THIS IS A "MUST READ" DOCUMENT

This document is must reading by all Christians, especially by church leaders and family heads, so they will know the big picture and seriously train their people to become maximally mature in Christ-likeness and be prepared for the soon-coming endtimes Calamity and Tribulation. However, all believers in the Cross of Christ, are encouraged to read this document in order to see and appreciate the biblical big picture so that they take immediate necessary action before going into eternity and before Revelation's endtimes come.

2. **THIS REPORT IS AN INTEGRATED OVERVIEW:** Refer to and read my free web site reference documents at this report's end (on my web site) for scriptural development and many more details. This summary document assumes the reader is familiar with the terms of the Gospel, the Rapture, the Endtimes Tribulation, the Second Coming of Christ, Israel, and the fact of spiritual warfare. Those wanting to become a Christian can read my web site document under Training: *God Is Reaching Out to You to Become a Christian*.

3. **MY BACKGROUND:** Before I share, I want you to see where I am coming from so you can see how God has led me to study (taking many inputs from others) and learn the big Biblical picture and what our Churches must urgently do now. In my working career, I was a satellite system engineer with an advanced degree and a long term Bible teacher of Christian Life Relationship Principles. I worked in an advanced systems group, where as a group of men, we knew everything our customer wanted done and how he wanted it done. Using this training background, God has led me to study, specialize in, and integrate the teachings of Bible Prophecy, God's Plan for History, the Spiritual Warfare, and Christian Life Relationship Principles, even with some new insights - taking many insights from others. He has led me to establish my own web site: www.biblicalworldviewministries.com. I have read tens of books re Bible Prophecy and the Christian Life. I share the Gospel with many people each week using my booklet: *God is Reaching Out to You*. With this background, God has led me to put together today's big picture. God has gifted me with my system engineering training to search for things and integrate things together. Thus, I try to search for all the Scriptures and doctrines I can find that bear on each topic and integrate them together.

NEEDED PROCEDURE TO LEARN AND UNDERSTAND THE BIG PICTURE

There are many aspects to consider to gain the overall big picture. Please take the time to read this entire document, particularly, plus the references. You will be blest. We need to know the biblical outcome and the procedure to get there. Thus, we need to know what must have happened and have been completed in order for the Rapture to come, the endtimes Tribulation to start, and for the Second Coming of Christ to come. These must be known in addition to their sequence in order to best understand endtimes Bible prophecy. These are explained.

THE MAIN REPORT DETAILED INTEGRATED OVERVIEW OF THE BIG PICTURE, INCLUDING HOW THE ENDTIMES UNFOLD, FOR WHICH WE MUST NOW "URGENTLY" PREPARE

THE STARTING PLACE: we must first appreciate God's infinite greatness such that we search the entire Scriptures: (1) for all that He wants us to become to be maximally mature in Christ-likeness (outcome) and (2) for all the steps and principles He wants us to live out "experientially" in order to gain this maturity (procedure). This is so we can relate to Him in a maximum way both now, but especially in all eternity. We should record our findings in a computer and update our findings when we learn more. We should share our findings with our congregation so they can know what God has planned for them and how to pursue His best. **We should live out "only" what we are finding in the Scriptures. Then we will more greatly glorify and worship God. Until we do this, we very likely are not living out sufficiently of God's best with excellence for us that is needed now, but also very importantly in eternity.** We can appreciate His infinite greatness by studying and learning His attributes. In summary, we (both Jews and Gentiles - all people) being believers in Christ's Gospel are on the earth now to become maximally mature in Christ-likeness so we can relate to and fellowship with Him in His greatness to the maximum both now, but especially throughout eternity, living by His holiness and righteousness. **This means that all believers (both Jews and Gentiles) are part of Christ's Church and His body without exception. They both are to gain**

this maximum maturity in Christ-likeness. This is the main reason we are here. Apart from this relationship, there is nothing. This means that all endtimes prophecy views must have this as a key tenet to be correct.

ESSENTIAL INGREDIENTS NEEDED TO BECOME MAXIMALLY MATURE IN CHRIST - LIKENESS: The results of our biblical search (using accurate Bibles, no paraphrases) to become maximally mature in Christ-Likeness are foundational. The Lord Jesus Christ, being the Son of God, is our (only) role model. Being Christians, we are told to walk as He walks. So how did he walk? He only did what came from God the Father as a source. He did nothing from Himself as a source. Thus, when people saw Him, they actually saw God the Father working through Him. We are to live this way with the Father through Christ working in us. Thus, we are live only in thought and action by what is in the Bible as led of God directly or in application as God would has us do, working in us, and do nothing else. We will live this way in heaven with every thought and action coming from God the Father. Then it will be God all in all and He will be working all things together for our good. (Of course, this now is a growth process.) We must not now live as churches or as individuals spiritually the way of the world or from the world that would effect our spiritual lives, glorifying God, and our worship services.

