The Listed Items Are Highly Interrelated Major Biblical Topics. They Contain must Know Information by All Believers (Christians), Especially by Pastors, Teachers, and Church and Family Heads. Taken Together, They Compose God's Plan for Human History for Believers to Become Maximally Mature in Christ-likeness So They Can Have a Maximum Relationship with God in All Eternity, When He Directs All Our Lives as God All in All.●<sup>1</sup>

**WE MUST FIRST APPRECIATE GOD'S INFINITE AND PERFECT GREATNESS  
(And His Purpose For Creating Us and Putting Us On The Earth)**

We need first to appreciate God's "infinite Greatness" having "all" the possible perfect attributes that exist.●<sup>2</sup> And that only He, from His love for us and His perfection, can work all things together for good and give us the best life that is possible to have. He is in control (in charge) and will determine our eternal futures, regardless of our views or desires. To have (gain) His eternal best, we must see that we are first to become Christians in order to go to heaven, and then, most importantly afterward, gain a "maximum maturity in Christ-likeness" so we can relate to Him toward His maximum now, but especially in eternity. **In order to gain this result, it helps to be both outcome and procedure oriented (See next section.).** Being so, we will, with excellence, search all the Scriptures (the Holy Bible only) for all of what we are to become (outcome), and then also, for all the steps we need to live out experientially to get there (procedure). Then, we should record our searched results in a computer (and update our results when we learn more) and then do nothing else. Have our people read our results. **(Being emphasized: Apart from walking with and relating maximally with God, now and in eternity, "in only His ways," there "is nothing" in the eternal view. (All unbelievers will go to the Lake of Fire.)**

### **METHOD TO GAIN GOD'S PURPOSE FOR HIM PLACING US ON THE EARTH**

**OUTCOME:** The desired outcome in our current life is that we become maximally mature in Christ-likeness so we can relate to our most perfect God in His Greatness for all eternity. In eternity, it will be a time when God works all things together for our good as He directs our every

"Urgently Train" to Become Maximally Mature in Christ-likeness for Eternity and "Expediently" Prepare To Go Through the Soon-Coming Endtimes Tribulation* (62 Pages). This document has much Scriptural development and many-many more details.

2. **GOD'S INFINITE GREATNESS:** See our web site report: *The Attributes of God*. (E.g. He has always existed, and will always exist. He works with billions of people at the same time, He is everywhere that exists all the time, and He has always known everything that can be known. He is and has the only perfect life that exists.)

thought and action giving us the most wonderful (and only) perfect life that exists in a close relationship with Him and each other. It will then be God all in all.

**PROCEDURE:** To become maximally mature in Christ-likeness, we must live as Christ does with all of life's direction coming from God the Father (today only from the Holy Bible) with nothing from us or the world as a source. We will live to glorify God by doing only what comes from our perfect God as a source. Central to this are that we must live by two methods. The first is that we must now learn to love God with all our hearts such that we know and keep God's commandments. When we do, we live holy and righteous lives and get to know God. The second is that we must learn to trust God to work all things together for our good. We must trust God to fulfill His promises and we must activate our faith by obeying the instructions with the promise. We must know and memorize the promises. When we do, we live without sin because all is coming from God as a source. Then God implements His promises and we receive revelation from the Scriptures. He works all things together for our perfect good.

**VERY IMPORTANT CONSIDERATION (We must be eternity oriented): There is no Bible teaching that presents whether or not our maturities can or will increase in heaven. God commands that we now pursue maturity.** However, because: (1) our sin natures (by which we sin); (2) the environment of the world, the flesh, and the devil; (3) and the devil himself will not be in eternity and because God, especially in eternity, will direct our every thought and action we will ever have, using our divine natures (that cannot sin and can only follow God's leading), and we will not (be able to) sin in eternity, the information signals that the skill level of our spiritual maturities will be fixed forever at our death.●<sup>3</sup> Thus, we must pay attention to God's command and pursue maturity now to the utmost we can have and "then with extreme excellence." (God has established the spiritual warfare between Christ and Satan in our present lifetime as a developing environment for us to gain this maturity.) **If we do not pursue maturity now with excellence as God commands that we do, and if it will be fixed forever at death as it appears to be the case, we will have paid a "maximum eternal most terrible deficit," that is not (may not be) recoverable.●<sup>4</sup> God alone can work all things together for our good. But the greatness of this depends most probably upon our responsive love and faith obedience skill levels, we have at death.**

