SUBJECT: “Must Know” Biblical Endtimes Information And Whether And How America Can Be Brought Back To her Great Days ●¹ (Several Main Subjects or Topics.)

KEY CONCEPTS: What is now happening and will happen as Revelation’s endtimes are now unfolding and why, why America will never return to her blessed state, and what we, as churches and families, should urgently do now. The situation now with Israel. We need to have much prayer and much greater obedience to God. History, over the next few years, is now being terminated.

THE MAIN LETTER REPORT ●²

1. RESTORING OUR BELOVED AMERICA TO GOD AND HIS WAYS - BIG PICTURE PERSPECTIVE: Many patriots are now working to restore America to her previous situation of great blessing to her people with freedoms, free enterprise, and good economics. In doing so, they are working with government, laws, and finances as well as to get their people elected to government. But, this approach will not work. Instead, they must use the needed biblical approach. However, from the Bible’s principles, the **ONLY THING** that can restore America (Bring America back) to her historical operation with good finances, freedom of religion, and free enterprise is that her (God’s) churches must have massive revival in greatly increased obedience to God. There is no other way to bring America back. (Working with the government and laws may help to slow things down, but it will not (can not) change the outcome.) America, with her churches and people falling away from obedience to God, is about to go under divine discipline of the endtimes Tribulation. America, at this time, as an obedient favored nation to God is gone forever. The very large numbers of her churches falling away from God’s required obedience is the **CAUSE** of America as a nation falling away (**SYMPTOM**). The country of America is falling away (symptom) based on her churches falling away (cause). God will restore America only if her churches return to Him in great obedience. **We must work with the cause, not with the symptoms of the cause, if we want a return to God’s best (if it were possible).** The

1. **NOTE:** This is a summary from the Bible (God’s authority) of essential need-to-know information for quick understanding of how **Revelation’s Endtimes are now unfolding**. The Bible presents the overlay for what is now happening and what will happen. **We are reporting what we believe the Bible to teach. Read the references next (listed at the end of this report) for detailed development from the Scriptures for more detailed information.** The single chapters referenced from *Watchman Warning* are available on the web site separately apart from the book. There are “many aspects” to understand and integrate. “It takes time.” You will be blessed to know what is happening and why, so you can adequately and urgently prepare under God.

2. **GOD IS INFINITE:** We must remember that God is infinitely perfect, holy, righteous, and true. He has created all things. Everything (anything) good comes from Him. Thus, we need to look to His plans and ways to find truth including such as what is now happening and where things are going and why. We must look to Him, using His Bible, for how we are to live and believe, what we are to become, for everything.

**“Must Know” Biblical Endtimes Information And
Whether And How America Can Be Brought Back To her Great Days**

churches, as a cause, are now falling away from God’s requirements by: **(1)** using mainly only first level training (no longer with a complete curriculum representing God’s whole counsel - includes not adequately training to become mature in Christ - thus, they are not taking adequate care of their own - this is sin); **(2)** not greatly maturing her people in Christ; **(3)** not adequately evangelizing the children out in the community;●³ and **(4)** by using the Devil’s loud repetitive beat structured rock and like loud music that brings some worship to him.●⁴ This approach used by our churches is to please and bring the people (particularly the youth) into the churches instead of pleasing and bringing maximum worship to God and maturing His people in Christ with God’s Whole Counsel in expository teaching with a maximum walk with Him.●⁵ (The literature in research ●⁶ shows that this type structured rock music was used in Voodooism and in the cults to call up evil spirits and demons. It states it is demonic and should never be used in our churches. **Most churches do not believe this, and continue to use rock music, because they have not done the research to learn of its evils and particularly because it does bring large numbers of youth, who are now growing up on rock music, and finances into our churches.**) Our churches do not appreciate God’s infinite Greatness so they will do all His will, and they are not eternity oriented so as to greatly mature their people needed for eternity. They are using many of man’s instead of God’s ways, even though they are doing many good things. Our churches (without their realization or desire) are being, have been, transformed to become the immature church, no longer enduring sound doctrine, with a loss of biblical intellect and with a low plateau of biblical knowledge. There can be exceptions in varying degrees. It is very unlikely that these churches can be transformed back because, as being presented in several places, they no longer endure (practice) sound doctrine. **Thus, there is little or no possibility of America as a country returning to God because most of His churches can no longer obey God and return to His best adequately because they no longer endure sound doctrine. They are not eternity oriented and have lost**