Two of the greatly necessary ways by which we are to live, are by love and by faith. (1) We are to love God with our total being. We will do this after (when) we appreciate His infinite Greatness. Loving Him for who and what He is, we will (want to) obey (keep) His commandments. We must know what they are. Keeping His commandments, we will live holy and righteously and we will get to know God. We will serve each other sacrificially from our love. This requires us to know and remember His commandments. There are over 300. (2) We must walk by faith trusting God to implement or fulfill His promises and to work all things together for our good. We must activate our faith by obeying the instructions with the promise. When we do, we live without sin because all is coming from God as a source. Then we receive understanding (revelation) of the Scriptures. The Bible teaches that the righteousness of God is revealed to us as we walk from faith to faith.●⁴ This signals that those Bible students today who know insufficient of the Scriptures very likely are not walking by sufficient faith (without their realizing it). This includes Church leaders and pastors. It is a sign we are not training with a sufficient verison of God's whole counsel,●⁵ particularly how to live the Christian life to become maximally mature in Christ-likeness. And we generally train mostly

4. **MY DEVOTIONAL DOCUMENT:** My free web site document: *Living by God's Righteousness* contains about 300 commandments and many promises for us to memorize. You can read a few pages each day. This is what I do.

5. **GOD'S WHOLE COUNSEL:** When we do not train with God's whole counsel, we are guilty of the people's blood. This is where most churches are today. *Acts 20:26-27 "Therefore I testify to you this day, that I am innocent of the blood of all men. "For I did not shrink from declaring to you the whole purpose (counsel) of God. (Comment: mine.)*

with only what we are to do. Training must include what to do, how to do it, examples of how we do it, testimony of the teacher for how he or she did it, and place our people into various ways of on the job training, such as is ministry, families, and work place, where principles are actually lived out. We are not mature (and not trained) until we live know and actually live out the principles experientially. Of course this is a growth process.

Other doctrines (our procedures) that help us to become more mature in Christ include: (1) we live to glorify God by obeying God what comes from Him as a source (Now only what is in His Bible, directly or in application); (2) live in head-subordinate relationships to become mature in Christ-likeness, modeled after Christ's walk with the Father; (3) be involved in God's work of evangelism leading people (especially the children and youth) to become saved, training people to become maximally mature in Christ-likeness (not just work for Christian growth), building godly families, planting churches, and helping the needy; (4) know and stand strong on the basic doctrines of the Christian faith (have our own doctrinal statement); and (5) have regular daily devotions to God in prayer and reading our Bibles (e.g. we should pray for each other, our families, our ministries, our churches, and our country).

OUR (A GOOD) BEGINNING PLACE TO HELP US UNDERSTAND ENDTIMES BIBLE PROPHECY: We begin with Christ sitting on David's throne in heaven at the right hand of God the Father. It is a time after Christ's Ascension, but before the endtimes unfold. The Cross had broken down the barrier of the dividing wall between the Jews and the Gentiles, where now, all as believers, both Jews and Gentiles, are one in Christ, being part of His Church and Body, without ethnic division. Our Lord is now married to the Church (in the oriental marriage concept) consisting of both Jews and Gentiles. By His laws, He cannot have two wives at the same time. Thus, He can no longer be married to Israel as a covenant nation. It would require a divorce to change this oriental marriage relationship. The Church is now the bride of Christ, but does not now live in with Him. The Church goes to live in with the bridegroom (Christ) at the Rapture that occurs at the marriage supper of the Lamb after the Tribulation. (Especially after the Cross, there is no such thing as two bodies of Christ - the Church and Israel (as believers only) - all are in (are part of) the Church.) The Church is now the sanctuary of God and is to be a living sacrifice. Thus, physical temples and animal sacrifices before God are gone forever. Bringing them back would deny the efficaciousness of the Cross and doing so would be terrible sin. (Satan may bring them back to deceive the Church.)

