, implemented by the world government rule in the Tribulation under Satan’s man. Many of God’s people in the discipline periods are placed in the country of the world empire, such as happened to the O.T. Jews. In the endtimes, most Christians will be imprisoned and martyred in the world everywhere. After the discipline period is over, God returns His people to Himself (OT Jews returned to the land of Israel, the Church is raptured to go to heaven) and afterwards destroys the world government. At the present time, signs are now loudly signaling that world government will soon come that will place the U.S. and world under divine discipline implemented by the endtimes Tribulation. This will occur from physical warfare like what happened to O.T. Israel. After the disciplined period is over (completed), the endtimes Tribulation is over, God raptures the Church to be with Him, and destroys the world empire (places all people into their eternal states).●⁶⁹

- * Christ said: *When I return will I find faith on the earth? (Luke 18:8 "I tell you that He will bring about justice for them quickly. However, when the Son of Man comes, will He find faith on the earth?")* The meaning of the Greek text is that He will find very little. This means that when Christ comes to rapture the Church after the Tribulation, there will be very few Christians alive. Most will have died, many or most by martyrdom, in the Tribulation - including in the Mark-of-the-Beast Period. The concept is that at the time when God’s people are delivered in the Rapture after the Tribulation at Christ’s Coming, there will be few believers remaining

68. TERRIBLE THINGS ARE COMING: According to the current news, many people now are believing that something terrible is going to happen to and in the United States and world. High inflation is one of these causes, that will most likely cause the stock market to eventually crash. The increased weather also has many people concerned. Now the president has recently signed executive orders that allows him and his organizations to have complete control over all things in the nation when there is a declared emergency. **Signing such an order, signals they are (very likely) expecting and/or will be causing some bad times to come.** Such control (allowed by God) will be used by Satan and his people in the endtimes Tribulation.

69. SIGNS: (At this time, as previously presented, the current signs and conditions signal most loudly that the coming of the endtimes Calamity and Tribulation, that the U.S. Church and world will experience, are imminent. Some signs have been here for some time, but then much less intense. We must now, before the Calamity and Tribulation come, urgently prepare, putting in provisions, training to become maximally mature including to walk by faith, and evangelizing the children and youth, especially out in the community.)

alive on the earth to be delivered (“*Those who are alive and remain* - 1 Thessalonians 4:13-18). Most will have died due to existing conditions or by martyrdom. **(This signals that a Rapture occurring before the Tribulation with billions of believers on the earth will not happen.)**

- * Revelation 3:10 does not mean the Church will (must) be raptured “before” the hour of trial (assumed to be the Tribulation - but is it?) begins. The standard translation is: *Revelation 3:10 - 'Because you have kept the word of My perseverance, I also will keep you from [ek out of] the hour of testing, that hour which is about to come upon the whole world, to test those who dwell upon the earth.* Revelation 3:10 in the Greek can mean that believers go through the hour of trial (still remaining on earth), but are kept from its effects (are preserved from harm or its effects by God). The Greek word or preposition *ek* used in this passage is used elsewhere in John 17:15 with this meaning (even though not an exact match). *John 17:15 - "I do not ask Thee to take them out of [ek] the world, but to keep them from the evil one.* The believers are preserved in the Tribulation from the evil one because they, as believers in the Gospel, have eternal security (life) in Christ. God preserves them. Thus, the Revelation 3:10 passage, according to the Greek, does not require removal of the Church before the period begins. It can (does) teach just the opposite. (The Bible does not teach directly whether The Hour of Trial is or is not equal to the endtimes Tribulation.) An alternative legitimate translation or interpretation is: *Revelation 3:10 - 'Because you have kept the word of My perseverance, I also will keep you from (implied separated from, but still in the presence of) the hour of testing, that hour which is about to come upon the whole world, to test those who dwell upon the earth.* (Comment: Mine.)

**PART FOUR
WHAT WE CAN EXPECT TO EXPERIENCE (HAPPEN TO US) AS THE
ENDTIMES UNFOLD, WHEN WE ARE IN THE CALAMITY AND
TRIBULATION**

We no doubt cannot know all the things that will happen in Revelation’s endtimes periods in advance. (If one waits to get precise information about what is coming before they act, that they will never get, they will have wasted their training time, and they will be caught blind sided when the Calamity comes. We must act by faith based on knowing and recognizing the signs, trusting God to lead us.) Because divine discipline is coming, we can expect the most terrible times. We know the biblical overview and many secular expectations, but we do not know precisely what will happen (the details in the endtimes sequence) when the Calamity and Tribulation come. We will be required to live by faith during these times, trusting God, without knowing all the information in advance.●⁷⁰ We

70. SECULAR BOOKS: We have read tens of secular books and reports over the years that describe people and organizations that behind the scenes are working, and have been working, to bring endtimes world government over which they may help rule. Many people are now predicating a stock market crash. As being shared, the world government cannot come until after the American churches have sufficiently fallen away. Are

do know that the happenings in the Calamity will be sufficiently most terrible to bring the Tribulation under world government control. But we can count on the conditions will “be most terrible” - “much more terrible” than most of us realize (and the Calamity will come without warning apart from the signs).

The coming times, being most terrible, we will need jobs. Much investing by the common people may not be allowed or will not greatly work. There will be jobs throughout the Tribulation for people will be buying and selling according to Scripture (e.g. Luke 17:22-32; Revelation 13:17). There will be steps to reduce the population. Those who do not work, will most likely be warred against - not allowed financial support. Thus, retired people can lose all or most of their sources of income unless they have reserves such as gold, silver, and Swiss Francs. Families with jobs will need to help and support them.

