**SUMMARY OF NEED-TO-KNOW BIBLICAL BACKGROUND INFORMATION  
THAT SIGNAL THE PRESENTED RECOMMENDATIONS  
SHOULD BE “URGENTLY” IMPLEMENTED**

**(The recommendations follow afterward in Part Two.)**

**(Topics with their Scripture Development are found in the references.)**

- God placed us on the earth to become Christians and then, afterwards, very importantly as the main objective, to gain a “maximum spiritual maturity in Christ-likeness (walking as He walks with everything coming from and led by God the Father). This is so that we, in all eternity, can have a maximum relationship with our infinite perfect God. This is meant for all ethnic groups, including the Jews. **Bible teachings signal (but do not directly teach) that the level of our maturity we have at death we will have forever.** (The environment used now for us gain this maturity will not be in heaven.) **So not to pursue this maximum maturity “is a most terrible” eternal mistake. The “main job” of church leaders, as God commands, is to help train their people (procedure) to become maximally mature in Christ-likeness walking by strong faith and love (outcome), not just work for some Christian growth.** It must be understood that those with greater maturity in Christ-likeness, having a greater response to God’s leading, will know more of God, have greater relationship with Him, and be used more greatly by Him, in a greater growth over eternity. **Apart from relating maximumly to our infinitely perfect God, there is nothing. ●<sup>2</sup>**
- We are in a great spiritual warfare between Christ and Satan that God is using to bring us, as we respond to His leading, to a maximum maturity in Christ-likeness. Satan brings strategies

to help prevent this occurrence by working to prevent our becoming Christians and helping to accomplish God's work. This is so the that many of the elect will not be born, many will not become the elect, and/or many will not accomplish God's chosen work. In these endtimes to help accomplish these results, Satan is influencing the Churches to fall away from the faith, God's requirements, and excellence to implement those of Satan, self, and the world. The result is that now thousands of especially American churches, in their falling away from knowing sufficient Bible doctrine, are becoming to some extent lukewarm without their desire or realization (they all want to do right).●<sup>3</sup> They are being (have been) transformed to become ones that no longer have needed biblical intellect and have now but little knowledge of God's Word (no longer endure sound doctrine). The big cause is that they do not appreciate God's infinite Greatness so as to do “all” His commands and then “only” by His way (they do not sufficiently know and have fallen from many of God's ways). This situation of falling away is demonstrated by churches going mainly to elementary teaching without maturing their people, not going all out to evangelize the children and youth out in the community, and using the devil's loud rock type structured music (instead of the Bible's music of singing melody in hymns from the heart unto the Lord) in the church worship services and Christian ministries. (*Revelation 3:20 'Behold, I stand at the door and knock; if anyone hears My voice and opens the door, I will come in to him, and will dine with him, and he with Me.*)Today, Satan is influencing the youth to like his loud rock structured type music that he created in Voodooism to call up evil spirits and demons and give him worship.●<sup>4</sup>●<sup>5</sup>

- God is using the United States as His endtimes most favored nation in a special pattern sequence (similarly as He used with Israel as a favored nation) to bring the termination of human history.●<sup>6</sup> He has blessed the United States more greatly than any nation now or in history, including more than O.T. Israel. This blessing has occurred because His people have in a general sense obeyed Him. Now our churches are falling away (cause) that is allowing the

3. **LUKEWARM CHURCHES:** *Revelation 3:15-17 'I know your deeds, that you are neither cold nor hot; I would that you were cold or hot. 'So because you are lukewarm, and neither hot nor cold, I will spit you out of My mouth. 'Because you say, "I am rich, and have become wealthy, and have need of nothing," and you do not know that you are wretched and miserable and poor and blind and naked,*

4. **DO RESEARCH:** If you do not believe this, then do research on the internet and you will discover its truth. Check out “The Evils of Christian Rock Music” and “Christian Rock Music.” There are also many documents and books on the subject. Then you by choice, will never use it.