### **KEY ITEMS TO KNOW AND CONSIDER**

\* **GOD'S ENDTIMES MOST FAVORED NATION:** God is using the United States as His endtimes most favored nation in a special sequence to terminate history. It is similar to those sequences He used with Israel then as His most favored nation, before the Cross. This comparison, being taught "indirectly" in the Bible, is found (discovered) by comparing Scripture

---

**3. SIN AND DIVINE NATURES:** Founded by Adam and Eve, we, humans, are born with sin natures that cause us to sin. Having only sin natures, we cannot go to heaven or gain maturity in Christ-likeness needed for eternity. Christ died on the Cross to satisfy God's Justice for our sin. When we believe this (the Gospel), we receive a new divine nature that cannot sin. It now legally represents us to give us eternal security (allowing us to go to heaven) and can only obey direction from God. We still retain our sin natures by which we still sin.

**4. MAXIMUM MATURITY:** Regardless whether or not our maturities increase in heaven, if we pursue maximum maturity now as God commands, we will have the best possible life we can have both now and in eternity.

## **Terse Summaries of Need-to-know Items of God's Big Picture Plan for History For Us To Become Mature in Christ, For How the Endtimes Unfold, and For Eternity**

with Scripture. This determination is made based on discovering: (1) the sequence with information and aspects in Revelation compared with O.T. Israel's history; and (2) that her characteristics match those of Israel as a favored nation and that they provide an overview for the sequence for how the endtimes will unfold.●<sup>5</sup> As God's people generally obey God in this sequence, the nation continues with great blessing (greater than any other nation) and is protected by God. But as God's people begin to fall away from God's required obedience, this allows the rest of the nation to fall away. (This is happening now.) When the overall falling away crosses God's allowable threshold, God (using Satan) brings the military of a world government against her in great Calamity and places her under the rule of world government for divine discipline. (Many in Israel were taken out of her land in this period.) This will be the endtimes Tribulation period. Then after this period is over, God will bring His people to heaven via the Rapture and then destroy the rest of the people (unbelievers). (In Israel's time, her people were returned to her land and the world government destroyed.) Now all are resurrected and go into their eternal states - believers to heaven (the New Jerusalem) with great blessing and unbelievers to the Lake of Fire for an alternate way for God to satisfy His judgment for sin, under eternal punishment. (Thus, as of this time, human history on earth is over and eternity begins.)(As of the date of this paper, the Calamity is on the verge of coming very soon, with only God knowing the precise timing. We should know how the endtimes unfold and be ready and prepared before their coming, or we can be caught blind-sided and grossly unprepared. We need to have learned to live by great faith to stand strong under the coming severe persecution in the Tribulation or will can fall away from active faith. This falling away is prophesied and will happen. Being involved will cause us to have less maturity for heaven and will give Satan more power in the Tribulation.)

### **\* WHAT MUST HAVE BEEN COMPLETED OR HAVE HAPPENED BEFORE ENDTIMES EVENTS CAN OCCUR - THE TRIBULATION, THE RAPTURE, THE SECOND COMING, AND ETERNAL STATES.**

- The Tribulation begins after the Church (especially) and the people in the endtimes most favored nation (the United States) have sufficiently fallen away from God's required obedience. Current signs now signal the Tribulation can soon come.
- The Rapture can only occur after all the people who are to live have lived and have made formal and binding decisions in life or by death to accept or deny the Gospel. This will be completed at (by) the end of the endtimes Tribulation. (The wheat (believers) cannot be separated from the tares (unbelievers) until after all the tares are bundled for the fire - that is completed in the endtimes Great Tribulation - in the Mark-of-the-Beast Period (after they as unbelievers make formal decisions to reject the Gospel.) Thus, the Rapture occurs after