The endtimes will be controlled (allowed and limited by God commensurate with the increasing falling away of His people) largely by Satan and his man and people.●⁷¹ (Churches must somehow learn that they are falling away and act to inform their people of the situation and train them for much greater obedience.) Life will be greatly difficult through these times, as they continue to worsen. But they are times when, if we have been trained, we can gain a more mature faith walk. We, in my view and understanding, can expect the following, or much worse, based on biblical and secular information. (See Leviticus 26 and Deuteronomy 28 for what happened to the Jews in such disciplinary periods of apostasy and divine discipline and then in Revelation.) (What happened then to the Jews is a model for what will (can) happen in Revelation’s endtimes period.) (In any case, we should, “in advance,” be properly prepared, particularly including how to walk by strong faith, to stand strong in “whatever” comes, greatly trusting God, and sharing the Gospel. We can put in many provisions, including storage of gasoline and water, to get through the Calamity.) ●⁷² Generally most churches and people, by

70(...continued)

we not now approaching this time now? The signs now signal this can be the case. As time progresses, we can expect great satanic attacks on both our churches and country. There are reports that some of our military bases have prisons that can house Christians and Patriots. I have even heard of a large underground cavern that can house our leaders in case of a nuclear attack. There may be many other such things we do not know about. The message is that many are working to bring world government. (And of course, the Bible teaches it will come some time.) (Check the internet for some of these conditions.)

71. SATAN GAINING MORE POWER: Satan brings great persecution to the immature Church in the Tribulation. This causes the Church to have greatly increased falling away over time which gives him more power. As a result, he brings a war that kills one third of the people at the time of the sixth trumpet, allowing him to bring the Mark-of-the-Beast system. *Revelation 9:18 A third of mankind was killed by these three plagues, by the fire and the smoke and the brimstone which proceeded out of their mouths.*

72. WHY THE TRIBULATION: In the endtimes special sequence, as a means to terminate history, God brings the Tribulation with world government using Satan to implement his strategies, as a means to discipline the United States Church and have the remaining people make binding decisions to receive or deny (binding of the tares) the Gospel. He uses it to bring the termination of history. Satan forces people to take the Mark-of-the-Beast in order to buy and sell and to live. After the Tribulation (and after all people who will live have made formal (binding) decisions to believe or deny the Gospel), Christ raptures the Church and brings the final

their lack of preparation actions, are not expecting a world government (even though some difficult conditions) to come. They are expecting (wrongly) the United States to continue as a free nation. So they do not realize that a stock market crash can be the catalyst that brings other terrible things that will place the United States under world government. So they do not train their people for going through the terrible endtimes that are coming.

EXPECTED DURING THE CALAMITY (My Understanding May Not Be Totally Correct - But Things Will Be Most Terrible - The Bible, however, does not give us many of the desired details):●⁷³ (Much is planned by those who are behind the scenes working to bring world government (allowed by God) - some will just happen.) After our American churches have sufficiently fallen away crossing God’s allowable threshold for sin, it is very likely that several American cities will be blown up with nuclear weapons (the internet has identified seven by name as a possibility). The stock market will crash (from great inflation) wiping out our savings.●⁷⁴ Then the system infrastructure will break down, not getting goods to the market place, bringing a shortage of food (a famine), goods, and gasoline. There will be “planted disease” where many will die (See Revelation 6:8: pestilence is coming that very likely will destroy many of our crops and also bring killer disease). There will (can) be no or little water for a period. There will be chaos with people everywhere seeking and stealing the needs of life. There will be, planned and/or caused by the enemy, extended periods of electrical power black outs, thus not allowing any television, radio, telephone, or cell phone operation etc. (However, one can use ham radio and/or short-wave radios with self power generators.) **The black outs can be caused by Electro-Magnetic Pulse (EMP) (described earlier) that can destroy electrical power generators. With extended power black outs, people will not be able to contact each other or receive information about what is happening or is going to happen. They will not know what is happening, unless they have been previously briefed. Most likely, we can only know the details when they happen or after they have been reported.**●⁷⁵ But it helps to be prepared in advance, having maximum maturity, for

72(...continued)

judgments. Satan brings the Tribulation so that he and his man (the antichrist - man of sin) can rule the world and all people using world government.

73. **CALAMITY:** *Revelation 6:8 I looked, and behold, an ashen horse; and he who sat on it had the name Death; and Hades was following with him. Authority was given to them over a fourth of the earth, to kill with sword and with famine and with pestilence and by the wild beasts of the earth.*

74. **LOSS OF CURRENCY AND COMING GOVERNMENT RULE:** With the coming stock market crash, we need “now” to save what will be useful at that time such as using silver coins to sell for a living. (Gold may be confiscated? Will silver?) We can expect eventually to have a new currency that will replace our current currency - even electronic. We can gain the new currency by selling silver. (However, the government may even control the selling of silver.) **The satanic government (and those behind it), using the stock market crash, wants to rid the country of the middle class. They, the rich, want to rule over all people (us), being the very poor.** Being the very poor, one will not have the funds to build great ministries. Those existing will cease operation from the lack of funding.

75. **NEEDED COMMUNICATIONS:** We can have communications if both parties are ham radio operators with radio equipment and back up power generators (such as using solar arrays). We can use hand cranked (to

whatever will come. Then we can continue some ministry for more time and stand stronger under the coming persecution. We must be prepared with stored food, water, lighting, gasoline (no pumping of gasoline with electrical power black outs), etc. supplies “before” the Calamity comes. The military, over time, most likely will arrest and martyr many or most “key” Patriots, Christian pastors, and church leaders so the church flock will be without leadership and thus, stray. There will be major war in the Middle East and other world areas. Martial law will be declared by the president and congress. Then the United States (and world countries) will be placed under world government, very likely ruled by at least China and Russia (Being part of the world government (United Nations?)), under the antichrist (man of sin).●⁷⁶ Now we are in the endtimes Tribulation.