DOCTRINES THAT TEACH UNAMBIGUOUSLY A POST TRIBULATION RAPTURE: (1) The Bible uses the term "saints" throughout the NT epistles for the Church. In the latter part of the book of Revelation, the word Church is not used, but the word "saints" is. This teaches the Church is in the endtimes Tribulation, even in the Mark of the Beast Period. (2) The wheat (the Church; believers) will not be separated from the tares (unbelievers) until after the tares are bundled for the fire. The binding is completed in the Mark of the Beast Period. (3) Christ remains sitting at the right hand of God the Father before rapturing the Church until all His enemies become His footstool - under His authority. This (all his enemies becoming His footstool) also is completed in the Mark of the Beast Period. (4) The Greek New Testament

INTEGRATED OVERVIEW OF TODAY'S BIBLICAL BIG PICTURE

uses the article (the) just before using Revelation, Coming, and Appearance of Christ. This teaches only one, not two that would be required for a Pre-Trib Rapture View. The "single" Coming, Appearance, and Revelation of Christ occurs after the endtimes Tribulation. (5) The book of Revelation (Rev. 7:9-14) teaches that the Tribulation, the Great One, contains believers from all nations (both Israel (Jews) and Gentiles) of such a large number that no one could count them, teaching the Tribulation is all nations in characteristic. It is not "only" Jewish that would be required for a Pre-Trib Rapture of the all nations's (including both Jews and Gentiles) Church. (6) A detailed study shows that Daniel's 70th week is history. Christ was crucified in its middle. Because the Tribulation is all-nations in characteristic, the (exclusive) all Jewish 70th week does not (can not) refer to the endtimes Tribulation (and thus, a Pre-Trib Rapture is not possible). (7) Christ said He would resurrect the believers "on the last day." This occurs after the Tribulation. (8) The Bible teaches the Rapture (Our being caught up to be with Christ in the clouds) occurs at the last trumpet. This means it occurs at the 7th trumpet of Revelation or one after that. The 7th trumpet sounds after the endtimes Tribulation; (9) At the Second Coming of Christ, the beast and the false prophet as persons are cast into the Lake of Fire showing there is an endtimes Tribulation; and (10) The Church is now the bride of Christ and goes to live in with the bridegroom at the marriage supper of the Lamb after the Tribulation (Time of the Rapture). **(There is no Biblical teaching for a Pre-Tribulation Rapture. The Pre-Tribulation, in our view, is based falsely on wrong Biblical assertions, not on any Bible doctrine. All Scripture refutes this view.)**

REQUIREMENTS: (1) The Rapture and Second Coming of Christ can only occur after all people have lived and have made formal binding decisions to chose or deny the Gospel in life or by death (We cannot know the time of Christ's Coming); and (2) The Tribulation comes after the American Church and country have sufficiently falling away from required obedience to God. Christ's Second Coming may come in the fall of the year at the Feast of Trumpets. If the Tribulation is a non fractional number of years except for the six months in the Mark-of-the-Beast Period, it may begin in some spring.

THE CURRENT ISRAEL OR JEWISH SITUATION: (1) God divorced the northern kingdom of Israel in a direct teaching (Jeremiah 3:8) because she would not return to God in obedience. When the Southern Kingdom Jews had the Romans crucify Christ, when He died, this dissolved (terminated) the marriage to the Southern Kingdom of Judah. So Christ is no longer married to Israel as a covenant nation. He, as of the Cross, is now married to the Church. He cannot have two wives at the same time. Thus, He does not ever again remarry Israel. The covenant nation of Israel as of the Cross is gone forever in God's plan, but not Jewish believers in the Cross. They become the Church of Christ and are married to Him.

(The Jews therefore will not (can not) be dominate in the Tribulation and will not establish a 1000 year kingdom. The 1000 years is when Christ with the Church determines whether or not anyone left after the Rapture is saved or can be saved. Since the answer to both questions is negative, Armageddon comes and the unbelievers are resurrected, judged, and cast into the Lake of Fire. This is the time of the last day - the 1000 years is a day to the Lord - 2 Peter 3:8. This is the time of the last Day of the Lord and when God's endtimes wrath comes. These do not come upon the Church in the Tribulation.)