3. EVANGELIZING THE CHILDREN: 85% of those coming to Christ do so in the age range of 4-14. Many, if not most, adult ministers were saved as children such as Billy Graham and Dobson. If we want to have great adult ministries, we must work to have God save the children as a high priority ministry. Not to evangelize the children is satanic strategy to reduce the adult ministries. We must not let this happen.

4. NOT IN BIBLE: We are not to do anything that is not found in Bible directly or in some application of Bible teaching. Rock music and drums are not found anywhere in the Bible. Thus, rock music and loud drums should not be used in our churches or in any Christian activity. We should instead, as the Bible teaches, sing melody from our hearts, using hymns, unto the Lord. The melody must be dominate in our churches with some dynamics, not loud drum beat. To use rock music in our churches is to disobey the Lord, and thus, is sin.

5. HABITS: Our church leaders and attendees, by design, now wear casual clothes in our church services such as the hippies used to wear. Some churches have flashing lights. This can only be disrespectful to God.

6. REFERENCES SHOWING WHY ROCK STRUCTURED MUSIC SHOULD NEVER BE USED IN OUR CHURCHES: (1) *Rock Music, Christian or Satanic* by Ric Llewellyn; (2) *Rock and Roll* by Bill Fortenberry; (3) *Christian Rock, Blessing or Blasphemy* by Terry Watkins; (4) *Crisis in Christian Music* by Dr. Wheaton; (5) *Why I Left the Contemporary Christian Church Movement* by Dan Lucarine; (6) *Music in the Balance* by Warlock and Woetzel (Drs’); (7) *Notice of Complaint Against The Unrecognized Enemy of the Church* by Institute of Basic Life Principles; and (8) *What the Bible Has to Say About “Contemporary Christian” Music; and Ten Scriptural Reasons Why the Rock Beat is Evil in Any Form* by Institute of Basic Life Principles. **Sitting under rock music long term desensitizes one to the leading of the Holy Spirit, preventing gaining maximum maturity in Christ, and can bring health problems.** Many are not involved in ministry and do not come out Sunday nights for church services and special events. Thus Satan uses rock music to reduce the ministry.

**“Must Know” Biblical Endtimes Information And

respect for His infinite Greatness to do and to become ALL that He requires and desires for us for now, but particularly for eternity (for ever and ever). Perhaps some churches can and will change. There are still many churches that do not use rock music. They train with different amounts of God’s Whole Counsel and many do not evangelize the children in the community. In summary, our country can only be brought back to God if her churches have massive revival before God. But this cannot happen because her churches no longer endure sound doctrine. So America will go under the endtimes world government with socialism without recourse.

2. THE ENDTIMES SEQUENCE, NOW IN EFFECT, THAT GOD IS USING TO TERMINATE HISTORY (We may not be totally correct in every area.):