EXPECTED IN THE TRIBULATION (Over time) (My Understanding is not totally correct and complete. We will need to wait until the coming most terrible things actually happen to know what will happen. But we must prepare “now” for going through them.): The America we love will be gone.●⁷⁷ The world government in time will bring communism and socialism with “total government control,” including over “all” our assets and savings. Our freedoms will be gone. ●⁷⁸ Satan will establish his own false world religious system. **We can expect our Bibles and Christian materials to be confiscated - taken from us.** We can expect the government, over time, will own and/or effectively attempt to control (take over) all

75(...continued)

charge a built in battery) sort-wave radio to gain communications from overseas. One can search for key radio stations now.

76. **EXPECTED RULERS:** China and Russia, at least, are expected to be partners in the world rulership under Satan’s man of sin. China has two military bases in southern Mexico and one in Long Beach, CA. She now owns about one-third of the US. Both certainly have submarines with long-range missile capability. They can work together. And both have had some of their military training in the U.S. for many years (Search the internet for: “U.N. (and also for Foreign and Russian) troops training in America. Check for world government.) Only time will tell how the endtimes rulership will be arranged. But communism and socialism with total government control are expected. This gives Satan maximum rule and the means to limit the elect and God’s work from being accomplished.

77. **GREATNESS OF AMERICA AND JOY OF LIVING:** : America was great based on her general freedoms, free enterprise, great infrastructure, freedom of religion, freedom of travel, be able to keep what one earned, start your own business, and low central government intervention. When the Tribulation comes, “the joy of living” in freedom and free enterprise will be gone. Freedoms will be taken away. Satan using his man and people will work to control most everything. What will happen to our infrastructure?

78. **WHAT TO DO AFTER THE CALAMITY AND TRIBULATION COME:** There will be chaotic times with shortages of supplies and food with the government making war with the Church and Patriots. Join with other families now for mutual support in home groups and the sharing of goods. We need to put in some supplies. In addition to just surviving, train your family to know the Greatness of God and to walk by strong faith trusting God to help and be with them using His promises, standing strongly on the basic Christian doctrines. Have them now memorize much Scripture especially God’s promises and a few hymns of the faith. Train them to trust God using His promises (can use those on our website). They should memorize them. Train them to believe and not deny the Gospel of Christ.

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”

real estate. It will control or attempt to control all businesses, banks, food supplies, TV and radio, telephones, sale of gasoline, electricity, and medical products and health support. The government will make war against the middle class and cause them to number among the poor. It wants to end up with the rich (them) who rule, and the very poor (everyone else - us) over whom they rule and control. To bring this about, they most likely will establish a new financial system that will destroy all stocks and act to control the buying and selling of gold and silver. The rich who control, with advanced knowledge, most likely will already have placed their assets in safe heavens which they control before the market crashes. Those who have standard stock investments (most in the middle class) will most likely lose most everything. **People will no longer be able to fund our churches. (People (including pastors and missionaries) will need jobs “now before the Calamity and Tribulation come” that are maintained good in good and very bad times. Retired people will most likely lose their retirements and social security income when the stock market collapses and/or by government control. This can take out the older people who know the Bible, unless they have special savings that survive.)** There will be most serious killing diseases brought by world government by design to reduce the population, so the elect will not be born (and not actually accomplish God’s work) and make the world more easy to govern and control. There will be locusts that will destroy our food plants. The government will bring a world religion and over time will pad lock our church doors and actually may use them for their purposes. The children and youth (without their parents being able to prevent it) will be educated by the state for world religion, same sex marriages, and world government (precursors are here now). This will help to keep children from becoming the elect and ministry occurring as the children become (young) adults. ●⁷⁹ (Satan knows that adults do as they learned as children. Then as they grow up, they will help form and/or join an apostate world church without salvation (not a Christian church) that will do Satan’s and not God’s will, bringing worship to Satan (most likely unknowingly). There, from Satan’s and the government’s perspectives, will be no more salvation, people becoming the elect. However, Christians, as the underground Church, may still lead many to Christ and have worship of God. **The government will make war (particularly in the Mark-of-the-Beast Period) against all Christians and others they can find who will not accept world government and its religion, bringing them imprisonment, controlled education, persecution, and martyrdom.**●⁸⁰ As satanic strategy in the spiritual warfare, the world government will make war especially against those that can bring birth to the elect, are the elect,

79. **IN SUCH TIMES:** During times of apostasy: (1) God forgets the children (Hosea 4:6; Deuteronomy 28:32,41); (2) God brings a famine of His Word (Amos 8:11); (3) God’s people cannot tell the difference between the holy and the profane (such as loud rock type music and false tongues) (Ezekiel 22:26); and (4) God’s people do not endure sound doctrine (2 Timothy 4:3). These all happen in precursor (happening now) before the Tribulation comes, helping to bring the Tribulation. They will be in greatness in the Tribulation.

80. **POPULATION:** The number of Christians living at the time of the calamity will be the greatest in all of history by a very large amount. Thus, the persecution that is coming will be most terrible. This is particularly true because at Christ’s Coming, as previously introduced, there will be very few Christians remaining alive (Luke 18:8). Most will have been martyred or have died by the plague and hunger before that time in the Calamity and Tribulation. The happenings in latter events are designed for Satan to make war to keep the elect from believing and the elect accomplishing God’s work. A great number, larger than anyone can count, die in the great Tribulation (Revelation 7:9-14).