5. **ROCK MUSIC IN THE CHURCHES:** Satan has the children and youth growing up on and liking the loud rock type music. Most youth now may not come to church unless churches use it. So this is a type of Catch 22. Church leaders should recognize its error and over time draw many into the hymn services. Youth will not come to church unless elementary training is used. So our youth are now growing up with but little knowledge of God's Word and the Christian life. They are not becoming mature in Christ. This is Satan's strategy to have a great falling away in the endtimes Tribulation. The main source of the problem is that the youth and church leaders do not appreciate God's infinite Greatness so as to do things only His way - sing melody from the heart unto the Lord.

country to fall away (symptom) resulting in Satan being allowed now more power. When this falling away crosses God’s allowable threshold, God will allow Satan to bring a foreign military in “a sudden devastating calamity” that will place the United States and the world’s nations under world government ruled by Satan and his people. Satan will then bring great devastation including persecution and martyrdom. This will be the endtimes Tribulation that God will use to bring divine discipline on His Church. When the Tribulation is over, God will rapture His Church and then bring the termination of history with the Church going to heaven and all unbelievers to the Lake of Fire for all eternity. Now eternity begins for people and angels.

- It must be understood that the Rapture cannot occur until “after” all the people who are to live, have lived, and have made formal decisions to receive or reject the Gospel in life or by death. This is completed in the Tribulation under the Mark-of-the-Beast period. The Rapture can only occur also after the heavenly court after the Tribulation has given Christ the authority, resulting from determining that Christ, by opening the books, has won the spiritual warfare over Satan. All the elect did believe and all of God’s work was accomplished. Satan tried, but could not prevent their happening. This determination is made after the endtimes Tribulation.●<sup>7</sup>
- There are over 20 doctrines in the Bible that teach unambiguously the Rapture comes (and only can come) after the endtimes Tribulation. The Pre-Tribulation Rapture View, based on assertions, not doctrines, is not taught in the Bible. **Satan is using this view so believers will not prepare for the Calamity and Tribulation, and thus, be caught blind sided and unprepared when they come. They will fall away in the Tribulation under world government.** All the believers, both Jews and Gentiles are part of the Church. The Cross broke down the barrier of the dividing wall between the Jew and the Gentile. So believing the Gospel, both Jews and Gentiles are part of the Church and Christ’s body, with the purpose to become mature in Christ-likeness for a maximum relationship with God in all eternity.●<sup>8</sup>

## WATCHMAN WARNING:

Recommendations That Should Be “Urgently” Implemented by Church Leaders and Family Heads

### RECOMMENDATION ONE

#### MAXIMALLY MATURE OUR CHURCH PEOPLE

(Become maximumly mature for a maximum relationship with God in eternity)

**RECOMMENDATION:** Go all out to maximumly mature our church people in Christ-likeness using a complete curriculum (that includes Christian Life Relationship Principles), emphasizing the Christian Life, walking as Christ walks, and by love and by faith. This maturity is needed now, but especially in eternity so we can have a maximum relationship to God and get to know Him greatly. Apart from knowing and relating to God in His Greatness, there is nothing.●<sup>10</sup> I have documents with a set of minimum topics (See Footnote 2).●<sup>11</sup>

**BENEFITS WHEN IMPLEMENTED:** Our people will have a greater appreciation and knowledge for our God’s infinite Greatness resulting in a maximum living relationship with God now, but especially in eternity, training to walk as our Lord walks, including by great love and by faith. Our ministry and worship now will greatly increase. We will have a greater obedience to God, with our more greatly glorifying and worshiping Him. God will direct our thoughts and actions, working all things together for good, commensurate with the level of our maturity in Christ-likeness. We also will have great fellowship with each other, including with those from our families.

**PENALTIES IF NOT IMPLEMENTED:** Our people will have a lessor mature walk with God than He desires and has planned. Our people will greatly not know and relate to God both now, and especially in eternity to the degree that God has desired for us. We will glorify God much less, doing things more our way and the way of the world. We will be disobedient to God for not pursuing maturity as He commands and our attempt to do things our way. Our ministry and attendance can decrease over time. Churches then will have more just activity, than divine life of lives being changed by growing in maturity and doing much evangelism, gaining new converts.