God used a special sequence in Israel many times by which He set aside Israel as a covenant nation based on her disobedience and by which, with a similar sequence, He is now terminating endtimes history using the United States as His most favored nation. The sequences that God used with Israel are a model for the sequence God is now using in these endtimes. (See Deuteronomy 28 and Leviticus 26 for the rules of the sequence.) The sequence is as follows (See Chapter 5 of *Watchman Warning* for its development): **(1)** He has His most favored chosen nation that He greatly blesses in her obedience and uses her in ministry. This nation was Israel and in these endtimes is the United States. God has blessed America by orders of magnitude more than any nation in history including much-much more than Israel and England. She certainly is a most favored nation unto God. **(2)** God brings warning to His favored nation in her disobedience by His watchmen and by the signs that come as a result of the disobedience. (The falling away of God’s people cause the falling away of the rest of the nation’s people.) The signs that were in Israel signally God’s judgment in divine discipline is coming are now in the United States. ●⁷ The signs tell (signal) us that the Endtimes Tribulation will come in the near term. **(3)** The nation continuing in her disobedience, God would place her under the rule of a world empire for divine discipline for a period of time. For example, Israel was ruled by such as Babylon, Greece, and Rome at different times. In these endtimes, the discipline period is the endtimes Tribulation that will last on the order of 20 or more or less years (not 7 as founded wrongly on Daniel’s seventieth week ●⁸). The Tribulation will begin with a devastating Calamity that will bring war to America and place her, with her churches, under

7. SOME OF THE SIGNS, OCCURRING AT THE SAME TIME, THAT SIGNAL THE ENDTIMES DISCIPLINARY TRIBULATION IS SOON COMING:

(1) the acts of God (occurring in the same time area) in areas of severe weather, flooding rains, fire storms, mud slides, hurricanes, tornados, earthquakes, and tidal waves; (2) the coming of the endtimes International government; (3) great increase in immorality, *particularly sodomy - same sex marriages*; (4) people cannot discern the difference between the holy and the profane especially as they use the Devil’s loud repetitive rock beat structured music instead of the hymns and like music with the melody dominate as God requires; (5) churches teaching mostly pablum to reach the youth, instead of teaching and training God’s Word in its breadth with depth (God’s Whole Counsel). They no longer know sound doctrine; (6) unholy reforms in our public schools and country including teaching sodomy and allowing abortion; and (7) **great debt in the US and in the world.** (See my book: *Watchman Warning*, pages 30-34, for more details and the many Scripture references.) There are many more. These or similar signs were in OT Israel just before the world empires invaded. Many of these signs have been with us for some time. But now in composite, they are very strong such as financial chaos, most severe weather, and same sex marriages.

8. DANIELS’ SEVENTIETH WEEK: Detailed studies show the seventieth week is now history occurring at the time of Christ. It does not refer to the endtimes Tribulation. See my report: *The Seventy Weeks of Daniel Chapter Nine* on my web site for development details.

**“Must Know” Biblical Endtimes Information And

the rule of world government.●⁹ The Calamity will come without warning like a sudden earthquake apart from the signs and the watchman’s warning. **This letter report brings a watchman’s warning that the signs now signal that the Calamity can come very soon with only God knowing the timing.** America will experience war such as most likely by nuclear bombing and plaguing of a few of her cities. They most likely will not bomb the cities that produce satellites and missiles (and other special military weapons) because world government will want to use them. The infrastructure will break down without goods and food getting to the market place. The stock market may crash. There will be major power blackouts. Over time, key Christian and patriot leaders will be arrested and martyred. This has the result to scatter their people with many now being afraid to do ministry. There could be a large earthquake. There will come a change in the currency. There is much more at this time. The US government will (is expected to) declare Martial Law and place America under world government. Then the disciplinary Tribulation begins with socialism under world government. The government will make war with the church and others opposed to the evil principles of world government and its choice of religion. She will imprison, persecute, and martyr most. **(4)** After the discipline period (after the Tribulation in the endtimes) is over, God delivers His people back to Himself with repentance. In Israel, it was back to the land. In these endtimes, the deliverance to God and Christ is via the Rapture of the Church. The Rapture occurs at Christ’s Second Coming, after the disciplinary Tribulation, at the marriage supper of the Lamb. It occurs after all the tares are bundled for the fire in the Tribulation. **No one is born or saved after the Rapture. There are only unbelievers on the earth after the Rapture.** All believers from all of history go to be with Christ at the Rapture time. **(5)** Then God destroys the world government that ruled over His people. In the endtimes, He also destroys all the remaining unbelievers. Now in resurrection, all believers go to the New Jerusalem and all unbelievers go to the Lake of Fire (for another way for God to satisfy His Justice for sin). Eternity now begins. (Understanding this sequence, and with other doctrines, one can positively know that the Rapture can only be post-tribulational, there will be an endtimes Tribulation, and the endtimes’ coming is imminent.)