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

or who do the ministry of the elect. (The concept is for no one to become the elect or to do the ministry of the elect.) Thus, most (large numbers of) Christians, over time, will be arrested, imprisoned, and/or martyred. Very few Christians will be alive at Christ’s Second Coming. Some place in the Tribulation (at the sixth trumpet - Revelation 9:18, presented earlier), there will be a major war that will kill about one-third of the world’s people, so the elect will not be born and people can be more easily and greatly controlled. **This is allowed after many believers have fallen away from active faith during the persecution (This could be partly caused by the children and youth now being taught very little from the Scriptures).** Then, we go into the Mark-of-the-Beast period when most of the remaining Christians will be martyred. There will be, as presented, very few Christians alive at the time of the Rapture and Christ’s Second Coming. (*Luke 18:8 However, when the Son of Man comes, will He find faith on the earth?*)●⁸¹

SOME KEY SUMMARY THOUGHTS: All Christians (children, youth, and adults) must be urgently trained now, “while we still can,” to gain great (maximum) maturity in Christ-likeness, especially to walk by strong faith, trusting God to fulfill His promises to us and to lead our lives. This is so they, being mature, will stand strong in the endtimes without falling away under the great coming persecution. Then they can gain more maturity in Christ and help delay the coming of the Mark-of-the-Beast Period. This is especially true for the children and the youth. The need to walk by strong faith is taught everywhere in the Bible as being vitally necessary (e.g. Hebrews 11:1-11; 17-33). Then, they can gain more maturity for eternity, and even have some ministry to lead others to Christ. The Bible teaches there will be a major falling away in the endtimes Tribulation. We should not want any of us to be part of this. (*1 Timothy 4:1 But the Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons,*)

It does not matter so much when we die. What matters is that we are Christians and reach a maximum maturity in Christ-likeness before we die. This is true for all ages, including the children and the youth. We must act now to save the children because once in the Tribulation, the government will control the children and train them for Satan’s purposes. (Most of us will die in the coming Calamity and Tribulation.) **So the Church and families have one main job. This is to have their “own” people (particularly the children and youth) become Christians and then train them to become maximally mature in Christ-likeness before the Calamity comes. This must be in priority over gaining numbers, even though both must be done.**●⁸² Leaders must know how and/or learn quickly to do this.

81. **READ WATCHMAN WARNING:** Read my book chapter five (The Pattern View of Revelation) pages 208-213 for endtimes’ happenings.

82. **YOUR OWN MUST HAVE FIRST PRIORITY:** *1 Timothy 5:8 But if anyone does not provide for his own, and especially for those of his household, he has denied the faith, and is worse than an unbeliever.*

**PART FIVE
RECOMMENDATIONS, AS A WATCHMAN WARNING,
FOR WHAT OUR CHURCHES MUST “URGENTLY” DO NOW
AS THE ENDTIMES ARE UNFOLDING**

(Act “urgently,” based on the signs. We may only have only a few months, one year, or a few years left. Time will tell.) (These recommendations actually should be carried out in all time periods. Thus, even if the endtimes are delayed, they are very needful and required things always to do. But if the endtimes come soon and we are not prepared?)

**RECOMMENDATIONS TO ALL CHURCH AND FAMILY HEADS
“TO BE CARRIED OUT IMMEDIATELY”**

RECOMMENDATIONS: Warn your church people and families that they will soon go into the endtimes Tribulation beginning with a most terrible Calamity that will come without warning like a sudden earthquake, apart from the signs. Help prepare them. “Immediately,” work to lead your people to believe the Gospel and train all your church people and families to become maximally mature in Christ-likeness and work to prepare them to enter the coming Calamity and Tribulation. Have them memorize the promises and learn to walk by mature strong faith. Train them with endtimes prophecy and what will happen (and to them) when the endtimes come. Go “all out” to evangelize the children and others out in the community. Put in provisions for at least 3-6 months or longer (e.g. food, water, gasoline, and lighting. Store some gasoline and try to keep your car gas tanks about 3/4 full (if one has two cars, one can store gasoline in the tank of one car, particularly if it has a large tank). Place your people into underground home churches with those who live near each other. Have them put in some supplies. Inform your people off line of the dangers of loud rock beat music and encourage them to go into the hymn services. Have Sunday Schools that do not use loud rock beat music.

BENEFITS: Your people (and yourselves - me) will have a much greater walk with God in eternity and God will use them (us) now greatly in ministry. We will be more prepared for what is coming and will stand strong under the coming persecution, and by doing so, we will gain a much greater maturity. **We will have a closer walk with God when our Bibles are taken from us when in the Tribulation. Then we can have a greater maturity in Christ-likeness to relate maximally to our perfect God when entering eternity.**

COST: You will need to train your people “immediately” with an adequate version of God’s Whole Counsel (purpose),●⁸³ with a priority topic sequence, to walk with God by strong faith, becoming maximumly mature, and have them put in provisions, including some gasoline, to get through the coming most terrible times. Prepare them for extended electric power black outs.. You must go all out to evangelize the children out in the community as well as in your own families and churches. We

83. **GOD’S WHOLE COUNSEL:** Acts 20:26-28 *"Therefore I testify to you this day, that I am innocent of the blood of all men. "For I did not shrink from declaring to you the whole purpose (counsel) of God. (Comment: Mine.)*

must memorize much Scripture we want, in the endtimes Tribulation, to remember and obey and especially God’s promises, for a close walk with God. (We should be sure to hide Bibles.) You will work to know the commandments. You will need to pull the young people out one by one from the rock music church services (and Sunday schools that use the music) into the hymn services. (See my web site documents: You can train your Church people and families with our ppt web site charts: *Christian-Life Relationship Principles* found under Training and have them read: (1) *Keys to Becoming Mature in Christ-likeness In Godly Relationship Living*; and (2) *Summary Document: Signs, Characteristics, Beliefs, and Practices of Being or Becoming Highly Mature in Christ-likeness.*●⁸⁴●⁸⁵