**5. THE CHARACTERISTICS OF THE UNITED STATES MATCH THOSE OF ISRAEL SHOWING SHE IS GOD'S ENDTIMES FAVORED NATION:** These matching characteristics include: **(1)** begins in obedience, ends in disobedience; **(2)** Is more sinful than the surrounding nations; **(3)** no one believes that an enemy will ever take her over; **(4)** God makes her a beautiful and most successful nation, much-much more than all the other nations; **(5)** she is the center of nations; **(6)** trusts in her beauty and plays the role of a harlot in reverse - pays her lovers; **(7)** offers food to those who accept her harlotry; **(8)** she sacrifices her children (sex, abortion, drugs, false ideologies, etc.); **(9)** has biblical signs of apostasy in her endtimes period; and **(10)** in her beginning, has a mandate to take the Gospel to the nations which she largely does. (See pages 217-220 of my book: *Watchman Warning* for characteristics with Scriptures.)

the Tribulation.

- Christ raptures the Church at the last (seventh) trumpet that occurs after the Tribulation. Christ raptures the Church and brings the final judgments after (and only after) the heavenly court determines that He won the spiritual warfare over Satan and has granted Him this authority, according to the rules of the spiritual warfare. This determination will be made at the very end of the Tribulation by examining the books (that include the Books of Life and of Works) after all people have lived and have made their eternal formal and binding decisions to accept or reject (deny) the Gospel. It will be shown that all the elect did believe and did accomplish all of God's chosen works. (In order to win the warfare, Satan must prevent one of God's elect from believing and/or prevent one of God's work from being accomplished. He is (will be) unable to do this.) As a result of this determination, Christ will resurrect (and rapture) all believers and will place them in the New Jerusalem when they will be rewarded for their works. Satan with his angels and all unbelievers will be cast "eternally" into the Lake of Fire and punished according to their works. This is a most terrible place. ●<sup>6</sup>
- \* **WATCHMAN WARNING:** Signs, combined together, ●<sup>7</sup> now loudly warn (signal) that the Calamity bringing the very soon-coming endtimes Tribulation and the termination of history, that we all will experience, can come suddenly anytime now like a sudden earthquake, with only God knowing the precise timing. Immediately prepare, upgrading our Christian walk, and put in supplies. See the recommendations presented later for the Church to urgently implement. Our churches are acting wrongly as is the present good times will last indefinitely. They, with this procedure, will be caught blind sided and unprepared as the Calamity and Tribulation come suddenly without warning apart from the signs.
- \* **RAPTURE SEQUENCE TIMING:** The composite of all doctrines (Over 10) teach "unambiguously" that the Rapture of the Church will occur after the Endtimes Tribulation. The

6. **LAKE OF FIRE:** Unbelievers (and evil angels) go eternally to the Lake of Fire as an additional (alternative to the Cross) way needed and used by God to satisfy His Justice for sin. We should not want any of us to go there, especially members of our families. The environment is "most terrible:" (1) people, amongst other things, will be in eternal absolute blackness ("no light of any amount or of any kind"); (2) they will not know why they are there; (3) there will be weeping and gnashing of teeth; (4) they will not remember any of their past life; (5) they will be all alone and will never see another person forever; and (6) they will be in most terrible pain and agony. (The Bible states re Judas who betrayed Christ - it would have been better if he had not been born.) In heaven, it will be just the opposite. There will be only light with no darkness. There will be great blessing and no sin, pain, or sickness of any kind or any amount. It will be a most wonderful and perfect eternal relationship with the Lord Jesus Christ and God the Father. It will be the best possible life that exists. (Matthew 8:12; 10:14-15; 11:20-24; 13:12,30; 24:51; 25:29-30, 41,46; 27:45-50; 26:24; Revelation 20:10; 12-15; 21:8)