3. WHY ARE WE ON THE EARTH?: We are on the earth to gain a maximum maturity in Christ-likeness, after becoming Christians, so we can relate to and know our infinite God toward His maximum living holy and righteous lives in fellowship with Him and each other, especially in eternity. **Apart from this relationship, particularly from the eternal perspective, there is nothing.** God in eternity, based of His infinite Greatness and Perfection, will direct every thought and action we will ever have. This is the only way we can live holy and righteously and know God more in His depth-breadth. We will obey Him from our love, not as robots. This is why it is important to learn to live by love now. This is why the Bible teaches that apart from love, there is nothing. **(Remember, He is an infinite God (with infinite capabilities) and inherently has the only good and spiritual perfection that exists. He is infinitely perfect and complete in every attribute that exists. And relating to Him in His depth-breadth is all there is. Thus, we should seek to become maximumly mature in Christ with the highest priority. When each of us fellowship with God in His Greatness independently, we then, afterward, also will fellowship with each other.)** He can give us more mature direction and more knowledge of Himself if we have a higher maturity in Christ. There is reason to believe that the maturity we have at death we will have forever. It will not increase in heaven (There will be no sin in heaven. We cannot

9. WORLD GOVERNMENT: In many respects, the United States has been under world government rule in precursor status for some time because people from behind the scenes have been guiding America and her leaders in ways to help bring the formal world government. The signs show and signal this.

**“Must Know” Biblical Endtimes Information And
Whether And How America Can Be Brought Back To her Great Days**

then make growth mistakes as we do now, and God now commands us to seek maturity.) Thus, we should obey God's command now to become mature in Christ. To become maximumly mature in Christ, as a minimum, **in excellence seeking God's best, we must at least:** **(1)** Appreciate God's absolute Greatness such that we search all the Scriptures for all He wants us to become and do - and then live them out - doing all of God's will. Then we become a person after God's own heart which will greatly glorify Him; **(2)** Live in head-subordinate relationships as the Father had with the Son; **(3)** Live as Christ lives with everything in thought and action coming from the Father - then when people see us, they see the Father because we, from ourselves as a source, are doing nothing; **(4)** Live by faith trusting God to fulfill His promises and activating our faith by obeying the instructions with the promise - then we live without sin and receive revelation of the Scriptures from God; **(5)** Live by sacrificial love serving God and others, keeping (obeying) God's commandments - then we live holy and righteously with the result we come to know God and serve each other; **(6)** Be involved in God's work of evangelizing (especially the children), discipling to maturity, planting churches, building godly families, and helping the needy; **(7)** Know and stand strong on the basic Christian-Faith Doctrines; **(8)** Have regular daily devotions with God in prayer and Bible reading-meditating-study; and **(9)** Obey the Holy Spirit such that we obey the Scriptures with the result that we, using the hymns and like music, will sing melody from our hearts to the Lord.●¹⁰ (I have taught much of these subjects over the years in the church and in seminars. I can help here.)