PENALTIES: (Apart from a close relationship with our perfect God to have a perfect life in eternity, there is nothing.) Not doing the recommendations you and your people: **(1)** will have a lessor eternal walk with God and not get to know and relate to Him more in His Greatness through all eternity - forever and ever. (Unless God has a plan we cannot know now to bring us to greater maturity. But we cannot count on this. Most likely, with less maturity, it will take much longer to know more of God in eternity). We are here now to gain this maturity.; **(2)** will be caught blind sided and unprepared when the Calamity comes without food, water, lighting, general supplies, etc.; **(3)** will (can) fall away from active faith during the coming persecution. Without being in “nearby underground” small groups for mutual help (such as with provisions, Bible study, fellowship, and worship), people will more greatly be damaged with many falling away; and **(4) the children may not be saved in the coming endtimes because forgets the children when under divine discipline resulting in the government in the Tribulation will control the education of the children. (And the Tribulation will truncate their lives by the terrible conditions, persecution, martyrdom, and time length being alive (few believers are alive when Christ comes to rapture the Church).)**

PLEASE NOTE: if we wait to train until we gain precise information as to when the

84. **MY HELPING:** I am willing to help as needed where and when I can, such as giving seminars, special training, sermons, and talks or answering telephone and/or internet questions with discussion. I can work with others as a team. I can prepare new papers for my web site. One can read my website documents for help, starting with those listed at the top of the Home Page and under What’s New, including the references listed in the various sections in this report - some are in both places. In my background over the years, reading many books, I have studied in depth, the topics of prophecy, God’s Plan for history with spiritual warfare, and Christian-Life Relationships (including having taught this subject in many past years) to gain maturity. I have attempted to understand and put together God’s overall plan in the Bible, taking many inputs from others. There are many aspects to find and integrate in the Bible. Many are indirectly taught, not being directly taught that takes a faith action search and integration to find. The Bible very often does not put all needed data on a subject in one place. We have to search and integrate the Scriptures. I have studied over the years and have put (still updating) God’s overall plan in my documents. But as presented, much of the Bible’s teachings are indirectly taught so they are often hard to find. It requires a faith-action Scripture search under God’s leading.)

85. **THERE IS SOME POSITIVE:** *Even though many or most churches are now falling away, there are still some churches standing strong on doctrine and attempting to mature their people and using the hymns. You can search for one. However for all of us, what ever has been the past, lets make the remaining future the best we can have. None of us may do things perfectly, but we can help each other, preparing for the Tribulation and to gain a maximum maturity in Christ.*

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

Tribulation will come before we act, we will have wasted our training time, and we will be caught blind sided. Exact information will never come in advance. We must act now on the many signs that are here now and are becoming acute. Act now, do not delay. We may get more years, but the Tribulation can come any time without warning, apart from the signs. Again, only God knows the time. (We should act, train, and prepare as if we only had one year or less left, say from April 15, 2012, or only a few years. Thus, we need to train with the priority items first (including walking by strong faith) and then with the rest, if we have more time. But do it now.)

COMMENT: Based on the current falling away of our churches, few churches will most likely implement such recommendations. But you, your family, and your church can.

**DISCUSSION REGARDING RECOMMENDATIONS
FOR WHAT MUST BE IMMEDIATELY DONE**

(1) Our Church leaders should now educate (warn-alert) their Church people, teaching them endtimes prophecy and what they can expect to happen and experience in the soon coming endtimes, and help them urgently prepare for going through the soon coming endtimes Calamity and Tribulation. ●⁸⁶ (They must know there will be long-term power black outs when stores very likely will be closed or will be open, having greatly insufficient (greatly reduced) supplies. One will not be able to pump gasoline.) Church leaders should at least prepare them by training them to live by very strong faith (then they can gain more maturity in the Tribulation and not fall away) and to put in provisions for at least 3-6 months or more without needing to go the grid for food, water, gasoline, lighting etc. **People (all of us) should now get or have jobs that are needed both in good and very bad times (the endtimes Tribulation.; ●⁸⁷ (However, in my view, based on Bible prophecy, very likely most churches not now enduring sound doctrine, unfortunately, are not expected to do much of anything. They will**

86. WHAT OUR PEOPLE WILL TELL US IF WE DID NOT WARN AND PREPARE THEM WHEN THEY FIND THEMSELVES IN THE CALAMITY AND TRIBULATION: After bad endtimes things happen (come), not being told in advance that they were coming so they could prepare and become mature, our people can (will) say: **“Why did you not tell (warn) and train us so we could have taken the needed action to prepare and become mature? Why did you not tell us?”** Church leadership must “now” urgently take the needed action. God holds leadership responsible for training and warning.

87. MATURITY IN CHRIST-LIKENESS (Much presented earlier): The problem we have now is that many or most churches no longer know what constitutes maximum Christian maturity or know the training steps for how to get there. They do not recognize the evils of using the Devil’s loud rock type music. They no longer use only God’s music with the melody dominate, sang from the heart. (Some churches believe wrongly that God will save the elect even if they do no or little evangelism.) Many churches have both a rock music church service for the children and the youth, and a hymn church service for the older people. Of course some youth go to the hymn service and some older adults to the rock-music service.

be caught blind sided, unprepared, and very likely will not know what is happening when the Calamity and Tribulation come. Most attenders will fall away under the coming persecution. You must not let this happen to your church people and personal families.)

(2) The coming of inflation and financial chaos will seriously effect the funding to missionaries and pastors supported by churches. They “now” need to gain additional sources of funds, even getting jobs that are good in good and very bad times. Otherwise, their ministries can cease or be greatly limited and their families will suffer (like being homeless).