7. **SOME OF THE ENDTIMES WARNING SIGNS (Now occurring at the "same" time):** (See pages 31-34 of Chapter One of my book: Watchman Warning for many). (1) "great" inflation with great (severe) economic problems; (2) severe weather (with fire storms, high temperatures, and drought), "great tornadoes," earthquakes; (3) promoting same sex marriages and abortions; (4) increased sin in the United States, God's endtimes most favored nation; (5) a "major falling away" of our American churches from obedience to God, defined by the Bible; churches no longer enduring sound doctrine and doing things according to their own eyes, attempting to work all things together for good as" they" see them; (6) actions to bring world government; (7) bad spiritual teachings in our schools; (8) aliens owning American property (such as China); (9) children and youth are now growing up with the loud Devil's rock beat structured music, in the home and in the church; and (10) many youth having premarital sex;).

wrong Pre-Tribulation Rapture View is based mostly on assertions, not on Bible doctrines. Revelation teaches that the endtimes Tribulation is all-nations in characteristic, not exclusively Jewish that might allow or require a Rapture before the Tribulation. And additionally, "all" Jewish believers are part of the Church and will go with the Rapture. All believers in the Gospel (the Church of Christ) from all of history (from all ethnic groups and from all nations), are in and part of the Church - no exceptions. The Church is the single and only Body of Christ and is a holy nation.

- \* **THE SITUATION WITH ISRAEL:** Israel as a nation had a most important role under God until the time of the Cross.●<sup>8</sup>●<sup>9</sup> The Church is now the nation before God. The Cross broke down the barrier of the dividing wall between the Jew and the Gentile, where now all Jewish and Gentile believers are one in Christ without any ethnic division (as believers). The Tribulation is all nations in characteristic, and is not exclusively Jewish that would require a Pre-Tribulation Rapture. All believers are the Church (Christ does not have two groups of believers, such as Israel and the Church) and are here to gain a maximum maturity in Christ-likeness to relate to God in His Greatness forever. It does not matter now where believers live on the earth. Under God, Israel has been out of her land since about AD 70.●<sup>10</sup>
- \* **THE KINGDOM OF GOD:** The Kingdom of God is a relationship kingdom ruled by Christ from heaven. It is not a physical kingdom ruled from on the earth. All believers world-wide are in the relationship Kingdom of God. All believers, believing prior to the Cross, were held in

---

**8. ISRAEL HAD GREAT PURPOSES BEFORE THE CROSS:** God used Israel: (1) to be the genealogy for the Christ; (2) to bring the Word of God; (3) to bring the temple and sacrifice in the Old Testament system showing the need of salvation and forgiveness of sin; (3) to bring the law showing people sinned (no one can perfectly keep -obey - the law) and needed salvation with the forgiveness of God; and (4) to show the sequence as to how the endtimes will unfold - is now unfolding. (The Church is now the sanctuary of God and is to be a living sacrifice.)

**9. NATIONAL ISRAEL UNDER GOD IS NOT IN THE ENDTIMES:** Christ is now no longer married to national Israel as of the Cross. God divorced the northern kingdom of Israel in her history (Jeremiah 3:8) in a declarative statement (she was in great apostasy and would not return to the marriage). The marriage to the southern kingdom of Judah ended when the Jews had the Romans crucify Christ on the Cross (His death terminated the marriage). Christ is now married to the Church, and by His laws, He cannot have two wives at the same time. He never divorces the Church. So the marriage to National Israel will not be restored after the Cross. Thus, the Church goes through the Tribulation. National Israel was used by God for many very important purposes before the Cross, but none afterward. (All of Daniel's all exclusively Jewish seventy weeks became history at the time of the Cross, and do not refer to the Tribulation. Christ was crucified in the middle of the last or seventieth week. See my web site document on this subject: *the Seventy Weeks of Daniel Chapter Nine*. (24 pages))

**10. ISRAEL NOW IN HER LAND:** Satan brought Israel back into her land in 1948. God only returns Israel to her land in repentance (e.g. see Leviticus 26:40-46; Jeremiah 3:11-15). The Jews, being returned, were (are) in apostasy (not in repentance), with no interest in the Savior whatever. **Thus, God did not bring her back.** Satan is using Israel's return to have people believe in a Pre-Trib Rapture so they will not prepare for going through the Tribulation, resulting in their major falling away under the coming great persecution in the Tribulation. Satan plans to use Israel in wars (part of the Calamity) that will help bring the endtimes Tribulation with world government over which he will rule. Jerusalem is no longer a holy city before God. Missionaries tell us that about 80% of the Jews now in the land of Israel are apostates, no interest in Christ or His Cross whatever. About 18% are orthodox Jews, and about 2% are Christians.