4. WHAT OUR CHURCHES AND FAMILIES SHOULD URGENTLY DO NOW: As the endtimes are now unfolding, our churches should urgently do at least the following being eternity and God's Greatness oriented:●¹¹ **(1)** Put in about three or more months of supplies (provisions) for all needs to cover the time of the Calamity and any other serious coming emergency; **(2)** We should pull all people and young people, who will come, out of the rock music church services and put them in hymn services with in-depth-breadth expository verse by verse training and no longer use rock music in our Sunday Schools. (If we can, we should stop using rock music everywhere, especially in our church services. However, if we do, we can lose large numbers of our youth attendance and many finances because our youth like and feast on the rock music. This feast from youth up has changed (has transformed) our country. Young people now no longer have an interest in the hymns. So we have a catch 22 so to speak. If we keep the young people in the rock music services, they will at least hear some of God's Word and gain some maturity.) We should have hymn services singing melody unto the Lord as God states we will do when filled with the Holy Spirit. However, now it may be (most likely be) too late to not use rock music. The majority of our young people most likely will not attend the hymn services. We can bring extra training, such as in seminars, to help mature our young people in Christ (I can help here). Many youth may only attend if the elders really **“push it”** and attend themselves; **(3)** We should act **“with urgency”** to mature all our people (and young people) in Christ-likeness to the maximum we understand and search for more understanding; **(4)** We should train all our people to walk by very strong faith in God to fulfill His promises and to protect them. We should be ready to handle the coming hard times, persecution, and martyrdom; **(5)** We should go all out to evangelize and disciple the children in the community working at least with Child Evangelism Fellowship (CEF) to start tens and tens of after-school Bible clubs. CEF staff will train our people and initially establish the clubs; and **(6)**

10. **MATURITY:** Sitting regularly under rock music, especially with mainly limited teaching, it may be impossible to become maximumly mature in Christ. There may be exceptions for those who do special things. God's way is that we sing hymns with melody in our hearts when filled with the Holy Spirit - not rock music.

11. **TIMELINESS:** Churches should do these now, even if several years before the Calamity comes. It is better to be prepared several years early than to be one second too late. So our churches should act with expediency,

**“Must Know” Biblical Endtimes Information And
Whether And How America Can Be Brought Back To her Great Days**

We should place our people into home mutual support groups (people who live near each other) for when the endtimes come and the government closes our church doors.

5. SUMMARY: EXCELLENCE BEFORE THE LORD: Excellence before the Lord to do all His will appears gone forever from most of our churches. Thus, there appears very little chance of revival in our churches. Thus, the endtimes Tribulation will come without recourse as the Bible prophesies. Our youth and young people are growing up on rock music and have but little interest in the hymns and in-depth-breadth Bible study. Research shows that our people cannot reach maximum maturity in Christ sitting regularly under rock music. The churches must now (because there appears to be no alternative) use rock music to reach the youth and bring them into our churches. They will not come for the hymns. So we have no recourse in these times, but to us rock music even though it is sin. There are exceptions in attendance, particularly those who come with their parents to the hymn services. If we can convert the parents in the rock music services, they may bring their youth into the hymn services. Using rock music is satanic strategy to help bring the endtimes with immature Christians. **But our church leaders do not realize this, not having done sufficient research and no longer enduring sound doctrine. They can be (most likely will be) severely judged by God.**

APPENDIX

ISRAEL’S SITUATION FROM THE CROSS TIME AND FOR THE ENDTIMES●¹²

Israel is no longer a covenant and favored nation to God. In her disobedience, without returning to God in revival, she has broken the everlasting covenant that God had with her for her land. God gave Israel an everlasting covenant to forever remain in her land, but she had to be obedient to God to maintain the covenant active (in effect). Many times she broke the covenant in her history by disobediences and apostasies. As a result, she was ruled by world empires independently in sequence such as by Media-Persia, Babylon, Greece, and Rome. Many Jews were taken to the land of the world empire. After each discipline period, God restored her to her land and re-activated the land covenant with her repentance. God then destroyed the world empire. (See Deuteronomy 28 and Leviticus 26 for the rules of the sequence.) As of the Cross of Christ, she is no longer a favored nation unto God. As a result of her disobedience without revival, God divorced the northern kingdom in a direct teaching in Jeremiah 3:8. The marriage to the southern kingdom was dissolved when Christ died on the Cross as the apostate Jews had the Romans crucify Him. These actions set aside the everlasting covenant to the land and God’s marriage to Israel forever.●¹³ **The land of Israel, after Pentecost, is no longer the holy land. God is now without relationship to Israel as a covenant nation. God now will no longer**