(3) They, as presented many times, should “immediately” go all out to evangelize and disciple the children out in the community, and their own, with urgency such as working with CEF (Child Evangelism Fellowship) to establish tens after-school clubs and tens of summer 5-day clubs. They should have their many workers take all of CEF’s training. They must “urgently” work to evangelize and work to mature their own children, including for how to walk by very strong faith before the Calamity comes.●⁸⁸ ●⁸⁹ These are because, as the Calamity, the fixed-short duration Tribulation, the serious disease, and the martyrdom come, the children will not have (live) a normal lifetime span. Many will never get married or go to college. We must evangelize and train our children and youth “now with extreme urgency” before the Tribulation comes, “while we still can.;

(4) They should work, going all out, to maximally mature their people (including the children and youth) in Christ-likeness with urgency so they can have a maximum relationship with God in

88. YOUR CHILDREN AND YOUTH: Please act immediately to train your children and youth and spend more time to do so. If you do not, you “will most greatly grieve later” when they are taken from you and are being transformed and persecuted by the evil indoctrination of world government in the Tribulation.

89. IN THE TRIBULATION: *In the Tribulation, the children and youth will be taken from their parents and satanically educated by the state like they were in Old Testament history (Hosea 4:6; Deuteronomy 28:32, 41; Ezekiel 5:17). Parents will not be able to do anything about it. This will happen because churches are now no longer teaching sufficient of God’s Word. Ministries in the open under freedom will cease, but perhaps can continue to some degree underground.*

Hosea 4:6 - My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being My priest. Since you have forgotten the law of your God, I also will forget your children.

Deuteronomy 28:32, 41 - "Your sons and your daughters shall be given to another people, while your eyes shall look on and yearn for them continually; but there shall be nothing you can do. . You shall have sons and daughters but they shall not be yours, for they shall go into captivity.

*Ezekiel 5:17 'Moreover, I will send on you famine and wild beasts, **and they will bereave you of children**; plague and bloodshed also will pass through you, and I will bring the sword on you. I, the Lord, have spoken.'* "

eternity (apart from this, as stated, that in my understanding, there is nothing) (They, standing strong without falling away, can gain more maturity in the Tribulation.); ●⁹⁰

(5) They should work with individuals in the rock music church services and Sunday schools on the side to inform them of the evils of using rock music and draw them into the hymn services. ●⁹¹ Churches, in the hymn services, will need to go to expository peaching in depth-breadth, going verse by verse, with much application, testimony, and on-the-job training. This can be done in part by using seminars and special teaching sessions that include on-the-job actions. The mature and dedicated Christians want this. (To the degree that we can, we should lead (get) all our people, including our children and youth, away from experiencing loud rock type music. It is demonic. Our people need to know that by staying regularly in the rock music services (including in the Sunday Schools, etc.), it is very likely this will prevent (or greatly deter) them from becoming maximally mature in Christ-likeness for eternity. There will be some worship of Satan unknowingly. The problem we have is that our children and youth are growing up with rock music. And most will not come to church unless we use it and also only then if we use only fundamental teachings (no in depth or expository teaching). (Thus, we have a most difficult situation to work with. We can have here a catch 22.) ●⁹²

90. **SITUATION:** In the church we have the gung ho, the very faithful, the learners, the watchers, new people, and unbelievers. If we do not train in depth-breadth at the gung ho, very faithful, and even learner level, our church will be transformed to become immature with a low amount of Bible knowlwdge and with an insufficient Christian Life. Is this not happening now? **We must not let this happen. (But is it not now happening?)** So in our training, we may need to do much of the advanced training in seminars and special training sessions.

The more committed people want the in-depth training. I attended a Greek class years ago when the teacher continued to work mainly at the least common denominator of the class. As a result, half way through the class schedule, the students who wanted the advanced training, left the class. There was little point in staying.

91. **ROCK MUSIC:** We must thoroughly realize that Satan encourages the use of loud rock beat music in our churches that causes them (particularly the children and the youth) to fall away. This falling away gives him more power to accomplish things, including causing the churches to have reduced ministry. It gives him worship. The problem we have is that this is happening without our churches' realization or desire.

92. **OUR CHURCHES ARE BEING (AND HAVE BEEN) TRANSFORMED:** The problem we have is that rock music desensitizes those who sit under it to the leading of the Holy Spirit, where they do not understand Scripture very well and do not want much Bible study or detailed sermons. (If this were not true, in my view, the Holy Spirit would lead them into the hymn services.) Thus, the use of: (1) this music; (2) a,b,c sermons; and (3) a,b,c, special Bible training are transforming our churches, country and world wide, to become immature churches with a loss of biblical intellect and to have a low plateau of Bible knowledge. Churches are doing some, but little to “greatly” evangelize the children out in the community. Our youth and young people are now growing up with but “little” knowledge of the Bible, especially how to live out the needed Christian life and knowing how the endtimes will unfold that they will experience. These are implementing satanic strategies for the endtimes. As a result, many of our youth now no longer attend church after leaving to go to college. Why go to a church that is not going anywhere and is without having a testimony of walking with God and being in ministry? See the book, as presented earlier: *Already Gone* and my report: *Special Report” to Church Elders; Reasons Why* (continued...)

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

(6) Churches should now place their people now into small “underground home” churches (with people who live near each other) having many provisions (including food, supplements, and extra gasoline - including those such as Colloidal Silver that ward off killer disease,). This is so they can support one another and act independently when the Calamity and Tribulation come, closing our church doors and clamping down on our country. Then they can still have some worship, training, and ministry, as long as allowed. **(When the financial crash comes, most people will no longer be able to financially support the Church or even have the gasoline to drive to church. Thus, the Church will have to close its doors. The government will act to do this also. Many small churches today, because of the lack of finances, have had to close their doors. They could no longer pay their monthly payments for loans on the buildings. As the future unfolds, this will happen to many or even most churches.)**

(7) Planning and organizing to carry out (do) all the recommendations, it can be best to establish a competent committee as a leadership working group in each church or group of churches. The group can get the trainees, do needed training, get support people, and implement schedules. Without such a group or its equivalent, the recommendations may never be adequately or at all accomplished in the needed time period. (We used such a group in engineering that I was part of that accomplished great results.)