INTEGRATED OVERVIEW OF TODAY'S BIBLICAL BIG PICTURE

THE PROMISE OF THE LAND TO ISRAEL: God promised Israel, as a covenant nation, that she could live in her land forever. However, this promise was active only when Israel was walking with God in obedience. When she went into disobedience, she broke the requirements of the promise, and then Israel was taken over by a world empire with many Jews being taken out of her land into the land of the world empire for divine discipline. (See Leviticus 26 and Deuteronomy 28.) Then after the discipline period was over, Israel was brought back into the land with repentance and then the world government was destroyed. Then the promise to live in the land was restored. This sequence was repeated many times until both the northern and southern kingdoms would not return in repentance to obedience. Thus, God has terminated His relationship with Israel as a covenant nation (but not as believers). She is now gone forever before God. The current return of Israel in 1948 as a nation, in our view, was brought back by Satan, not by God. God only restores Israel to her land in repentance, returning to obedience. The current Israel is in great apostasy (not in repentance), not at all interested in their Messiah. Satan will use her to help bring the wars (Calamity) that will establish the coming world government and Tribulation.

Israel in her time before the Cross had several very important purposes that included: (1) Being the genealogy that brought the Savior; (2) Bringing the Law and Sacrifice System that showed the need of living by God's righteousness and the need of a coming Savior for the permanent forgiveness of sin, and providing a temporal forgiveness of sin; (3) Presenting (living out) the procedure - the model sequence - for how the endtimes including those of Revelation will unfold (discovered by a faith action search).

HOW THE ENDTIMES WILL UNFOLD: The endtimes unfold in a similar sequence that God used with OT Israel as a most favored nation (see the above for the sequence). This is determined (discovered) by examining the wording in Revelation and comparing it with the OT books concerning Israel. There is a match. Thus, the endtimes unfold in a similar sequence (with similar happenings, but with different details). So what is this sequence?

The endtimes favorite nation to God is the US. She has been blessed by God many fold more than any nation in history, including much more than Israel or even more than England. In her obedience, she has been greatly blessed by God. However, as her Church begins to disobey (as is happening now) - fall away, she gets warning and the country as a whole is allowed to fall away as led by Satan. As the disobedience crosses God's threshold (situation and time only known by God), God brings a world government against her with Calamity and places her under the divine discipline of the endtimes Tribulation that brings great persecution and martyrdom. Then as the discipline period is over, God brings believers to Himself as He raptures the Church and brings the final eternal judgement on all the nations.

At the present time, the signs now loudly warn (signal) that the Calamity bringing the endtimes Tribulation of divine discipline is (can be) imminent (coming at any time) with only God knowing the exact timing. (The current signs are similar to those in OT Israel just before World Government invaded her.) Some of these signs are great inflation, sever weather with fire storms and drought, same sex marriages, increased sin in God's most favored nation, a major falling away of the American churches, churches no longer enduring sound doctrine and cannot tell the difference between the holy and the profane. There are many more. The Church

INTEGRATED OVERVIEW OF TODAY'S BIBLICAL BIG PICTURE

(particularly the American Church) will go through the endtimes Tribulation because her disobedience is the cause of its coming and the cause of the US as a country falling away. (The "only thing" that can slow things down is that the American Churches have massive revival. This will not happen except for a few churches because the endtimes are prophesied to come.)

HOW THE AMERICAN CHURCHES ARE NOW FALLING AWAY (WITHOUT THEIR REALIZATION OR DESIRE): The Church falls away when she is not obedient to God as defined by the Bible as she no longer endures (knows and lives out) sound doctrine. The main job of the Church is to bring her people to become maximally mature in Christ-likeness and to evangelize the world, especially the children, including entire local areas. So what is the Church now doing, especially in the US? The children and youth are now growing up listening to loud rock beat music, using a drum band. Our churches are now using it with a loud drum band as well as wearing the most casual of clothes and teaching mostly first level training. According to the Bible, we worship God with melody singing from our hearts, not with (not with particularly loud) rhythm dominate, moving around. **Research shows that the structure of loud rock beat music was used in Voodooism to call up evil spirits and demons. It is satanic and thus, profane (Satanic strategy) - not in the Bible, and thus, is not of God. This brings worship to Satan. Thus, it use is satanic strategy.** Our young people today generally will not come to Church unless such satanic music is used. Additionally, they generally will not come to Church unless only the basic fundamentals are taught. They do not want to sit under verse by verse expository in depth teaching. (So we are in a catch 22 so to speak. The music is wrong to use, but much of the youth will not come to church unless we use it.) **So our Churches today are being (have been) satanically transformed, using rock music with mainly only first-level training, from orthodoxy to become an immature Church with a loss of Biblical intellect and with a low plateau of Biblical knowledge. Much of our youth and young married now have but little Bible knowledge, particularly of doctrine and how to live the Christian life. Our churches work toward Christian growth, but not to become maximally mature in Christ-likeness. We are going into a very dark period where few will know the Bible in any depth-breadth. As a result, they will not know Bible prophecy and why things are happening and coming when the Calamity and endtimes Tribulation come. They will fall away under the coming Tribulation persecution. This is satanic strategy. (Thankfully, there certainly can be (are) exceptions.)**