12. **UNDERSTANDING:** Many churches continue to support the return of Israel because they have not done the research to know what has happened to Israel, and they rest upon God’s everlasting covenant to the land always being effective without realizing Israel must have obedience for it to remain effective - which she has not done. Her disobedience has kept God from renewing the everlasting covenant to the land. It does not matter in the long run anyway because the Jews, who become Christians, can have everything that God offers for eternity in salvation and maturity in Christ to go to heaven and have an intimate relationship with God. But what it does, it has the church go to sleep wrongly expecting a pre-tribulation Rapture of the church. So the church does not adequately act with urgency to mature her people before the Tribulation comes.

13. **PROBATION:** After the Cross, God gave Israel (the southern kingdom) 40 years of probation for her to return to Him. But she did not, so God took her as a nation out using the Romans, where they destroyed the temple and city of Jerusalem. Israel as a covenant nation to God is now gone forever. The Muslims have built a masque on the temple site which prevents the Jews from rebuilding a temple. The Jews have not been in her land “under God” since AD70.

**“Must Know” Biblical Endtimes Information And
Whether And How America Can Be Brought Back To her Great Days**

restore her to Himself as a covenant nation in a marriage relationship. Christ, now being married to the Church, cannot have two wives at the same time, and thus, He can no longer marry Israel again. Israel as a nation had great purpose before the Cross. God used her: **(1)** to be a genealogy to bring the Savior; **(2)** to bring the 10 commandments to show the need of a Savior from sin; **(3)** to use sequences as a model for the endtimes sequence; **(4)** to bring the temple and animal sacrifice worship; and **(5)** to have Christ crucified using the Romans. Satan very likely returned the present Israel to her land in 1948 in her disobedience to God to be used by Satan in these endtimes. God only restores Israel to her land in her repentance and return to obedience. The present Israel is in the land with great apostasy with no interest in the Savior. The Cross of Christ broke down the barrier of the dividing wall between the Jew and the Gentile, where both, as believers in Christ's Cross, are now one in Christ and are part of the Church and body of Christ without ethnic division. God has not abandon the Jews because as believers they can become Christians to go to heaven and gain maximum maturity in Christ needed for eternity which God has planned for all people who will believe. They can have a maximum relationship to God as He has planned. (The land of Israel is not needed for this.) (To become a Christian (it must be only according to the Bible), one must believe that Christ died on the Cross to satisfy God's Justice for sin. His death, burial, and resurrection for sin is called the Gospel. We must believe the Gospel to be saved and go to heaven after death. We activate our faith by praying to God that we believe, but only as the Bible teaches.) The Cross set aside animal sacrifices and physical temples forever. The Church is now to be a living sacrifice and is the current sanctuary of God. The Jewish system under God is gone forever. Satan may attempt to bring some of it back, such as rebuilding the temple to deceive Christians. Our churches and country need (should) not now support Israel as a nation, but should reach out to her people and lead Jews to believe in Christ as Savior and disciple them to become mature in Christ. **From an eternal perspective for the Jews (and for the Gentiles), apart from these relationships, there is nothing. Being now in the land for Israel as a special covenant nation has no purpose after the Cross.** All believers, both Jews and Gentiles, are to be one in Christ and to gain maturity in Christ, regardless where they live on earth. (Thus, there is no Jewish millennium coming. It has no purpose. Christ now, since Pentecost, rules the Kingdom of God from heaven.) Since the Cross and Pentecost, Israel as a special covenant nation to God has no purpose. All that matters is that individuals, both Jews and Gentiles, become Christians and maximumly mature in Christ, being ready for eternity. This is so they (we) can know and relate to God forever in His perfection in His depth-breadth. What else can there be, particularly from an eternal perspective. (Not to pursue maximum maturity in Christ-likeness is a sign we are now insufficiently mature in Christ, and we no longer endure (live by) sound doctrine.)