(8) WARNING! We must be sure all our family and church members are saved before the Tribulation begins for two reasons. One is that the coming conditions will be most difficult to share the Gospel. The other is that I cannot find anywhere in the Bible that anyone is saved in the Tribulation period of divine discipline, even though many saved people enter and are in the Tribulation.

PART SIX

ETERNAL CONSEQUENCES THAT WILL RESULT FROM OUR NOT SUFFICIENTLY OBEYING GOD NOW TO TRAIN OUR OWN PEOPLE TO BECOME “MAXIMALLY” MATURE IN CHRIST-LIKENESS

As stated, without training to become maximally maturity in Christ-likeness, we most likely will not be able to relate as great to God toward His maximum as we otherwise could in all eternity. Such action now will also limit our current ministries. **This is a most terrible eternal penalty and eternal deficit condition.** This is most terrible, because apart from a maximum walk with God in eternity with great maturity, there is absolutely nothing else. The main reason we are here is to gain this maturity. He has the only and all the value that exists. We must thoroughly grasp this. (Whether or not our maturity is fixed or is not fixed forever at death, pursuing it now as commanded, we will

have the best lives now and in eternity.) (But churches today, believing our maturity will increase in heaven are mostly working mainly for spiritual growth, not maximum maturity. This can be a most serious eternal mistake and great disobedience.)

**APPENDIX ONE
DEFINITION AND DERIVATION OF THE RAPTURE**

The “Rapture” (a name, not in the Bible, chosen by interpreters) of the Church is when the Church is suddenly caught up together in the clouds to meet Christ in the air at His single Second Coming. It is the time at the last trumpet when the dead in Christ shall rise first and then meet with those alive caught up from the earth. Then all of us, as believers, go into eternity to live with our Lord forever. (We must be sure we are believers in the Gospel in order to go to Heaven.)

1 Thessalonians 4:14-17 For if we believe that Jesus died and rose again, even so God will bring with Him those who have fallen asleep in Jesus. For this we say to you by the word of the Lord, that we who are alive, and remain until the coming of the Lord, shall not precede those who have fallen asleep. For the Lord Himself will descend from heaven with a shout, with the voice of the archangel, and with the trumpet of God; and the dead in Christ shall rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air, and thus we shall always be with the Lord.

1 Corinthians 15:51-54 Behold, I tell you a mystery; we shall not all sleep, but we shall all be changed, in a moment, in the twinkling of an eye, at the last trumpet; for the trumpet will sound, and the dead will be raised imperishable, and we shall be changed. For this perishable must put on the imperishable, and this mortal must put on immortality. But when this perishable will have put on the imperishable, and this mortal will have put on immortality, then will come about the saying that is written, "Death is swallowed up in victory.

**APPENDIX TWO
OUR SPIRITUAL MATURITY WE HAVE AT DEATH,
WE WILL HAVE FOREVER**

(Much has been presented. The topic is presented here for emphasis.)

There is no Bible teaching that states directly whether or not our spiritual maturity will or will not increase in heaven. God has left it as a matter for faith. But, we are commanded to pursue it “now” in several Scriptures such as in: (1) Hebrew 6:1 Therefore leaving the elementary teaching about the Christ, let us press on to maturity, not laying again a foundation of repentance from dead works and of faith toward God; (2) Colossians 1:28 We proclaim Him, admonishing every man and teaching every man with all wisdom, so that we may present every man complete in Christ.; and (3) Ephesians 4:13 until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ.

When we are saved, we receive a divine nature that now legally represents us and it can only take direction from God. It does not (and can not) take independent action and

**“Urgently Train” to Become Maximally Mature in Christ-likeness for Eternity and “Expediently”
Prepare To Go Through the Soon-Coming Endtimes Tribulation**

cannot sin. Our sin natures that we control now are taken away from us when entering heaven. Thus, we can no longer sin, making spiritual mistakes. Integrating much Scripture, including the above, it is my belief and understanding that the maturity we have in Christ-likeness at death we will most likely have forever without further opportunity to gain more in heaven, even though we will gain much more knowledge and live in greatly most-wonderful ways. God’s Plan in the entire Bible, for all of biblical history, with spiritual warfare, appears to lead and train us now to gain a maximum maturity in Christ-likeness, as an **Outcome so we can have an eternal intimate relationship with our God.** Apart from this relationship, there is nothing in the eternal view. Pursuing maturity is **Procedure.** Being more mature, acting in great responsive obedience, God will use our response to help work all things together for good in a greater way. This is so we can know and relate maximally to our (only) most Perfect God (and also to each other) throughout eternity. This is the main reason we are on the earth. Apart from an intimate relationship with God under His direction, as presented many times, there is nothing in the eternal view. What else can there be? (We could not learn the greatest sacrificial love without that demonstrated by Christ on the Cross.) This is so God will direct our every thought and action we will ever have (Him now being God all in all) to have the most perfect life that exists having an intimate relationship with Him.

Because the current development environment (that includes our sin natures, the world environment, and the Devil, himself) will not be in heaven, the Bible signals our maturities most likely will not increase in heaven, at least by the way we know now and that God has planned that we gain now. We will not (cannot) sin (make spiritual mistakes) in heaven, because then we will not have our sin natures. God will direct every thought and action we will ever have using our divine natures to the degree they have been matured in our present lifetime. In heaven, we will have different stations and ruler-ships. What does this tell us? Thus, we should pursue it now as commanded, with urgency, to please God and even as a hedge for our maturity possibly, and most likely, not increasing in heaven. And even if does increase in heaven by ways we cannot know now, by pursuing it now, we will be obeying God now and will have the best lives and ministries we can have, both now and then. (But if it does not increase in heaven, and we do not maximally pursue it now as commanded??? This can limit a maximum relationship with God both now but especially in all eternity. We must not let this eternally happen. We are talking about forever and ever. We must not make a mistake here because the Bible does not give us all the details.)