Thus, as the endtimes come, with but few knowing the Bible, people will not know what is happening and why. And with great immaturity and lack of Bible knowledge, there will be a major falling away from the faith under the great persecution in the coming Tribulation. The above is to implement satanic strategy. (Now as precursors and in the Tribulation, because of their falling away, no longer enduring sound doctrine: (1) They (Church leaders) will not be able to tell the difference between the holy and the profane (now rock music); (2) God will bring a famine of His Word (churches are now teaching pabulum - there are some exceptions); and (3)

INTEGRATED OVERVIEW OF TODAY'S BIBLICAL BIG PICTURE

God will no longer protect the children (not now working to evangelize the children, especially out in the community.)

Another reason our churches are not working for excellence before God is that our pastors and teachers very often are not adequately training their people. They teach what to do without also teaching them how to do things, do not give examples, and do not give testimony for how they lived out experientially the what to do. They do not put them in forms of on-the-job training so they can practice what they are learning. We only become mature when we actually live out our training. One reason I like CEF is that they have trainees practice what they are learning.

SATANIC STRATEGY: In order to win the spiritual warfare over Christ (he will not be able to do it), he (Satan) must prevent one of God's elect from believing and/or prevent one of God's work from being accomplished by God's elect. The falling away of our churches helps accomplish this.

Throughout OT History, he tried to establish the following: (1) He had angels have sexual relationships with women to have a hybrid race so the Savior, might not be born the required true human. God brought the flood to keep the warfare fair to kill the people and deliver Noah's family by the arc; (2) At Sodom and Gomorrah, he had same sex marriages be dominate so the elect might not be born and that which would give him more power. God delivered His people out of the area and destroyed the remaining people; and (3) At the Tower of Babel, he had central control using one language. God made the warfare fair by giving the people different languages causing them to separate by language and move away, settling by the languages.

Now as the endtimes are unfolding, Satan's strategies include: (1) Having a false Pre-Tribulation Rapture Theory so Churches will not mature their people and have them caught blind sided when the Calamity comes that brings in the (their unexpected presence in the) endtimes Tribulation; (2) Have same sex marriages and abortion so the elect might not be born and accomplish God's work; (3) Bring inflation so the Church people will not adequately financially support the ministry and to bring the endtimes Tribulation;(4) Have the Churches dumb down their teaching, so fewer will be involved in ministry and will not know what is happening when the Tribulation comes - so they will fall away under the persecution in the endtimes Tribulation; (Some churches have not taught endtimes prophecy for many years or have taught it in error.) (5) Use loud rock beat type music in the Churches that will desensitize them to the leading of the Holy Spirit so they will not become mature in Christ and will not greatly be involved in ministry (there are exceptions), and to give him (Satan) worship (without their realization or desire); and (6) The Churches will not be involved greatly in evangelizing the children out in the community. (Many adult ministries are performed by those who became believers as children.) (We are to come to church to have our needs met as seen by God, not our felt needs as seen by us.)

HOW THE CALAMITY AND WORLD GOVERNMENT MAY (VERY LIKELY WILL) COME:

The happenings of the Calamity will be sufficient to bring the endtimes world government with total government control with socialism. There will be many actions to reduce the population so the elect will not be born or accomplish God's work. The expectations are (we do not know

INTEGRATED OVERVIEW OF TODAY'S BIBLICAL BIG PICTURE

all the details) over time: (1) there will be a sudden military atomic attack with a few major cities blown-up, (2) the stock market will crash under hyper inflation wiping out savings - we will go into an inflationary depression; (3) the infrastructure will break down with few products and foods getting to the market place, bringing famine (famine is also caused by the lack of rain); (4) there will be power blackouts without any communications (no internet, TV, telephone, radio, cell phone and lighting (so people will not know what is happening)). In this blackout time, very likely many Christian leaders and pastors will be arrested and martyred so the church people will be without shepherds and will fall away including from ministry; and (5) there will be much most serious disease (planned) that brings death. Martial Law will be declared placing the United States under world government, beginning the endtimes Tribulation. (The America we love and have lived in will be gone forever.) At the time of the Calamity:

Revelation 6:7-8: And when He broke the fourth seal, I heard the voice of the fourth living creature saying, "Come." And I looked, and behold, an ashen horse; and he who sat on it had the name Death; and Hades was following with him. And authority was given to them over a fourth of the earth, to kill with sword and with famine and with pestilence and by the wild beasts of the earth.