**Terse Summaries of Need-to-know Items of God's Big Picture Plan for History For Us To  
Become Mature in Christ, For How the Endtimes Unfold, and For Eternity**

Satan's Dominion until the time of the Cross. At the time of Christ's Ascension, they were transferred into the Kingdom of God and taken to heaven, no longer in Satan's Dominion. Now all post-Cross believers are translated directly into the relationship Kingdom of God at the time of believing. All believers, no exceptions, are now in the relationship Kingdom of God.

- \* **REVELATION'S THOUSAND YEARS:** The 1000 years are a day of time that comes at Christ's Second Coming. They are not a literal 1000 years. Believers are resurrected at the beginning of the day and unbelievers at the end of the day. The Lord said He would resurrect believers on the Last Day (John 6:39,44,54 and 11:24) and 2 Peter 3:8 teaches that the 1000 years are one day to the Lord. There is no Millennial Kingdom Coming ruled physically on the earth by Israel. It would have no purpose and Israel after the Cross is no longer a favored nation to God. God's only Kingdom at this time is the Kingdom of God ruled by Christ from heaven. (All believers, both Jews and Gentiles, from all of history, are in this relationship Kingdom of God without exception.)
  
- \* **THE SOURCE OF MOST SIN AND SATAN'S STRATEGIES:** The source of most sin is that, not trusting God in His infinite Greatness to work all things together for good, people themselves (especially including Church leaders) attempt to work many things together for their assumed good (believing wrongly that they can from their knowledge and abilities). Doing so, they take many things from themselves and the world as a source - not from the Bible as a source. However, this is walking by sight believing they know sufficient things, instead of walking by faith to trust God to do it without them having to know all things in advance that they can control. This is sin and leads to many other sins. An example of this, is that because youth are now growing up on loud rock-beat structured beat music, they use it in the Church in order for the youth to come (and to gain numbers). For the same reason, churches teach mainly (or only) the basic fundamentals - no longer a sufficient version of God's Whole Counsel needed to gain maximum maturity.●<sup>11</sup> **All of this is satanic strategy to transform the Church to become an immature Church with a loss of Biblical intellect and with a low plateau of Biblical knowledge, such that over time, almost no one will eventually know the Bible in any depth and/or breadth. Are we there now?** The source is that not appreciating God's Infinite Greatness to do things only His way, they work themselves to have all things (wrongly) for their supposed good, not realizing their sin. Thus, when the persecution comes in the Tribulation, most will fall away without standing strong before the Lord. This will happen because almost no one will know endtimes prophecy or how to walk by strong faith. **They will not know what is happening when the endtimes come.** This wrong situation is helped by churches not going "all out" to evangelize and train (disciple) the children out in the community with proper Bible teachings and using the hymns. **The Bible teaches that when filled with**

---

11. **SATANIC STRATEGIES:** Churches do not do the research to know that the structure of loud rock music came from voodooism and many cults used to call up demons and evil spirits. The music is satanic and brings worship to Satan. It helps to lower the sensitivity of believers to receive the teaching of the Holy Spirit. **Its use with only low level teaching is satanic strategy to transform our churches to become immature with a loss of biblical intellect resulting in a very low plateau of Bible knowledge.** This procedure is so the youth and church people will not know what is happening when the Calamity and Tribulation come and, having low commitment, will fall away from the faith in these endtimes under the most terrible persecution.