**APPENDIX THREE
ASSERTIONS (NOT DOCTRINES) USED TO HAVE AND WRONGLY
BELIEVE A FALSE PRE-TRIBULATION RAPTURE ●⁹³**

(Such assertions, however, are not taught in the Bible.

The Bible “does not” teach a Pre-Tribulation Rapture and/or a coming 1000 year Jewish golden age earthly kingdom after the Tribulation. The Bible teaches that all believers, both Jews and Gentiles, are part of the Church and His single body in marriage to Christ to gain a maximum maturity in Christ-likeness. Christ does not have two groups of believers, such as Israel and the Church.

In order to have a false Pre-Tribulation Rapture, all of the following must be true. (The Bible does not teach any of them - all of them must be true even if Pre-Trib people do not use all of them - all Pre-Trib people most likely to not believe all the same things.): (1) The imminent Rapture will (must) occur just before the Tribulation begins; (2) Daniel’s exclusive all Jewish seventieth is equal to the endtimes Tribulation (the Tribulation is actually all nations, not all Jewish, in characteristic that would be required by Daniel’s all Jewish 70th week - this precludes a match); (3) God will return physical temples and animal sacrifices (However, there are no more physical temples and animal sacrifices coming - the Church is now the sanctuary of God and is to be a living sacrifice. (Romans 12:1; 2 Corinthians 6:16;)); Bringing them back would deny the efficaciousness of the Cross and the reason we are here to gain maturity, by having an intimate relationship with God; (4) The Church is composed of only those believers in the Church Period (must assume wrongly there are no Gentile believers in the Tribulation, only Jewish believers and that the Tribulation is not part of the Church Period); The Bible teaches that a large number of people from all nations (thus both Jews and Gentiles) die in the endtimes Tribulation, the great one. This passage alone teaches the Rapture will come “after” the Tribulation; (5) The Church, composed of only believers, goes to heaven and Israel, composed of both believers and unbelievers, goes into the Land; (6) God shows partiality, allowing some believers to be raptured before the Tribulation and put other believers in the Tribulation; (7) The wrath of God and the Day of the Lord, the Church is to miss, are in the Tribulation - not after the Tribulation in the time of the bowls; (8) Christ does not come for and with His saints at the same time. He comes for His saints before the Tribulation and with His saints after the Tribulation; They teach no one is saved in the Tribulation. (However, the Bible teaches that both the dead and alive in Christ will be raptured at the same time at His single Second Coming after the Tribulation); (9) At the Rapture, the Church is not resurrected because there is only one resurrection of the Just (this resurrection comes at Christ’s Second Coming); (10) There are multiple resurrections of the Just; (11) Both Jewish and Gentiles believers are not now one new man in Christ without distinction; (12) Gaining maximum maturity in Christ is not essential for entering eternity, so believers can be raptured before the Tribulation without the need to gain more maturity in the endtimes Tribulation; they just need to work for Christian growth; (13) Christ in the Church Period is married to both Israel and to the Church as separate entities at the same time (But the Bible teaches leaders can only have one wife at a time) - this

wrong belief allows mainly only Jewish believers to be in the Tribulation (however if the all nations Church were to be raptured before the Tribulation, it would include Jews as well as Gentiles);●⁹⁴ **(14)** The tares are bundled for the fire before the Tribulation begins so the wheat can be separated from the tares in Rapture before the Tribulation begins, allowing a Pre-Trib Rapture by wrong belief- this means there cannot be any “new - additional” tares in the Tribulation; **(15)** The enemies of Christ become His footstool before the Tribulation begins, allowing a Pre-Trib Rapture by wrong belief - this means there cannot be any more (additional) of Christ’s enemies in the Tribulation; **(16)** The Bible does not use the oriental marriage concept so the Church can be raptured before Christ’s Second Coming and before the marriage supper of the Lamb; **(17)** The three Greek words (used in the singular) for the Coming, the Appearance, and the Revelation of Christ can refer to more than one event such as one before the Tribulation and one after the Tribulation; **(18)** The Kingdom of God is ruled physically from the earth (not spiritually in relationship from heaven as the Bible teaches) and is equal to a future kingdom of Israel on earth after Christ’s Second Coming - the Millennium Kingdom; However, bringing back a Kingdom of God on earth is to deny salvation in Christ and also, that, as believers (both Jews and Gentiles), we are to live with Christ in heaven, ruling over, not on, the earth; and **(19)** Thus, there will be a return to worship God in physical temples in Jerusalem instead of in spirit and in truth everywhere (But now after the Cross, the believer is the temple of God and is to be a living sacrifice). (For billions of people from world wide to worship God in a Jerusalem temple is not even practical and it would have no purpose of God.)

FOR BACKGROUND FROM WHICH THIS REPORT WAS WRITTEN**

There are “many aspects” to know in order to gain and to put the overall big picture together. It takes time to study and learn them. (Over the years, I have read tens of books on Bible prophecy and the Christian life and integrated the results.) Leaders and teachers must be willing to take the time. Thus, because many will not or not be able to do this, much of the Bible is not known today. For those wanting more details and Scriptural development (I hope most readers do), please read the following documents on my web site (listed below in this section) (and others previously referenced) to quickly gain the big picture (you can down load them all for free). I update them as I learn more. You can send me inputs after reading. (They present how the United States is found in endtimes prophecy, the sequence for how the endtimes unfold, and that the Church will definitely go through the endtimes Tribulation.):

Under **Biblical Worldview: God’s Plan over History for Man to Become Mature in Christ**

94. **NOT LIKELY:** With a Tribulation of only seven years duration and with no believers in the Tribulation at its beginning, it is not likely that a number of Gentiles of such a large number “from all nations” that no one could count could be saved in but seven years. This understanding alone shows the Pre-Tribulation Rapture makes no sense, is not credible, and is not taught in Scripture.