**COST TO CARRY OUT THE RECOMMENDATION:** We will need to establish a complete training curriculum (I have a beginning one). We need to search the entire Bible for all that God wants us to become (outcome) and for all the steps we need to live out experientially to get there (procedure) and record them in a computer for all to read. Then we should do nothing else. On this course, we glorify God by giving back to Him what came from Him as a source. We should

9(...continued)

carrying out of the recommendations under the elders’ authority.

10. **MATURITY IN ETERNITY:** As stated previously in the text, the Bible does not teach directly whether or not our maturity will or can increase in eternity. But it infers it will not indirectly because the developing environment of the world, flesh, and the devil will not be in heaven. The devil and our sin natures will not be in heaven. And God will direct our every thought and action using our divine natures that cannot sin (make mistakes). Having greater maturity, God can direct us in greater ways according to His Greatness. Apart from walking with Him in His Greatness, there is nothing. We must pursue maturity regardless because God commands that we do. Then we can have the best that exists for us. (Hebrews 6:1; Colossians 1:28).

11. **BECOMING MATURE:** Becoming maximally mature in Christ-likeness is a growth process. None of us have reached maximum growth, but we can be pursuing to have the maximum we can gain in our lifetimes.

## **WATCHMAN WARNING:**

### **Recommendations That Should Be “Urgently” Implemented by Church Leaders and Family Heads**

go to needed expository verse by verse in depth-in breadth preaching, special seminars, and special Bible classes. We need to train our people with what to do, how to do it, examples for how to do it, testimonies from the teacher for how he did it, and place people into several places of on-the-job training. **People only become mature when they live out, not just know the principles.**●<sup>12</sup>

## **RECOMMENDATION TWO**

### **GO ALL OUT TO EVANGELIZE THE CHILDREN OUT IN THE COMMUNITY**

**RECOMMENDATION:** Go all out to urgently evangelize and disciple the children out in the community. Invite them and their families to attend our or other churches, giving them printed information. God’s commands us to be evangelists.

**BENEFITS WHEN IMPLEMENTED:** More children will be saved and grow to maturity. 85% of those coming to Christ do so in the age range of 4-14. Adults do what they learned and experienced as children. Our ministries and attendance will increase.

**PENALTIES IF NOT IMPLEMENTED:** With the endtimes soon coming that will last only a limited time period and with many being martyred in this period, our younger children will not live normal life spans. Thus, if we do not evangelize them now, many children and youth will not be saved or gain a maximum maturity to have a maximum relationship to God in eternity. We must work so the latter does not happen. **(This is especially true for new families.)**

**COST TO CARRY OUT THE RECOMMENDATION:** We need to work with Child Evangelism Fellowship (CEF) and others such as kid’s clubs. CEF will do the training and establish the after-school Bible and summer 5 day clubs. We will need to supply tens of workers (50 would be a first goal). Three to four leaders are needed for each Bible club. We will need a leader and overall coordinator in our church. In time, our workers will take over the clubs, remaining working with CEF. We can team with other churches.

## **RECOMMENDATION THREE**

### **TRAIN OUR PEOPLE WITH ENDTIMES BIBLE PROPHECY AND WHAT WILL HAPPEN TO THEM AS THE ENDTIMES COME AND HELP THEM PREPARE NOW IN ADVANCE, INCLUDING ESPECIALLY HOW TO WALK BY STRONG FAITH**

**RECOMMENDATION:** The Bible teaches the Church will go through the endtimes Tribulation and

---

12. **ACTION NEEDED:** We may need to pull many selected people out of the rock music service into the hymn service. Many in the rock music service may not want to take the training. We must present the need and the consequences to them for taking and not taking the training to become maximumly mature in Christ-likeness. We need to explain the damage to them if they remain in the rock music services such as not becoming mature in Christ to have a maximum walk with God.