In order to help prevent the elect from believing and accomplishing God's work in the Tribulation time period, Satan makes war against Christians by causing them to fall away through persecution, and by martyring many. This gives him more power to bring a major war that kills a very large percentage of the population. Then he begins to martyr all people who will not accept the mark-of-the-beast. (After the mark-of-the-beast period, Christ raptures the Church and brings the final judgments.) There will most likely be very few Christians alive at the time of the Rapture. Christ said when He returns will He find faith on the earth, meaning very little.

WHAT SHOULD OUR CHURCHES DO NOW AS THE ENDTIMES ARE UNFOLDING: (1) Our Church leaders should now educate (warn-alert) their Church people about the soon coming endtimes, mature them maximally in Christ-likeness, and help them prepare for going through the soon coming endtimes Calamity and Tribulation. They should prepare them by training them to live by very strong faith and to put in provisions for at least 3-6 months without needing to go the grid for food, water, gasoline, lighting etc.; (2) They should go all out to evangelize and disciple the children in the community with urgency such as working with CEF, especially training them to walk by strong faith because, as the fixed-short duration endtimes come and from the martyrdom and disease, they will not have (live) a normal lifetime span. Many will never get married or go to college; (3) They should work to maximally mature their people in Christ-likeness with urgency. They should work with individuals in the rock music services on the side to inform them of the evil of rock music and draw them into the hymn services. Churches will need to go to expository peaching in depth-breadth going verse by verse. **As stated, without maximum maturity in Christ-likeness, they most likely will not be able to relate to God toward His maximum in all eternity. This is a most terrible penalty. There is nothing else.**

INTEGRATED OVERVIEW OF TODAY'S BIBLICAL BIG PICTURE

THE SPIRITUAL LEVEL OF OUR MATURITY IN CHRIST-LIKENESS WE HAVE AT OUR DEATH, WE MOST LIKELY WILL HAVE (BE FIXED) FOREVER (THERE IS NO SCRIPTURE THAT DIRECTLY TEACHES EITHER WAY): When we became Christians, we received a new divine nature that cannot sin and it now legally represents us. God trains us using it to have us gain maturity. Thus, we, because we do not legally sin, have eternal security in Christ (we cannot lose our salvation). We still have our sin natures and we sin when using them. But they no longer legally represent us. When we go into heaven, our sin natures are removed from us, and the testing (developing) environment of the world, flesh, and the devil will not be in heaven. We cannot sin in heaven with our divine natures and God will lead us using it in all things. This understanding teaches that the way we gained our level of spiritual maturity now in our lifetime will most likely not be in heaven (we cannot count on our spiritual level increasing). We should therefore assume our spiritual maturity we have at death, we will have forever. We must pursue maturity now in any case because we are commanded to do so.

THE GREATEST PENALTY THERE IS (AND OTHER PENALTIES): The only thing that matters in our lifetime is that we become Christians and then afterwards, very importantly, become maximally mature in Christ-likeness so we can relate to our most perfect and infinite God toward His maximum, especially in eternity. Apart from these, there is nothing. Now that our churches are not training adequately so this can happen, they are causing their people to have a maximum most terrible “eternal” spiritual deficit. We must not let this happen to our church people, and especially to us and to our families.

How much do you and your people and families want to know and relate to our perfect and infinite God toward His maximum in eternity? So what are you and I “now urgently” going to do?

COMMUNICATE WITH US: Send us questions and comments for discussion. I can update my documents. But please understand there are many-many aspects to learn and integrate to gain the overall correct picture. There is no shortcut.●⁶ I have integrated many-many doctrines together including taking much information from others. Let me know how I can help.

(I fully realize, Bible interpreters have different views. But we must gain maximum maturity for relating to God toward His maximum in eternity and be prepared for going through the endtimes Tribulation. What if your view is wrong and you do not train, alert, and prepare your people, believing you will not go through the Tribulation? Not maturing your people will cause them to have a most terrible deficit for all eternity. Not alerting, alerting and training them will cause them to be caught blind sided and unprepared when the endtimes come. It can cause them to fall away under the coming persecution and have less maturity for eternity This is most terrible.)

6. **PROPHETIC VIEWS:** I have read many books on prophecy where writers do not include many doctrines that totally refute their views.