**the Holy Spirit, one will sing hymns and like music with dominate melody from the heart unto the Lord. They sang a hymn at the last supper. Our churches should use this type music.** Statistics show that 85% of those coming to Christ do so in the age range of 4-14 years. So working to evangelize the children, working with such as Child Evangelism Fellowship, must have the highest of priority. Having our children in the Awana program to memorize Scripture greatly helps. This urgent work also includes working with the high school youth, and young adults. And the Bible teaches that when we do not take care of our own (in this example not to greatly mature them in Christ), we are worse than an unbeliever. Satan works to prevent the elect from believing and not to accomplish God's work. Thus, he works to bring numbers into the churches with low maturity (and maintain that low maturity) at the expense of not highly maturing their own people as God requires at first priority. **This is to transform the Church, reduce the ministry, and have no one eventually to know God's Word in any depth.** Thus, he works to have but little ministry in the church and out in the community, have abortion and same sex marriages, have high inflation so people will have less money to support ministry and will result in his eventually rule with world government that will give him great control. There is much-much more.

### **WHAT CHURCHES MUST NOW DO "WITH URGENCY:"**

We must now in preparation for the endtimes and eternity, alert, warn, and prepare our people for their coming (and help them and they us). Thus, we should (must) do the following "now with utmost urgency and excellence:"●<sup>12</sup>

**(1)** Take steps to mature our people maximumly in Christ-likeness with a set of topics that represent God's Whole Counsel taken from the entire Bible. Train the people to live out the topics by sharing what to do, how to do it, examples for how to do it, testimony for how the teacher did it, and placing their people in several ways of on-the-job training. They must live out what they are learning. The training can be partly accomplished by the pulpit, Sunday school, seminars, and special classes. But because the remaining training time can be short, seminars with much audience participation are a good way. (See our referenced web site documents for training topics: *Keys to Becoming Mature in Christ-likeness In Godly Relationship Living* and ppt charts: *Christian-Life Relationship Principles*.);

**(2)** **With high priority**, go all out to evangelize and disciple the children out in the community (It is good to work with Child Evangelism Fellowship (CEF)●<sup>13</sup> and have CEF bring the training and get the schools and establish summer 5-day clubs and after-school Bible clubs - we can also train all our church people to evangelize adults.);

**THE CHILDREN AND YOUTH SITUATION: With the Tribulation soon coming that will last but a limited number of years to the Rapture, our young children and youth, living now (then), will not live long normal life spans. The youngest children may not live longer than 10 years, and never graduate from high school, go to college, or get married. We must "go**

---

12. **SIGNALLY SIGNS:** The composite of signs now signal loudly that the Tribulation can come at any time. We must prepare now even if the end does not come for a few years. We must not be one second too late!

13. **MINISTRY OF CEF:** CEF works in over 90 countries and leads over 10-15 million world wide to Christ each year and in the United States about 150,000 to 200,000 kids to Christ each year using many methods.

**all out now” to evangelize them and train them to become mature in Christ-likeness (with great urgency,” while, in freedom, we still can and to the degree we still can).**

**(3)** Train our people with Bible prophecy for how the endtimes will unfold and what they can expect to experience when they come. Train them to walk by strong faith so they will stand strong under the coming persecution and not fall away. Warn our people of the imminent coming endtimes and help them prepare (e.g. store water, food goods, personal items, flash lights, kerosene lamps and candles with matches, crank (including short wave) radios, keep gasoline tanks full, have devices that store electricity for a period, or solar arrays with batteries etc.);

**(4)** Place our people into independent underground home Bible and worship groups of people who live near each other and have them keep a low profile (they can continue to worship and do ministry after our church buildings are closed by the government);

**(5)** Work with individuals and families, one at a time, to pull them out of the rock music services into the hymn services. Go to expository verse by verse preaching, presenting many examples and testimonials in the hymn services.

**(6)** Have our missionaries and pastors now get additional sources of income, including jobs, for when the incomes (people's financial support) to our churches will be greatly reduced (or our churches closed), and thus, their giving will be reduced to missionaries and pastors.

**(7) In order to accomplish the recommendations immediately in the limited time remaining before the Calamity and Tribulation come, it can be best to establish a leadership and training committee in the church of mature people: (1) who know how to do ministry; (2) have them work under the elders; and (3) who will see to it that all the work gets planned (outcome) and gets accomplished (procedure). They can select the people and the needed curriculums etc. and help train.**