## WATCHMAN WARNING:

### Recommendations That Should Be “Urgently” Implemented by Church Leaders and Family Heads

signs●<sup>13</sup> now signal most loudly they can come at any time (with only God knowing the exact timing in advance). Thus, we should now urgently: **(1)** train our people with endtimes prophecy with the Post-Trib Rapture view and how the United States is being used in a special sequence to bring history’s termination; **(2)** alert them to what they will experience as the endtimes come; **(3)** help them become mature including to especially walk by strong faith; and **(4)** help them prepare physically with needs of life and spiritually for entering the endtimes. They should combine with friends in this preparation time. **Workers should have jobs needed in bad times.**

**BENEFITS WHEN IMPLEMENTED:** Being trained and prepared, our people will not be caught blind sided and unprepared when the Calamity comes. They will return to greater obedience and have the motivation to pursue maximum maturity in Christ-likeness now and under persecution in the Tribulation. Being prepared, our people will have stored the needs of life and lighting so ministry and life can continue, and they will not fall away from the faith when the persecution and martyrdom come in the endtimes Tribulation. They can gain more maturity now so as to know and relate to God in a much greater way in eternity.

**PENALTIES IF NOT IMPLEMENTED:** Our people will be caught blind sided when the endtimes Calamity and Tribulation come suddenly (like a sudden earthquake) without warning apart from the now existing signs. Our people will not have the needs of life to stay alive and will fall away from the faith under great persecution giving Satan more power to rule. As a result, they will not gain more maturity in Christ under the difficult times and persecution. Many will be martyred as Satan makes war against the Church. The times will be most severe as the Calamity comes.●<sup>14</sup>

---

**13. ENDTIMES WARNING SIGNS (Occurring at the “same” time with great intensity) INCLUDE:** **(1)** “great” inflation with great (severe) economic problems; **(2)** severe weather; **(3)** promoting same sex marriages and abortions; **(4)** a major falling away of the American churches (God’s people) in various degrees to become the endtimes lukewarm 7th church; **(5)** actions to bring world government with things under government control; **(6)** aliens owning some (much) American property (such as China); **(7)** increase in false religion in America’s land ; **(8)** churches no longer enduring sound doctrine, teaching mainly or only the a,b,c’s; **(9)** children and youth are now growing up with the loud Devil’s rock beat structured music; churches using it, cannot tell the difference between the holy and the profane (such loud and rock beat structured music- structure used in Voodooism and the cults); and **(10)** many youth having premarital sex. There are many more.

**14. TAKE WATCHMAN WARNING:** When the Calamity comes bringing in the Tribulation under world government control, the following will most likely happen to some large degree (Many details are not in the Bible; and only God knows the details - may come in principle as to what happened to O.T. Israel): **(1)** the stock market will crash from the extreme debt; **(2)** the infra structure will break down preventing food and goods for a time getting to the market place and there will be government generated viruses that will kill people; **(3)** electrical magnetic bombs (EMB) very likely will knock out most transistors (semi-conductor chips) in some areas (permanently causing no electricity, no telephones, no TV or radio, no computer operation, no lighting, no gasoline pumping, no cars can operate, etc.); **(4)** with our country’s oil production shut down, we may have much difficulty getting gasoline; **(5)** Russian and Chinese missiles from submarines will nuclear bomb selected cities and areas (the internet has 6 guestimated areas), and there will be chaos everywhere with people going door to door looking for food and other needs of life they can steel; **(6)** our government will place us under martial law and then under world government - we are then in the endtimes Tribulation; **(7)** There will come a new world religion (belong to or be persecuted) and  
(continued...)

## **WATCHMAN WARNING:**

### **Recommendations That Should Be “Urgently” Implemented by Church Leaders and Family Heads**

**COST TO CARRY OUT THE RECOMMENDATION:** We will need to train our people as to how the endtimes will come and what will happen to them when they do come. We will need to encourage and help them put in some provisions to get through the Calamity and for several months following. They must now know how to walk by very strong faith so they will not fall away under the circumstances and the coming persecutions. They should combine now with some friends and prepare together. Train them how to carry out ministry during the coming times. They need to practice now.

## **RECOMMENDATION FOUR**

### **PLACE OUR CHURCH PEOPLE NOW INTO UNDERGROUND HOME GROUPS (CHURCHES) AND HAVE OUR PASTORS AND MISSIONARIES GAIN JOBS AND MEANS OF FINANCIAL SUPPORT FOR WHEN THE CHURCH DOORS ARE CLOSED BY LACK OF FUNDING AND/OR BY GOVERNMENT ACTION**

**RECOMMENDATION:** Place all our church people urgently now into small underground home church groups of people who live near each other, before the Calamity and Tribulation come. Alert and help our pastors and missionaries, who are mostly supported by others, to gain additional support for when the endtimes come when their support will cease or greatly decrease.

**BENEFITS WHEN IMPLEMENTED:** Our local church ministries and worship can more greatly continue in the endtimes Tribulation. Our pastors and missionaries can continue large amounts of their ministries.

**PENALTIES IF NOT IMPLEMENTED:** Being in isolated individual families, it will be harder to carry out ministry, be prepared, and have continued worship of God when the endtimes come. They can be without the help they will need. Our pastors and missionaries can be without the financial support they need for the needs of life. Much of the pastoral and missionary work will decrease, or be greatly curtailed.

**COST TO CARRY OUT THE RECOMMENDATION:** We will need to place together the names of our people who live reasonably close together (close driving distances). Then we should establish home people groups. We should provide them materials for Bible study and a means to gain the needs of life they can store. We will need to greatly help each other. Those who have more can provide money to others who have less. (People (when the endtimes come) who have much resources can now divert them from giving to the church per se, and give finances direct to pastors, missionaries, and friends in great need.)

---

14(...continued)

a new currency (real or computer) (savings in current US dollars may be lost - this is why many are putting their savings now in gold and silver - but these can be confiscated); **(8)** Severe persecution will come, with jailing and martyrdom (there are prisons in place now in military areas); and **(9)** We will need to help family members who have greatly reduced incomes and otherwise who need help. In time in the Tribulation, we can expect to have the very rich who rule, and all the rest (us), the very poor over which the rich rule. The middle-class will be largely removed. All the poor will have to work. This means that most seniors will be removed.

## **WATCHMAN WARNING:**

**Recommendations That Should Be “Urgently” Implemented by Church Leaders and Family Heads**

# **PLEASE UNDERSTAND THE BIBLICAL PICTURE, TAKE CAREFUL NOTE OF THAT BELOW, AND URGENTLY IMPLEMENT THE RECOMMENDATIONS**

**God has begun the sequence, using the United States, by which He is now terminating history. The exact details that will happen and the timing events are only known by God. But we can have great insights to what will happen and why. We know that in some manner, people will need to work to have a living after the great Calamity and Tribulation come. We also know that Satan, allowed by God, will make war against believers bringing them great persecution, imprisonment, and martyrdom. He will, in time, work to force people to believe his ways or die.**

**The timing looks, by the signs and knowledge of the overview sequence, to be very soon. Thus, we must prepare urgently now in case the time is in the next few months or few years. It does not hurt to be ready a few years early, but one second late? Those not preparing in advance will be caught blind sided and unprepared. (E.g. Those who wait for precise information, that will never come, before they act, will be caught blind sided.) They will have a major falling away in the Tribulation. Many, even most, will not know what is happening when the Calamity and Tribulation come.**

**Those churches that believe in the wrong Pre-Trib Rapture View and/or are going mainly to elementary training using the devil’s loud rock type music most likely will be caught blind sided. WE MUST NOT LET THIS HAPPEN TO US AND OUR PEOPLE.**

## **THUS - TAKE “WATCHMAN WARNING:” URGENTLY PREPARE FOR THE ENDTIMES AND ETERNITY**

**Be sure to become a Christian and then especially train to gain maximum maturity in Christ-likeness so one can know and relate to God toward his maximum. THERE IS NOTHING ELSE IN THE ETERNAL VIEW. God is in charge.**

**Doing so, even if I am wrong, you will have God’s best. But if I am correct and you do not carry out the recommendations (which is unthinkable)?**
